Finding commonality between myths and symbols across cultures

False pattern recognition and revelatory thoughts

Objective truth and the scientific process

Unpleasant or dangerous truths

The metaphysical vision of the redeeming power of truth

Jordan and Dawkins discuss the idea that a narrative drives the process of inquiry, even in regards to objective truth

Humans' ability to understand difficult concepts on a biological level

Question: Do you identify the religious impulse with the totalitarian proclivity for dogmatic certainty and the potential acceleration of aggression and atrocity as a consequence?

Question: To what degree do you think that consciousness operates as a fundamental mechanism of selection and shaping?
