[#Divergent](#) [#Tris Prior](#) [#Dystopian YA](#) [#First Divergent Movie](#) [#Veronica Roth](#)

Dive into the captivating start of the Divergent series, introducing Beatrice 'Tris' Prior in a post-apocalyptic Chicago where society is divided into rigid factions. As Tris discovers she is Divergent – a trait that makes her unclassifiable and dangerous – she must conceal her true nature, choose her path, and confront a looming conspiracy that threatens to unravel the system. This first installment sets the stage for a thrilling journey of self-discovery, rebellion, and survival against oppressive conformity.
