

Rising Expectations India Apos S Tra

[#India trade](#) [#Indian economy](#) [#Trade expectations](#) [#India trade growth](#) [#Challenges in Indian trade](#)

Rising expectations surrounding India's trade potential paint a promising picture of economic growth. However, fulfilling these expectations requires addressing various challenges, including infrastructure development, bureaucratic hurdles, and global economic uncertainties. Understanding these factors is crucial for investors and policymakers aiming to capitalize on India's trade opportunities and ensure sustainable growth in the long term.

China felt left out after India's vaccination drive

California encouraged green energy

India's UPI transactions

The solar energy

What are our obligations as a Bharatiya?

How to fight against with enemy how use nontraditional (wokeism, fake riots, wrong history etc) ways to attack Bharat?

What are your opinions on the USA using politicians of Indian Origin like Ro Khanna to force their agenda and interfere in the internal politics of India?

Is it correct to assume that old Non-Aligned Countries are reorganizing as Global South and New cold war is between NATO vs Russia and China?

I don't see how India can maintain this position as the "Leader", when there's China, who's happy to buy existing leaders in the short term, only to surreptitiously colonize them

countdown(intro music)

introduction(hi, hello...)

(1)Someone thanks abhijit sir regarding some important history which he found to be true after research and opened his eyes

(2)how russia plans to end thier confct?now russia annxed some parts, so can we assume the war to end soon?

(3)does russia think russia will drop a tactical nuke on ukraine?what will be the consequences if that happens?

(4) sir's views on India supporting Armenia with weapons against azerbaijan sending message to turkey and pakistan?can india form a trilateral alliance-India, Armenia and Israel?

(5) does India china go to war in 30 years, is Russia-India-China alliance possible?

(6)why did India not vote against China at UNHRC?but we voted in favour of res on human rights in Afg.

(7)what do you think current situation between the US and saudi Arabia. do you think saudi arabia is trying to break free of american control over their sovereignty....?

(8)what kind of conflict was sir talking about between India and USA?is it an accident that 2years wait for an appointment in mumbai and delhi?...

(9)what is your opinion on iran of a ring india 30% stake in gasfield found by india and iran together and india has 90 days to respond?

(10)someone says how can everyone forget pakistan having nukes..temporary nation...

(11)why did canada mea issue an advisory for canadians to refrain from visiting gujarat, punjab, rajasthan, assam and maniput?landmines also exist in large numbers in europe right?

(12)What changes are likely in the stance of israel and france towards india whilst seeing provocative actions by USA towards India?

(13)how can India overcome the chicken neck problem?

(14)elon musk is ready to turn on internet in iran what does sir think about happening something in different parts of India?

(15)many historians says that harappan was urbanised while vedic culture is rural?but many villages were excavated near harappan towns and cities, so what about this?

(16)why didn't Indians possess neanderthal genes as compare to europeans and central asians?

(17)how was the present day bangladesh during the mahabharata/ramayana era?was BD know as angadesh or something else during those ancient times?

(18)your views on buddhism being the only indian missionary dharma immensely projected india's soft power bt increasing india's cultural, idealogical,..how can india which has hardly any original philosophical influence left not only at global scale but also over its own peple at the present time,

regain it?

(19)has sir listened to the song marianne faithfull she moved thru song its youtube.why the music sounds so similar to indian classical music. is there any connection?

(20)how can one nation avoid good time weak people?

(21)was samudragupta greatest indian emperor?

(22)about chandrayan 2 landing conspiracy theory, sir was referring in ranveer show?

(23)dont you think visa restrictions are blessing in disguise?those can reduce problem of brain drain if made more stringent?

(24)will sir be coming live next weekend?

(25)nowadays everyone speaks about usa recession, how will it affect the IT sector?

(26)why is sir always high?

(27)does sir know about rozbeh khushnudan...?

(28)what is sir's opinion on the future of indian leadership

thank you, bye(conclusion)
