

No Sweet Truth

[#added sugar](#) [#health risks of sugar](#) [#sugar addiction](#) [#artificial sweeteners](#) [#healthy alternatives to sugar](#)

The phrase 'No Sweet Truth' highlights the importance of understanding the negative impacts of excessive sugar consumption on our health. It emphasizes the need to be aware of hidden sugars in processed foods and beverages, and to explore healthier alternatives in order to maintain a balanced diet and avoid potential health complications associated with sugar addiction and the overuse of artificial sweeteners. Recognizing the truth about sugar empowers individuals to make informed choices for their well-being.

Sweet Truth

Indulge your senses and savor the delectable world of "Sweet Truth," a tantalizing novel that weaves together the irresistible flavors of love, secrets, and the transformative power of embracing our true selves. In this enchanting tale, acclaimed author Larry Scott invites you to lose yourself in a world of mouthwatering desserts, intricate relationships, and the quest for authenticity. In "Sweet Truth," prepare to be swept away by a story that combines the delectable artistry of a pastry chef with the complexity of the human heart. Follow the journey of our protagonist, a talented confectioner with a secret past, as they navigate the high-stakes culinary world, where passion, rivalry, and personal discovery entwine in a delectable dance. With sumptuous descriptions that will make your mouth water, "Sweet Truth" immerses you in a world of tantalizing desserts and the intricate artistry behind them. From delicate macarons to decadent chocolate masterpieces, the author's vivid prose will awaken your senses and transport you to a realm where each delectable creation tells a story of its own. Beyond the mouthwatering delicacies, "Sweet Truth" delves into the complexities of human relationships. As the protagonist embarks on a journey of self-discovery, they encounter a cast of captivating characters—a charming fellow chef, a mentor with a mysterious past, and a group of misfit apprentices—all of whom play a crucial role in unraveling the secrets that lie beneath the surface. At its core, "Sweet Truth" is a story about finding the courage to embrace one's true self. Through its pages, you'll witness the protagonist's transformation as they confront their fears, navigate the challenges of the culinary world, and ultimately discover the liberating power of authenticity. This novel will resonate with anyone who has ever struggled with self-acceptance, reminding us that the sweetest truths often lie within ourselves. "Sweet Truth" is a literary delight that seamlessly blends the art of storytelling with the sensory pleasure of exquisite desserts. It is a celebration of the magic that happens when passion and creativity converge. Whether you're a food lover, a romantic at heart, or simply seeking a tale that will leave you craving for more, this novel is a must-read that will satisfy your literary and culinary appetites. Immerse yourself in the world of "Sweet Truth" and experience a deliciously unforgettable journey. Be whisked away by the flavors, the emotions, and the vibrant characters that bring this story to life. With every turn of the page,

you'll be left longing for just one more taste of this enchanting novel. Don't miss out-get your copy of "Sweet Truth" today and surrender to a truly indulgent reading experience.

Women, Money & Cheesecake

When we decided to write this book, one of the first questions we asked ourselves was, Does the world need another book about money? There are tons of them out there: books about how money works, the mistakes people make with their money, trying to understand the stock market, and on and on --a virtual deluge of facts, opinions and approaches. So, let us ask you a question. How is it going with all that information? Have you put any of it to use yet? Did you finish the book? Did you feel so depressed about checking yes to just about every mistake listed in some of the books that you said to yourself, It's hopeless. Do you now find yourself in more or less the same place you started, just somewhat more confused? Put that all away now. The guilt stops here. This is a no-recrimination zone. This book is not really about money; it is about you and your untapped ability to create a space for financial success in your life. No matter where you are, no matter what side of the street you live on, no matter how much or how little you have, how young or old you are, you can do something for yourself starting today using the incredible resource you already possess: your own character. Don't get us wrong. It is great to gather information about money and become more informed. However, we are all unique individuals. This book is about recognizing what works for you in this vast sea of financial data. It is the sweet truth about you and your money.

Bitter Sweet Truth

She lived through a lifetime of trauma, starting at a very young age encountering her first time being sexually abused. Through the 80's she grew up not knowing if this nightmare would ever end. Her faith never failed her and she went from victim to survivor. This is no longer "her story" but is "our story". A real-life account of one person's story and how they survived through unbelievable circumstances.

Harrison's original Sacred Melodies, Hymns, Chants, Anthems ... for home and Sabbath schools

Does Sugar Make Us Fat and Sick? Like fat in the 80s and 90s, sugar is the new nutritional devil. Sugar is the scapegoat for all of our woes. Got cancer? Well sugar feeds cancer! Got diabetes? You ate too much sugar; better cut back! Your kid's hyperactive? Clearly they've been eating too many Twinkies. And don't forget: Sugar is more addictive than cocaine and heroin! But is this "truth" too sweet to swallow? Free Yourself from the Fear and Hysteria Surrounding Sugar Pundits, politicians, medical professionals, and hucksters alike bombard us with their scaremongering. We're reminded often of the high rates of cardiovascular disease, diabetes, cancer, and other diseases, and we're encouraged--sometimes even mandated--to reduce our risk. Amidst the hysteria, everyone is looking for something to blame. Sugar has become a scapegoat. In fact, sugar has been called "the new tobacco." But the evidence against sugar is practically non-existent. Time to Face the Sweet, Sweet Truth The consumption of high-fructose corn syrup has declined in the US since 1999, but people continue getting fatter, so there must be another explanation for the obesity epidemic besides overconsumption of candy and soda. It's facts like this that make Joey's Lott's latest book, In Defense of Sugar, a must-read. Lott cuts through the nonsense being sold by the likes of Dr. Mark Hyman and Dr. Joseph Mercola-the "anti-sugarists"-by digging deep into the scientific studies. And what do those studies say? That sugar, when included in a well-rounded diet, is not only not harmful, but may even be beneficial. Let's put it this way: If fructose is really so dangerous, early humans would have dropped dead from eating all that tropical fruit before they had time to create the next generation. Get your facts straight and put sugar back on your plate.

In Defense of Sugar

Swami Nityatmananda lived in the company of Sri M. for a long time, maintained a diary and elaborated it in sixteen parts of Sri Ma Darshan. The book is also available in English under the title 'M., the Apostle & the Evangelist.' All the sixteen parts are available in Bengali too. It is a continuation of the Kathamrita. This work is the result of twenty years of hard and incessant work and tapasya, on the banks of the Ganga in Rishikesh, in the Himalayas. In this series of 16 volumes the reader is brought in close touch with the life and teachings of Sri Ramakrishna family: Thakur, Swamiji, Holy Mother, M., Swami Shivananda, Swami Abhedananda and others. And there is the elucidation according to Sri Ramakrishna's line of thought, of the Upanishads, the Gita, the Bible, Guru Granth Sahib, the Holy Quran and other scriptures. The third specialty of this work is the commentary on the Gospel of Sri Ramakrishna by the author himself. Says Swami Shraddhananda, "One wonders at the unusual

capacity of Swami Nityatmananda in recording these day to day conversations of this Vyasadeva of our time – M. – and later developing his notes into his masterly work. One cannot fail to discover the special training he received from Sri M. himself in this direction while he was serving as a teacher in M.'s school and living with him for years." When he read it, Swami Jagadananda remarked, "The author has presented M.'s words lifelike. After reading his Kathamrita, a study of this book will throw new light on the Kathamrita. There is no doubt about it." The great American and senior sadhu, Swami Atulananda, wrote, "This book may serve a double purpose. To those who are acquainted with M.'s Kathamrita, it may be welcome as a companion volume, and to those not yet acquainted with the Kathamrita, it may arouse a desire to make that acquaintance. For this book, which is a record of M.'s talks with his admirers about his reminiscences, not only reveals new facts about the life of Sri Ramakrishna, but throws new light on that wonderful life." Swami Virajananda, the late President of Sri Ramakrishna Math and Mission, heard the manuscript read to him by his Secretary when he visited Dehradun for the last time, and he was delighted to hear it. He told to the author, "What a wonderful thing you have written! Why didn't you show it to me earlier? Never mind, now go and finish the writing. Human life is so uncertain. If you complete the writing itself, publication can be taken up by others... Ah! The move is as dramatic as the subject is sublime...'

Hymnologia Christiana; or, Psalms and hymns selected by B.H. Kennedy

The central question of this book is this: what is God's relation to humanity? Augustine said that our hearts were restless until they rest in God. But how do we find God to rest in him? This book is my attempt at an answer. It is the cry of a soul steeped in Jesus Christ, longing for its all beautiful God. Shall our God be as great as we can imagine? Shall our love of God have any taint of fear? How do we get Jesus Christ into our hearts, to be like him? Can a human being be brought into the world by its God and be irrevocably lost? How can the humanity of Jesus be shared by each person, if that humanity is even possibly at eternal enmity with its maker? Is there anything that could justify believing in the failure of God, even a theory of inspiration? How so, if it meant that God could not be God? Such questions are explored here. This book has no agenda; nor must it, when it runs into doubts, conform to any creed. Its aim is simply this: to find and love and rest in our God.

M., the Apostle & the Evangelist - Volume 8

Reprint of the original, first published in 1871. The publishing house Anatiposi publishes historical books as reprints. Due to their age, these books may have missing pages or inferior quality. Our aim is to preserve these books and make them available to the public so that they do not get lost.

The Language of Flowers

Contains opinions and comment on other currently published newspapers and magazines, a selection of poetry, essays, historical events, voyages, news (foreign and domestic) including news of North America, a register of the month's new publications, a calendar of forthcoming trade fairs, a summary of monthly events, vital statistics (births, deaths, marriages), preferments, commodity prices. Samuel Johnson contributed parliamentary reports as "Debates of the Senate of Magna Lilliputia."

Sermons on Selected Lessons of the New Testament

She was lost once, but found. He's not willing to lose her twice. Getting lost in the woods isn't on Bristol Wingham's agenda. Neither is being abandoned by her friends or getting injured. Luckily for her, she's found by one of Fallport's search and rescue members. She hadn't planned on staying in the small town, but when her rescuer offers her a place to recuperate...she can't resist. Cohen "Rocky" Watson has rescued his fair share of lost hikers, but there's something about Bristol that makes him sit up and take notice. The world-renowned artist could definitely afford to go back home to Tennessee and pay someone to look after her until her broken leg heals, but the more time he spends around her, the more he wants her to stay. Slowly but surely, as Bristol heals, the former Navy SEAL and the artist find themselves falling in love. But someone is less than happy with the budding relationship. When Bristol disappears, it'll take Rocky, his entire team, and every colorful, gossip-loving Fallport local to find her—and the clock is ticking. ** Searching for Bristol is the third book in the Eagle Point Search & Rescue Series. Each book is a stand-alone, with no cliffhanger endings. * Read what others are saying about New York Times bestselling author, Susan Stoker: "Susan Stoker is the master of military romantic suspense. She's my go-to author for sexy alpha hero and strong, sassy heroines." Riley Edwards, USAT Bestselling Author "Susan Stoker never disappoints.

She delivers alpha males with heart and heroines with moxie." Jana Aston, NYT Bestselling Author "No one does military romance like Susan Stoker!" Sermons on Selected Lessons of the New Testament

Oh, that everyone should receive a drink and plunge with abandon into the deep, refreshing Waters of My Spirit! The Spirit-filled life is a lifelong adventure into the depths of God's Love. Jesus is the Baptizer with the Holy Spirit, desiring to inundate everyone who comes to Him with Living Water from His Well, which never runs dry. He is waiting at the Well for anyone who will come, just as He waited when he met the Samaritan woman at Jacob's Well many years ago here on Earth. He said to her, "Whoever drinks of the water that I shall give him will never thirst. But the water that I shall give him will become in him a fountain of water springing up into everlasting life." Come to the Waters is about receiving Living Water from Jesus! Front cover image Original painting by Costanza Knight

Natures Pictures drawn by Fancies Pencil to the Life ... In this volume there are several feigned stories of natural descriptions, as comical, tragical, etc. MS. notes

Betrayed by her people, does she dare trust a dragon? The alien dragon shifters who discover Earth come in peace—at first. Then, inexplicably, they threaten to attack. In an attempt to show goodwill and appease the dragons, Earth sends a human woman to become a concubine to one of the Draconian king's sons, Prince K'ev. K'ev would sooner give up his ability to breathe fire than accept a human, but when he meets Rhianna, sparks fly, and his dragon realizes she's his mate. Rhianna falls for the hot-blooded prince, unaware she's a key link in a desperate scheme to defeat the dragons, a strike that could backfire with devastating consequences. Will she figure out what Earth has planned in time to save her dragon mate? And if she does, will K'ev be able to save her planet from an angry king's retaliation?

Sermons on Selected Lessons of the New Testament: S. John, Acts, Romans, I Corinthians, Galatians, Ephesians, Philippians, I Thessalonians, I Timothy, Titus, James, I John

In both science and philosophy, the twentieth century saw a radical breakdown of certainty in the human worldview, as quantum uncertainty and linguistic ambiguity destroyed the comfortable certitudes of the

past. As these disciplines form the foundation for a human position in the world, a major epistemological reorganization had to take place. In this book, quantum theorist Stig Stenholm presents Bohr and Wittgenstein, in physics and in philosophy, as central figures representing this revision. Each of them took up the challenge of replacing apparent order and certainty with a provisional understanding based on limited concepts in constant flux. Stenholm concludes that the modern synthesis created by their heirs is far from satisfactory, and the story is so far an unfinished one. The book will appeal to any researcher in either discipline curious about the foundation of modern science, and works to provoke a renewal of discussion and the eventual emergence of a reformed clarity and understanding.

The Anglican Hymn Book

Soroush and his contemporaries in other Moslem countries are shaping what may become Islam's equivalent of the Christian Reformation: a period of questioning traditional practices and beliefs and, ultimately, of upheaval."

Ears of Corn

The Berenstain Bears' Home Sweet Tree

Brother and Sister bear take on us a tour of the tree home they love.

Home Sweet Tree

Introduces readers to animals that live in trees, including the koala, toucan, and howler monkey, and explains how they make these habitats their homes.

Home Sweet Tree

Kids will love stepping into the home of the first family of Bears and exploring the many rooms where they live, work, sleep, and play. Peek into Papa Bear's root cellar, discover all the fun "stuff" in Mama Bear's attic, and take a romp through Brother and Sister Bear's room. With over fifty fun flaps to lift, there's a lot to look for while learning what really lies beneath the dust ruffles and in the crannies of the most popular treehouse in America.

The Sweet Gum Tree

Sweet tea, corn bread and soup beans; everyday fare for eight-year-old Alix French, the precocious darling of a respected southern family. But nothing was ordinary about the day she met ten-year-old Nick Anderson, a boy from the wrong side of town. Armed with only a tin of bee balm and steely determination, Alix treats the raw evidence of a recent beating that mars his back, an act that changes both their lives forever. Through childhood disasters and teenage woes they cling together as friendship turns to love. The future looks rosy until the fateful night when Frank Anderson, Nick's abusive father, is shot to death in his filthy trailer. Suddenly, Nick is gone, leaving Alix alone, confused and pregnant. For the next fifteen years she wrestles with the pain of Nick's abandonment, a bad marriage, her family and friends. But finally, she's starting to get her life back together. Her divorce is almost final, her business is booming, and she's content if not happy-until the day she looks up and sees Nick standing across the counter. He's back, and he's not alone. Once again Alix is plunged into turmoil and pain as Nick tries to win her love, something she resists with all her strength. Only one thing might break the protective wall she's built around her emotions-the truth about Frank Anderson's death. But when that truth comes out and those walls crumble, neither Alix nor Nick is prepared for the emotional explosion that could destroy as well as heal.

Home Sweet Home

In Ethiopia, Yuvi dreams of a land where water flows, bread is plentiful, and candy grows on trees. But it is only after a difficult journey that she arrives in Israel, where it appears that her dreams have come true.

Yuvi's Candy Tree

It's the most wonderful time of the year... to fall in love

Home Sweet Christmas

Join Brother Bear as he discovers the most amazing cubs in school—cubs who can: Tell funny jokes Do imitations of famous folks Dance on their toes And even balance a pole on their nose! You'll be surprised to see who has the greatest talent of all...

Berenstain Bears and the Talent Show

A worldwide classic of children's literature - a moving, life-affirming childhood story, finally available in English again Meet Zezé - Brazil's naughtiest and most loveable boy, his talent for mischief matched only by his great kindness. When he grows up he wants to be a 'poet with a bow-tie' but for now he entertains himself playing pranks on the residents of his family's poor Rio de Janeiro neighbourhood and inventing friends to play with. That is, until he meets a real friend, and his life begins to change...

My Sweet Orange Tree is a worldwide classic of children's literature – never out of print in Brazil since it was first published in 1968, it has also been translated into an astonishing number of languages and won the hearts of millions of young readers from Korea to Turkey, Poland to Thailand and in many other countries too. José Mauro de Vasconcelos (1920-84) was a Brazilian writer who worked as a sparring partner for boxers, a labourer on a banana farm, and a fisherman before he started writing at the age of 22. He is most famous for his autobiographical novel My Sweet Orange Tree, which tells the story of his own childhood in Rio de Janeiro.

My Sweet Orange Tree

Picture a tree - what do YOU see? Picture a tree, from every season, and from every angle. These wondrous beings give shade and shelter. They protect, and bring beauty to, any landscape. Now look again. Look closer. A tree's colours both soothe and excite. Its shape can ignite the imagination and conjure a pirate ship, a bear cave, a clubhouse, a friend; an ocean, a tunnel, and a home sweet home. Its majestic presence evokes family, growth, changes, endings and new beginnings. Picture a tree - what do you see? The possibilities are endless. In this gorgeous new picture book, Barbara Reid brings her vision, her craft, and her signature Plasticine artwork to the subject of trees. Each page is a celebration, and you will never look at trees in quite the same way again.

Picture a Tree

Holidays in Trees: Home Sweet Home By: Cammy Marble Did you know there is a community of animal kind that lives in the trees? Have you ever wondered how they spend their time and what they do all day? They use only what they need, take care of their environment, and help and love each other. They would like for you to come visit them to see how they celebrate the holidays of their year. You might get some ideas that you can try! See you soon!

Holidays in Trees

This charming tale of an overgrown pine always being passed by for Christmas, and what his woodland friends do to help him, is sure to become a Christmas classic. With delightful illustrations by wildlife artist Michael Monroe and enchanting text from Colleen Monroe, the birds, deer and squirrel of this story help make their special friend's wish come true.

A Wish to Be A Christmas Tree

Hi, my name's Alex - and just like you, I have a one-of-a-kind family! My Dad lives in one home, and my Mom in another. I'll show you all the perks that come with sharing your time between two homes with different rules, things and family members. Living in two homes can be more work, but the love both sides of my family have for me is all that matters - after all, you can never be loved by too many people! My One-of-a-Kind Family's flagship book, My Tree Has Two Branches, promotes respect and love for one's unique family in addition to illustrating healthy boundaries for young readers in parallel or co-parenting situations. Whether your child shares his or her time between two single parents, two blended or stepfamilies or a combination of both, our books will help shed positive light on a topic that affects so many children today.

My Tree Has Two Branches

One little girl has a very special friend, the tall ancient tree in her backyard. Through the seasons, she grows along with the tree, playing in its branches and basking in its shade. She can swing and have a picnic, draw the tree and play hide and go seek. Through her time with her tree, the girl learns to appreciate the natural world as something to be savored and protected and acknowledges her place within it. The Growing Hearts series celebrates the milestones of a toddler's emotional development, from conquering fears and expressing feelings to welcoming a new sibling.

My Tree and Me

"The perfect holiday confection."--Booklist From #1 New York Times bestselling author Susan Mallery comes a witty and heartfelt story of two friends who unexpectedly find the person-and the place in which-they belong this Christmas. With twinkling humor and heartfelt Christmas spirit, two friends find love in a town called Wishing Tree... Until Camryn Neff can return to her "real" life in Chicago, she's in Wishing Tree to care for her twin sisters. She's not looking for forever love, not here. But handsome

hotelier Jake Crane is a temptation she can't resist, so she suggests they pair up for the season. No golden rings, no broken hearts. At his side, she sees her hometown through Christmas-colored eyes. The cheer is cheerier, the joy more joyful. She thought she had put her future on hold...but maybe her real life was here all along, waiting for her to come home. New in town, River Best is charmed by Wishing Tree's homespun traditions and warmhearted people. When she's crowned Snow Queen, she's honored but wary. Dylan Tucker, her king, seems like the stuff of sugarplum dreams, but she can't shake the feeling that he's hiding something big. As they perform their "royal" duties--tasting cookies, lighting trees--Dylan's good humor and melty kisses draw her to the brink of love. But she can't let herself fall until she uncovers his secret, even if her lack of faith means losing him forever.

Home Sweet Christmas: A Holiday Romance Novel

A family makes its annual pilgrimage to decorate an evergreen tree with food for the forest animals at Christmastime.

Night Tree

Trees occupy a place of enormous significance, not only in our planet's web of life but also in our psyche. *A Spell in the Forest - Tongues in Trees* is part love-song, part poetic guidebook, and part exploration of thirteen native sacred British tree species. *Tongues in Trees* is a multi-layered contribution to the current awareness of the importance and significance of trees and the resurgence of interest in their place on our planet and in our hearts.

My Sweet-orange Tree

Cleverly revealing the basics of reproduction in an age-appropriate way, award-winning Sophie Blackall has created a beautiful picture book full of playful details to amuse and engage readers. Sooner or later, every child will ask, *Where do babies come from?* Answering this question has never been this easy or entertaining! Join a curious little boy who asks everyone from his babysitter to the mailman, getting all sorts of funny answers along the way, before his parents gently set him straight.

A Spell in the Forest

In this delightful exploration of the seasons in nature, an oak tree and its animal inhabitants change and grow over the course of a year — just like their human neighbors! A large oak tree stands near an empty house. Like the house, it provides shelter and a place to raise a family. From its branches to its roots, six animals share the tree as a home. We follow the tree and the animals — a raccoon, opossum, acorn weevil, gray squirrel, blue jay, chipmunk — through the four seasons. Meanwhile, in the illustrations, we watch as a human family moves into the empty house, grows and adapts over time. Trees and animals — including humans! — follow life cycles across the seasons. Kids will love exploring nature's parallel lives.

The Baby Tree

As *The Giving Tree* turns fifty, this timeless classic is available for the first time ever in ebook format. This digital edition allows young readers and lifelong fans to continue the legacy and love of a classic that will now reach an even wider audience. "Once there was a tree...and she loved a little boy." So begins a story of unforgettable perception, beautifully written and illustrated by the gifted and versatile Shel Silverstein. This moving parable for all ages offers a touching interpretation of the gift of giving and a serene acceptance of another's capacity to love in return. Every day the boy would come to the tree to eat her apples, swing from her branches, or slide down her trunk...and the tree was happy. But as the boy grew older he began to want more from the tree, and the tree gave and gave and gave. This is a tender story, touched with sadness, aglow with consolation. Shel Silverstein's incomparable career as a bestselling children's book author and illustrator began with *Lafcadio, the Lion Who Shot Back*. He is also the creator of picture books including *A Giraffe and a Half*, *Who Wants a Cheap Rhinoceros?*, *The Missing Piece*, *The Missing Piece Meets the Big O*, and the perennial favorite *The Giving Tree*, and of classic poetry collections such as *Where the Sidewalk Ends*, *A Light in the Attic*, *Falling Up*, *Every Thing On It*, *Don't Bump the Glump!*, and *Runny Rabbit*. And don't miss the other Shel Silverstein ebooks, *Where the Sidewalk Ends* and *A Light in the Attic*!

A Tree Is a Home

The sparkling Christmas novel from the Sunday Times bestselling author Heidi Swain! Wynter's Trees is the home of Christmas. For the people of Wynmouth it's where they get their family Christmas tree, and where Christmas truly comes to life. But for Liza Wynter, it's a millstone around her neck. It was her father's pride and joy but now he's gone, she can't have anything to do with it. Until her father's business partner decides to retire and she must go back to handle the transition to his son Ned. When Liza arrives, she discovers a much-loved business that's flourishing under Ned's stewardship. And she's happy to stay and help for the Christmas season, but then she has other plans. But will the place where she grew up make her change her mind? And can it weave its Christmas cheer around her heart...? Underneath the Christmas Tree is the perfect festive read, promising snowfall, warm fires and breath-taking seasonal romance. Perfect for fans of Milly Johnson, Carole Matthews and Cathy Bramley. Praise for Underneath the Christmas Tree 'Heidi Swain is the queen of feel-good fiction, and this Yuletide yarn certainly ticks all our boxes' New! Magazine 'A seasonal romance as warm and welcome as a mug of mulled wine' Woman & Home 'You'll want to curl up with a hot choc to read this warm hug of a festive book' Fabulous Magazine Praise for HEIDI SWAIN: 'Full of Heidi's trademark gentle charm. Lock the door, pour some mulled wine and settle into this wonderful Christmas treat!' Milly Johnson 'More Christmassy than a week in Lapland - we loved it!' heat magazine 'Sprinkled with Christmas sparkle' Trisha Ashley 'Give yourself a Christmas treat and curl up with this magical book!' Sue Moorcroft, author of The Little Village Christmas 'A real Christmas cracker of a read!' Penny Parkes, author of Practice Makes Perfect 'Cosy, Christmassy and deeply satisfying! Another wonderful read!' Mandy Baggot, author of One Christmas Kiss in Notting Hill

The Giving Tree

With the help of Jesus, Sister Bear learns to share her toys and to play with other bears.

Underneath the Christmas Tree

Frog lives in a bucket, but suddenly, he has to find a new home! Can any of his friends in the garden take him in? Will he ever find somewhere else to live? Home Sweet Home

"Fiona Lee's charming illustrations invites little ones to celebrate a wonderful tree, learn its name, and say thank you for the tree's joyful, natural gifts"--

Home Sweet Home

'Searingly honest and important' RACHEL CLARKE Honest, intelligent and unsentimental, Patient 1 is a startling self-portrait written with wit and vulnerability, and a unique testament to the power of hope in the face of illness. Charlotte Raven had never heard of Huntington's Disease when, in her mid-thirties, she discovered that her father was suffering from the illness. Life for her and her young family would never be the same again. Frank and fearless, this is her memoir of coming to terms with this inherited neurodegenerative disease and its impact on her body, mind and memory. It is at once an act of self-preservation and a kind of reckoning: with the illness, with the person she once was and with the person she is now. In an afterword, Raven's doctor Ed Wild - one of the country's leading experts in Huntington's - explains how doctors and patients like Charlotte are working together in the hope of one day eliminating this disease altogether. 'Insightful, frank and often moving...Raven writes with humour...and no small amount of courage' Guardian Shortlisted for the RSL Christopher Bland Prize 2022

Jane's Patisserie

At Christmastime, a tree from the outside comes inside, just waiting to be decorated. And did you know that some of the tree's ornaments are inspired by outdoor things, too -- like a snowflake, a ball, a bird, and a star?

My Wish for You

Shy Miss Twiggley lives in a tree with her dog. Her odd ways cause a commotion in town until a hurricane strikes.

At Home in Joshua Tree

Stitch a delightful workbox in the shape of a whimsical English cottage with this stunning design from Carolyn Pearce.

Christmas Tree

Enjoy these fascinating stories of how real people responded to conflict situations in unusual and creative ways. Some intensely moving, some funny, some startling or surprising -- these stories bring tears to the eyes and open the heart with a deep appreciation for what is possible. This book covers the full spectrum of life - from conflicts all of us face, to situations of extreme violence or war. The solutions each person finds here are unique - no two are exactly the same, so you'll stay on the edge of your

seat through the last page. "She awoke from a deep sleep to a strange man kicking in the door to her bedroom. She couldn't imagine him waiting patiently while she reached under her pillow for her gun. In a moment of fear and courage, she took an unusual action that she believes saved her life, steering them both away from the violent ending that seemed inevitable..." Read this and 60 other short stories that will inspire you--and perhaps lead you to discover creative solutions in your own life in unexpected ways.

Miss Twiggley's Tree

This uniquely shaped board book celebrates the cycle of the year with a tree that blossoms in spring, bears fruit in summer, sheds its leaves in fall, and cradles snow in winter. Young readers follow the passage of seasons in a succession of spreads, each filled with simple text and intriguing lift-the-flaps that reveal the many creatures—from owls to bumblebees—who all find shelter in the tree's boughs.

Home! sweet home!

A heartwarming story that will become a Christmas tradition. Calvin is the youngest, and littlest, tree on Stumpstinkle's Tree Farm. He longs to be a Christmas tree. While the other trees encourage him, one grumpy older tree is very discouraging. Calvin never gives up. Illustrated to engage a child's wonderful world of imagination and create fond lasting childhood memories.
