Acomprehensive Tamil and English Dictionary of High and Low Tamil

This dictionary contains more than 50,000 entries, related phrases, idioms and more than 200 illustrations. Like our other Bilingual Dictionaries, this has been specially compiled for learners of English, teachers, translators and general readers. * Words like citizen journalism, e-learning, hate crime, learning disability, newsworthy, road rage, and many more have been taken from current usage of English.* The English base of the dictionary, taken from the Oxford Students Dictionary (2nd Edition) has been adapted for Indian readers.* To make the dictionary more user-friendly detailed definitions and one-word equivalents in Tamil have been included for words that needed to be explained further for example, brain drain, electromagnetic, metamorphosis and microwave.* Many words such as computer, microchip, multiplex and software have been written out in Tamil to show that such words have now been included in the language. * Words from the current usage, including Indian English have been added. * A pronunciation guide using the International Phonetic Alphabet (IPA) is given for help in pronunciation.* Helpful notes on grammar, vocabulary and writing have been provided in Tamil.* A separate section on Quick Grammar Reference along with a list of suffixes and prefixes translated in Tamil, have been added to the appendix for advanced learners of English.

Dictionary English-Tamil, Tamil-English

This book featuring over 6,000 dictionary entries in Tamil and translated into English, and the helpful phrases for the traveler, student, or businessperson.

English-English-Tamil Dictionary

This dictionary contains more than 24,000 entries, related phrases, idioms, derivatives and words with irregular forms, and more than 200 illustrations. Like our other Bilingual Dictionaries, this has been specially compiled for learners of English, teachers, translators and general readers.

English-Tamil, Tamil-English Dictionary

If you're looking for a reliable modern Tamil-English dictionary, you're in the right place. This concise dictionary includes 1,300 modern Tamil terms. The words are ordered alphabetically first in English and then in Tamil for convenient access.

English-Tamil & Tamil-English One-to-One Dictionary - Script & Roman

The sixth book of the "Ramayana of Valmiki," the Yuddhakanda, recounts the final dramatic war between the forces of good led by the exiled prince Rama, and the forces of evil commanded by the arch demon Ravana. The hero Rama's primary purpose in the battle is to rescue the abducted princess Sita and destroy the demon king. However, the confrontation also marks the turning point for the divine mission of the Ramavatara, the incarnation of Lord Visnu as a human prince, who will restore righteousness to a world on the brink of chaos. The book ends with the gods' revelation to Rama of his true divine nature, his emotional reunion with his beloved wife, his long-delayed consecration as king of Kosala, and his restoration of a utopian age. The "Yuddhakanda" contains some of the most extraordinary events and larger-than-life characters to be found anywhere in world literature. This sixth volume in the critical edition and translation of the "Valmiki Ramayana" includes an extensive introduction, exhaustive notes, and a comprehensive bibliography.

Compact English-English-Hindi Dictionary

English Khasi Dictionary

Excerpt from Khasi-English Dictionary As the Cherra dialect has been selected and introduced by the Welsh Missionaries (and very wisely too) as a standard of the Khasi language, no attempt has been made to insert words of other dialects, excepting in a very few instances. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books

uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

Khasi English Dictionary

Khasi-English Dictionary

Soso Tham (1873–1940), the acknowledged poet laureate of the Khasis of northeastern India, was one of the first writers to give written poetic form to the rich oral tradition of his people. Poet of landscape, myth and memory, Soso Tham paid rich and poignant tribute to his tribe in his masterpiece *The Old Days of the Khasis*. Janet Hujon's vibrant new translation presents the English reader with Tham's long poem, which keeps a rich cultural tradition of the Khasi people alive through its retelling of old narratives and acts as a cultural signpost for their literary identity. This book is essential reading for anyone with an interest in Indian literature and culture and in the interplay between oral traditions and written literary forms. This edition includes: • English translation • Critical apparatus • Embedded audio recordings of the original text

English Khasi Dictionary

The Cambridge Advanced Learner's Dictionary is the ideal dictionary for advanced EFL/ESL learners. Easy to use and with a great CD-ROM - the perfect learner's dictionary for exam success. First published as the Cambridge International Dictionary of English, this new edition has been completely updated and redesigned. - References to over 170,000 words, phrases and examples explained in clear and natural English - All the important new words that have come into the language (e.g. dirty bomb, lairy, 9/11, clickable) - Over 200 'Common Learner Error' notes, based on the Cambridge Learner Corpus from Cambridge ESOL exams Plus, on the CD-ROM: - SMART thesaurus - lets you find all the words with the same meaning - QUICKfind - automatically looks up words while you are working on-screen - SUPERwrite - tools for advanced writing, giving help with grammar and collocation - Hear and practise all the words.

Khasi - English dictionary

Reproduction of the original: *The Khasis* by P.R.T. Gurdon

Khasi-English Dictionary (Classic Reprint)

The Oxford English Dictionary is the internationally recognized authority on the evolution of the English language from 1150 to the present day. The Dictionary defines over 500,000 words, making it an unsurpassed guide to the meaning, pronunciation, and history of the English language. This new upgrade version of The Oxford English Dictionary Second Edition on CD-ROM offers unparalleled access to the world's most important reference work for the English language. The text of this version has been augmented with the inclusion of the Oxford English Dictionary Additions Series (Volumes 1-3), published in 1993 and 1997, the Bibliography to the Second Edition, and other ancillary material. System requirements: PC with minimum 200 MHz Pentium-class processor; 32 MB RAM (64 MB recommended); 16-speed CD-ROM drive (32-speed recommended); Windows 95, 98, Me, NT, 2000, or XP (Local administrator rights are required to install and open the OED for the first time on a PC running Windows NT 4 and to install and run the OED on Windows 2000 and XP); 1.1 GB hard disk space to run the OED from the CD-ROM and 1.7 GB to install the CD-ROM to the hard disk: SVGA monitor: 800 x 600 pixels: 16-bit (64k, high color) setting recommended. Please note: for the upgrade, installation requires the use of the OED CD-ROM v2.0.

Khasi-English Dictionary

A contemporary replacement for the classic "Vine's Expository Dictionary," this newly written reference book covers the key vocabulary of the Bible with an integrated coverage of the Old Testament and New Testament words. Students of the Bible will be able to uncover the meaning of the original biblical text whether or not they have a working knowledge of Hebrew or Greek. Each English word entry includes the Hebrew or Greek for that word and explains its nuances and variations in meaning. It is coded to Strong's numbering and is a valuable resource for students, pastors, or the layperson interested in word studies.

KHASI-ENGLISH DICT

This edited volume provides a comparative exploration of corresponding concepts of the abyss in various languages and cultures. Fourteen chapters investigate ancient cultures such as Hebrew, Ancient Greek, Sanskrit and Old Norse, but also more contemporary American, African and Asian languages, such as Hawaiian, Umbundu, Chinese and Khasi, as well as European languages, such as German, Estonian, English, French, Polish and Russian. The book combines ethnolinguistics with history of ideas, literature, folklore, religion and translation, based on the conviction that language and our linguistic concepts give evidence of and shape our ideas about the world and about ourselves.

English Khasi Dictionary

Covering the political, social and historical background of each language, Dictionary of Languages offers a unique insight into human culture and communication. Every language with official status is included, as well as all those that have a written literature and 175 'minor' languages with special historical or anthropological interest. We see how, with the rapidly increasing uniformity of our culture as media's influence spreads, more languages have become extinct or are under threat of extinction. The text is highlighted by maps and charts of scripts, while proverbs, anecdotes and quotations reveal the features that make a language unique.

English-Khasi Dictionary

This Handbook presents the typology, classification and historical reconstruction of this important language family of South and Southeast Asia. The work includes 21 grammar sketches presenting each branch, plus extensive overview chapters.

Khasi-English Dictionary - Primary Source Edition

First Published in 1991. Routledge is an imprint of Taylor & Francis, an informa company.

Oxford picture dictionary

The Cambridge Dictionary of Linguistics provides concise and clear definitions of all the terms any undergraduate or graduate student is likely to encounter in the study of linguistics and English language or in other degrees involving linguistics, such as modern languages, media studies and translation. It covers the key areas of syntax, morphology, phonology, phonetics, semantics and pragmatics but also contains terms from discourse analysis, stylistics, historical linguistics, sociolinguistics, psycholinguistics, computational linguistics and corpus linguistics. It provides entries for 246 languages, including 'major' languages and languages regularly mentioned in research papers and textbooks. Features include cross-referencing between entries and extended entries on some terms. Where appropriate, entries contain illustrative examples from English and other languages and many provide etymologies bringing out the metaphors lying behind the technical terms. Also available is an electronic version of the dictionary which includes 'clickable' cross-referencing.

Tales of Darkness and Light

Bungalow, pyjamas, tiffin, rickshaw, veranda, curry, cheroot, chintz, calico, gingham, mango, junk and catamaran are all words which have crept into the English language from the days of Britain's colonial rule of the Indian sub-continent and the Malaysian Peninsular. Hobson-Jobson (derived from the Islamic cry at the celebration of Muhurram 'Ya Hasan, ya Hosain' is shorthand for the assimilation of foreign words to the sound pattern of the adopting language. This dictionary, compiled in the late-19th century, is an invaluable source which has never been superseded. It is an essential book

for all who are interested in English etymology and the development of the language. AUTHORS: Arthur Cole Burnell (1840-1882) spent large parts of his life in India working for the civil service, and translated a considerable number of Sanskrit manuscripts. He co-operated with Sir Henry Yule to write 'Hobson-Jobson', and Anglo-Indian dictionary. Sir Henry Yule was a military man, serving in India and retiring as a colonel in 1862. In his leisure time, he wrote some well-received books on Asia, but he is best remembered for collaborating with Dr A.C. Burnell in writing the Anglo-Indian dictionary, 'Hobson-Jobson'.

Khasi-English Dictionary

This book contains the latest research work presented at the International Conference on Computing and Communication Systems (I3CS 2020) held at North-Eastern Hill University (NEHU), Shillong, India. The book presents original research results, new ideas and practical development experiences which concentrate on both theory and practices. It includes papers from all areas of information technology, computer science, electronics and communication engineering written by researchers, scientists, engineers and scholar students and experts from India and abroad.

Khasi-English Dictionary

Edward Harold Stuart Simmonds, who died on November 9, 1994 aged 75, will be remembered as one of the few distinguished scholars who combined a knowledge of both the languages and the literatures of Thailand and Laos, and who, between 1951 and 1967 succeeded almost single-handedly in establishing the study of Tai languages, literature and culture in British universities. This book presents a fascinating series of essays written in his honour.

A Grammar of the Khasi Language

This book has been considered by academicians and scholars of great significance and value to literature. This forms a part of the knowledge base for future generations. We have represented this book in the same form as it was first published. Hence any marks seen are left intentionally to preserve its true nature.

Cambridge Advanced Learner's Dictionary

Reprint of the original, first published in 1856.

The Khasis

Published in the year 1990, Understanding Party System Change in Western Europe is a valuable contribution to the field of Politics.
