The Life of General U.S. Grant

Compilation of a wide variety of original source material accompanied by a significant amount of Remlap's text, which provides context and flow.

The General's Wife: The Life of Mrs. Ulysses S. Grant

An excellent and diligently researched biography of Julia Boggs Dent Grant (1826-1902), the wife of the 18th President of the United States, Ulysses S. Grant, and First Lady of the United States from 1869 to 1877. An active participant in presidential matters, The First Lady was widely regarded to possess tremendous strength of character, sharing in the mixed fortunes of her husband, promoting his welfare, loved and cared for her family, and fulfilled her patriotic duty as First Lady. She reveled in her role as hostess to the nation, and by all accounts brought warmth and a home-like atmosphere to the White House. Includes over 15 B&W illustrations.

Ulysses S. Grant: Life of the Fearless General & Commander-in-Chief (Complete Edition - Volumes 1&2)

Ulysses S. Grant served as the Commanding General and the 18th President of the United States. He cooperated closely with President Abraham Lincoln to lead the Union Army to victory over the Confederacy in the American Civil War. Grant implemented Reconstruction with the support of Congress. Main focus of Grant's writing in this autobiography is on his military career during the Mexican–American War and the American Civil War. Original edition of Grant's Memoirs was published by Mark Twain shortly after Grant's death.

The Life and Campaigns of General U. S. Grant

Faced with failing health and financial ruin, the Civil War's greatest general and former president wrote his personal memoirs to secure his family's future - and won himself a unique place in American letters. Devoted almost entirely to his life as a soldier, Grant's Memoirs traces the trajectory of his extraordinary career - from West Point cadet to general-in-chief of all Union armies. For their directness and clarity,

his writings on war are without rival in American literature, and his autobiography deserves a place among the very best in the genre.

The Life of Ulysses S. Grant

Prior to his service in the Civil War, Ulysses S. Grant exhibited few characteristics indicating that he would be an extraordinary leader. His performance as a cadet was mediocre, and he finished in the bottom half of his class at West Point. However, during his early service in the Civil War, most notably at the battles of Shiloh and Vicksburg, Grant proved that he possessed an uncommon drive. When it was most crucial, Grant demonstrated his integrity, determination, and tactical skill by taking control of the Union troops and leading his forces to victory. A General Who Will Fight is a detailed study of leadership that explores Grant's rise from undisciplined cadet to commanding general of the United States Army. Some experts have attributed Grant's success to superior manpower and technology, to the help he received from other Union armies, or even to a ruthless willingness to sacrifice his own

men. Harry S. Laver, however, refutes these arguments and reveals that the only viable explanation for Grant's success lies in his leadership skill, professional competence, and unshakable resolve. Much more than a book on military strategy, this innovative volume examines the decision-making process that enabled Grant both to excel as an unquestioned commander and to win.

The Life of Ulysses S. Grant, General United States Army

NEW YORK TIMES BESTSELLER • From the author of *A. Lincoln*, a major new biography of one of America's greatest generals—and most misunderstood presidents Winner of the William Henry Seward Award for Excellence in Civil War Biography • Finalist for the Gilder-Lehrman Military History Book Prize In his time, Ulysses S. Grant was routinely grouped with George Washington and Abraham Lincoln in the “Trinity of Great American Leaders.” But the battlefield commander-turned-commander-in-chief fell out of favor in the twentieth century. In *American Ulysses*, Ronald C. White argues that we need to once more revise our estimates of him in the twenty-first. Based on seven years of research with primary documents—some of them never examined by previous Grant scholars—this is destined to become the Grant biography of our time. White, a biographer exceptionally skilled at writing momentous history from the inside out, shows Grant to be a generous, curious, introspective man and leader—a willing delegator with a natural gift for managing the rampaging egos of his fellow officers. His wife, Julia Dent Grant, long marginalized in the historic record, emerges in her own right as a spirited and influential partner. Grant was not only a brilliant general but also a passionate defender of equal rights in post-Civil War America. After winning election to the White House in 1868, he used the power of the federal government to battle the Ku Klux Klan. He was the first president to state that the government's policy toward American Indians was immoral, and the first ex-president to embark on a world tour, and he cemented his reputation for courage by racing against death to complete his *Personal Memoirs*. Published by Mark Twain, it is widely considered to be the greatest autobiography by an American leader, but its place in Grant's life story has never been fully explored—until now. One of those rare books that successfully recast our impression of an iconic historical figure, *American Ulysses* gives us a finely honed, three-dimensional portrait of Grant the man—husband, father, leader, writer—that should set the standard by which all future biographies of him will be measured. Praise for *American Ulysses* “[Ronald C. White] portrays a deeply introspective man of ideals, a man of measured thought and careful action who found himself in the crosshairs of American history at its most crucial moment.”—*USA Today* “White delineates Grant's virtues better than any author before. . . . By the end, readers will see how fortunate the nation was that Grant went into the world—to save the Union, to lead it and, on his deathbed, to write one of the finest memoirs in all of American letters.”—*The New York Times Book Review* “Ronald White has restored Ulysses S. Grant to his proper place in history with a biography whose breadth and tone suit the man perfectly. Like Grant himself, this book will have staying power.”—*The Wall Street Journal* “Magisterial . . . Grant's esteem in the eyes of historians has increased significantly in the last generation. . . . [American Ulysses] is the newest heavyweight champion in this movement.”—*The Boston Globe* “Superb . . . illuminating, inspiring and deeply moving.”—*Chicago Tribune* “In this sympathetic, rigorously sourced biography, White . . . conveys the essence of Grant the man and Grant the warrior.”—*Newsday*

The Life of General U.S. Grant, His Early Life, Military Achievements and History of His Civil Administration, His Sickness and Death

The Life of Gen'l U.S. Grant - the general in chief of the United States Army is an unchanged, high-quality reprint of the original edition of 1864. The Life of General U. S. Grant

Ross's revelatory biography of Julia Grant, wife of Union general and later President Ulysses S. Grant, brings to life one of the most fascinating and misunderstood women of the 19th century. Drawing on extensive research and firsthand accounts, Ross offers a portrait of a woman who was both ahead of her time and bound by the constraints of her era. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it.
