Exit Sherlock Holmes

This non-Doyle pastiche continues the Sherlock Holmes tradition as the reader, following crumbs left by Dr. Watson in bequest, is led to Sherlock's brother Mycroft, past 221B Baker Street, and through the enigmatic Diogenes Club to ultimately view the inevitable showdown between Holmes and Moriarty that reveals their true identities and the underlying meaning of their lifelong duel.

Exit Sherlock Holmes

Una guida al celebre personaggio, illustrata con numerose fotografie e poster. Il libro comprende cast, trame e commenti di film, adattamenti teatrali, romanzi e fumetti, in un arco di oltre 130 anni. An a-z guide to the famous detective, illustrated with numerous photographs and posters. The book includes cast, storylines and film comments, theatrical adaptations, novels and comics, in over 100 years.

Sherlock Holmes. Inglese

Robert S. Paul suggests that the reason detective fiction has won legions of readers may be that "the writer of detective fiction, without conscious intent, appeals directly to those moral and spiritual roots of society unconsciously affirmed and endorsed by the readers." Because detective stories deal with crime and punishment they cannot help dealing implicitly with theological issues, such as the reality of good and evil, the recognition that humankind has the potential for both, the nature of evidence (truth and error), the significance of our existence in a rational order and hence the reality of truth, and the value of the individual in a civilized society. Paul argues that the genre traces its true beginning to the Enlightenment and documents two related but different reactions to the theological issues involved: first, a line of writers who are generally positive in relation to their cultural setting, such as Edgar Allan Poe, Wilkie Collins, Conan Doyle; and second, a reactionary strain, critical of the prevailing culture, that begins in William Godwin s Caleb Williams and continues through the anti-heroic writers like Arsene Lupin to Raymond Chandler, Dashiell Hammett, and John MacDonald. "

Whatever Happened to Sherlock Holmes

The year is 1758. Sent from America to England to battle with the Crown, Benjamin Franklin, with his keen mind and scientific skills, has also found himself called upon to solve a series of mysteries - cases of murder, blackmail, forgery, and jewel theft - but his latest mystery is perhaps his most baffling and challenging. He is invited to the city of Bath, site of England's famous spa, where rakes and lechers

and gamblers abound. He rides there in a coach with a beautiful, seemingly innocent young girl who comes to sit at the heart of a plot to gain control of a fabulous fortune. Thieves steal letters, highwaymen attack, bludgeoners attempt murder, and shots ring out in the House of God. Despite all this, the Bath social round progresses, at secret gaming parties, grand balls, and the famous waters, where a man is later found murdered. Benjamin Franklin must winnow his way through this intrigue, to the truth of a mystery which may be masterminded by his great enemy, the enigmatic Quimp, who governs much of England's crime. Ben is ably aided by his natural son, Nick Handy. Once again his acute intellect and unerring heart prove him to be the archetypal detective.

Exit Sherlock Holmes

Back by popular demand, the world's most famous detective returns from a seemingly fatal encounter with his nemesis, Professor Moriarty. Thirteen stories include "The Empty House," "The Dancing Men," and "The Six Napoleons."

Murder by the Waters

THE ADVENTURE OF THE EMPTY HOUSE It was in the spring of the year 1894 that all London was interested, and the fashionable world dismayed, by the murder of the Honourable Ronald Adair under most unusual and inexplicable circumstances. The public has already learned those particulars of the crime which came out in the police investigation, but a good deal was suppressed upon that occasion, since the case for the prosecution was so overwhelming!

The Return of Sherlock Holmes

In this collection of short stories a lot of different themes have been addressed. The usual mystery stories of Sherlock Holmes with great new twists and turns are bound to keep the reader captivated. Engrossing!

The Return of Sherlock Holmes

Published in 1904, Doyle's *The Return of Sherlock Holmes* revives his famous character Holmes after his deadly encounter with the wicked Professor Moriarty in *The Adventure of the Empty House*. The collection contains stories such well-loved tales as *The Adventure of the Six Napoleons* and *The Adventure of Black Peter*....

The Case Book of Sherlock Holmes

Three classic Holmes stories: *A Scandal in Bohemia* *The Speckled Band* *The Final Problem* Including an introduction by Murial Carvolth.

The Return of Sherlock Holmes

These two fascinating sets of stories, "*The Casebook of Sherlock Holmes*" and "*His Last Bow*," make a glorious farewell to the greatest detective of them all and his erstwhile companion, Dr Watson.

Sherlock Holmes, The Best

Between 1887 and 1927, Sir Arthur Conan Doyle wrote sixty Sherlock Holmes stories, and his great Canon has become the most praised, most studied, and best-known chapter in the history of detective fiction. Over twenty thousand publications pertaining to the Sherlock Holmes phenomenon are known to have been published, most of them historical and critical studies. In addition, however, almost since the first stories appeared, such was their uniqueness and extraordinary attraction that other authors began writing stories based on or derived from them. A new genre had appeared: pastiches; parodies; burlesques; and stories that attempted to copy or rival the great detective himself. As the field widened, there was hardly a year in the twentieth century in which new short stories or novels did not appear. Many hundreds are now known to have been published, some of them written by authors well-known for their work in other literary fields. The non-canonical Sherlock Holmes literature not only constitutes a literary field of considerable historical interest, but includes many stories that are both enjoyable and fascinating in their own right. Although a large bibliography on these stories exists, and a few limited anthologies have been published, no attempt has previously been made to collect them all and discuss them comprehensively. *The Alternative Sherlock Holmes* does so: it provides a new and

valuable approach to the Sherlock Holmes literature, as well as making available many works that have for years remained forgotten. Presented as an entertaining narrative, of interest to both the aficionado and the scholar, it provides full bibliographic data on virtually all the known stories in the field.

The Case-book of Sherlock Holmes

In this remarkable tale, Watson helps Sherlock Holmes save the detective's own life. After having apparently contracted a fatal illness, Holmes summons Watson to his bedside and issues a series of seemingly nonsensical instructions and directives. Before long, the truth behind Holmes' mysterious ailment is revealed -- and the truth will shock even the most perceptive readers.

The Alternative Sherlock Holmes

Arthur Conan Doyle's master criminologist Sherlock Holmes continues to delight readers around the world more than a century after he first appeared in print (in 1887's *A Study in Scarlet*). The digital age has only increased his popularity: amid the onslaught of contemporary crime fiction there is something reassuring about Sherlock Holmes. In the hardcover edition of 'Sherlock Holmes: The Ultimate Collection' you will find all four Sherlock Holmes novels: *A Study In Scarlet* by Arthur Conan Doyle. *The Sign of the Four* by Arthur Conan Doyle. *The Hound of the Baskervilles* by Arthur Conan Doyle. *The Valley of Fear* by Arthur Conan Doyle.

The Adventure of the Dying Detective

This reference work on British and American crime, mystery and adventure fiction in English contains 7,000 entries, listed alphabetically by detective, providing information about sleuths, their sidekicks and their rivals. A broad definition of detective is used encompassing Batman, Sherlock Holmes, James Bond, Nero Wolfe and Hercule Poirot.

Sherlock Holmes: The Ultimate Collection

Sherlock Holmes takes to the stage in four entertaining play scripts written between 1899 and 1921 by Sir Arthur Conan Doyle and William Gillette. Even though Sherlock Holmes had fallen to his supposed death at the culmination of 'The Final Problem' in December 1893, it proved very difficult to keep the great detective down as this collection of theatrical play scripts proves. Presented are: *SHERLOCK HOLMES - A DRAMA IN FOUR ACTS* (1899, by William Gillette and Sir Arthur Conan Doyle); *THE PAINFUL PREDICAMENT OF SHERLOCK HOLMES* (1905, attributed to William Gillette); *THE SPECKLED BAND - AN ADVENTURE OF MISTER SHERLOCK HOLMES* (1910, by Sir Arthur Conan Doyle) and *THE CROWN DIAMOND - AN EVENING WITH SHERLOCK HOLMES* (1921, by Sir Arthur Conan Doyle). This collection also contains an introduction written by Paul Stuart Hayes, the author of *REQUIEM FOR SHERLOCK HOLMES*, which sets the scene for Sherlock Holmes' stage debut and focuses on each of the four productions presented in this volume.

Sleuths, Sidekicks and Stooges

The *Memoirs of Sherlock Holmes* is an exciting piece of work by Doyle. It is considered one of his masterpieces. The memoirs consist of a collection of quests. In these adventures, the protagonist Holmes serves as a detective who solves the mysteries and problems faced by other people. An engrossing narrative that reflects the deceit and conceit of mankind.

The Theatrical Sherlock Holmes

FICTION HOUSE PRESS presents The Original Sherlock Holmes in *THE ADVENTURES OF SHERLOCK HOLMES*. It is a collection of 12 short stories which originally appeared in *The Strand* magazine in England from July 1891 to June 1892. They are presented in this book as facsimile reproductions of the originals. Included are: *A Scandal in Bohemia*, *The Red-Headed League*, *A Case of Identity*, *The Boscombe Valley Mystery*, *The Five Orange Pips*, *The Man with the Twisted Lip*, *The Adventure of the Blue Carbuncle*, *The Adventure of the Speckled Band*, *The Adventure of the Engineer's Thumb*, *The Adventure of the Noble Bachelor*, *The Adventure of the Beryl Coronet*, *The Adventure of the Copper Beeches*.

Memoirs of Sherlock Holmes

The complete collection of Sir Arthur Conan Doyle's Sherlock Holmes tales, both long and short, compiled together for the first time by Simon & Schuster. This fantastic collection is accompanied by an exciting new introduction from Robert Ryan, a writer whose own book, *Dead Man's Land*, has been fully endorsed by the Conan Doyle Estate. A big Holmes fan himself, he will undoubtedly provide a fascinating new look at the detective and his bizarre ability to read both people and objects, in order to discover who dunnit.

The Original Sherlock Holmes

Aonia edizioni. The Adventures of Sherlock Holmes is a collection of twelve stories by Arthur Conan Doyle, featuring his famous detective and illustrated by Sidney Paget. The 1939 film starring Basil Rathbone and Nigel Bruce was based on the stage play by William Gillette and was not a direct adaptation of the book. These are the first of the Sherlock Holmes short stories, originally published as single stories in the Strand Magazine from July 1891 to June 1892. The book was published in England on 14 October 1892 by George Newnes Ltd and in a US Edition on 15 October by Harper. The initial combined print run was 14,500 copies. (Wikipedia)

The Complete Sherlock Holmes

A new edition of the who's who of over 1,400 fictional characters whose names are sometimes so familiar it's difficult to remember they're imaginary. Included in the biographical parade is Ben Casey, Casper, and Fitzwilliam Darcy, a compendium of high, low, and no brow at all, each exactly recorded with a snippet of biographical anecdote. The reference is as equally useful for scholarly work as it is for killing time in aimless pursuits of information. Distributed by Ashgate. Annotation copyright by Book News, Inc., Portland, OR

The Adventures of Sherlock Holmes

The memoirs are overshadowed by the event with which they close--the meeting of the great detective and Moriarty, the Napoleon of Crime. Their struggle, seemingly to the death, was to leave many readers desolate at the loss of Holmes, but was also to lead to his immortality as a literary figure. However illogical as a detective story, *The Final Problem* has proved itself an unforgettable tale. The stories that precede it included two narratives from Holmes himself, on a mutiny at sea and a treasure hunt in a Sussex country house, as well as a meeting with his brilliant brother Mycroft, of whom Holmes says, "If the art of the detective began and ended in reasoning from any armchair, my brother would be the greatest criminal agent that ever lived." I was not surprised. Indeed, my only wonder was that he had not already been mixed up in this extraordinary case, which was the one topic of conversation through the length and breadth of England. For a whole day my companion had rambled about the room with his chin upon his chest and his brows knitted, charging and recharging his pipe with the strongest black tobacco, and absolutely deaf to any of my questions or remarks.

Imaginary People

A two-act play featuring Sherlock Holmes and Dr. Watson pitted against their arch-enemy, Professor Moriarty.

Memoirs of Sherlock Holmes

Get all of Sherlock Holmes' Adventures in one Mega Set Read all of the Sherlock Holmes stories by Sir Arthur Conan Doyle in chronological order. This bundle includes: The Adventures of Sherlock Holmes The Memoirs of Sherlock Holmes The Return of Sherlock Holmes The Sign of the Four The Adventure of the Cardboard Box The Hound of the Baskervilles The Valley of Fear The Adventure of the Dying Detective His Last Bow The Casebook of Sherlock Holmes This Sherlock Holmes Collection has been professionally formatted for e-readers and contains a bonus book club leadership guide and discussion questions. We hope you'll share this book with your friends, neighbors and colleagues and can't wait to hear what you have to say about it.

Sherlock Holmes

"He's dying, Dr. Watson," said she. "For three days he has been sinking, and I doubt if he will last the day. He would not let me get a doctor. This morning when I saw his bones sticking out of his face and his great bright eyes looking at me I could stand no more of it. 'With your leave or without it, Mr. Holmes,

I am going for a doctor this very hour, ' said I. 'Let it be Watson, then, ' said he. I wouldn't waste an hour in coming to him, sir, or you may not see him alive." I was horrified for I had heard nothing of his illness. I need not say that I rushed for my coat and my hat. As we drove back I asked for the details.

Sherlock Holmes Collection: The Complete Stories and Novels

His Last Bow: Some Reminiscences of Sherlock Holmes is a collection of eight previously-published Sherlock Holmes stories by Arthur Conan Doyle. Five of the stories were published in The Strand magazine between September 1908 and December 1913. The final story, an epilogue about Holmes' war service, was first published in Collier's on 22 September 1917-one month before the book's premier on 22 October. Also included here is The Adventure of the Cardboard Box, which features in The Memoirs of Sherlock Holmes (1894).

The Adventure of the Dying Detective Sherlock Holmes

Find out where it all began: the first story of Sherlock Holmes and Dr. Watson. A Study in Scarlet is the first of the Sherlock Holmes stories and only one of 4 full-length novels. If you like detective novels or solving mysteries, make sure you start with the source. This digital edition from Xist Classics features a beautifully formatted and professionally proofed version of the original text. Xist Publishing is a digital-first publisher. Xist Publishing creates books for the touchscreen generation and is dedicated to helping everyone develop a lifetime love of reading, no matter what form it takes

His Last Bow

Purchase one of 1st World Library's Classic Books and help support our free internet library of downloadable eBooks. Visit us online at www.1stWorldLibrary.ORG - - Sherlock Holmes took his bottle from the corner of the mantel-piece and his hypodermic syringe from its neat morocco case. With his long, white, nervous fingers he adjusted the delicate needle, and rolled back his left shirt-cuff. For some little time his eyes rested thought-fully upon the sinewy forearm and wrist all dotted and scarred with innumerable puncture-marks. Finally he thrust the sharp point home, pressed down the tiny piston, and sank back into the velvet-lined arm-chair with a long sigh of satisfaction. Three times a day for many months I had witnessed this performance, but custom had not reconciled my mind to it. On the contrary, from day to day I had become more irritable at the sight, and my conscience swelled nightly within me at the thought that I had lacked the courage to protest. Again and again I had registered a vow that I should deliver my soul upon the subject, but there was that in the cool, nonchalant air of my companion which made him the last man with whom one would care to take anything approaching to a liberty. His great powers, his masterly manner, and the experience which I had had of his many extraordinary qualities, all made me diffident and backward in crossing him.

A Study in Scarlet

The best twenty tales of Conan Doyle.

The Sign of Four

It is the spring of 1876, and members England's intellectual and scientific communities are disappearing without ransom or a trace. When the kidnappers target a brilliant young virtuoso violinist--who also happens to be a close personal acquaintance of Sherlock Holmes--the great detective goes on the hunt. But the mastermind behind the abductions may prove too cunning even for Holmes!

The Best of Sherlock Holmes

The memoirs are overshadowed by the event with which they close-the meeting of the great detective and Moriarty, the Napoleon of Crime. Their struggle, seemingly to the death, was to leave many readers desolate at the loss of Holmes, but was also to lead to his immortality as a literary figure. However illogical as a detective story, The Final Problem has proved itself an unforgettable tale. The stories that precede it included two narratives from Holmes himself, on a mutiny at sea and a treasure hunt in a Sussex country house, as well as a meeting with his brilliant brother Mycroft, of whom Holmes says, "If the art of the detective began and ended in reasoning from any armchair, my brother would be the greatest criminal agent that ever lived."

Sherlock Holmes: Crime Alleys

The Memoirs of Sherlock Holmes are overshadowed by the event with which they close—the meeting of the great detective and Moriarty, the Napoleon of Crime. Their struggle, seemingly to the death, was to leave many readers desolate at the loss of Holmes, but was also to lead to his immortality as a literary figure. However illogical as a detective story, *The Final Problem* has proved itself an unforgettable tale. The stories that precede it included two narratives from Holmes himself, on a mutiny at sea and a treasure hunt in a Sussex country house, as well as a meeting with his brilliant brother Mycroft, of whom Holmes says, "If the art of the detective began and ended in reasoning from any armchair, my brother would be the greatest criminal agent that ever lived."

The Memoirs of Sherlock Holmes

"Dr. Watson, Mr. Sherlock Holmes," said Stamford, introducing us. "How are you?" he said cordially, gripping my hand with a strength for which I should hardly have given him credit. "You have been in Afghanistan, I perceive." "How on earth did you know that?" I asked in astonishment. "Never mind," said he, chuckling to himself. At that first sight of Watson, Sherlock Holmes made brilliant deductions. But even he couldn't know that their meeting was inaugurating a friendship that would make himself and the good Doctor cultural icons, as popular as ever more than a century after their 1887 debut. Through four novels and fifty-six stories, Arthur Conan Doyle led the pair through dramatic adventures that continue to thrill readers today, offering an unmatched combination of skillful plotting, period detail, humor, and distinctive characters. For a Holmes fan, there are few pleasures comparable to returning to his richly imagined world—the gaslit streets of Victorian London, the companionable clutter of 221B Baker Street, the reliable fuddlement (and nerves of steel) of Watson, the perverse genius of Holmes himself. It's all there in *The Daily Sherlock Holmes*, the perfect bedside companion for fans of the world's only consulting detective. Within these pages readers will find a quotation for every day of the year, drawn from across the Conan Doyle canon. Beloved characters and familiar lines recall favorite stories and scenes, while other passages remind us that Conan Doyle had a way with description and a ready wit. Moriarty and Mycroft, Lestrade and Mrs. Hudson; the Hound, the Red-Headed League, the Speckled Band, and the dread Reichenbach Falls—it's all here, anchored, of course, in that unforgettable duo of Holmes and Watson. No book published this year will bring a Holmes fan more pleasure. Come, readers. The game is afoot.

Memoirs of Sherlock Holmes

The Valley of Fear is the last Sherlock Holmes novel by Sir Arthur Conan Doyle, first published in book form in 1915. Loosely based on the activities of the secret Irish organization that was the Molly Maguires and of undercover Pinkerton agent James McParland, the novel is split into two parts. Firstly Holmes investigates a murder and finds that the body belongs to a different man. In the second part, the story of the man who was originally thought to have been the murder victim is given.

The Daily Sherlock Holmes

Originally published in *The Strand* during the 1920s, these 12 tales of passion, revenge, greed, and murder are Doyle's final accounts of the adventures of the Baker Street sleuth.

The Valley of Fear

In the second case recorded by Benjamin Franklin's young charge and assistant Nick Handy, the great Doctor Franklin is confronted with a shocking event. While attending a mummers' play at the home of a popular merchant Roddy Fairbrass on Christmas Eve 1757, their host suddenly collapses and dies. Although the bereaved family denies it, Franklin is convinced that he has witnessed a murder. Franklin had been to the Fairbrass home one time before to investigate the report of a ghost and now believes that there must be some sinister connection between the two events. Determined to uncover the truth, the intrepid inventor and statesman, accompanied by Nick, unravels a tangled plot of intrigue and scandal while matching wits with some of London's most notorious criminal minds.

The Casebook of Sherlock Holmes

On June 4th, 1910 footlights at the Adelphi Theatre in London kindled. Sherlock Holmes walked the stage. Holmes & Watson worked their usual magic on the audiences; but this time they were nearly overshadowed by the burly villain, Dr. Grimesby Rylott, who petted his giant snake in its wicker basket while the Hindu servant played eerie music on a pipe. Sir Arthur Conan Doyle's bow at curtain call was

upstaged when the villain appeared with the snake draped around his neck. The only fault of the play was the terrible ending. The form of the Sherlock Holmes short stories was missing. The conclusion lacked Holmes' explanations of how he came to his deductions - considered de rigeur among Holmes aficionados. The editor of "The Speckled Band: Author's Expanded Edition" has attempted to correct some of the play's shortcomings by reintroducing material from the short story & integrating elements from other adaptations (notably the BBC radio & television series) with the original Conan Doyle stageplay.

Benjamin Franklin and a Case of Christmas Murder (The Benjamin Franklin Mysteries)

THREE VERY DIFFERENT BAKER STREETS. THREE VERY DIFFERENT SHERLOCKS. THREE EXTRAORDINARY NEW CASES. Brilliant, distracted, sarcastic, abrasive, superior, fiercely loyal and—above all—ferociously principled, Sherlock Holmes is a hero for all times. Every era has its thieves and monsters, its exploiters and abusers, and in every era the detective of Baker Street will piece together the clues and bring the guilty to book. In alt.sherlock.holmes, the creators of Two Hundred and Twenty-One Baker Streets have invited three talented writers to bring startling visions of the Great Detective and the redoubtable Doctor Watson to the page: as a carnival owner and fortune teller in the 'thirties American Dust Bowl, as a drugged-up, tuned-out weirdnik in 'sixties New York City, and as the most irregular consultant in present-day Hollywood. The game's afoot! Whether hunting a vandal, a killer, or a shadowy conspiracy, in Indiana, California or New York, Holmes and Watson are on the case.

The Speckled Band - Author's Expanded Edition
