## The Alpha's Redemption

From L.E. Wilson comes the next Fated Mates Steamy Shifter Romance in the Kincaid Werewolves Series featuring an enemies to lovers forbidden romance. I'm used to fighting for what I want, and I want Bitsy. This time, she won't be getting away. Keegan McRae is the alpha of the Austin werewolf pack. And sometimes, for the good of all involved, a male has to make choices he wouldn't normally abide by. Like allowing the Faerie you're sweet on to be the main attraction in a rodeo. Not as the cowgirl, but as the livestock. Stubborn as a bull and just as fearless, Bitsy caught his interest the first time she flipped him off. But before he had a chance to make things right with her, she got loose. And though his wolf howled in protest at the loss, he had no choice but to let her go. Bláthnaid (Bitsy) Dunn swore she would never again set foot in the hellhole that was Texas. Or anywhere near the arrogant shifter who was the main reason she hated it so much. The last time she'd seen him, his well-worn boots had stomped all over her hide—and her pride. Yet, here she was again. This time, however, she's here on her terms. Keegan needs her help to infiltrate the fae world, and she needs him to help her find her father. His green eyes are full of remorse, and his easy smile is hard to resist, but forgiveness isn't part of the deal.

### Alpha Redemption

From the renowned wolf researcher and author of *The Rise of Wolf 8* and *The Reign of Wolf 21* comes a stunning account of an unconventional alpha male. A lover, not a fighter. That was wolf 302. A renegade with an eye for the ladies, 302 was anything but Yellowstone's perfect alpha male. For starters, he fled from danger. He begged for food from other wolves, ditched females he'd gotten pregnant, and even napped during a heated battle with a rival pack! But this is not the story of 302's failures. This is the story of his dramatic transformation. And legendary wolf writer Rick McIntyre witnessed it all from the sidelines. As McIntyre closely observed with his spotting scope, wolf 302 began to mature, and, much to McIntyre's surprise, became the leader of a new pack in his old age. But in a year when game was scarce, could the aging wolf provide for his family? Had he changed enough to live up to the legacies of the great alpha males before him? Recounted in McIntyre's captivating storytelling voice and peppered with fascinating insights into wolf behavior, *The Redemption of Wolf 302* is a powerful coming-of-age tale that will strike a chord with anyone who has struggled to make a change, big or small. "With this third installment of Rick McIntyre's magnum opus, the scope and ambition of the project becomes clear: nothing less than a grand serialization of the first twenty years of wolves in Yellowstone, a kind of lupine *Great Expectations*."—Nate Blakeslee, New York Times bestselling author of *American Wolf*

### The Redemption of Wolf 302

The story continues with the trials that interrupt Adelina and Demitrey's "Happy ever after". Our fearless leaders are faced with both new and old enemies. Some they can see, and others they cannot. When the Past comes back to haunt them, Demitrey must learn what it really means to be an Alpha, while he finds himself growing into the husband and father he was meant to be. Adelina gains a first seat glimpse into Demitrey's past, but that's not the only past she had to revise, in order to know her full potential as Luna. Together they must risk everything by taking on an enemy that could destroy everything they worked for, not to mention the possibility of the leaders losing themselves along the way. Yet, they risk it all for the sake of their Daughter, family and pack. They must also risk everything to achieve the impossible: A true alliance between a werewolf Pack and a Vampire clan. New treaties and new enemies. Old foes and new battles. Aged scars, and new battle wounds. What could once be trusted, was now in question. And what was once believed to be real, turned out to be the complete opposite. These moon crossed lovers find themselves so close to peace, yet so far. New relations, and deadly betrayals. Love. War. Temptation. Lust. Blood shed. All the ingredients needed for the thrilling roller coaster that is Demitrey's and Adelina's lives. Join these Moon-crossed Lovers on yet another adventure, and buckle up, it's going to be a bumpy ride. \*This story has been revised and edited\*\*This story follows the sequel "His Mate and His Mistress: The Rise of a Luna\*\*This story is the third installment in the "His Mate and His Mistress" series\*

### Submitting to the Alpha

“The powerful origin story of one of Yellowstone’s greatest and most famous wolves.” —Washington Post “[The Rise of Wolf 8] is a goldmine for information on all aspects of wolf behavior and clearly shows they are clever, smart, and emotional beings.” —Marc Bekoff, Psychology Today Yellowstone National Park was once home to an abundance of wild wolves—but park rangers killed the last of their kind in the 1920s. Decades later, the rangers brought them back, with the first wolves arriving from Canada in 1995. This is the incredible true story of one of those wolves. Wolf 8 struggles at first—he is smaller than the other pups, and often bullied—but soon he bonds with an alpha female whose mate was shot. An unusually young alpha male, barely a teenager in human years, Wolf 8 rises to the occasion, hunting skillfully, and even defending his family from the wolf who killed his father. But soon he faces a new opponent: his adopted son, who mates with a violent alpha female. Can Wolf 8 protect his valley without harming his protégé? Authored by a renowned wolf researcher and gifted storyteller, *The Rise of Wolf 8* marks the beginning of *The Alpha Wolves of Yellowstone* series, which will transform our view of wolves forever.

He cannot afford to be distracted. But when he meets Kit, he develops abilities indicating he is not just a pack Alpha, but the King his world has needed for a thousand years. Can any of these questions be definitively answered from scripture? Yes! Alpha and Omega will not only set the bar as a visual masterpiece, but serve as a rich source of theology, history and prophecy. This single issue, "Beginning of Beginnings," marks the first 32 pages of what will hopefully be a full-color graphic novel of approximately 100 pages.

Andie Marks, known as "Party Girl" in her college days, is now a whip-smart lawyer on the fast track to success. Determined to move on from a bad break-up, she joins her girlfriends for a wild bachelorette weekend in Las Vegas, promising to let her hair down just this once. They get lucky in the casino and luckier back at the hotel, a hot night of passion that was definitely not part of Andie's life plan. By dawn Mack is gone and all she has to remember their one-night romance is a hangover and a pile of casino chips. Or so she thinks... Revised edition: This edition of Shine Not Burn includes editorial revisions.

## Je Brille Mais Ne Brule Point

C'EST ARRIVE A LAS VEGAS. Je ne peux pas etre tenue pour responsable. Ce qui se passe a Vegas est cense y rester, non ? Non ? Ouais. Pas vraiment. Andie est a quelques jours de se passer la corde au cou, mais il y a juste un tout petit probleme. Apparemment, elle est deja mariee. Ou quelqu'un qui porte son nom s'est marie a un gars de l'Oregon, et le palais de justice ne veut pas lui delivrer une licence de mariage jusqu'a ce que tout cela soit eclairci. Patauger dans la bouse de vache au son de

musiques country pour rencontrer un homme qui ne se deplace qu'a dos de cheval est loin d'etre l'idee qu'elle se fait d'un bon moment, mais si elle veut se marier, devenir associee au sein du cabinet ou elle travaille, et avoir deux enfants et demi avant d'atteindre ses trente-cinq ans, il lui faut aller au bout de cette pagaille et l'arranger rapidement... avant que son fiance le decouvre et que tout ce pour quoi elle avait travaille se transforme en cendres.

#### MacKenzie Fire

#### The Works of the British Dramatists ... Selected from the Best Editions, with ... Notes, Biographies, and a Historical Introduction

After being sent back in time to 19th-century Scotland, a girl meets her ancestors--but will this change her own life? She didn't know why she felt the urge to wear the old necklace. It just seemed to have a magnetic pull on her. When Sophie wears the heart-shaped locket, she magically travels back to 1858 to learn the truth about her ancestor. Charlotte Mackenzie and her sister, Nell, live a wonderful life on a misty Scottish island. Then disaster strikes and it seems the girls will lose everything they love. As the girls outwit greedy relatives, escape murderous bushrangers, and fight storm and fire, Sophie shares in their adventures. But how will her travels in time affect Sophie's own life?

Here, too, are deeply personal memoirs, including the story of his friendship with Andy Warhol (Giorno had an occasionally sexual relationship with Warhol, met his mother, and starred in Warhol's first film, *Sleep*); an anonymous sexual encounter with Keith Haring, an aspiring painter who recognized Giorno in a subway station toilet; and notes toward a Buddhist understanding of death in the age of AIDS.

I'm almost out of food, and the gangs of kids that roam around my town are getting more vicious by the day. A strange sickness sweeps through Strasbourg: women dance in the streets, some until they fall down dead. As rumors of witchcraft spread, suspicion turns toward Lavinia and her family, and Lavinia may have to do the unimaginable to save herself and everyone she loves. Five centuries later, a pair of red shoes seal to Rosella Oliva's feet, making her dance uncontrollably. They draw her toward a boy who knows the dancing fever's history better than anyone: Emil, whose family was blamed for the fever five hundred years ago. But there's more to what happened in 1518 than even Emil knows, and discovering the truth may decide whether Rosella survives the red shoes.

### Dario Argento and the Making of Deep Red (Profondo Rosso)

This Crayon d'Or prize-winning graphic novel is an incredible Terry Gilliam-esque fantasy tale, penned by the award-winning author of the acclaimed *Valerian* spin-off. *Azimut* features a host of quirky characters in a colourful fantasy world whose lives are turned upside down when the magnetic North pole simply disappears! Time and death are not what they seem in this world - old professor Aristide Breloquinte spends his time studying the peculiarities on his laboratory ship, fearful of the dreaded Time Snatcher! The beautiful Manie Ganza, who seems convinced that time is money, daringly robs and outwits the pompous rulers across the land. Add in an intrepid explorer who can't find North, and an aeronaut/talking rabbit duo on a personal quest for love, and you've got a fantasy adventure full of nonsense and excitement! Wilfrid Lupano spins a wonderful yarn of fun, flawed characters - who could've jumped straight out of the works of Lewis Carroll - on a spectacular adventure, with mesmerising art by Jean-Baptiste Andréae.

### Black Leopard, Red Wolf

The release of Italian director Dario Argento's *Deep Red* in 1975 saw both a return to form for the director and the crystallization of tropes of the giallo genre. While the film's immense popularity in Italy spawned a wave of copy-cat formula thrillers, this enthusiastic reception was not replicated by English-speaking audiences on its theatrical release. With its loosely woven narrative and hyper-stylized violent set pieces, *Deep Red* was critically panned in the United States and the UK as clichéd and exploitative Euro-schlock. Tracing the film's history of censorship, re-edited releases, and its subsequent celebration by cult film audiences, this book considers how these competing discourses have helped to transform the film's cultural status and to fashion it as an exemplar of cult cinema.

### The Darkest Temptation

Amoral, cunning, ruthless, and instructive, this multi-million-copy New York Times bestseller is the definitive manual for anyone interested in gaining, observing, or defending against ultimate control – from the author of *The Laws of Human Nature*. In the book that *People* magazine proclaimed “beguiling” and “fascinating,” Robert Greene and Joost Elffers have distilled three thousand years of the history of power into 48 essential laws by drawing from the philosophies of Machiavelli, Sun Tzu, and Carl Von Clausewitz and also from the lives of figures ranging from Henry Kissinger to P.T. Barnum. Some laws teach the need for prudence (“Law 1: Never Outshine the Master”), others teach the value of confidence (“Law 28: Enter Action with Boldness”), and many recommend absolute self-preservation (“Law 15: Crush Your Enemy Totally”). Every law, though, has one thing in common: an interest in total domination. In a bold and arresting two-color package, *The 48 Laws of Power* is ideal whether your aim is conquest, self-defense, or simply to understand the rules of the game.

#### Self-Made Boys: A Great Gatsby Remix

An introduction to a broad range of topics in deep learning, covering mathematical and conceptual background, deep learning techniques used in industry, and research perspectives. "Written by three experts in the field, *Deep Learning* is the only comprehensive book on the subject." —Elon Musk, cochair of OpenAI; cofounder and CEO of Tesla and SpaceX Deep learning is a form of machine learning that enables computers to learn from experience and understand the world in terms of a hierarchy of concepts. Because the computer gathers knowledge from experience, there is no need for a human computer operator to formally specify all the knowledge that the computer needs. The hierarchy of concepts allows the computer to learn complicated concepts by building them out of simpler ones; a graph of these hierarchies would be many layers deep. This book introduces a broad range of topics in deep learning. The text offers mathematical and conceptual background, covering relevant concepts in linear algebra, probability theory and information theory, numerical computation, and machine learning. It describes deep learning techniques used by practitioners in industry, including deep feedforward networks, regularization, optimization algorithms, convolutional networks, sequence modeling, and practical methodology; and it surveys such applications as natural language processing, speech recognition, computer vision, online recommendation systems, bioinformatics, and videogames. Finally, the book offers research perspectives, covering such theoretical topics as linear factor models, autoencoders, representation learning, structured probabilistic models, Monte Carlo methods, the partition function, approximate inference, and deep generative models. *Deep Learning* can be used by undergraduate or graduate students planning careers in either industry or research, and by software engineers who want to begin using deep learning in their products or platforms. A website offers supplementary material for both readers and instructors.

Now, in *Wild Beauty*, McLemore introduces a spellbinding setting and two characters who are drawn together by fate--and pulled apart by reality. For nearly a century, the Nomeolvides women have tended the grounds of La Pradera, the lush estate gardens that enchant guests from around the world. They've also hidden a tragic legacy: if they fall in love too deeply, their lovers vanish. But then, after generations of vanishings, a strange boy appears in the gardens. The boy is a mystery to Estrella, the Nomeolvides girl who finds him, and to her family, but he's even more a mystery to himself; he knows nothing more about who he is or where he came from than his first name. As Estrella tries to help Fel piece together his unknown past, La Pradera leads them to secrets as dangerous as they are magical in this stunning exploration of love, loss, and family.

A William C. Morris Award Finalist "Brown has written a guidebook of survival and wonder."—The New York Times "Just brilliant."—Kirkus Reviews Heavily autobiographical and infused with magical realism, *Black Girl Unlimited* fearlessly explores the intersections of poverty, sexual violence, depression, racism, and sexism—all through the arc of a transcendent coming-of-age story for fans of Renee

Watson's Piecing Me Together and Ibi Zoboi's American Street. Echo Brown is a wizard from the East Side, where apartments are small and parents suffer addictions to the white rocks. Yet there is magic . . . everywhere. New portals begin to open when Echo transfers to the rich school on the West Side, and an insightful teacher becomes a pivotal mentor. Each day, Echo travels between two worlds, leaving her brothers, her friends, and a piece of herself behind on the East Side. There are dangers to leaving behind the place that made you. Echo soon realizes there is pain flowing through everyone around her, and a black veil of depression threatens to undo everything she's worked for. Christy Ottaviano Books

'A real cracker' Mark Billingham 'My kind of book' Lee Child 'Like Midnight Run, but much darker ... really, really good' Ian Rankin Six states. Three days. One chance to save her child... Lori Anderson is as tough as they come, managing to keep her career as a fearless Florida bounty hunter separate from her role as single mother to nine-year-old Dakota, who suffers from leukaemia. But when the hospital bills start to rack up, she has no choice but to take her daughter along on a job that will make her a fast buck. And that's when things start to go wrong. ### Wild Beauty

Book one in the hit series that's soon to be a major motion picture starring Amandla Stenberg and Mandy Moore--now with a stunning new look and an exclusive bonus short story featuring Liam and his brother, Cole. When Ruby woke up on her tenth birthday, something about her had changed. Something alarming enough to make her parents lock her in the garage and call the police. Something that got her sent to Thurmond, a brutal government "rehabilitation camp." She might have survived the mysterious disease that killed most of America's children, but she and the others emerged with something far worse: frightening abilities they cannot control. Now sixteen, Ruby is one of the dangerous ones. But when the truth about Ruby's abilities--the truth she's hidden from everyone, even the camp authorities--comes out, Ruby barely escapes Thurmond with her life. On the run, she joins a group of kids who escaped their own camp: Zu, a young girl haunted by her past; Chubs, a standoffish brainiac; and Liam, their fearless leader, who is falling hard for Ruby. But no matter how much she aches for him, Ruby can't risk getting close. Not after what happened to her parents. While they journey to find the one safe haven left for kids like them--East River--they must evade their determined pursuers, including an organization that will stop at nothing to use Ruby in their fight against the government. But as they get

closer to grasping the things they've dreamed of, Ruby will be faced with a terrible choice, one that may mean giving up her only chance at a life worth living.

### Black Girl Unlimited

Tolkien's classic epic fantasy trilogy *The Lord of the Rings*, updated with a fresh new package for Book 3, *The Return of the King* As the Shadow of Mordor grows across the land, the Companions of the Ring have become involved in separate adventures. Aragorn, revealed as the hidden heir of the ancient Kings of the West, has joined with the Riders of Rohan against the forces of Isengard and takes part in the desperate victory of the Hornburg. Merry and Pippin, captured by Orcs, escape into Fangorn Forest and there encounter the Ents. Gandalf has miraculously returned and defeated the evil wizard, Saruman. Sam has left his master for dead after a battle with the giant spider, Shelob; but Frodo is still alive--now in the foul hands of the Orcs. And all the while the armies of the Dark Lord are massing as the One Ring draws ever nearer to the Cracks of Doom.

### Deep Down Dead

When two teens discover that they were both sexually assaulted at the same party, they develop a cautious friendship through her family's possibly-magical pastelería, his secret forest of otherworldly trees, and the swallows returning to their hometown.

### The Darkest Minds

If he had been with me everything would have been different... I wasn't with Finn on that August night. But I should've been. It was raining, of course. And he and Sylvie were arguing as he drove down the slick road. No one ever says what they were arguing about. Other people think it's not important. They do not know there is another story. The story that lurks between the facts. What they do not know—the cause of the argument—is crucial. So let me tell you...

### The Return of the King

From the author of *The Weight of Feathers* comes a young adult novel about a girl hiding the truth, a boy with secrets from his past, and four sisters who could ruin them both. Recipient of a Stonewall Honor and longlisted for the National Book Award, McLemore delivers a second stunning and utterly romantic novel, again tinged with magic. To everyone who knows them, best friends Miel and Sam are as strange as they are inseparable. Roses grow out of Miel's wrist, and rumors say that she spilled out of a water tower when she was five. Sam is known for the moons he paints and hangs in the trees and for how little anyone knows about his life before he and his mother moved to town. But as odd as everyone considers Miel and Sam, even they stay away from the Bonner girls, four beautiful sisters rumored to be witches. Now they want the roses that grow from Miel's skin, convinced that their scent can make anyone fall in love. And they're willing to use every secret Miel has fought to protect to make sure she gives them up. Atmospheric, dynamic, and packed with gorgeous prose, *When the Moon Was Ours* is another winner from this talented author.

### If He Had Been with Me

A dark, engrossing, blood-drenched tale of the familiar threats to female power—and one girl's journey to regain it. Five starred reviews greeted this powerful story from Elana K. Arnold, author of the Printz Honor winner *Damsel*. You are alone in the woods, seen only by the unblinking yellow moon. Your hands are empty. You are nearly naked. And the wolf is angry. Since her grandmother became her caretaker when she was four years old, Bisou Martel has lived a quiet life in a little house in Seattle. She's kept mostly to herself. She's been good. But then comes the night of homecoming, when she finds herself running for her life over roots and between trees, a fury of claws and teeth behind her. A wolf attacks. Bisou fights back. A new moon rises. And with it, questions. About the blood in Bisou's past, and on her hands as she stumbles home. About broken boys and vicious wolves. About girls lost in the woods—frightened, but not alone.

### Deep Secret

THE NEW YORK TIMES BESTSELLER Karen White invites you to explore the brick-walked streets of Charleston in her fifth Tradd Street novel, where historic mansions house the memories of years gone by, and restless spirits refuse to fade away... With her extended maternity leave at its end, Melanie Trenholm is less than thrilled to leave her new husband and beautiful twins to return to work, especially when she's awoken by a phone call with no voice on the other end—and the uneasy feeling that the ghostly apparitions that have stayed silent for more than a year are about to invade her life once more. But her return to the realty office goes better than she could have hoped, with a new client eager to sell the home she recently inherited on South Battery. Most would treasure living in one of the grandest old homes in the famous historic district of Charleston, but Jayne Smith would rather sell hers as soon as possible, guaranteeing Melanie a quick commission. Despite her stroke of luck, Melanie can't deny that spirits—both malevolent and benign—have started to show themselves to her again. One is shrouded from sight, but appears whenever Jayne is near. Another arrives when an old cistern is discovered in Melanie's backyard on Tradd Street. Melanie knows nothing good can come from unearthing the past. But some secrets refuse to stay buried....
