

Deep In The Heart Of The Rockies Selected Columns From The Denver Post 1985 1998heart Of A Samurai

[#Denver Post](#) [#Rocky Mountains](#) [#Selected columns](#) [#Samurai history](#) [#Journalism 1985-1998](#)

This compelling collection delves into the heart of the Rocky Mountains through selected columns from The Denver Post, offering a unique perspective on regional life and events between 1985 and 1998. Complementing these insightful journalistic pieces is an exploration of the 'Heart of a Samurai,' providing a profound look into honor, duty, and the historical essence of Japanese warrior culture. Ideal for readers interested in both American regional history and timeless tales of courage.

Deep in the Heart of the Rockies

2014 Colorado Book Award Finalist Ed Quillen entertained Denver Post readers with his weekly columns for 26 years. Deeper into the Heart of the Rockies compiles the best from the height of his career on topics ranging from Colorado to small town life to national politics. "He was a straight-shooter, a fact-checker, a proud wordsmith, a brilliant thinker, a touch of down-home Colorado the likes of which are rare." - The Denver Post Editorial Board "He was a keen chronicler - a mountain-town crier, an unofficial state historian, and a self-described sloth. The first word that comes to mind to describe Ed is 'colorful, ' and I mean that as an absolute compliment." - Curtis Hubbard, Former State Editor of The Denver Post "Ed Quillen was a character in the full sense of the word-and a wordsmith of the first order . . . Our world has lost a one-of-a-kind voice." - David Perkins, The Bloomsbury Review

Deeper Into the Heart of the Rockies

"A candid insider's story of the paper that has done so much to shape 20th century Denver. A sequel and reliable antidote to Gene Fowler's 'Timber Line'."-- from "101 Best Books on Colorado" bibliography.

Thunder in the Rockies
