IELTS Speaking Test Tips

BIG DISCOUNT - ONLY for this WEEKEND!!!!!!!!!!!!!!!!!!!!!!!!!!!!!! Most people would agree that an OK score in speaking is 5 or 6. Many students now realise that a score of 5 or 6 for speaking is not enough for their study requirements. Many students spend months preparing for the IELTS speaking test and still find it difficult to score 7 or higher. In fact some candidates actually score lower than they potentially could have scored. There are a few reasons behind this poor performance and these will be discussed in detail throughout this book, but one major factor is the lack of quality material available for IELTS speaking preparation. There are a number of IELTS speaking books on the market but this book aims to break new ground by focusing on how to prepare for and achieve a speaking score of 7 (or maybe higher). All of the skills and strategies presented in this book are typical of a high scoring speaking candidate. This book is intended for anyone who intends to take the IELTS test; it will also help learners of English improve their speaking skills. It is suitable for both classroom use and self-study.

IELTS SPEAKING TARGET 9

There are four marking criteria in IELTS SPEAKING MODULE - fluency and coherence - lexical resource - grammatical range and accuracy - pronunciation Each criterion counts towards 25% of your mark and you will be marked on a 9 band scale. Fluency refers to your ability to talk smoothly without any unnatural stoppages. Coherence refers to how easy it is for the examiner to understand what you mean. Lexical resource refers to your ability to use a wide range of vocabulary both appropriately and accurately. You will also be given a mark for your grammar. Your sentences should be as error-free as possible and you should use a range of appropriate grammatical structures. Finally, you will be judged on pronunciation. Your speech should be clear and contain a full range of pronunciation features, such

as intonation, sentence stress, and weak sounds. When you are preparing for your IELTS speaking module or any other English exam in which your communication skills are tested, you know how difficult it is to score well in these exams. This IELTS speaking target 9 preparation material is not like any other traditional resource, It has been prepared after observing the issues mentioned above and the concerns of the common students.
