The Cowboy's Mail-Order Bride

This book contains a prologue published in its entirety as: The Escape (A Prologue): A Mail Order Bride Romance (The Dalton Brides Book 1) and is only a small portion of this book. Libby Blue lived in the shadow of her sister's accomplishments. Bonnie, the oldest, excelled at all things domestic and was the smartest of the three. Gwen, the middle sister, excelled at ... well, Gwen was beautiful, so she didn't have to excel at much else. Libby tried as hard as she could to live up to both, but always seemed to fall short. But when Gwen is caught up in a major scandal, their father decides to marry Libby and her sisters off to the most un-eligible bachelors in Beckham to save the family's reputation. Bonnie quickly devises a plan to escape their father's wrath and sets it in motion. Libby might yet have a chance to prove herself! As a Mail-Order Bride! Walton Dalton had a dream to build an empire. Or in this case, a ranch where he and his two brothers, Nate and Bart, could work hard and love hard. Determined to see his dream come true, he sends for his brothers to join him in Texas to claim the land and begin building. That took care of the 'work' part. But Walton fails to tell them that he sent for mail-order brides to take care of the 'loving' part. Will Nate Dalton become Libby's road to happiness? Or a slow path to misery because she still can't measure up? The Cowboy's Mail-Order Bride is one of three connected books in The Dalton Brides series, all of which are available on Amazon: * The Escape (A Prologue) by Kirsten Osbourne, Cassie Hayes & Kit Morgan (also included at the beginning of each book) * The Rancher's Mail-Order Bride by Kirsten Osbourne * The Drifter's Mail-Order Bride by Cassie Hayes

The Drifter's Mail-Order Bride

He was a drifter, through and through. Could he give up his wanderlust for a mail-order bride he didn't know was coming? Having grown up in the shadow of two beautiful sisters, 'Scrawny Bonnie' Blue knows she doesn't stand a chance at landing a good man in Beckham, Massachusetts. The only way she'll find a husband is by leaving her family behind to become a mail order bride. But when all three Blue sisters are swept up in a scandal, she has no choice to but to take 'Gorgeous Gwen' and 'Lovely

Libby' with her...kicking and screaming, if she must. Bart Dalton would be happy riding the range forever, but his brothers need his help to start a ranch in north Texas. He figures he'll last a year or so before his feet get itchy again, which his brothers understand. As triplets, they can almost read each others' minds. Except when his oldest brother ordered three brides for them. It would have been nice to have a little warning about that! When Bart's late to meet the train carrying the Blue sisters, his brothers get first dibs, leaving Bonnie standing alone and dejected once again. It only gets worse when her 'intended' finally shows up and balks at the idea of marrying her. The one thing Bonnie has going for her are her wits, and she puts them to good use by proposing a business arrangement that Bart can't refuse. Will Bart go back to his drifter ways, or is the elusive thing he'd searched for all his life sleeping in the next room? The Drifter's Mail-Order Bride is one of three connected books in The Dalton Brides series, all of which are available at your favorite e-tailer: * The Rancher's Mail-Order Bride by Kirsten Osbourne * The Cowboy's Mail-Order Bride by Kit Morgan

Dr. Strange Beard

Punk 57

"MISHA I can't help but smile at the lyrics in her letter. She misses me. In fifth grade, my teacher set us up with pen pals from a different school. Thinking I was a girl, with a name like Misha, the other teacher paired me up with her student, Ryen. My teacher, believing Ryen was a boy like me, agreed. It didn't take long for us to figure out the mistake. And in no time at all, we were arguing about everything. The best take-out pizza. Android vs. iPhone. Whether or not Eminem is the greatest rapper ever... And that was the start. For the next seven years, it was us. Her letters are always on black paper with silver writing. Sometimes there's one a week or three in a day, but I need them. She's the only one who keeps me on track, talks me down, and accepts everything I am. We only had three rules. No social media, no phone numbers, no pictures. We had a good thing going. Why ruin it? Until I run across a photo of a girl online. Name's Ryen, loves Gallo's pizza, and worships her iPhone. What are the chances? F*ck it. I need to meet her. I just don't expect to hate what I find. RYEN He hasn't written in three months. Something's wrong. Did he die? Get arrested? Knowing Misha, neither would be a stretch. Without him around, I'm going crazy. I need to know someone is listening. It's my own fault. I should've gotten his phone number or picture or something. He could be gone forever. Or right under my nose, and I wouldn't even know it. *Punk 57 is a stand alone New Adult romance. It is suitable for ages 18+."--Amazon.com

Mail-order Bride Ink

Mail-Order Bride Ink! Mischief, Marriage and Mayhem, these brides have something to write about! Mrs. Pettigrew, of the Pettigrew Mail-Order Bride Agency sees to that! She likes to hear from all her brides and loves a happy ending. But to ensure her brides get one, she does things to help love along. Sometimes, however, those things don't always go as planned... Dear Mrs. Pettigrew, I've reached my destination and I must say that the Washington territory is not what I expected, neither is my new husband for that matter. His family is huge, loud and boisterous! We haven't had a moment's peace since our wedding. I don't mean to complain, but I wasn't prepared to become a schoolteacher for seven children! Seven mischievous, prank-pulling, children no less. No, they are not my husband's, (thank heaven). They belong to his older brother and his wife. In short, I should have been warned! He said nothing in his letters about any of this. I don't know how much longer I can endure it. Please write back to me as soon as you can before I go mad! Sincerely, Ebba Weaver Daniel Weaver was ready for a wife. His three older brothers had been married for several years and now it was his turn. So, like his brothers Arlan, Benjamin and Calvin, he sends for a mail-order bride, with a little help from their cousin Matthew of course. After all, he helped his brothers write their letters to their prospective brides, so why not him? But when the letter from his bride comes, it's got more than her acceptance of his proposal written in it. Worse, it gets picked up and read by the town's worst gossip, Nellie Davis. Ebba Knudson can't figure out why folks in her intended's town of Nowhere would be giving her such odd looks. It was bad enough she had other things to deal with by coming to the Washington territory to marry a farmer, but now this? Was there something wrong with her future husband? Or just with her? Of which she

knew there was plenty. Enough to make her think she might not get married at all... Enjoy this sweet, historical, western romance and the first book in this laugh out loud new series!

King of the Wind

Born in the stables of the Sultan of Morocco, an Arabian stallion named Sham is taken to England, along with the loyal yet mute Arab stable boy who tends to him, and becomes one of the founding sires of the Thoroughbred breed.

The Cowboy's Mail Order Bride

Book 3 of Cowboys & Brides From New York Times and USA Today-bestselling author Carolyn Brown comes a contemporary Western romance filled to the brim with sexy cowboys, gutsy heroines, and genuine down-home Texas twang. Emily Cooper promised her dying grandfather that she'd deliver a long-lost letter to a woman he once planned to wed. Little does adventurous Emily know that this simple task will propel her to places she never could have imagined...with a cowboy who's straight out of her dreams... When sexy rancher Greg Adams discovers his grandmother Clarice has installed Emily on their ranch as her assistant, he decides to humor the two ladies. He figures Emily will move on soon enough. In the meantime, he intends to keep a close eye on her-he doesn't quite buy her story of his grandmother as a mail-order bride. A lost letter meant a lost love for Clarice, but two generations later, maybe it's not too late for that letter to work its magic. Fans of Linda Lael Miller and Diana Palmer will thrill to this charming story of a sexy Texas rancher and the mail order bride who brought him to one knee. Cowboys & Brides Series: Billion Dollar Cowboy (Book 1) The Cowboy's Christmas Baby (Book 2) The Cowboy's Mail Order Bride (Book 3) How to Marry a Cowboy (Book 4) Praise for Bestselling Contemporary Western Romances by Carolyn Brown: "Sizzling hot and absolutely delectable."-Romance Junkies "Charming...a smoking-hot romance...there's nothing sexier than a cowboy."-RT Book Reviews, 4 stars "Witty dialogue and hilarious banter... Carolyn Brown delivers yet another steamy cowboy romance."-Night Owl Reviews

Freud Upside Down

This thought-provoking cultural history explores how psychoanalytic theories shaped the works of important African American literary figures. Badia Sahar Ahad details how Nella Larsen, Richard Wright, Jean Toomer, Ralph Ellison, Adrienne Kennedy, and Danzy Senna employed psychoanalytic terms and conceptual models to challenge notions of race and racism in twentieth-century America. Freud Upside Down explores the relationship between these authors and intellectuals and the psychoanalytic movement emerging in the United States over the course of the twentieth century. Examining how psychoanalysis has functioned as a cultural phenomenon within African American literary intellectual communities since the 1920s, Ahad lays out the historiography of the intersections between African American literature and psychoanalysis and considers the creative approaches of African American writers to psychological thought in their work and their personal lives.

Heaven's Interpreters

In Heaven's Interpreters, Ashley Reed reveals how nineteenth-century American women writers transformed the public sphere by using the imaginative power of fiction to craft new models of religious identity and agency. Women writers of the antebellum period, Reed contends, embraced theological concepts to gain access to the literary sphere, challenging the notion that theological discourse was exclusively oppressive and served to deny women their own voice. Attending to modes of being and believing in works by Augusta Jane Evans, Harriet Jacobs, Catharine Maria Sedgwick, Elizabeth Oakes Smith, Elizabeth Stoddard, Harriet Beecher Stowe, and Susan Warner, Reed illuminates how these writers infused the secular space of fiction with religious ideas and debates, imagining new possibilities for women's individual agency and collective action. Thanks to generous funding from Virginia Tech and its participation in TOME (Toward an Open Monograph Ecosystem), the ebook editions of this book are available as Open Access volumes from Cornell Open cornellpress.cornell.edu/cornell-open) and other repositories.

Dictionary of Labour Biography

Volume XI of the Dictionary of Labour Biography maintains the strengths of earlier contributions to this well established and authoritative series. It incorporates many scholarly and original studies of Labour

movement figures from a variety of periods and backgrounds together with special notes on related and neglected topics. Volume XI pays particular attention to the role and contributions of women and the multi-nationality of the British Labour movement. Each entry is accompanied by a thorough bibliography and incorporates the most recent historical scholarship in the field.

The Winter Sea

***NATIONAL BESTSELLER** A haunting tale of love across time perfect for fans of Diana Gabaldon's *Outlander* series—from New York Times and USA TODAY bestselling author Susanna Kearsley. 1707. The walls of Slains castle shelter Jacobite rebels, who are conspiring to sail the young, exiled James Stewart from France into Scotland to reclaim his crown—and a young woman caught up in their plot. Present day. Writer Carrie McClelland is enchanted by an impromptu trip to Cruden Bay, Scotland, and decides to settle in the tiny village, hoping to find inspiration for her novel about the Jacobite uprising in the area's evocative past—and in the haunting ruins of the castle. She creates a heroine named after one of her own ancestors, Sophia Paterson, and quickly finds the words flowing, almost faster than she can write them down. But, discovering that her novel inexplicably contains more fact than she can remember researching, Carrie wonders if she could possibly be dealing with ancestral memory—in effect “recalling” what her ancestor lived. The only way to discover the truth is to continue writing and to bring to light the whole of Sophia's story. With each new chapter, Carrie uncovers the tale of an innocent entangled in a dangerous enterprise, the secret of forbidden love, and the final betrayal that cost James his throne—and may cost Sophia her heart.

The Epic Film

As Charlton Heston put it: 'There's a temptingly simple definition of the epic film: it's the easiest kind of picture to make badly.' This book goes beyond that definition to show how the film epic has taken up one of the most ancient art-forms and propelled it into the modern world, covered in twentieth-century ambitions, anxieties, hopes and fantasies. This survey of historical epic films dealing with periods up to the end of the Dark Ages looks at epic form and discusses the films by historical period, showing how the cinema reworks history for the changing needs of its audience, much as the ancient mythographers did. The form's main aim has always been to entertain, and Derek Elley reminds us of the glee with which many epic films have worn their label, and of the sheer fun of the genre. He shows the many levels on which these films can work, from the most popular to the specialist, each providing a considerable source of enjoyment. For instance, spectacle, the genre's most characteristic trademark, is merely the cinema's own transformation of the literary epic's taste for the grandiose. Dramatically it can serve many purposes: as a resolution of personal tensions (the chariot race in *Ben-Hur*), of monotheism vs idolatry (Solomon and Sheba), or of the triumph of a religious code (*The Ten Commandments*). Although to many people Epic equals Hollywood, throughout the book Elley stresses debt to the Italian epics, which often explored areas of history with which Hollywood could never have found sympathy. Since 1865 African-American architects have been designing and building houses and public buildings, but the architects are virtually unknown. This work brings their lives and work to light for the first time.

African American Architects

Charlotte Watkins has always been considered the odd one. Now that her husband has passed, and she's been trying to run a ranch as well as care for her young son and her home, life is becoming overwhelming. Highly aware that none of the men in town will even consider marrying her, Charlotte decides to send off for a mail-order husband. She doesn't care what the townspeople thought of her. She has no use for them other than church anyway. Earl Miller loves farming more than anything else in the world, but all the good farmland around Beckham has been purchased by others. The fourth son of a farmer, he knows he won't be inheriting his father's farm, so he needs to find a way to make all his dreams come true. When Earl's sister sends for him, and tells him she's found him the perfect wife, and all he has to do is move to Montana, he decides it's the only thing he can do. Will Earl be able to look past Charlotte's strange past and her reputation in town? How will he take to being a father?

Mail Order Man

Matchmaking Mix-up! In the heart of Shotgun Ridge, Montana, fate takes an unexpected turn for Wyatt Malone. What began as an ordinary day quickly spirals into a whirlwind of surprises when a little boy, with eyes full of hope, mistakes Wyatt for his new father. To make matters more complicated, a pregnant woman named Hannah Richmond insists she's his bride-to-be. It's a case of mistaken identities set in motion by four well-meaning matchmakers. Wyatt now faces a choice: to reveal the truth and untangle this web of confusion or embrace the unexpected role that destiny seems to have thrust upon him. As he looks into Hannah's eyes and experiences a newfound sense of completeness, he can't help but wonder if the meddling matchmakers might have been onto something. In Shotgun Ridge, where love blooms in the most unexpected places, Wyatt's decision could change the fate of the whole town." The Rancher's Mail-Order Bride: Bachelors of Shotgun Ridge Book #1

"A book about war that, like *The Naked and the Dead* or *Catch-22*, manages to be about very much more" (Brian Morton, author of *Starting Out in the Evening*). Odysseus is returning to Ithaca after nearly twenty years—half of it spent as a soldier and the other half as a soldier of fortune. During his absence, his wife, Penelope, has remained faithful, despite Odysseus being missing and presumed dead. But when her husband suddenly reappears, he confronts those who have been trying to seduce his wife and kills them all. Based on Homer's ancient epics, this is a novel about war and peace—and about how returning soldiers can find peace more horrible than war and home more hellish than the battlefield. "The narrative of the novel drives along fast, and Odysseus's adventures on his long journey home are vividly presented. Readers already familiar with them are unlikely to be disappointed; many who come to them fresh will be enthralled." —The Scotsman "Startlingly original." —The Times

Penelope's Web

The inspirational success story of the first 100 years of Hutchinson Builders. What started out as a one-man band in 1912, when an English immigrant builder arrived with his family to start a new life in Australia, has grown into the country's largest privately owned construction company. The Hutchies' story straddles a century that witnessed two world wars, the great depression and tumultuous cycles of financial crises against the back drop of the rough and tumble world of construction. As well as tracking the survival and eventual growth of Hutchies into the dynamic and well respected company of today, the book outlines its evolution through successive generations of Jack Hutchinsons at the helm with a fifth generation poised to take on that role. That story is told by way of a historical account as well as captured through the republication and inclusion of every back issue of "Hutchies' Truth\

More Than the Truth

She's forced into marriage. He's about to brave the West. Will their unlikely pairing keep the trail of love alive? Independence, Missouri, 1852. Her father's tragic death set Hannah Moseby emotionally adrift. And after her mother remarries, her new stepfather makes no secret of his disdain for her. And he soon delivers a shocking ultimatum: Marry a religious man heading west... or face the world alone. Preacher Jedediah Scott always felt the guiding hand of God. So after a stranger offers his stepdaughter in holy matrimony, he's certain that the Lord's wisdom must be at work. And when he finally encounters the sweet young lady, he's drawn to her the second their gaze meets. Despite her new husband's kindness, Hannah fears she's not cut out to be a preacher's wife once they're facing the hardships of the Oregon Trail. And as Jedediah falls hard for his Heaven-sent bride, he prays that she will learn to love him as well. Will they survive the perils of the untamed West and embrace their newfound bond? Hannah's Hanky is the sweeping first tale in the Clover Creek Caravan historical Western romance series. If you like heartfelt connections, adventurous wagon-trails, and a delightful peek into the past, then you'll adore Kirsten Osbourne's unforgettable story. Buy Hannah's Hanky to pioneer a path to passion today!

Noake's Guide to Worcestershire

Takes you on a cinematic journey through the controversial portrayal of history on film - from the swashbuckling epics of the silent era to up-to-the-minute dramas like World Trade Center. With thought-provoking analysis, this work examines the power of historic films to entertain and promote national myths while influencing public opinion.

Hannah's Hanky

As her first London Season looms before her, the thought of the impending social whirl fills Daphne Lancaster's timid heart with dread. She hasn't her sisters beauty nor their talent for conversing easily. Even her family's enviable connections may not be enough to prevent disaster. But Daphne's misery turns to surprised delight when the first event of her Season brings an unexpected visitor to her door--James Tilburn, whose tender kindness stole her heart in her youth. When the handsome young gentleman expresses his desire to court her, Daphne is elated. Their feelings for each other quickly grow, and it appears that, much to Daphne's disbelief, her happily ever after is within reach. Yet nothing is as it seems. The couple finds themselves caught in a tangled web of greed and deceit, leaving James and Daphne to determine whether they are willing to risk everything for true love.

To her legions of adoring suitors, it comes as quite a shock when Lady Sophie York rejects an offer of marriage from the dashing, rakish Patrick Foakes in favor of amiable but dull Braddon Chatwin. He may be an earl, but it is Patrick's stolen kisses that sear her lips. When Patrick, in disguise, scales a ladder to retrieve his friend's fiancée, he never expects the elopement to be his own. Neither does Sophie, Braddon, or the rest of the tattling ton. One hasty wedding later, the passionate innocent and the sophisticated rogue play out their own intricate dance as Sophie masters what it takes to keep a man where he belongs. And Patrick learns the ultimate lesson in love.

The Hutchinson Concise Dictionary of Music

How well do we know the people we marry? Is it wrong to decide it's time to be honest? Is love enough to save a family? In *The Retreat from Moscow*, William Nicholson, the celebrated author of *Shadowlands*, tells the powerful story of a husband who decides to be truthful in his marriage, and of the wife and son whose lives will never be the same again. Edward and Alice have been married for thirty-three years. He is a teacher at a boys school, perfectly at home with his daily crossword and lately engrossed in reading about Napoleon's costly invasion of Moscow. She is an observant Catholic, exacting and opinionated, and has been collecting poems about lost love for a new anthology. Jamie, their diffident thirty-two year old son, is visiting for the weekend when Edward announces he has met another woman. With the coiled intensity of Tom Stoppard's *The Real Thing* and the embracing empathy of Edward Albee's best family dramas, *The Retreat from Moscow* shines a breathtakingly natural light on the fallout of a shattered marriage.

Midnight Pleasures

He's hunting a killer but he's met his match in her. U.S. Marshal Curtis 'Griff' Griffith is on the trail of a wanted man. The last thing he needs is to be distracted by the newest resident of the Dalton Brothers Ranch. So why does he keep returning? It's certainly not to see the beautiful-but-bullheaded Catherine James. Catherine has no interest in men or marriage but there aren't many choices for single ladies to earn a living on a remote Texas ranch. When she discovers that she holds the key to capturing the outlaw - and collecting some of the reward - she doesn't hesitate to force Griff's hand. Will they kill each other before they find the murderer, or will they risk their damaged hearts for a shot at a new life?

A Book of Strattons; Being a Collection of Stratton Records From England and Scotland, and a Genealogical History of the Early Colonial Strattons in America, With Five Generations of Their Descendants

Professor Zacharias Tanee Fomum, through this book, communicates his burden of bringing the people of God back to the missionary purposes of God. The heart of the missionary and the life of the missionary find their origin, basis, and model in the Heart of God. He is a missionary God. The heart of the missionary and the life of the missionary is to be judged, seen, and appreciated by the way God judges, sees, and appreciates them. God wants to produce people who see the world as He sees it, people who continually live under the constraint of God's missionary needs, people who dream of God's mission fields every night and work there every day to make sure that the missionary purposes of God are fulfilled. The Purpose of this Book is for many to go out as missionaries with correct hearts and correct lives, equipped for permanent and productive work. This book is highly recommended to all believers.

The Marshal's Rebellious Bride

In this groundbreaking monograph, Dr Randal H. Ackland offers a comprehensive analysis of glossolalia as discussed and described in the Pentecostal periodical literature that comes from the first generation of Pentecostal writers. Beginning with an overview of the scholarly literature devoted to glossolalia from inside and outside of the Pentecostal and Charismatic traditions, Ackland devotes the lion's share of his space to a detailed examination of the early Pentecostal documents themselves. Dividing the journals into Wesleyan-Pentecostal and Finished work streams, Ackland allows the

theological categories to arise naturally from the documents. Having identified the major theological rubrics that emerge from this historical theological engagement, the author then places the results of his investigation into early Pentecostal reflection into dialogue with the work of major contemporary scholars to offer a constructive Pentecostal theology of glossolalia. The monograph includes an appendix that surveys the phenomenon of tongues speech throughout the history of the Christian church. This work is destined to be must reading for all future researchers working on the topic of Pentecostal glossolalia. Randal H. Ackland (PhD, Bangor University) is the Lead Pastor of Crossroads International Church (AG) in South Attleboro, MA, USA.

A Missionary Heart and a Missionary Life

Needing to escape her mother's world of constant dances to find her a husband, Ada Applebottom reaches out to a friend who helps people travel west as mail-order brides. All Ada wants from life is to be a farmer or rancher's wife. She knows that's the exact opposite of what her mother wants for her, and she can't let her mother force her into a life that she has no desire to live. With Elizabeth Tandy's help, she heads west to marry a rancher. Wade Kelso loves ranching, but he knows something is missing from his life. He writes a letter to a matchmaker, hoping to find just the right woman to spend her life working at his side. When Ada arrives, she's nothing like he imagined a mail-order bride to be, but she's so beautiful and has such a happy spirit, he marries her without second thought. Can these two mismatched people find love together? Or will they both spend their lives wishing they'd done things differently?

Anglo-Irish Attitudes

Cassandra Arnold has a life that is merely adequate. She works as a nursemaid for two young boys she adores, but their overbearing mother won't allow her to take the boys outside, which is something Cassandra needs. When her afternoon off leads her to visit an old friend, and she has the opportunity to realize there are ways to ensure her time gardening, she decides to leave her position and move west to marry a stranger. Cameron Royal has no intention of marrying any time soon. His parents' marriage was an absolute disaster, and he doesn't want to risk turning into the type of father he had. His mother has other ideas for him, and she sends off for a mail order bride for him. When the bride arrives, Cameron wants nothing to do with her, and even refuses to marry her. As the two of them get to know one another, and his feelings for her grow, he realizes he isn't the only man with the idea of marrying the beautiful woman. Will Cassandra agree to marry the man she went west to make her husband? Or will his initial reaction to her prevent her from being able to be his bride?
