Practical English Usage, Third Edition: Hardback

This unique reference guide addresses problem points in the language. It gives information and advice that is practical, clear, reliable, and easy to find.

Practical English Usage Third Edition

The purpose of this book English, like all languages, is full of problems for the foreign learner. Some of these points are easy to explain - for instance, the formation of questions, the difference between since and for, the meaning of after all. Other problems are more tricky, and cause difficulty even for advanced students and teachers. How exactly is the present perfect used? When do we use past tenses to be polite? What are the differences between at, on and in with expressions of place? We can say a chair leg - why not * a cat leg? When can we use the expression do so? When is the used with superlatives? Is unless the same as if not? What are the differences between come and go, between each and every, between big, large and great, between fairly, quite, rather and pretty? Is it correct to say There's three more bottles in the fridge? How do you actually say $3 \times 4 = 12$? And so on, and so on. Practical English Usage is a guide to problems of this kind. It deals with over 600 points which regularly cause difficulty to foreign students of English. It will be useful, for example, to a learner who is not sure how to use a particular structure, or who has made a mistake and wants to find out why it is wrong. It will also be helpful to a teacher who is looking for a clear explanation of a difficult language point. There is very full coverage of grammar, as well as explanations of a large number of common vocabulary problems. There are also some entries designed to clarify more general questions (e.g. formality, slang, the nature of standard English and dialects) which students and teachers may find themselves concerned with.

How English Works

Comprehensive course divided into 20 units, each focusing on a different grammar point. With glossary of grammar points, various exercises, illustrations, examples, and answers. Suitable for self-study, building vocabulary, and developing grammar skills.

Practical English Usage

Fully revised and updated, and now available online and in print.

Practical English Usage

The Good Grammar Book teaches all the grammar needed for speaking and writing in English. It explains the rules, shows how the language works, and gives plenty of practice. It can be used either with the coursebook in class or as extra practice at home.

Oxford English Grammar Course: Advanced: with Key (includes E-book)

This advanced English grammar course features: short, clear explanations that are easy to remember; real examples to show how grammar works in practice; engaging practice activities including Internet exercises, grammar in a text, and vocabulary; grammar for reading, writing, and speaking; and a pronunciation CD-ROM.

Grammar

An alphabetical guide to the most common problems of grammar and vocabulary.

The Good Grammar Book

"These are diagnostic tests, not grading tests or attainment tests ... best used for syllabus planning : to check learners' strengths and weaknesses in particular linguistic areas, so as to show what still needs to be taught"--P. vii.

Oxford English Grammar Course: Advanced: with Answers CD-ROM Pack

Three-level diagnostic tests to pinpoint the problems students need to work on to become expert in English grammar and usage.

Oxford English Grammar Course

"A grammar practice book for elementary to lower-intermediate students of English"

Practice book

A practical reference guide to help teachers to predict and understand the problems their students have.

The Good Grammar Book

An invaluable resource helping teachers at all levels of experience to develop their understanding of English grammar. Grammar for English Language Teachers is designed to help practising and trainee teachers to develop their knowledge of English grammar systems. It encourages teachers to appreciate factors that affect grammatical choices, and evaluates the 'rules of thumb' presented to learners in course materials. Consolidation exercises provide an opportunity for teachers to test these rules against real language use and to evaluate classroom and reference materials.

Oxford English grammar course. Advanced : Student's book. A grammar practice book for advanced students of English : with answers

George Orwell set out 'to make political writing into an art', and to a wide extent this aim shaped the future of English literature – his descriptions of authoritarian regimes helped to form a new vocabulary that is fundamental to understanding totalitarianism. While 1984 and Animal Farm are amongst the most popular classic novels in the English language, this new series of Orwell's essays seeks to bring a wider selection of his writing on politics and literature to a new readership. In Politics and the

English Language, the second in the Orwell's Essays series, Orwell takes aim at the language used in politics, which, he says, 'is designed to make lies sound truthful and murder respectable, and to give an appearance of solidity to pure wind'. In an age where the language used in politics is constantly under the microscope, Orwell's Politics and the English Language is just as relevant today, and gives the reader a vital understanding of the tactics at play. 'A writer who can – and must – be rediscovered with every age.' — Irish Times

GRAMMAR SCAN(THIRD EDITION)

Oxford English Grammar Course

This text pays special attention to the formation and use of the various tenses of the verb. Other points dealt with include: pronouns - possessive, interrogative and demonstrative; adverbs - of degree, of quantity, interrogative; verbs - mood, voice; and sentences - simple, compound and complex.

Grammar Scan

"This commentary pays close critical attention to Dio's historical sources, methods, and assumptions as it also strives to present him as a figure in his own right. During a long life (ca. 164-after 229), Dio served as a Roman senator under seven emperors from Commodus to Severus Alexander, governed three Roman provinces, and was twice consul."--BOOK JACKET.

Practical English Usage Diagnostic Tests

The New Cambridge English Course is a four-level course for learners of English.
