The Dark Reflections Series: Books 1-3

As the heir to the largest shape shifter pack in North America, Alec Graves has inherited a savage, dangerous life. If he can successfully take over his father's pack, Alec will finally have a chance to make changes for the better, but he wouldn't be the first person to be corrupted by that kind of power. Human teenager Adri Paige is only days away from manifesting a supernatural ability that is as powerful as it is terrifying. Her only hope of survival lies in mastering her gift before it lures dark forces into her life. Separately, Alec and Adri have no chance of seeing another year. Together they just might be able to save the world. This omnibus edition includes the first three novels in the popular Dark Reflections Series (which has received more than 300 4- & 5-star reviews), and is nearly 800 pages of action, danger and romance set in one of the richest, most complex worlds in the genre. This Bundle includes: **Bound:** The only thing worse than having no family at all, is having a family that is out to hurt you. That would all be bad enough for a normal 17-year-old, but it's even worse for Alec Graves. A shape shifter's pack, his family, is the only thing stopping the other preternatural creatures out there from killing them. Alec's pack isn't just neglectful, he's pretty sure that his father wants him dead. Alec is about to be sent to the front lines of a war between his people and everything else that goes bump in the night. His only chance of survival is to convince everyone around him that he's the perfect soldier, but there are lines that Alec won't cross, not for any price. **Hunted: The Perfect Weapon:** Adri Paige can visit

people inside of their dreams, where they are defenseless. **The Ultimate Spy:** Adri's power lets her ferret out anyone's secrets and even influence their waking actions. **The World's Biggest Prize:** Adri's power comes with a price. Dark forces hunt her, hoping to bend her gifts to their purposes. **The Real Problem?** Adri needs to make it through high school without letting anyone around her figure out her true capabilities—all while crushing on a guy she knows is probably trouble. **Ambushed:** Adriana Paige has survived not one but two vampire attacks in less than twenty-four hours, and unless she's able to master her ability to share other people's dreams, the attacks are only going to get worse. Taggart has promised to train Adri, but he's got even more enemies than she does and there's no guarantee that he'll be able to keep her from being caught in the crossfire. More than anything else, Adri wants to talk to shape shifter Alec Graves, but he's gone strangely silent. There's no way for Adri to know if that's because he's no longer interested in her, or if it's simply because he's still on the run from his ruthless father, Kaleb. As enemies both new and old start closing in on Adri, she's starting to worry that she might be forced into choosing between Taggart, the man who saved her life, and Alec, the guy to whom she feels inexplicably connected. **Publisher's Note:** Dean Murray's ongoing Reflection Series has been a stunning success with more than half a million copies in circulation, and a rich, complex world where choices—right or wrong—have real, profound consequences. Unsatisfied with the restrictions imposed on him by writing inside of the conventional series structure, Dean has returned to Sanctuary and the characters so many fans have fallen in love with. The Dark Reflections Series is an alternate timeline set in the same world and featuring many of the same characters as the Reflections Series, but with a profoundly different backstory. **Keywords:** Teen, Young Adult, Urban Fantasy, YA, Vampires, Werewolves, Series, Paranormal, Romance, Shape Shifters, Shapeshifters

Imp Series Books 1-3

Cornered Magic Sam, a half-fae Void, is ostracized by her own people, much less the humans who control her home—the Illinois Mystical Reservation. Packed into the Reservation with vampires, werewolves, faes, and mages alike, Sam does her best to travel below the radar, but when her only friend asks for her help she can't say no. Her work to solve a fae's murder brings her to the forefront of vampire politics, and changes her life forever. Misguided Allies Half-fae Sam Gollet is no stranger to solitary confinement—being a half-fae working as a vampire enforcer will do that to you. She is also accustomed to solving the crimes within the supernatural community inside the Illinois Mystical Reservation when the feds refuse to lift a finger. After being released from Solitary, she finds herself quickly embroiled in the mysterious deaths of leading members of the fae community. Despite having been ostracized by the fae community, Sam agrees to solve the murders at the risk of her own safety. As the body count rises, she'll be forced to show her allegiance to the fae and prove that she's not in league with Heywood's vampire gang, all the while trying to rebuild her crumbling friendships, avoid rejection from her family, and dissuade the unwanted attentions of a mage living outside the reservation. It seems like no matter what she does, all they can see is her allegiance to the vampires, leaving her wondering if she is stuck with misguided allies. Balanced Chaos Half-fae Sam never thought she'd live to see the day when she would work with the government running the reservation. But when the National Guard rolls in to stop an underground power struggle from erupting, she quickly becomes

embroiled in a web of secrets and lies. Lieutenant Colonel Gallagher of the National Guard needs a meeting with the elusive fae clan leaders. He has appropriated Sam, with her unique powers, to go between himself and the Clan leaders, even if it costs her her life. Face-to-face with an actual clan leader, Sam is given an ultimatum—save his poisoned wife to get a meeting with the fae leaders. Sam's day just got complicated.
