Pass the Bar Exam with Dr. Stipkala's Proven Method

The bar exam has an unfortunate reputation as some terrifying ordeal that every aspiring attorney must conquer before they can practice law. Over years of law school, the dread of the bar exam builds as students and professors speak of the exam in anxious, hushed tones. It doesn't need to be like that.

Beyond the hype and innuendo, the bar exam is a very digestible and manageable exam. The fact of the matter is that the majority of people who spend the time and do the work necessary to prepare will pass the exam. This book is all about doing that work smartly. Over the course of this short book, I outline the process that has helped me pass three consecutive bar exams in three different states (UBE and non-UBE). This book covers the weeks leading up to your study period, the study period itself (including MPT, MEE, and MBE tips and approaches), and the actual exam day. The chapters include simple, bulleted lists and a summary of conclusions at the end of each chapter. The book is meant to be an easy read during a time when your mind already has enough to think about. If you're looking for some magic formulas or shortcuts to ace the exam, look elsewhere. If you're looking for a simple, straightforward supplement to help you better prepare for the bar exam, this book is for you. Best of luck in your studies.

Our book is comprised of "Comprehensive Outlines," "Primer Outlines," and "Issue Spotters." Everything you need to pass the bar is at your fingertips. The "Comprehensive Outlines" are designed to be studied from until the last three weeks before the bar. Needless to say, they are comprehensive and explain the law in the way it should be written on the bar exam. The "Primer Outlines" are concise and are designed to make the most efficient use of your study time during the final weeks before the bar exam. They are structured to form an active approach that you can work through to make sure you hit all of the issues and maximize points. The "Issue Spotters" are short, one page checklists that are designed to be memorized prior to taking the bar exam. Exam takers use these checklists to make sure no issue goes uncovered. With this book, success can be yours!
