

Schools Or Markets Commercialism Privatization And School Business Partnerships

[#school commercialism](#) [#education privatization](#) [#school business partnerships](#) [#market forces in education](#) [#public education debate](#)

This topic explores the critical tension between public schools and the increasing influence of market forces, examining the multifaceted aspects of commercialism and privatization within educational institutions. It delves into the rise of school business partnerships and their potential impact on curriculum, ethics, and the fundamental mission of public education.
