Hector the Real Sadie, and he knows he'll stop at nothing to have her. Hector Chavez makes one (huge) mistake: he waits for Sadie to come to him. Tragedy strikes and Sadie's got a choice. She can retreat behind her Ice Fortress, or she can embrace the Rock Chick/Hot Bunch World. Guided by Hector, the Rock Chicks, the Hot Bunch and her new roommates, Buddy and Ralphie, Sadie negotiates a life out from under her father's thumb. A life that includes poison, arson and learning how to make s'mores.

The problem is, no one agrees with her, especially her crazy, hippie best friend, Annette, or her parents, the even crazier, small-town Herb and Trish, or her even crazier Uncle Tex, or any of her newfound posse of Rock Chicks. Roxie's got the odds stacked against her and has no choice but to hold on and ride it out through kidnappings, car chases, society parties and a wild night at the Haunted House. And what she's holding on to through it all is Hank.

Darius Tucker, a lifelong friend, as usual, takes her back. Ren Zano, the man she loves, isn't quite so sure. The Rock Chicks, Hot Bunch and the entire gang at Fortnum's weigh in, and a Rock Chick Revolution starts brewing. It's up to Ally to control it and prove what she knows down to her bones. She was raising two fine young men who weren't hers, but she loved them anyway. She was good. And then Moses Richardson crashed into her life, literally...and deliberately. After a life devoted to retail and coffee drinks, Mathilda is thrown into the secret world of witches, warlocks, werewolves, vampires, faeries, headless horsemen, you name it, it exists... even whirling dervishes! As Mathilda discovers her magic, she also discovers she's prophesied to save the world. Problem is, she'd rather spend her time on online auctions, bidding on cut-rate but fabulous designer shoes. Now, she's got to save the world, run her coffee house, battle against her friend and co-worker in "The War of the Wooden Spoons" and figure out what's going on with the silent, watchful (but yummy) Sebastian Wilding, a member of a centuries old Secret Society who has vowed to keep her safe and brainy, sweet (and hot) Dr. Aidan Seymour, a maverick member of The Royal Institute of Psychical Research. Mathilda, SuperWitch

When Lily Jacobs was born, she inherited Fazire – a genie. Her family had three wishes and they'd only ever used one so Fazire was stuck in the human world. This worked since he'd become a member of the family anyway. Even with a genie, Lily's young life wasn't perfect. To escape the kids making her miserable at school, Lily buried herself in romance novels. One day, when the teasing was just too much, she used one of her wishes. She told Fazire she wanted to find a man like in her books and she made the most complicated wish Fazire had ever heard. Her wished-for man had to be impossibly handsome, virile, fierce, rugged and ruthless (amongst a dozen other things). He also had to think she was beautiful and he had to love her more than anything in the world. Nathaniel McAllister wasn't born to a life where there were such things as genies granting wishes. His life was filled with drugs, crime and neglect. He was running errands for a gangster before he was in his teens and, even though life and hard work led him to wealth and respectability, he always knew, deep down, he was dirty. When Nate met Lily he knew he was no good for her but as virile, fierce, rugged and ruthless as he was, Nate was no match for the pull of sweet, innocent Lily. Unfortunately, Lily's wish included that she and her hero go through trials and tribulations to test their love. And Fazire wasn't only a good genie, he loved Lily – so he gave her exactly what she wanted.
