

Kill The Father

[#kill the father meaning](#) [#overthrowing authority](#) [#generational conflict](#) [#rebellion themes](#) [#power struggle symbolism](#)

Explore the profound and often metaphorical implications of 'Kill The Father,' a powerful phrase deeply embedded in literature, psychology, and social commentary. This concept frequently symbolizes overthrowing authority, generational conflict, and the ultimate act of rebellion against entrenched power structures or outdated ideologies. Uncover the various interpretations, from literal patricide to a symbolic power struggle representing a break from the past, offering a rich lens through which to understand human motivation and societal change.

Students can use these dissertations as models for structuring their own work.

My Fathers' Daughter

What do you wear to meet your father for the first time? In 2004, Hannah Pool knew more about next season's lipstick colors than she did about Africa: a beauty editor for The Guardian newspaper, she juggled lattes and cocktails, handbags and hangouts through her twenties just like any other beautiful, independent Londoner. Her white, English adoptive relatives were beloved to her and were all the family she needed. Okay, if I treat it as a first date, then I'm on home turf. What image do I want to put across?...Classic, rather than trendy, and if my G-string doesn't pop out, I should be able to carry the whole thing off. Contacted by relatives she didn't know she had, she decided to visit Eritrea, the war-torn African country of her birth, and answer for herself the daunting questions every adopted child asks. Imagine what it's like to never have seen another woman or man from your own family. To spend your life looking for clues in the faces of strangers...We all need to know why we were given up. What Hannah Pool learned on her journey forms a narrative of insight, wisdom, wit, and warmth beyond all expectations. When I stepped off the plane in Asmara, I had no idea what lay ahead, or how those events would change me, and if I'd thought about it too hard I probably wouldn't have gotten farther than the baggage claim. A story that will "send shivers down [your] spine," (The Bookseller), My Fathers' Daughter follows Hannah Pool's brave and heartbreaking return to Africa to meet the family she lost -- and the father she thought was dead.

My Father's Daughter

"100th anniversary of Frank Sinatra's birth"--Front cover.

My Father's Daughter

How does a daughter tell the story of her father? Sheila Fitzpatrick was taught from an early age to question authority. She learnt it from her father, the journalist and radical historian Brian Fitzpatrick. But very soon, she began to turn her questioning gaze on him. Teasing apart the many layers of memory, Fitzpatrick reveals a complex portrait of an Australian family against a Cold War backdrop. As her relationship with her father fades from girlhood adoration to adolescent scepticism, she flees Melbourne for Oxford to start a new life. But it's not so easy to escape being her father's daughter. My Father's Daughter is a vivid evocation of an Australian childhood; a personal memoir told with the piercing insight of a historian.

Her Father's Daughter

"Considers a group of royal women in the early medieval kingdoms of the Asturias and of León-Castilla; their lives say a great deal about structures of power and the roles of gender and religion within the early Iberian kingdoms. Pick examines these women, all daughters of kings, as members of networks of power that work variously in parallel, in concert, and in resistance to some forms of male power, and contends that only by mapping these networks do we gain a full understanding of the nature of monarchical power"--

Her Father's Daughter

From the author of *Their Guilty Pleasures*: In postwar England, a young woman reopens her late father's nightclub and faces his criminal past. Southampton, 1945. Food, fuel, and other necessities continue to be scarce in England, but when former Wren Victoria Teglia reopens her late father's Club Valletta, it's an event that excites potential members with the desire—and the money—to be entertained. Victoria can't help wondering what her father would think. While his exclusive club was once a hotbed of prostitution, illegal gambling, and vice, Victoria intends to run the new establishment on the up and up. But changing the ways of Club Valletta is no easy task. With her father's former right-hand man as her business partner, the underworld connections run deep. And perhaps most dangerous of all is Johnny Daniels, the handsome son of gangster Big Pat Daniels. Johnny wants a piece of the action . . . and he knows how to be persuasive. Will Victoria be swayed by his criminal charms, or will she manage to maintain her principles? "Tate provides a satisfying ending and suggests dark doings that could prove haunting." —Booklist "Her Father's Daughter is an entertaining, light read . . . [that] keep[s] the pages turning." —Historical Novel Society

Her Father's Daughter

What does the first man in the life of a girl mean to her? Are fathers someone daughters fear or admire? On the other hand, do the fathers just want to be facilitators or friends? And what if in some cases the daughters simply despise them? *Dads' Daughters* is a collection of essays, seeking to examine this unique relationship from both the daughters' and the fathers' viewpoint. In these deeply introspective passages, there are daughters here who examine what their father meant to them, as also there are fathers who talk of their daughters and what that relationship means to them. A soul-searching collection *Dads' Daughters* also highlights that ultimately it is the father's belief that succeeds in empowering his daughter.

Dads' Daughters

The international bestseller. From the Sunday Times bestselling author Beezy Marsh, comes a moving true story of two women fighting to survive scandal, poverty and war. When Annie marries Harry after years of heartache in a London slum she believes she's found her happy ever after. But the horrors of the Blitz soon threaten everything they hold dear. The terrible sights Harry witnesses as an air raid warden bring back traumatic memories of his time during the First World War. Suddenly Annie finds herself struggling to cope not only with life in wartime and two little children, but also with a husband who seems like a stranger. Kitty has always been protective of her little brother Harry. Hiding the scandal about their father from the world was the only way to survive as they were growing up in Newcastle. But when she discovers Harry too has a shocking secret, she is torn. Meanwhile Annie wonders why Harry refuses to discuss his life before their marriage and why she has never met his sister. Will the truth ever come to light? From the bombed-out terraces of London to the docks of Newcastle, *Her Father's Daughter* is Beezy Marsh's moving and poignant true story about the unbreakable bonds of family, and the power of love to heal the worst wounds.

Her Father's Daughter

Inspiration for the motion picture streaming on Pure Flix! Drawing on her thirty years' experience practicing pediatric and adolescent medicine, teen health expert Dr. Meg Meeker explains why an active father figure is maybe the single most important factor in a young woman's development. In this invaluable guide, Meeker shows how a father can be both counsel and protector for his daughter as she grows into a spiritually and mentally strong young woman. From cradling his newborn to walking her down the aisle, a father must relish his paramount responsibility—guiding the course of his daughter's life. Meeker reveals • how a man can become a "strong father" • how a father's guidance influences every part of a woman's life, from her self-respect to her perspective on drugs, alcohol, and sex • how to lay down ground rules that are respected without creating distance in your relationship with your daughter • why you need to be your daughter's hero • the mistakes most fathers make and their serious consequences • how to help daughters make their own good decisions and avoid disastrous mistakes • how a father's faith will influence his daughter's spiritual development • how to get through to you daughter, even during her toughest don't-talk-to-me years • true stories of daughters who were on the wrong path—and how their fathers helped to bring them back Learn how to grow, strengthen, or rebuild your relationship with your daughter to better both your life and hers in the bestselling *Strong Fathers, Strong Daughters: 10 Secrets Every Father Should Know*.

Strong Fathers, Strong Daughters

For many women, the most important relationship in their lives has been with their father. Using myth, fairy tale, literature, and real-life stories, Jungian therapist Maureen Murdock reveals the unspoken truth about daughters and the immense power the fathers they idealize have over them.

Fathers' Daughters

What do girls think about their fathers? And what are fathers struggling with when it comes to their relationship with their daughters? Award-winning journalist, author and commentator Madonna King has interviewed over five hundred girls and many fathers, as well as leading psychologists, school teachers, CEOs, police, counsellors and neuroscientists, to get the answers all mothers, fathers and daughters need to know. Exploring a father's role in his daughter's life from both perspectives, Madonna examines the key issues that arise and helps families navigate the, sometimes, very difficult moments. This essential and insightful book reveals why daughters can turn against their fathers and explores: · Communication · Teen rebellion · Discipline · Sexual education · Divorced families · How much influence can/should a father have and what you can do to repair a broken relationship? **FATHERS AND DAUGHTERS** will give a voice to our girls, insight to our fathers and peace of mind to both.

Fathers and Daughters

Her Father's Daughter

Now in paperback just in time for Father's Day, this loving literary tribute--a companion to "Mothers & Daughters"--is filled with stories, memoirs, and photographs from today's best-loved writers, including Eileen Goudge, Faye Kellerman, J.A. Jance, Carol Nelson Douglas, Maxine O'Callaghan and others.

Fathers and Daughters

Poor Little Rich Boy Winston Carmichael has it all: a big house, servants, vacations in Palm Beach, and a fancy private school. But with overprotective parents and a sense of responsibility for his younger sister, Heidi, Winston sometimes feels more as if he's living in a prison than a dream. Then one day a woman appears at the front door claiming to be Caroline -- Winston's half sister, who was kidnapped and presumed dead long before he and Heidi were born. Is she really Caroline? Is she an imposter? Or is she something far more complicated than either? And does she hold the key that could unlock the door to Winston's prison?

My Father's Daughter

Emily thought her life was perfect with the exception that she always wondered who her father was and what her mother was really like. She was adopted as a newborn by her mother's best friend when her real mother died from a blood disease shortly after she was born. Her life seemed charmed and she had nearly everything she could want or need. Her curiosity through the years of her youth was soothed by pictures of her biological mother but never her father. Lisa, her adoptive mother, didn't know who her father was, just that her mother Molly had gone to a sperm bank because she didn't want the complications of having a husband and all the headaches of a relationship with a man. Molly wanted a baby to complete her perfect life as Hollywood's prettiest newscaster. Her life was charmed and she was perfectly happy without the confinement of a relationship. She had had many relationships without satisfying results and decided she didn't need a man in her life, if only she just had a baby. So she went to the sperm bank and chose the most intelligent and most handsome donor from the vast selection in the catalog. She knew her baby would be perfect in every way. Before Emily came into Lisa's life, she had raised her son and had a pretty quiet but satisfying life. Was she ready to take on another child if something happened to Molly? She and Molly had been inseparable since they were children. She would die for Molly, but to raise a child on her own again was no small favor. When Emily's father, Jake, came looking for the child or children his sperm had produced, he wasn't sure what to expect. As it turned out, only one child had been produced and he knew he had to track her down. As a widower

with no children of his own, he longed to know his biological daughter, hoping she felt the same way and that she would want to know him. Once he found her, should he seek custody or just leave her be? He wondered what she looked like and how old she was, if she would accept him as part of her life or reject him for not being there before even though it wasn't his choice to not be there for her.

The Father's Daughter

In this heartbreaking true story, the abduction of his daughter has a father on an emotional and difficult journey in pursuit of justice. The battle is bitter and brutal with the child stuck in the middle of a heartless and inept UK legal system. Constant and baseless accusations from the mother further derail proceedings, causing delays and torment for their daughter. This is a story of courage, angst, perseverance, selfishness, love, and pain. Two sides rivalling for the residency of their daughter. One trying to bring her back home to the life she adores. The other, starting a new life in an unfamiliar location many miles away from family and friends. Excerpt As always, the court can be rather stressful and frustrating. For all of the positive expectations and desire for success, it's never straightforward and always unpredictable. Court had been something of a mixed bag. The good news is that after court I will be collecting Jessie for our weekend contact. It provided a nice distraction and eased any frustrations. The court process has been long, with no end in sight. Whenever it seems to be concluding, obstacles disrupt the process and prolong the suffering. I browsed through shops as I awaited Jessie's arrival into the city centre. She arrived with Emma and a school friend in attendance. My only focus was Jessie and making the transition as swift as possible. We have a long journey south, and I no longer desire to be in the company of Casey or Emma. The reality is that their body language and demeanour annoy me. They exude smugness and arrogance.

A Father's Daughter

'Her Father's Daughter' is a novel written by Gene Stratton-Porter. It was one of her last novels, set in southern California, outside Los Angeles. The story follows Linda and Eileen and the differences in how they are treated by the world around them, despite being sisters. Another thing that future readers should be aware of before reading this novel is that it contains anti-Asian sentiment prevalent in the United States during that era.

Her Father's Daughter

My Father's Daughter tells the story of generations of family members who learn to survive harsh conditions of pioneering America and living with Lynch syndrome hereditary cancers.

My Father's Daughter

Fathers and Daughters explores the complex nature of this subject using the voices and experiences of both fathers and daughters. Sue Sharpe provides an examination of the important processes operating within the relationship such as those affecting gender roles, achievement, teenage sexuality, women's relationships with men and ageing. It is an original and captivating treatment of a strangely neglected subject. Sue Sharpe is a free-lance writer and researcher based in London.

Fathers and Daughters

A New York Times and USA Today bestseller! The perfect gift of love or sweet keepsake for a daughter of any age to show why Dad is so amazing! This new picture book for kids ages 3-7 and beyond is a touching story showing all the ways a father will help his daughter grow. This is the gift for every girl dad and little girl to celebrate their special bond! Featuring charming animal illustrations and heartwarming rhymes about the moments fathers and daughters share, Why a Daughter Needs a Dad is the perfect story to connect father and child together. From the first time I held you, so perfect and new, I promised to do everything that I could do To help you become your most wonderful YOU, My darling, my daughter, my girl. For new dads, fathers-to-be, or for that perfect father-daughter moment at birthdays and other special occasions, this sweet storybook celebrates how a father is always there for his little girl. reminding her to be artistic, thoughtful, honest, and smart, but most of all, true to herself.

Why a Daughter Needs a Dad

"What is it about the relationship between fathers and daughters that provokes so much exquisite tenderness, satisfying communion, longing for more, idealization from both ends, followed often if

not inevitably by disappointment, hurt, and the need to understand and forgive, or to finger the guilt of not understanding and loving enough?" writes Phillip Lopate, in his introduction to *Every Father's Daughter*, a collection of 25 personal essays by women writers writing about their fathers. The editor, Margaret McMullan, is herself a distinguished novelist and educator. About half of these essays were written by invitation for this anthology; others were selected by Ms. McMullan and her associate, Philip Lopate, who provides an introduction. The contributors include many well-known writers--Alice Munro, Jayne Anne Phillips, Alexandra Styron, Ann Hood, Bobbie Ann Mason, Maxine Hong Kingston, among others--as well as writers less well-known but no less cogent, inventive, perceptive, lacerating, questioning, or loving of their fathers.

Every Father's Daughter

Bestselling author helps a father understand his daughter and shows how to influence her to become a strong and confident woman.

That's My Girl

My Father's Daughter will help you recognize whose you truly are and empower you to live the life of worth, value, and purpose for which you were created. Having walked a difficult path of abuse and neglect, Tanya Glanzman found healing and true identity in the love and acceptance of her Heavenly Father. She desires to help you face the issues and feelings that you most want to hide and hide behind. Experience the freedom of embracing your own identity and the love of your Father.

My Father's Daughter

Winston's half-sister Caroline was long presumed to be dead, killed by kidnappers when she was 17. But when a woman arrives at the posh Carmichael home, she says "she" is Caroline, returning just in time to claim her share of a family fortune.

Father's Arcane Daughter

Five nights a week, María Elena Salinas looks into a television camera and delivers the news to millions of television viewers. But when the newscast is over, she is like so many other women across the country: a wife and a mother, struggling to find balance between her personal and professional life. When María Elena accidentally discovers her recently deceased father had once been a Catholic priest, all she knew was suddenly thrown into question. Turning her investigative eye on herself for the first time, she begins a long, arduous journey for answers. In *I Am My Father's Daughter*, María Elena tells the amazing story of her journey to the top amid her struggle to come to terms with family secrets. From her childhood in a poverty-stricken neighborhood of Los Angeles and her adolescent years spent working in a sweatshop, to her astonishing break into network television, along with her coverage of some of the world's major events and disasters, Salinas frames her life behind the camera in the same warm and straightforward tone that is her on-air trademark.

I Am My Father's Daughter

"It says something," write Lynda Boose and Betty Flowers, "that of the possible structural permutations of parent-child relations inscribed in our literary, mythic, historical, and psychoanalytic texts, the father and son are the first and the mother and son the second pair most frequently in focus." *Daughters and Fathers* shifts this focus to offer a provocative contribution to current discourse about representations of "the family." Among the contributors, Lynda Boose explores the structural implications of Western culture's central daughter-father kinship exchange stories; Leah S. Marcus examines the politics of daughter-father relations in a historical study of Mary I and Elizabeth I as daughters of Henry VIII; and Diane F. Sadoff treats "good girl" novelists George Eliot, Elizabeth Gaskell, and Anne Brontë. Hortense J. Spillers focuses on the incest theme in works by Ralph Ellison and Alice Walker, while David Willbern examines Sigmund Freud's strange alteration of testimonies by women describing seduction by their fathers. Representing a wide range of fields, the authors give special emphasis to daughter-father relationships in British and American literature. They discuss the lives and works of such authors as Richardson, Hawthorne, Christina Rossetti, Dickinson, Thackeray, Yeats, Woolf, and Plath. In an afterword, Carolyn G. Heilbrun widens the scope of discussion to suggest that questioning conventional parent-child relationships "may lead to quite other concepts of the family, moving further and further from the oedipal or nuclear family and the system that family-construct inevitably produces."

Daughters and Fathers

From the award-winning author John Clanchy comes a collection of five new tales that explore the fascinating - and often fraught - relations between fathers and daughters. It is a wise father, the adage tells us, that knows his own child. But equally, as the stories in *Her Father's Daughter* reveal with great power and insight, it is a wise child that knows her own father. An honest man, confronting the unpalatable facts of his step-daughters life, decides he must barter truth for lies to protect the woman he loves. A teenage girl goes in search of the father she hasn't seen since early childhood, only to discover a man startlingly different from the one she's imagined. An older man on the cusp of extinction finds that the one person he needs most is the daughter he's never valued. Love and loss may drive the stories in *Her Father's Daughter*, but it is longing a matchless yearning which completes them.

Her Father's Daughter

Is your daughter 14? Are you struggling to know what's going on inside her head? Are you worried? This is the book that can help you understand how she's feeling, what she's thinking and what you need to do to help her navigate her tricky teens to grow and become a fabulous woman. *BEING 14* gives a voice to every teen girl. Madonna King has interviewed 200 14-year-old girls, talked to successful school teachers, psychologists, CEOs, police and neuroscientists to reveal the social, psychological and physical challenges every 14-year-old girl is facing today. - How much independence do they need? - What is the power of a friendship group? - How do you help build self-confidence? - Why the obsession with selfies, social media and FOMO? - How are parents unknowingly making life so much harder for them? Overwhelmingly, these young girls - on the brink of womanhood - struggle to tell their parents how they feel. That's why *BEING 14* gives you the answers you are looking for. It's your daughter, talking to you. And her hope, beyond anything, is that you will listen.

Being 14

Fathers are important role models for their daughters. They are the first men that their daughters relate to, and the relationships with their fathers set the tone for any relationships their daughters have in the future. There is no doubt that fathers-daughter relationships impact daughters both positively and negatively. There are similarities between the father-daughter relationships, the daughters' perception of themselves, and how other men perceive them to be. Daughters drastically need their fathers support, acceptance, and love. Daughters who have positive relationships with their fathers are left with strong values, confidence, and high self-esteem. The daughters who have experienced failed relationships with their fathers are in need for compassionate relationships with other men and other people who are vulnerable to their pain. Daughters who suffer from negative relationships should learn to place high values on themselves, acknowledge that they are somebody, and that they hold the key to their own happiness. Many people do not identify the impact fathers have on their daughters' lives. As a result, these daughters can go through endlessly with no expectations of healing from the damage caused by lack of positive relationships with their fathers. If one is to comprehend the impact of father-daughter relationships, one must be open to comprehend the effect of that relationship. Fathers' impacts their relationship with their daughters, especially the role fathers play after divorce. After parents' divorce, daughters have various feelings of support, love, comfort, discomfort, honor, and disappointment. When fathers are part of their daughters' lives, they grow up feeling safe, secured, and protected, because their fathers were always around. Daughters need their fathers to be the standard against which they will judge all men.

Daughters Need Fathers, Too

Savor the Flavors of Every Season with Beautiful Baked Goods Bake along with Kelsey Siemens, creator of The Farmer's Daughter blog and fulltime apple farmer at her family's orchard. In this inspiring collection, she shares the ins and outs of a year on the farm, along with new and heirloom recipes, plus gorgeous photography. Layered with crumbles, fillings, creams and curds, these impressive treats bring out the best in every fruit. Whether you want to take your pies to the next level with a braided lattice crust and creative flavor pairings, or just need clever ways to use your farmers' market haul or garden harvest, you'll find a bounty of delicious ideas and easy techniques. Welcome spring with Great-Grandma Enid's Rhubarb-Pistachio Coffee Cake and capture the sweet taste of summer in Blueberry-Earl Grey Cream Roll Cake. Celebrate autumn's return with favorite flavors in Apple Crisp Cheesecake with Salted Caramel and warm up your winter with preserves and spices in a festive Gingerbread Loaf with Chai-Spiced Poached Pears. Straight from Kelsey's cozy farmhouse kitchen,

these recipes turn everyday produce into irresistible creations that will have you looking forward to every season.

The Farmer's Daughter Bakes

Ask any father, or any daughter--the relationship between dads and daughters is special, and vitally important. To a whole generation of filmgoers, Jeff Bridges is "the Dude," but to a more important group of people he is "Dad." The actor-musician-artist and one of his real-life daughters have teamed up to produce a book to inspire fathers and daughters--and whole families--to find the joy and closeness in their relationships. When Belle announces to Dad that this day is "Daddy Daughter Day," it sparks a series of adventures that turns the house and the backyard into a clay work shop, a beauty parlor, and even a circus, with Mom and little brother Sammie getting involved! Written by Isabelle Bridges-Boesch, and illustrated by Jeff himself, this is a book for daughters, fathers, and families to treasure all their lives!

Daddy Daughter Day

I Am My Father's Daughter By: Dawn DeFreeze – Carter *I Am My Father's Daughter* is the compelling true story of author Dawn DeFreeze-Carter's journey to find love. At a young age, Dawn's life was forever changed by her father Donald DeFreeze's involvement in the Hearst kidnapping, and for a long time, his absence profoundly shaped her life in ways that were not always positive. However, through it all, she was being guided by another, her Father in Heaven, who loved her all along—even when she didn't always know it. In sharing her story, Dawn hopes to inspire others and give them the tenacity to hope: with tragedy comes triumph.

I Am My Father's Daughter

The celebrated author of *Legends of the Fall* delivers "three novellas as dark as they are exuberant" and linked by the lyrics of Patsy Cline (Publishers Weekly, starred review). The three stories in *The Farmer's Daughter* are as different as they are unforgettable. Written in the voice of a home-schooled fifteen-year-old girl in rural Montana, the title novella introduces an extraordinary character who must draw on her untapped strength and resilience when she encounters unexpected brutality. In another, Harrison's beloved recurring character Brown Dog, still looking for love, escapes from Canada back to the States on the tour bus of an Indian rock band called Thunderskins. And finally, a retired werewolf, misdiagnosed with a rare blood disorder brought on by the bite of a Mexican hummingbird, attempts to lead a normal life but is nevertheless plagued by hazy, feverish episodes of epic lust, physical appetite, athletic exertions, and outbursts of violence under the full moon. *The Farmer's Daughter* is a memorable portrait of three decidedly unconventional American lives. With wit, poignancy, and an unbounded love for his characters, "Harrison shows he is still at the top of his game with these compressed gems. Taken together, they present another fine accomplishment in a storied career" (Publishers Weekly, starred review). "Readers with a fondness for Hemingway's Michigan stories or Cormac McCarthy's spare regional novels will also find these tales much to their liking. Highly recommended." —Donna Bettencourt, *Library Journal* (starred review)

The Farmer's Daughter

This powerful and important book encourages and guides men in becoming the dads they want to be. A father of six daughters, Michael Farris addresses issues common in all families with daughters: friends, dating, personal appearance, and preparing for the roles she'll have as a woman. Filled with personal insights, biblical perspective, and practical tips, *What a Daughter Needs From Her Dad* challenges fathers with the unique opportunity to train daughters for life's challenges--in ways that only a dad can. With the time-tested principles provided here, dads can help their daughters realize their God-given potential.

What a Daughter Needs From Her Dad

"An excerpt from *Autopsy*, by Lily Lawson -If, as time moves on, the words that I have shared remain with you, and call you back to read them once again my work is done." *My Father's Daughter*, a collection of poems ranging from lighthearted to heart-rending, captures Lily Lawson's thoughtful observations about life and love.

My Father's Daughter

The Academy-Award winning actress and avid foodie shares a sumptuous collection of recipes and gorgeous photographs celebrating the joy of preparing food for loved ones, a passion she learned from her beloved father. As an actress, author, trendsetter, creator of goop.com, and host of the popular PBS series, *Spain: On the Road Again*, Gwyneth Paltrow is an icon of style and good taste around the world. As a young girl eating and cooking with her father, Bruce Paltrow, she developed a passion for food that has shaped how she lives today and strengthened her belief that time with family is a priority. Now in *My Father's Daughter*, Paltrow shares her favorite family recipes along with personal stories of growing up with her father, Bruce Paltrow. She discusses how he has influenced her in the food she loves, how she involves her kids in cooking, and how she balances healthy food with homemade treats. And, for the first time, Paltrow offers a glimpse into her life as daughter, mother and wife, sharing her thoughts on the importance of family and togetherness. Complete with 150 delicious ideas for breakfast, sandwiches and burgers, soups, salads, main dishes, sides, and desserts, this beautifully illustrated book includes full-color photos throughout, many featuring Paltrow at home with her family and friends. *My Father's Daughter* is a luscious collection that will inspire readers to cook great food with the people who mean the most to them.

My Father's Daughter

Dr. Earl Henslin, explores how the father-daughter relationship affects the adult daughter. Father-daughter relationships damaged by abuse, betrayal and abandonment can be healed and reconnected through understanding and forgiveness. "You Are Your Father's Daughter" is a book for adult daughters (and fathers) who want to heal or improve the father-daughter connection. It helps readers understand that a daughter's relationship with her father -- positive or painful -- affects who she is today. A daughter's relationship with her father -- positive or painful -- affects who she is today. Every daughter has a deep, God-given need to be nurtured by her father. It is vital to a woman's development. A strong emotional and spiritual connection between a father and his daughter empowers her to achieve her God-given potential in the life. It provides a secure and safe foundation from which she can venture into the world. When the father-daughter connection is missing or broken by abuse, the daughter is robbed of the personal identity, feminine strength, private boundaries, self-respect, emotional health, and spiritual understanding that a godly father can give. This loss and the painful wound that results affects every area of her life -- relationships with men, role in the workplace, search for love and meaning in life. Dr. Henslin offers hope and healing to every daughter who knows the pain and loss of a broken, missing, or less-than-perfect father-daughter relationship. His compassionate understand and spiritual insight provide a pathway for restoration and a process for rebuilding the father-daughter bridge.

You Are Your Father's Daughter

At last! A no-nonsense, entertaining, and insightful book for dads and daughters who want more from their relationship--or who want to understand and rebuild it on an adult level. Dr. Linda Nielsen addresses the questions that daughters and dads regularly ask her--and a lot more. Based on two decades of work with hundreds of dads and daughters, *BETWEEN FATHERS AND DAUGHTERS* summarizes cutting-edge research in clear language and offers compelling stories about real people--including well-known celebrities. With candor and humor, *BETWEEN FATHERS AND DAUGHTERS* exposes the half-truths, downright lies, and family dynamics that prevent so many dads and daughters from having a more relaxed, more meaningful, more communicative relationship, regardless of age. Explaining why most daughter-dad relationships haven't reached their full potential or have unraveled, Nielsen provides hope as she shows fathers and daughters how to make changes now!

Between Fathers and Daughters

How fathers affect their daughters' social, academic, intellectual, athletic, and psychological development is then considered. Factors that can weaken father-daughter relationships, such as divorce, including various theoretical perspectives, are explored in chapters 5 and 6. Father-daughter relationships of racial or ethnic minorities and an array of potentially destructive situations that affect these relationships are the focus of chapters 7 and 8. The impact of fathers who are incarcerated, abusive, alcoholics, gay, or sperm donors are considered. The book concludes with suggestions on where we go from here.

Father-Daughter Relationships

Every father can make a huge difference in his daughter's life. As the primary male role model in a girl's life, fathers influence their daughters in profound ways, from how they see themselves to what they come to expect from men and the world at large. But men often don't realize the importance of their interactions or may shy away from too close involvement because of their inexperience, or conditioning. Especially as girls move into adolescence, fathers may find themselves feeling distant from their daughters or awkward with the changing dynamic. Communication becomes difficult and parenting issues more complicated. But this is also the time when daughters most need their fathers to be an even greater presence in their lives. *Dads and Daughters* is a tool to bridge that gap and build a rewarding and joyful father-daughter relationship. From father to father and with insights from many other dads, Joe Kelly shows men how they can strengthen their relationships with their daughters and explores the tremendous rewards this relationship can bring. Starting with a self-assessment quiz titled "How Am I Doing as My Daughter's Father?" dads can immediately see what kind of role they play in their daughter's life. To educate fathers and offer solutions when problems arise, *Dads and Daughters* then offers thoughtful coverage of the most pivotal issues today's girls face, such as sex and dating, body image, alcohol and drugs, media culture and violence, money and responsibility, and the future. In doing so he both illuminates the culture our daughters live in and shows fathers how to guide their daughters toward rewarding, healthy lives.

Dads and Daughters

The Fall in My Father's House

Like Marcel Proust's *Remembrance of Things Past*, *The Fall in my Father's House* is volume one in an interrelated seven volume series under the title of the final volume, *A Full Life*. The titles of the full seven volume set are the following: *The Fall in my Father's house*, *The Road to Recovery*, *The Book of Grace*, *Cased Closed*, *Full of Fun*, *The Power of Poetry in a Time of Uncertainty*, and concluding with the final volume and title of the seven volume series, *A Full Life*. The plot of the story is the following: a father and son take a trip to the West coast of Ireland to stay at the house that the protagonist father built over 100 years ago and to go to a music festival. On the day after their arrival, the protagonist falls down a flight of stairs in his father's house and breaks his leg. The rest of the story deals with what happens to the protagonist- both internally and externally- as a result of his fall.

Going to My Father's House

A historian's personal journey into the complex questions of immigration, home and nation From Ireland to London in the 1950s, Derry in the Troubles to contemporary, de-industrialised Manchester, Joyce finds the ties of place, family and the past are difficult to break. Why do certain places continue to haunt us? What does it mean to be British after the suffering of Empire and of war? How do we make our home in a hypermobile world without remembering our pasts? Patrick Joyce's parents moved from Ireland in the 1930s and made their home in west London. But they never really left the homeland. And so as he grew up among the streets of Paddington and Notting Hill and when he visited his family in Ireland he felt a tension between the notions of home, nation and belonging. *Going to My Father's House* charts the historian's attempt to make sense of these ties and to see how they manifest in a globalised world. He explores the places - the house, the street, the walls and the graves - that formed his own identity. He ask what place the ideas of history, heritage and nostalgia have in creating a sense of our selves. He concludes with a plea for a history that holds the past to account but also allows for dynamic, inclusive change.

My Father's House

It had not been a conscious decision to cling to the better memories of his childhood. It had just happened when Hannah came along and the possibility of a brighter future dragged his scowling face away from the details of his past. Now, standing in the middle of the poorly part-mowed field, in front of the house that was hiding all the reasons he had run away, he wondered if it would be possible to hold the past and present in tension.' Robbie Hanright has a normal, settled life in Dublin. With a wife and baby, an undemanding job and a nice home, everything is just as he wants it. However, after an enduring estrangement from the rural landscape of his youth, Robbie receives a phone call from his sister asking him to come home. Left with little choice, Robbie returns once more to County Down, and to Larkscroft Farm, to confront the father who tormented his childhood and face up to a history he wants

only to forget. Set against the backdrop of a decaying farmhouse and fragile family connections, *My Father's House* is a powerful, lyrical story of loss and regret, through which Bethany Dawson reveals an affecting compassion for the profound, and often painful, complexities of family life.

In My Father's House

The beating of Rodney King and the resulting riots in South Central Los Angeles. The violent clash between Hasidim and African-Americans in Crown Heights. The boats of Haitian refugees being turned away from the Land of Opportunity. These are among the many racially-charged images that have burst across our television screens in the last year alone, images that show that for all our complacent beliefs in a melting-pot society, race is as much of a problem as ever in America. In this vastly important, widely-acclaimed volume, Kwame Anthony Appiah, a Ghanaian philosopher who now teaches at Harvard, explores, in his words, "the possibilities and pitfalls of an African identity in the late twentieth century." In the process he sheds new light on what it means to be an African-American, on the many preconceptions that have muddled discussions of race, Africa, and Afrocentrism since the end of the nineteenth century, and, in the end, to move beyond the idea of race. In *My Father's House* is especially wide-ranging, covering everything from Pan Africanism, to the works of early African-American intellectuals such as Alexander Crummell and W.E.B. Du Bois, to the ways in which African identity influences African literature. In his discussion of the latter subject, Appiah demonstrates how attempts to construct a uniquely African literature have ignored not only the inescapable influences that centuries of contact with the West have imposed, but also the multicultural nature of Africa itself. Emphasizing this last point is Appiah's eloquent title essay which offers a fitting finale to the volume. In a moving first-person account of his father's death and funeral in Ghana, Appiah offers a brilliant metaphor for the tension between Africa's aspirations to modernity and its desire to draw on its ancient cultural roots. During the Los Angeles riots, Rodney King appeared on television to make his now famous plea: "People, can we all get along?" In this beautiful, elegantly written volume, Appiah steers us along a path toward answering a question of the utmost importance to us all.

In My Father's House

For two sisters growing up surrounded by the Civil War, there is conflict both outside and inside their house.

In My Father's House

From the Pulitzer Prize-winning New York Times journalist: a pathbreaking examination of our huge crime and incarceration problem that looks at the influence of the family--specifically one Oregon family with a generations-long legacy of lawlessness. The United States currently holds the distinction of housing nearly one-quarter of the world's prison population. But our reliance on mass incarceration, Fox Butterfield argues, misses the intractable reality: As few as 5 percent of families account for half of all crime, and only 10 percent account for two-thirds. In introducing us to the Bogle family, the author invites us to understand crime in this eye-opening new light. He chronicles the malignant legacy of criminality passed from parents to children, grandchildren, and even great-grandchildren. Examining the long history of the Boggles, a white family, Butterfield offers a revelatory look at criminality that forces us to disentangle race from our ideas about crime and, in doing so, strikes at the heart of our deepest stereotypes. And he makes clear how these new insights are leading to fundamentally different efforts at reform. With his empathic insight and profound knowledge of criminology, Butterfield offers us both the indelible tale of one family's transgressions and tribulations, and an entirely new way to understand crime in America.

My Father's House

As a young girl growing up in the 40s on a vast estate near Munich, Trixi Ost lives a life that is charmed by talent and privilege yet scarred by place and time. Everyday routine is upended as the estate becomes temporary home to friends, family, Prussian royals, Polish peasants and others displaced by the war. In one eerie scene, a band of Serbian gypsies arrive in tattered red-and-orange rags - escapees from Dachau. Rendered with insight, humour and acute visual lyricism, Ost's memoir is a unique exploration of the lasting influence of childhood.

My Father's House

The play opens in the arid summer of 1929 with an American farmer, Joe MacDonald and his family living in poverty on a run-down rented farm in the dustbowl. The ramshackle farm buildings are overshadowed by a large tree growing next to the house. The farm is owned by a local businessman, Cornelius Spenk, who has fingers in every pie. Spenk's son is friendly with one of MacDonald's sons, Billy. The MacDonalds also have a daughter, Becky, another small son nicknamed Peewee and an ornery grandmother living with them. There is a sandstorm in progress and during the storm we see MacDonald in his daily struggle as he carries in a heavy sack of grain. After he's gone a black vagrant comes on and hides in the woodshed. The storm abates and the children come out to play a game of baseball. When the ball goes into the woodshed the vagrant is discovered and the alarm raised. Joe rushes out with a gun and with his wife, Mattie, he confronts the hobo who is asked what he was doing in the shed. He apparently refuses to speak until Mattie points out that he's actually unable to speak because he hasn't got a tongue. They find out that the hobo's name is Abe, short for "Absalom, bringer of peace." The kindly Mattie decides to take the vagrant in, against her husband's better judgment and he slowly becomes a friend of the family, which is very much against the wishes of the racist farm owner, Cornelius Spenk. The latter has a twin brother, Franklyn, who is the local doctor, treating grandmother, and has all the kindly qualities that Cornelius doesn't have. In the first act we see all the pressures on the luckless Joe, the back-rent owed to Spenk, the problems of farming in the dustbowl, etc and when he is persuaded by his wife that their daughter is in need of a separate room constructing away from the boys, he brings in a load of timber but is caught in his preparations by Spenk who denies him permission to build. The tree next to the farm is a magnet for the mischievous Peewee who has his mind set on moving to a better life in the promised land of California. He is constantly climbing the tree to see if he can see that far. On one occasion he is rescued from falling by the hobo, Abe, but eventually he climbs the tree once too often and at the end of the first act we hear him fall to the earth with a thud. Billy rushes to town to tell his pa who, unknown to him, is being forced to pay off some of the back-rent he owes Spenk by working as a temporary hotel doorman. Act Two finds the injured Peewee being visited by the kindly doctor who wants to help but the family are without insurance cover and at the time there is no national health service so the boy's healing is left in the hands of Mother Nature. The child is now paralyzed and on one of his unpaid visits the doctor suggests that the parents should try and think of something to encourage Peewee to get better. They scratch their heads for an answer until Joe comes up with an idea that sounds absurd to his wife – he decides to build a tree house. Much against his wife's wishes the construction begins with Abe helping and the end result is a very simple platform with a ladder, which is shown to Peewee but is so plain that it doesn't have the desired result. Joe becomes even more depressed until Abe points to a quote in his pocket bible "My father's house has many rooms," which is a message to Joe to extend the tree house. Joe decides to try Abe's suggestion and between them they set off to build the biggest tree house anyone has ever seen. The improved version is eventually shown to Peewee and Joe is pleased to see that it gets some response from him but unfortunately word goes round the area and sightseers begin to come from far and wide. Gran is disturbed one day by the sightseers whilst trying to eat her meal and has to be physically restrained from shooting one of them. Then Cornelius Spenk picks up his son and says that he will be back later to speak to Joe about the construction. Joe thinks that he's in for trouble but his situation with the injured Peewee has strengthened his resolve not to take the tree house down, even if and when Spenk tells him to. Much to his surprise Spenk does just the opposite, he likes it and has realized that he can make money from the sightseers so he offers Joe a business partnership with Joe to be the sitting caretaker. To persuade Joe, Spenk offers to try to get him into a secret local organization that he's in. Joe knows this won't go down well with Mattie and he stalls for time. While all this has been going on their daughter Becky is preparing for the annual Speaking Competition and is taken to town to do some research by Abe on the tractor. When she is late back and eventually turns up they learn that Becky has had trouble from some of the other girls and that there's been a fight in which she has been helped by Abe. Cornelius Spenk then arrives and wants to take Abe back to town. Joe thinks it's about the fight and tries to put it off till the next day until Spenk draws a pistol and takes Abe in by force. It transpires that an allegation has been made by one of the girls against Abe of a serious sexual assault behind the library and the vagrant is kept in custody while the Speaking Competition is being held. Joe calls to see Abe in the jail and on leaving is given a handwritten note by him. He then goes on with the family to the speaking competition and learns from Spenk that in the allegations against Abe he is supposed to have sweet-talked the girl into going behind the library with him and Joe realizes Abe has been set up. He points out to Spenk that Abe doesn't have a tongue with which to sweet-talk anybody but Spenk dodges the issue and tells Joe to keep his mouth shut, that he'll sort out the evidence and that the tree house is now a legally registered company on Wall Street. Joe then has a big moral dilemma because he really does need the money from the sightseers in order

to get treatment for Peewee. Becky gives her talk and surprises the audience by outlining how badly black folks have been treated in American history. While she is delivering her speech we hear in the background the sound of a lynch mob and see someone dressed in the white robes of the KKK go to Abe's cell and take him out. Billy rushes to the Competition to tell his pa but by then it is too late. Joe then has the difficult decision of what to do – he decides to face his demons and tells the audience everything that has happened and reads the note that Abe gave him, which describes how he lost his tongue. The last scene sees Joe rushing home to pack the truck for a new life in California and his last defiant act is to take an axe to the tree house. This is the same day that the infamous Wall Street Crash took place.

Heaven: My Father's House

Now with 250K copies in print! Revised and Updated Edition. Anne affirms that Heaven truly is the home of your dreams: a home of lasting value that's fully paid for and filled with family, where you will be wanted and welcomed. Anne affirms that Heaven truly is the home of your dreams: a home of lasting value that's fully paid for and filled with family, where you will be wanted and welcomed. Best of all, Heaven is a home you are invited to claim as your own.

In My Father's House

For his final new series, New York Times mega-bestselling author E. Lynn Harris introduces Bentley Dean, owner of the hottest modeling agency in Miami's sexy South Beach. Only the world's most beautiful models make the roster of Picture Perfect Modeling agency and they only do shoots for the most elite photographers and magazines. They are fashionista royalty—and the owners, Bentley L. Dean and his beautiful partner Alexandra, know it. But even Picture Perfect isn't immune from hard times, so when Sterling Sneed, a rich, celebrity party planner promises to pay a ludicrously high fee for some models, Bentley finds he can't refuse. Even though the job is not exactly a photo shoot, Bentley agrees to supply fifteen gorgeous models as eye candy for an "A" list party—to look good, be charming and, well, entertain the guests. They don't have to do anything they don't want to, but... His models are pros and he figures they can handle the pressure, until one drops out and Bentley asks his protégé Jah, a beautiful kid who Bentley treats as if he were his own son, to substitute. Suddenly, the stakes are much higher, particularly when Jah falls in love with the hottest African American movie star in America. Seth Sinclair is very handsome, very famous, and very married—and his closeted gay life makes him very dangerous as well. Can Bentley's fatherly guidance save Jah from making a fatal mistake?

In My Father's House

Here is an intimate look at the human side of one of our generation's most authentic Christians; how her faith kept her going for years to prepare for the suffering and victories ahead.

In My Father's House

The need to be well fathered is a fundamental need of the human heart. It's a need that was put in our hearts by the God whose name is "Father." Jesus came so that we could be adopted into the family of God and relate to the Almighty God of the universe in an intimate, personal, concrete way as sons and daughters. "God has said of you, 'I will live in you and walk among you ... I will welcome you, and be a Father to you and you will be my sons and daughters'." (2 Cor. 6:16, 18) Knowing God as Father-as our almighty, loving Father-is the highest, richest, and most rewarding aspect of our whole relationship with him. If you do not know God as Father, you do not really know Him at all. Mary Kassian invites readers to journey closer to the Father heart of God ... for it is only in the Father's house that you will find your heart's true home. Book jacket.

In My Father's House

From the bestselling author of THE ZION COVENANT and THE ZION CHRONICLES series!.

Leaving My Father's House

A bestselling author of books on women's psychology explores the journey toward complete womanhood--"conscious femininity". Woodman (Addiction to Perfection) demonstrates the striving of contemporary women for inner balance and wholeness in a patriarchal society that resists the process. 6 halftones.

My Father's House

She was a beautiful blond child, a quintessential Canadian teenager: she loved Saturday film matinees, giggled at pyjama parties, ran for student president, led the cheerleading squad, went steady with the right boy and married him, her proud father at her side. But from the age of seven Sylvia Fraser shared her body with a 'twin' who lived a separate life from her. This other self was created to do the things Sylvia was too frightened, too ashamed, too repelled to do - the things her father made her do. As an adult, she had no recollection of a sexual relationship with her father, yet some connection always remained - pain, terror and guilt were never far from the surface. With tremendous power, candour and eloquence, Sylvia Fraser breaks through her amnesia to discover and embrace the self she left behind. MY FATHER'S HOUSE is at once a terrible account of a woman's coming of age and a lyric story of love and forgiveness.

House

Michael Ruhlman's uncanny knack for taking a wide range of subjects and making them completely his own has gained him acclaim and popularity. In his latest offering, he owns the subject both figuratively and literally: his home. House really began in 1901 when a family moved into a brand-new house in Cleveland Heights—full of hope for the future and pride in their stunning home. But as time moved on, upkeep began to wane and, in the end, the house went on the market. And there it stayed for quite some time, until the Ruhlman family decided to buy the dilapidated building. With the always-tedious home-buying process and expensive repairs soaring into the hundreds of thousands of dollars, the American Dream can seem like the American Nightmare. Detailing the purchase and renovation of a single family home, House explores the importance of the place we live in, our yearning to establish it, and the importance of the actual structure, its impact on our intellectual and spiritual lives, and on the struggles of a family. Packed with useful information and stories written with a storyteller's flair, House is a dramatic narrative by a gifted writer who eloquently concludes that be it ever so humble, a castle or a row house downtown, there's truly no place like home.

The Hiding Place

Timeless, Bestselling True Story of a World War II Hero Corrie ten Boom was the first licensed female watchmaker in the Netherlands who became a heroine of the Resistance, a survivor of Hitler's concentration camps, and one of the most remarkable evangelists of the twentieth century. In World War II she and her family risked their lives to help Jews and underground workers escape from the Nazis. In 1944 their lives were forever altered when they were betrayed, arrested, and thrown into the infamous Nazi death camps. Only Corrie among her family survived. This is her incredible true story--and ultimately the story of how faith, hope, and love triumphed over unthinkable evil. Now in a beautiful deluxe edition, this beloved book continues to declare that God's love will overcome, heal, and restore. Because there is no pit so deep that God's love is not deeper still, and no darkness so thick that His light can't break through.

House

Two stranded couples find shelter in an inn but find themselves trapped in a game with rules setting up a life-or-death situation.

My Father's House

September 1943- German forces occupy Rome. SS officer Paul Hauptman rules with terror. The war's outcome is far from certain. An Irish priest, Hugh O'Flaherty, dedicates himself to helping those escaping from the Nazis. His home is Vatican City, the world's smallest state, a neutral, independent country within Rome where the occupiers hold no sway. Here Hugh brings together an unlikely band of friends to hide the vulnerable under the noses of the enemy. But Hauptman's net begins closing in on the Escape Line and the need for a terrifyingly audacious mission grows critical. By Christmastime, it's too late to turn back. Based on an extraordinary true story, My Father's House is a powerful literary

thriller from a master of historical fiction. Joseph O'Connor has created an unforgettable novel of love, faith and sacrifice, and what it means to be truly human in the most extreme circumstances.

My Father's House

"My Father's House is at once a sweet romance and a page-turning thriller." --Ann Tatlock, award-winning novelist. Growing up, life is idyllic for Lily Rose Cates due to one constant - her father's love. But in her sixteenth summer, all that changes without warning. There begins Lily's struggle to find herself and the life she's lost. . . . Marriage promises fulfillment, but her happily-ever-after barely survives the honeymoon. Her husband's sophisticated facade hides a brooding man with even darker secrets. When all illusions shatter, Lily must make hard choices - abandon her husband or risk losing much more than her marriage. She flees their home in Detroit and sets out on a fearful journey to a house in Georgia that her husband knows nothing about. This is one woman's compelling tale of love and survival as she finds her way back home to who she's meant to be . . . in her father's house. ..".had it not been for Annie Ruth, I would have ended up right there rocking on the front porch beside Mama. Annie Ruth took care of me. She and Mr. John drove up in his dusty pickup truck every morning at six o'clock. She got out and came in, bringing her life and soul into the house...We were her cherished charges, and I was like her own." --My Father's House"

In My Father's House

A compelling novel of a man brought to reckon with his buried past... In St. Adrienne, a small black community in Louisiana, Reverend Phillip Martin—a respected minister and civil rights leader—comes face to face with the sins of his youth in the person of Robert X, a young, unkempt stranger who arrives in town for a mysterious "meeting" with the Reverend. In the confrontation between the two, the young man's secret burden explodes into the open, and Phillip Martin begins a long-neglected journey into his youth to discover how destructive his former life was, for himself and for those around him. "...on every page there's an authentic moment, or a dead-right knot of conversation, or a truer-than-true turn of phrase..."—Kirkus Reviews

In My Father's House Are Many Mansions

Burton traces the evolution of Edgefield County from the antebellum period through Reconstruction and beyond. From amassed information on every household in this large rural community, he tests the many generalizations about southern black and white families of this period and finds that they were strikingly similar. Wealth, rather than race or class, was the main factor that influenced family structure, and the matriarchal family was but a myth.

The Road to the Fathers House

When Blake's grandparents die suddenly, his world collapses. Parentless and friendless, he is taken in by a neighbouring farmer as hired help, where he meets the beautiful Annie, his employer's daughter. But Annie doesn't want to spend her life on the farm. Will he ever see her again? A gritty, emotional saga about love and second chances from a bestselling author. Perfect for fans of Dilly Court, Maggie Hope and Nadine Dorries.

Far From My Father's House

A historian's personal journey into the complex questions of immigration, home and nation From Ireland to London in the 1950s, Derry in the Troubles to contemporary, de-industrialised Manchester, Joyce finds the ties of place, family and the past are difficult to break. Why do certain places continue to haunt us? What does it mean to be British after the suffering of Empire and of war? How do we make our home in a hypermobile world without remembering our pasts? Patrick Joyce's parents moved from Ireland in the 1930s and made their home in west London. But they never really left the homeland. And so as he grew up among the streets of Paddington and Notting Hill and when he visited his family in Ireland he felt a tension between the notions of home, nation and belonging. Going to My Father's House charts the historian's attempt to make sense of these ties and to see how they manifest in a globalised world. He explores the places - the house, the street, the walls and the graves - that formed his own identity. He ask what place the ideas of history, heritage and nostalgia have in creating a sense of our selves. He concludes with a plea for a history that holds the past to account but also allows for dynamic, inclusive change.

Going to My Father's House

From Steven V. Roberts comes *My Fathers' Houses*, a memoir of growing up in Bayonne, New Jersey, an immigrant community in the shadow of the Statue of Liberty, and the story of how his father and his grandfather's dreams—and their own passion for writing and ideas—influenced Steven's future, and inspired him to seek his fortune in New York City, the media capital of the world. This is a story of a town and a time and a boy who grew up there, a boy who became a New York Times correspondent, TV and radio personality, and best-selling author. The town was Bayonne, New Jersey, a European village so close to New York that Steve could see the Statue of Liberty from his bedroom window. The time was the forties and fifties, when children of immigrants were striving to become American and find a place in a booming post-war world. The core of Steve's world was one block, where he lived in a house his grandfather, Harry Schanbam, had built with his own hands. But the story starts back in Russia, where the family business of writing and ideas began. Steve's other grandfather, Abraham Rogowsky, stole money to become a Zionist pioneer in Palestine before moving to America. The tale continues through the Depression, when Steve's parents lived one block apart in Bayonne, wrote letters to each other and married in secret. During the war years, Steve's father wrote children's books and based one of his best sellers on outings he took with his twin sons to the local train station. As his byline, he used his boys' middle names—Jeffrey Victor—so Steve got his first writing credit before he was two. The story concludes with the boy leaving Bayonne, going on to Harvard, meeting the Catholic girl who became his wife, and starting work at the New York Times—across the river, and worlds away, from where he began. Now a grandfather of five, Steve Roberts looks in the mirror and sees his own father and grandfather looking back at him—a family chain that started in 19th century Russia and thrives today in 21st century America.

My Fathers' Houses

CHILDREN'S BOOKS/AGES 4-8

My Mother's House, My Father's House

Car accidents, illnesses, falls, and temper tantrums that's what author Valinda Johnson was facing when she decided to become her elderly father's caregiver. In *My Father's House Again* shares an honest portrait of the situation facing so many baby boomers today. Valinda wondered if her dad should be in a nursing home, but he really wasn't ready. At ninety-four, he was able to dance and drive, but there was little else that interested him. But would he agree to come to live with her and her husband, Robert? After weighing all of the options, she and Robert came to the difficult conclusion that she must go to live with her father to care for him. It was a life change not only for her but also for her husband, who stayed behind until he was able to retire. It was only nine months, but it seemed like a lifetime. When she relocated 700 miles from everything that was familiar to her, she had no idea how difficult it would be to manage without Robert. Her dad had no intention of making anything easy for her, either. If she was to help him, it would be on his terms.

In My Father's House Again

Donald and Lillian were never a match made in heaven, but they have a child, Tina, and she is the love of Donald's heart. For her he would give up everything: his home, his work and even his freedom. When his marriage fails, he does just that. A chance meeting with a stranger on a train changes his life - and his daughter's - in ways he could never have imagined. From her earliest years Tina is exceptional, a brilliant student and a joyous person with a loving spirit. At university she falls in love with Gilbert who, three years older than she, graduates from law school just as she is about to enter medical school. Together they go to New York, where they learn a truth about Donald that shatters Tina's regard for the father who has for so long protected and cherished her. When a terrible lie has been told for love, can it be forgiven?

Her Father's House

In *MY FATHER'S HOUSE*, the author of "Peggy" continues to look at her contented childhood in Galloway. Her father, a witty and intellectual Irishman, was a remarkable Church of Scotland minister. His relations with his wife, children, parish and his dog Oats often provide amusement and inspiration, and Pauline recalls his physical and moral courage, his intelligence and caring, which encouraged his children to share his enjoyment of all aspects of life.

My Father's House

'Dear Thrumpton, how I miss you tonight,' wrote George Seymour in 1944, when he was aged twenty-one. But the object of his affection was not a young woman, but a house -- ownership of which was then a distant dream. But he did eventually acquire Thrumpton, a beautiful country house in Nottinghamshire, and it was in this idyllic home that Miranda Seymour grew up. But her upbringing was far from idyllic, as life revolved around her father's capriciousness. The House took priority, and everything -- everyone -- else was secondary. Until, that is, the day late on in his life when George Seymour took to riding powerful motorbikes around the countryside clad in black leather in the company of a young male friend. Had he taken leave of his senses? Or finally found them? And how did this sea-change affect his wife and daughter? Both biography and family memoir, *IN MY FATHER'S HOUSE* is a riveting and ultimately shocking portrait of desire both overt and suppressed, and the devastating consequences of misplaced love.

In My Father's House

"An account of one of the noblest attempts which men and women have made in all human history to live together in peace and honesty and a communion of spirit. Such an experiment, seen through the eyes of an active, vigorous, and thoroughly normal boy, makes not only a lively and moving story but an important historical record"--from Foreword (page x).

My Father's House

Incest and of healing.

My Father's House

A compelling novel of a man brought to reckon with his buried past... In St. Adrienne, a small black community in Louisiana, Reverend Phillip Martin—a respected minister and civil rights leader—comes face to face with the sins of his youth in the person of Robert X, a young, unkempt stranger who arrives in town for a mysterious "meeting" with the Reverend. In the confrontation between the two, the young man's secret burden explodes into the open, and Phillip Martin begins a long-neglected journey into his youth to discover how destructive his former life was, for himself and for those around him. "...on every page there's an authentic moment, or a dead-right knot of conversation, or a truer-than-true turn of phrase..."—Kirkus Reviews

My Father's House

"Lara traces the two ancestral strands of a girl called Lara who grows up in London in the sixties and seventies. Her father, Taiwo, is Nigerian and her mother, Ellen, is English and it goes into both sides of her family history. On Taiwo's side it follows his grandfather's journey from slavery in Brazil in the eighteenth century, to freedom in the Brazilian Quarter of Lagos, Nigeria. It follows Taiwo's childhood in Lagos when Nigeria was a British colony, his journey to Britain to study in 1949 and his eventual meeting and marriage, to a white Englishwoman called Ellen. The book also traces Ellen's childhood in London during the war years, and her mother Edith's poor working class childhood in London at the turn of the century. Finally, all strands come together in Lara who begins her own odyssey as she grows up a mixed-race child in an exclusively white area of London." -- Provided by publisher.

In My Father's House

In the year 1910, at age twenty, Karl Artur Johan Gustafsson leaves Sweden to follow his older siblings to America. Renamed "Carl Arthur Gustafson" at Ellis Island, he begins a new life in Forestville/Bristol Connecticut where he falls in love with and marries Jennie Anderson. Together they build their "house," guiding their family through the rapidly changing events of the 20th century. In this multi-layered, multiple-generational story, their third child takes her readers on a journey through WWI, the Great Depression, WWII, changing technologies, changing roles, and the tumultuous sixties and seventies.

Lara

A NEWBERY HONOR BOOK When a little boy Elmer strikes up a friendship with an alley cat, he learns of a baby dragon that is being forced to serve as a ferry for the selfish animals of Wild Island. Elmer determines at once to free the dragon, and with a bit of advice from the savvy cat, he arms himself with chewing gum, lollipops, rubber bands and some other unlikely items. With these tools and his

own sharp wits, Elmer is prepared to face hungry tigers, cranky crocodiles and other challenges. Both a Newbery Honor Book and an American Library Association Notable Book, this charming story has delighted generations of readers since its original publication in 1948. 'A real delight' - New Yorker

My Father's House

In this intimate memoir, Yigal Allon shares recollections of his father, a proud pioneer-farmer in Kfar Tavor in the 1920s-30s who retired in Ginosar, the kibbutz co-founded by his son Yigal, and how his father's personality and life in Jewish settlements in the Galilee before the establishment of the State of Israel shaped his own life. "The father thought to name the son 'Yigael,' which means 'He will be redeemed,' but decided that was too passive a name, and chose instead 'Yigal,' which means 'He will redeem.' The Russian Jewish farmer's son became a watchman, a British policeman, member of a kibbutz, a leader of the ragtag 1948 liberation war, a scholar, a major general and Israel's deputy prime minister and minister for foreign affairs. This book, Yigal Allon's act of homage to his father, shows a public man turning inward. He has no political argument to make, unless the word of his father about Mount Tabor makes a declaration of intention about the land of Israel: 'Maybe there are others more beautiful, but none is just as beautiful.'... a memoir, both discreet and revealing, by an important public man." — Herbert Gold, *The New York Times*

The Fatherland Files

1932: A drowned man is found in a freight elevator in the giant pleasure palace on Potsdamer Platz, far from any standing water. Inspector Gereon Rath's hunt for a mysterious contract killer has stalled, but this new case will take him to a small town on the Polish border and confrontation with the rising Nazi party.

The Fatherland Files

In this exciting novel, an unsuspecting cardiologist becomes embroiled in a plot involving pharmaceuticals, international espionage, and the Neo-Nazi movement. A scientifically accurate twist on the average mystery story, the plot will hook all audiences.

The Fatherland Files

In this exciting novel, an unsuspecting cardiologist becomes embroiled in a plot involving pharmaceuticals, international espionage, and the Neo-Nazi movement. A scientifically accurate twist on the average mystery story, the plot will hook all audiences.

The March Fallen

1933: A homeless veteran is found dead under railway arches in Berlin, apparently killed by an army dagger. Gereon Rath is brought onto the case just as the Reichstag mysteriously burns down. Unsettled by the Nazis' tightening grip, he and Charlotte Ritter must also contend with their political colleagues. The new Germany is frightening, but police work must go on even among book-burning and marching, rising paranoia and fear.

Goldstein

THE BASIS FOR THE INTERNATIONAL TV SENSATION BABYLON BERLIN "[Kutscher's] trick is ingenious...He's created a portrait of an era through the lens of genre fiction."—The New York Times Volker Kutscher, author of the international bestseller Babylon Berlin, continues his Gereon Rath Mystery series with Goldstein as a police inspector investigates the crime and corruption of a decadent 1930s Berlin in the shadows of the growing Nazi movement. Berlin, 1931. A power struggle is taking place in Berlin's underworld. The American gangster Abraham Goldstein is in residence at the Hotel Excelsior. As a favour to the FBI, the police put him under surveillance with Detective Gereon Rath on the job. As Rath grows bored and takes on a private case for his seedy pal Johann Marlow, he soon finds himself in the middle of a Berlin street war. Meanwhile Rath's on-off girlfriend, Charly, lets a young woman she is interrogating escape, and soon her investigations cross Rath's from the other side. Berlin is a divided city where two worlds are about to collide: the world of the American gangster and the expanding world of Nazism.

Babylon Berlin

Now a major TV show on Sky Atlantic 1929: There is seething unrest in Berlin. The Commissioner of Police orders the Vice Squad to ruthlessly enforce the ban on demonstrations, and a state of emergency is declared in the Communist strongholds of the city. When a car is hauled out of the Landwehr Canal with a mutilated corpse inside Detective Inspector Gereon Rath claims the case. Soon his inquiries drag him ever deeper into the morass of Weimar Berlin's 'Roaring Twenties' underworld of cocaine, prostitution, gunrunning, and shady politics.

Cleansing the Fatherland

Against this background, *Cleansing the Fatherland* sends a stark message that is difficult to ignore.

The Odessa File

Suspense fiction. Reissues of 7 of Forsyth's classic thrillers.

The Silent Death

March 1930: Silent movie actress Betty Winter is killed on set after a lighting system falls on her. Talkies are destroying the careers of producers, cinema owners and stars in a world that is already bubbling with studio wars and sexual politics. Inspector Gereon Rath suspects sabotage, possibly worse. Meanwhile, the murder of a Nazi named Horst Wessel leads to street riots and Rath's relationship with Charlotte Ritter is on the rocks. Then another actress is found dead, this time with her vocal cords removed.

Mothers in the Fatherland

From extensive research, including a remarkable interview with the unrepentant chief of Hitler's Women's Bureau, this book traces the roles played by women – as followers, victims and resisters – in the rise of Nazism. Originally publishing in 1987, it is an important contribution to the understanding of women's status, culpability, resistance and victimisation at all levels of German society, and a record of astonishing ironies and paradoxical morality, of compromise and courage, of submission and survival.

Mein Kampf

Madman, tyrant, animal—history has given Adolf Hitler many names. In *Mein Kampf* (My Struggle), often called the Nazi bible, Hitler describes his life, frustrations, ideals, and dreams. Born to an impoverished couple in a small town in Austria, the young Adolf grew up with the fervent desire to become a painter. The death of his parents and outright rejection from art schools in Vienna forced him into underpaid work as a laborer. During the First World War, Hitler served in the infantry and was decorated for bravery. After the war, he became actively involved with socialist political groups and quickly rose to power, establishing himself as Chairman of the National Socialist German Worker's party. In 1924, Hitler led a coalition of nationalist groups in a bid to overthrow the Bavarian government in Munich. The infamous Munich "Beer-hall putsch" was unsuccessful, and Hitler was arrested. During the nine months he was in prison, an embittered and frustrated Hitler dictated a personal manifesto to his loyal follower Rudolph Hess. He vented his sentiments against communism and the Jewish people in this document, which was to become *Mein Kampf*, the controversial book that is seen as the blue-print for Hitler's political and military campaign. In *Mein Kampf*, Hitler describes his strategy for rebuilding Germany and conquering Europe. It is a glimpse into the mind of a man who destabilized world peace and pursued the genocide now known as the Holocaust.

Sideswipe

'No one writes a better crime novel than Charles Willeford' Elmore Leonard In a hot Florida summer, Sergeant Hoke Moseley's life is going to hell: his ex-wife just remarried, his teenage daughters want to quit school and his beat partner is eight months pregnant - and living in his house. A break seems long overdue, so Hoke decides to bail out, give up police work and watch the ocean roll. But things don't always work out. A handsome, cowboy-hatted psychopath is planning another armed robbery - one that will draw a retiree into a life of crime and leave half-a-dozen bystanders dead. It's a case right up Hoke's alley: weird enough to catch his attention, personal enough to make him mad, and twisted enough to make Hoke forget he no longer wants to be a cop.

The Redemption of Alexander Seaton

A sleuth to rival Shardlake or Cadfael - a mystery that will chill your blood. 'Transports your body and soul to another time and place' CRAIG RUSSELL 'A delight on all levels . . . engaging and moving' MANDA SCOTT 'A truly memorable and exciting read' HISTORICAL NOVELS REVIEW Banff, Scotland in the 1620s. A young man walks unsteadily through the streets. Is he just drunk or is there something more sinister happening? When he collapses in front of two sisters on that dark, wet night, the women guess that he's been poisoned. His body is discovered in the house of Alexander Seaton - a fallen minister, the discovery of whose clandestine love affair has left him disgraced. Why was the body in Seaton's house? And why would anyone want to murder this likeable young man? Seaton sets out to find answers, embarking on a journey not only through the darkest part of other men's souls, but also his own. A must-read for fans of Rory Clements and SJ Parris. ***** HEAR WHAT READERS ARE SAYING ABOUT THE REDEMPTION OF ALEXANDER SEATON 'A thrilling read' 5* Reader Review 'Utterly engrossing' 5* Reader Review 'Terrific stuff' 5* Reader Review 'An enthralling book' 5* Reader Review 'The best new crime novelist I have read since Fred Vargas and Jo Nesbo' 5* Reader Review

Now You See Them

The fifth book in the Magic Men series, Now You See Them is a wild mystery with detective Edgar Stephens and the magician Max Mephisto, as they investigate a string of presumed kidnappings in the swinging 1960s. The new decade is going well for Edgar Stephens and his good friend the magician Max Mephisto. Edgar is happily married, with children, and promoted to Superintendent. Max has found fame and stardom in America, though is now back in England for a funeral, and a prospective movie job. Edgar's new wife, though--former detective Emma--is restless and frustrated at home, knowing she was the best detective on the team. But when an investigation into a string of disappearing girls begins, Emma sees her chance to get back in the action. She begins her own hunt, determined to prove, once and for all that she's better than the boys. Though she's not the only one working toward that goal--there's a new woman on the force, and she's determined to make detective. When two more girls go missing, both with ties to the group, the stakes climb ever higher, and Max finds himself drawn into his own search. Who will find the girls first? And will they get there in time?

'Deighton's best book ... an absorbingly exciting spy story that is also a fascinating exercise in might-have-been speculation' The New York Times Book Review It is 1941 and Germany has won the war. Britain is occupied, Churchill executed and the King imprisoned in the Tower of London. At Scotland Yard, Detective Inspector Archer tries to do his job and keep his head down. But when a body is found in a Mayfair flat, what at first appears to be a routine murder investigation sends him into a world of espionage, deceit and betrayal. 'Len Deighton is the Flaubert of contemporary thriller writers ... this is much the way things would have turned out if the Germans had won' The Times Literary Supplement

Negotiating Conflict and Controversy in the Early Modern Book World

This volume offers fifteen chapters written by leading specialists which explore the range of ways in which the book industry negotiated conflicts and controversies in the early modern European world.

Spitfires Over Berlin

A selection of exciting, intriguing and thoroughly researched stories from the last days of WW2.

A Serial Killer in Nazi Berlin

As the Nazi war machine caused death and destruction throughout Europe, one man in the Fatherland began his own reign of terror. This is the true story of the pursuit and capture of a serial killer in the heart of the Third Reich. For all appearances, Paul Ogorzow was a model German. An employed family man, party member, and sergeant in the infamous Brownshirts, he had worked his way up in the Berlin railroad from a manual laborer laying track to assistant signalman. But he also had a secret need to harass and frighten women. Then he was given a gift from the Nazi high command. Due to Allied bombing raids, a total blackout was instituted throughout Berlin, including on the commuter trains—trains often used by women riding home alone from the factories. Under cover of darkness and with a helpless flock of victims to choose from, Ogorzow's depredations grew more and more horrific. He escalated from simply frightening women to physically attacking them, eventually raping

and murdering them. Beginning in September 1940, he started casually tossing their bodies off the moving train. Though the Nazi party tried to censor news of the attacks, the women of Berlin soon lived in a state of constant fear. It was up to Wilhelm Lüdtkke, head of the Berlin police's serious crimes division, to hunt down the madman in their midst. For the first time, the gripping full story of Ogorzow's killing spree and Lüdtkke's relentless pursuit is told in dramatic detail.

Goodnight Lady

* Pre-order LOYALTY, the brand new novel from Martina Cole. Coming October 2023. * She has always kept quiet... until now... Dark and dangerous, GOODNIGHT LADY by the 'undisputed queen of crime writing' (Guardian) and Sunday Times No.1 bestseller Martina Cole features the powerful, beautiful and fearless Briony Cavanagh, London's most infamous businesswoman, and mistress of her own fate... In the sixties, Briony Cavanagh ran a string of the most notorious brothels in London. Only Briony knew what went on behind those doors, and she never opened her mouth - unless she stood to benefit. Only Briony knew the painful road she'd travelled to get there. From an impoverished childhood that ended with shocking betrayal, she was determined to be mistress of her own fate. But along with success came risk and danger. And the Goodnight Lady had her own secret place that was always shadowed by loss. If you love powerful female characters, be sure to also read Martina Cole's THE KNOW, CLOSE and GET EVEN. These ladies are strong, resilient and vengeful...

War and Peace

Reproduction of the original: War and Peace by Leo Tolstoi

Agent Jack: The True Story of MI5's Secret Nazi Hunter

'Highly readable' Ben Macintyre 'Pacy, original and frequently chilling' Henry Hemming June 1940. Britain is Europe's final bastion of freedom - and Hitler's next target. But not everyone fears a Nazi invasion. In factories, offices and suburban homes are men and women determined to do all they can to hasten it. Throughout the Second World War, Britain's defence against the enemy within was Eric Roberts, a former bank clerk from Epsom. Equipped with an extraordinary ability to make people trust him, he was recruited into the shadowy world of espionage by the great spymaster Maxwell Knight. Roberts penetrated first the Communist Party and then the British Union of Fascists, before playing his greatest role for MI5 - as Hitler's man in London. Codenamed Jack King, he single-handedly built a network of hundreds of British Nazi sympathisers, with many passing secrets to him in the mistaken belief that he was a Gestapo officer. Operation Fifth Column, run by a brilliant woman scientist and a Jewish aristocrat with a sideline in bomb disposal, was kept so secret it was omitted from the reports MI5 sent to Winston Churchill. In a narrative that grips like a thriller, Robert Hutton tells the fascinating story of an operation whose existence has only recently come to light. Drawing on newly declassified documents and private family archives, Agent Jack shatters the comfortable notion that Britain could never have succumbed to fascism, and celebrates - at last - the courage of individuals who protected the country they loved at great personal risk.

The Pursuit of the Nazi Mind

The story of how psychoanalysis was used in the war against Nazi Germany - in the crucial quest to understand the Nazi mind. Daniel Pick brings both the skills of the historian and the trained psychoanalyst to weave together the story of clinical encounters with leading Nazis and the Allies' broader interpretations of the Nazi high command and the mentality of the wider German public who supported them. Following the bizarre capture of Hitler's deputy Rudolf Hess in 1941, Pick follows closely the story of how leading British psychiatrists assessed their new charge, in an attempt to understand both the man himself and the psychological bases of his Nazi convictions. At the same time, he uncovers the story of how a team of American officers working for the OSS, the forerunner of the CIA, were engaged in an attempt to understand Hitler's personality from afar, using the theories and techniques of Sigmund Freud. Drawing upon a large cache of archives on both sides of the Atlantic, Pick asks what such psychoanalytical and psychiatric investigations set out to do, showing how Freud's famous 'talking cure' was harnessed to the particular needs of military intelligence during the war and the task of post-war reconstruction that followed. Looking beyond this, he then shows just how deeply post-war Western understandings of how minds work and groups operate were influenced by these wartime attempts to interpret the psychopathology of Nazism.

The Only Fatherland

Are ideologies a pair of binoculars that enable us to see far? Or are they a pair of blinkers that keep us from seeing even that which is at hand? How is it that communists; equipped as they are with the one great Theory that explains everything; fumble ever so often in seeing the obvious? How did the Theory lead them to declare the Second World War as an 'Imperialist War' one day; and a 'People's War' the next? How did it lead them to undertake to sabotage the Quit India Movement for the British? How did it lead them to trumpet the demand for Pakistan 'better than the Muslim League'? To declare in 1947 that India had not really become independent? To insist that Pandit Nehru was just "a running dog of imperialism"? To launch an insurrection in 1949 on the premise that India was ripe for an armed revolution? To fumble so much in their response to the end of the communist bloc? Arun Shourie; one of the most respected commentators on current affairs in India today; illustrates the malady by reconstructing what the communists did during the Quit India Movement. In the process he uncovers the secret negotiations they conducted and the secret understanding they struck with the British; the reports they submitted to the imperial rulers about the work they were doing to subvert the movement Mahatma Gandhi had launched. He concludes with a review of the reactions of Indian communists to the break-up of the Soviet empire; showing how their mental make-up and habits have not changed in the six decades since independence.

The Crowd

On the eve of the outbreak of the Second World War the double-agent Arthur Owens, codenamed SNOW, is summoned to Berlin and appointed Hitler's chief spy in Britain. Days later he finds himself in Wandsworth prison, betrayed by the wife he traded for a younger model, and forced to transmit false wireless messages for MI5 to earn his freedom - and avoid the hangman's noose. A vain and devious anti-hero with no moral compass, Owen's motives were status, money and women. He mixed fact with fiction constantly, and at times insisted that he was a true patriot, undertaking hazardous secret missions for his mother country; at other times, Owens saw himself as a daring rogue agent, outwitting British Intelligence and loyal only to the Fatherland. Yet in 1944, as Allied troops stormed the beaches of Normandy on D-Day, Hitler was caught unawares, tricked into expecting the invasion across the Pas de Calais in a strategic deception played out by Owens and the double-cross agents of MI5. For all his flaws, Agent Snow became the traitor who saved his country. Based on recently de-classified MI5 files and previously unpublished sources, Double Agent Snow is the story of a secret Battle of Britain, fought by Snow and his opposing spymasters, Thomas 'Tar' Robertson of MI5 and Nikolaus Ritter of the Abwehr, as well as the tragic love triangle between Owens, his wife Irene, and his mistress Lily Funnell. The evocative, fast-paced narrative moves from seedy south London pubs to North Sea trawlers, from chic Baltic spa resorts to Dartmoor gaol, populated by a colourful rogue's gallery of double-cross agents.

Double Agent Snow

November 1932. With the German economy in ruins and street battles raging between political factions, the Weimar Republic is in its death throes. Its elderly president Paul von Hindenburg floats above the fray, inscrutably haunting the halls of the Reichstag. In the shadows, would-be saviours of the nation vie for control. The great rivals are the chancellors Franz von Papen and Kurt von Schleicher. Both are tarnished by the republic's all-too-evident failures. Each man believes he can steal a march on the other by harnessing the increasingly popular National Socialists - while reining in their most alarming elements, naturally. Adolf Hitler has ideas of his own. But if he can't impose discipline on his own rebellious foot-soldiers, what chance does he have of seizing power?

The Gravediggers

In a classic work of alternate history, the United States is divided up and ruled by the Axis powers after the defeat of the Allies during World War II. Reissue. Winner of the Hugo Award for Best Novel.

The Man in the High Castle

Thanks of the Fatherland: German Veterans After the Second World War

The Thanks of the Fatherland

At once a vivid, haunting reimagining of 1950s Britain, a gripping, humane spy thriller and a poignant love story, with Dominion C. J. Sansom once again asserts himself as the master of the historical novel. 1952. Twelve years have passed since Churchill lost to the appeasers and Britain surrendered to Nazi Germany after Dunkirk. As the long German war against Russia rages on in the east, the British people find themselves under dark authoritarian rule: the press, radio and television are controlled; the streets patrolled by violent auxiliary police and British Jews face ever greater constraints. There are terrible rumours too about what is happening in the basement of the German Embassy at Senate House. Defiance, though, is growing. In Britain, Winston Churchill's Resistance organization is increasingly a thorn in the government's side. And in a Birmingham mental hospital an incarcerated scientist, Frank Muncaster, may hold a secret that could change the balance of the world struggle for ever. Civil Servant David Fitzgerald, secretly acting as a spy for the Resistance, is given the mission to rescue his old friend Frank and get him out of the country. Before long he, together with a disparate group of Resistance activists, will find themselves fugitives in the midst of London's Great Smog; as David's wife Sarah finds herself drawn into a world more terrifying than she ever could have imagined. And hard on their heels is Gestapo Sturmbannführer Gunther Hoth, brilliant, implacable hunter of men . . . 'An absorbing, thoughtful, spy-politico thriller set in the fog-ridden London of 1952 . . . Part adventure, part espionage, all encompassed by terrific atmosphere and a well-argued "it might have been". – The Times

DigiCat Publishing presents to you this special edition of "The Enemies of Books" by William Blades. DigiCat Publishing considers every written word to be a legacy of humankind. Every DigiCat book has been carefully reproduced for republishing in a new modern format. The books are available in print, as well as ebooks. DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature.

The Enemies of Books

The book, two text editions with translations, offers a lively picture of the Ottoman world in the early 1900s as witnessed by the German orientalist Karl Süssheim and the Young Turk officer Osma'il Hakk1 Bey.

The Orientalist Karl Süssheim Meets the Young Turk Officer Osma'il Hakk1 Bey

In The Refugees, Viet Thanh Nguyen gives voice to lives led between two worlds, the adopted homeland and the country of birth. From a young Vietnamese refugee who suffers profound culture shock when he comes to live with two gay men in San Francisco, to a woman whose husband is suffering from dementia and starts to confuse her for a former lover, to a girl living in Ho Chi Minh City whose older half-sister comes back from America having seemingly accomplished everything she never will, the stories are a captivating testament to the dreams and hardships of immigration. The second piece of fiction by a major new voice, The Refugees is a beautifully written and sharply observed book about the aspirations of those who leave one country for another, and the relationships and desires for self-fulfillment that define our lives.

The Refugees

The Number One bestselling crime series featuring Tony Hill, hero of TV's Wire in the Blood, written by the award-winning Val McDermid. This is a psychological thriller – and serial killer – that will keep you up at night.

The Torment of Others (Tony Hill and Carol Jordan, Book 4)

The incendiary Nick Stone thriller from the bestselling author of Last Light and Liberation Day. Agent Nick Stone expects his latest mission to be a straightforward part of the fight against Osama Bin Laden's network of terror. Despatched to Malaysia, all he needs to do is assassinate a suspicious biochemist. But there are complications. Not least the attractive woman he is working alongside. Target neutralised, Stone returns to the USA to find turmoil in his personal life. He is guardian to a teenage girl who is haunted by her traumatic past and attempting to numb it with a heavy drug dependency. Stone knows he is the only one who can help her but her scars run deeper than he thinks. Before long, the conspiracy he has uncovered unravels to reveal a doomsday threat against the populations of New York, London

and Berlin. And Stone faces the ultimate trade-off: the life of someone he loves, against those of millions he doesn't even know... 'Stunning' Sun

Dark Winter

"The Book of This and That" by Robert Lynd. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten or yet undiscovered gems of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

The Book of This and That

At a villa on the shore of the Wannsee, a lake in suburban Berlin, on 20th January 1942 one of the most terrible meetings in human history convened. Chaired by Reinhard Heydrich and organised and minuted by Adolf Eichmann, it brought together representatives of all the principal Nazi agencies in eastern Europe. Pooling the expertise of those present, Heydrich created the plan that would let Europe 'be combed through from west to east' for Jews and which would put the Final Solution on a rational and industrial footing.

The Villa, The Lake, The Meeting

On February 22, 1943, three students from the White Rose, a small underground resistance movement, were executed by guillotine. One of them was a 21-year-old Munich University student named Sophie Scholl, who had courageously fought against Nazi tyranny, not with bullets or bombs but with words, printed in leaflets, that proclaimed a passionate desire to live in a free and democratic society. Her brave and principled stand made her a legend in Germany. Drawing on a wide variety of original documents from German archives, this story also includes her letters and diaries, Gestapo interrogation files, court documents, and exclusive interviews, most notably with Elisabeth Hartnagel, Sophie's sister and only living family member. This biography provides a shocking yet inspirational story about the remarkable life of this German heroine, a modern-day icon who defied Hitler and who was executed for her beliefs.

Sophie Scholl

Detective Superintendent Roy Grace is haunted by the past in his latest case, and his private life, in *Dead Man's Time*, by award winning crime writer Peter James. A vicious robbery at a secluded Brighton mansion leaves its elderly occupant fighting for her life. Millions of pounds' worth of valuables have been stolen. Within days, Grace is racing against the clock, following a murderous trail that leads him from the shady antiques world of England, across Europe and all the way back to the New York waterfront's gang struggles of 1922, chasing a killer driven by the force of one man's greed and another man's fury. Although the Roy Grace novels can be read in any order, *Dead Man's Time* is the ninth gripping title in the bestselling series. Enjoy more of the Brighton detective's investigations with *Want You Dead* and *You Are Dead*. Now a major ITV series, *Grace*, starring John Simm.

Dead Man's Time

Amidst the chaos of World War II... In a land of brutality and bloodshed... One death can still change everything. In war-torn Yugoslavia, a beautiful young filmmaker and photographer—a veritable hero to her people—and a German officer have been brutally murdered. Assigned to the case is military intelligence officer Captain Gregor Reinhardt. Already haunted by his wartime actions and the mistakes he's made off the battlefield, he soon finds that his investigation may be more than just a murder—and that the late Yugoslavian heroine may have been much more brilliant—and treacherous—than anyone knew. Maneuvering his way through a minefield of political, military, and personal agendas and vendettas, Reinhardt knows that someone is leaving a trail of dead bodies to cover their tracks. But those bloody tracks may lead Reinhardt to a secret hidden within the ranks of the powerful that they will do anything to keep. And his search for the truth may kill him before he ever finds it.

The Man From Berlin

The dystopian politics of 1984 meet the naval warship backdrop of *The Last Ship* in fantasy master Glen Cook's reissued first novel, available for the first time in decades. It is 2193, and still the war

continues. Two hundred years after nuclear and chemical weapons have nearly annihilated the global population, the last of mankind struggles on in isolated communities. Law and order is carried out by the Political Office, black-clad police who rule through fear and violence, commanding the world's survivors how to think, how to act, and when to obey the call to the Gathering: the ritual massing for war against an unknown and unseen Enemy. Now the call has come, and all nations must pay tribute. Kurt Ranke is a young man eking out an existence in the ruins of former Germany with his pregnant wife. But when the Gathering is called, he boards the decrepit destroyer Jäger—a once-mighty warship now more than two centuries old. Antiquated, broken-down, and running on steam, it wallows through uncharted waters carrying Ranke and a reluctant and ragtag group of soldiers en route to the Final Meeting: a battle from which it's rumored none have ever returned . . . Night Shade Books is proud to reissue, for the first time and now with a brand-new foreword from the author, *The Heirs of Babylon*, Glen Cook's long-unavailable debut novel, a dark blend of post-apocalyptic naval warfare, Orwellian political intrigue, and the intimate, war-correspondent prose the author is known for.

The Heirs of Babylon
