They First Looked Down on the Yoga Haney River at some Rails Ferry a Place Which Is Now Known
as West Newton Pennsylvania Many Weeks Were To Be Spent Here in Further Preparation for the
Completion of Their Journey the Site Was Selected for Their Semi Permanent Camp near a Springfed
Broke So They Were Short of an Ample Supply of Water for both Themselves and Their Animals the
Trip So Far Had Been no More Difficult than They Had Anticipated and although the Men and Animals
Were Very Tired and Weary They Were all in Good Health There Was Plenty of Work To Be Done
Preparing the Camp but the Men Went about Their Duties with New Hope in Their Hearts They Were
Happy with the Thought that this Place Was To Be Their Home for Quite some Time because a Scene
of Many Activities That some of the Men Busily Engaged Themselves in Unloading the Duffel from
the Wagon
In Accordance with the Original Plans Five Votes Were To Be Built in Order that They Might Continue
Their Journey to the Ohio Country by Water these Boats Were To Carry the Men Animals Equipment
and Food the Largest Boat Was To Be 50 Feet Long so It Was Necessary that They Select Trees That
Were Tall and Straight the Men Had some Difficulty Locating Trees of the Proper Size
Much Credit Goes to these Faithful Beasts for Their Part in the Success of the Expedition the Work
Moved Along Rapidly and Five Weeks after the Pioneers Arrived at the Muskingum 150 Acres of

Land Had Been Cleared and Planted to Corn as each Plot of Ground Was Cleared Great Hand-Hewn Beams Were Brought to the Site while this Work Went on Hunting Parties Were Busy Attempting To Replenish the Food Supply
