I Grant You Three Wishes

Excerpt from Kathie's Three Wishes "O dear!" Kathie Alston closed her book with a sigh; "if there were only real fairies! If one could wish for a thing and have it!" Then she glanced around the room. It was altogether unlike an enchanted palace. A faded and well-worn carpet, cane-seat chairs, the chintz cover on the lounge frayed at the edges, two or three old-fashioned pictures, and two plainly dressed women, who should have been fairy princesses instead. And just then it came to Kathie with great force how very hard their lives were, - her mother sewing wearily day after day, to lengthen out their scanty income, and poor pale Aunt Ruth never able to make much exertion in the way of working.
