The Great Gatsby - Literature Kit Gr. 9-12

Experience the rise and fall of mankind through a series of events that ultimately lead to a tragic end. Encourage students to make connections between the novel and real life through discussion questions and writing prompts. Students brainstorm the different themes that may be presented prior to reading the novel. Use evidence from the text to explain how Nick describes Myrtle's sister. Complete sentences from the story with their missing vocabulary words. Research the real-life scandal of the 1919 World Series touched on in the novel, and explain the social and cultural impacts this event had in the United States. Pick up Nick's story five years after the events in the novel and discuss where Nick would be and what he would be doing. Aligned to your State Standards and written to Bloom's Taxonomy, additional crossword, word search, comprehension quiz and answer key are also included. About the Novel: The Great Gatsby, written by F. Scott Fitzgerald, is a story about a man prospering from the Jazz Age, and his inevitable downfall. Told through the eyes of Nick Carraway, we are introduced to his mysterious neighbor—Jay Gatsby—who spends every evening throwing lavish parties. One such night, Nick is extended an invitation. There, we learn of Gatsby's intention of using Nick to facilitate a reunion between Gatsby and his lost love, Daisy Buchanan. Daisy, who lives across the lake in the house with the green light at the end of the dock, also happens to be Nick's cousin. Daisy and Gatsby's reunion leads to a tragic love affair that changes the lives of each character forever.

This text for pre-service and in-service English education courses presents current methods of teaching literature to middle and high school students. The methods are based on social-constructivist/socio-cultural theories of literacy learning, and incorporate research on literary response conducted by the authors. Teaching Literature to Adolescents – a totally new text that draws on ideas from the best selling textbook, Teaching Literature in the Secondary School, by Beach and Marshall – reflects and builds on recent key developments in theory and practice in the field, including: the importance of providing students with a range of critical lenses for analyzing texts and interrogating the beliefs, attitudes, and ideological perspectives encountered in literature; organization of the literature curriculum around topics, themes, or issues; infusion of multicultural literature and emphasis on how writers portray race, class, and gender differences; use of drama as a tool for enhancing understanding of texts; employment of a range of different ways to write about literature; integration of critical analysis of film and media texts with the study of literature; blending of quality young adult literature into the curriculum; and attention to students who have difficulty succeeding in literature classes due to reading difficulties, disparities between school and home cultures, attitudes toward school/English, or lack of engagement with assigned texts or response activities. The interactive Web site contains recommended readings, resources, and activities; links to Web sites and PowerPoint presentations; and opportunities for readers to contribute teaching units to the Web site databases. Instructors and students in middle and high school English methods courses will appreciate the clear, engaging, useful integration of theory, methods, and pedagogical features offered in this text.

This text for secondary preservice and in-service English language arts teachers offers a rationale for meaning-centered English language arts teaching and practical strategies for application. Its goal is to provide readers with an understanding of the issues involved in English teaching and specific examples of how to apply this understanding to classrooms. Teaching strategies are presented through a series of stories depicting teachers from a variety of settings practicing their craft with secondary students. Features: *A solid introduction and interesting personal narratives introduce the issues and ideas involved in English language arts teaching. *Case studies based on actual teachers and students realistically illustrate methods that can be used in secondary English classes. *Lessons are described in sufficient detail to be converted to teaching models. *Multicultural emphasis prepares teachers for the contemporary classroom. *Chapters and sections incorporate the new literacies of TV, film, and computers in the English language arts class. *Pedagogical aids include end-of-chapter questions and activities, reproducible charts and worksheets; an updated listing of young adult novels; and annotated recommended readings. *An appendix on writing a personal narrative helps students develop as

writers. New in the Second Edition: *Updates. All chapters, the bibliographies, and the references are thoroughly updated to reflect changes since the first edition was published. Chapters 1 and 2 have been totally rewritten. *Standards/Benchmarks. The IRA/NCTE Standards for the English Language Arts are incorporated into the text. Benchmarks and Performance Assessment Measures are included in all the pedagogical chapters to address proficiency concerns. A section on helping students prepare for state proficiency tests has been added. *Computers. More is included on the use of technology, both as a content to learn and as a process for learning. *New Sample Unit Plans. Sections based on the instructional stories offer examples to help readers prepare for teaching. *Literature response questions. These are now provided in Chapter 4 for use in journaling and discussions. *Glossary. A chapter on important terms and useful strategies for the English language arts classroom has been added.

This Side of Paradise is the debut novel by F. Scott Fitzgerald, published in 1920. The book examines the lives and morality of post-World War I youth. Its protagonist Amory Blaine is an attractive student at Princeton University who dabbles in literature. The novel explores the theme of love warped by greed and status seeking, and takes its title from a line of Rupert Brooke's poem Tiare Tahiti. The novel famously helped F. Scott Fitzgerald gain Zelda Sayre's hand in marriage; its publication was her condition of acceptance.

Small Island by bestselling author Andrea Levy won the Orange Prize for Fiction and the Orange Prize 'Best of the Best' as well as the Commonwealth Writers' Prize and the Whitbread. Possibly the definitive fictional account of the experiences of the Empire Windrush generation, it was selected by the BBC as one of its '100 Novels That Shaped Our World'. 'A great read... honest, skilful, thoughtful and important' Guardian It is 1948, and England is recovering from a war. But at 21 Nevern Street, London, the conflict has only just begun. Queenie Bligh's neighbours don't approve when she agrees to take in Jamaican lodgers, but with her husband, Bernard, not back from the war, she has little choice in the matter. Gilbert Joseph was one of the many Jamaican men who joined the RAF to fight Hitler. But when he returns to England as a civilian he doesn't receive the welcome he was expecting, and it's desperation that drives him to knock at Queenie's door. Gilbert's wife Hortense, who for years has longer for a better life in England, soon joins him. But London is far from the golden city of her dreams, and even Gilbert is not the man she thought he was. Small Island explores a point in England's past when the country began to change. In this delicately wrought and profoundly moving novel, Andrea Levy handles the weighty themes of empire, prejudice, war and love, with a superb lightness of touch and generosity of spirit. 'An engrossing read - slyly funny, passionately angry and wholly involving' Daily Mail 'Gives us a new urgent take on our past' Vogue

The New York Times bestselling debut novel from acclaimed children's author Katherine Hannigan is both very funny and extraordinarily moving. Who is Ida B. Applewood? She is a fourth grader like no other, living a life like no other, with a voice like no other, and her story will resonate long after you have put this book down. How does Ida B cope when outside forces—life, really—attempt to derail her and her family and her future? She enters her Black Period, and it is not pretty. But then, with the help of a patient teacher, a loyal cat and dog, her beloved apple trees, and parents who believe in the same things she does (even if they sometimes act as though they don't), the resilience that is the very essence of Ida B triumph...and Ida B. Applewood takes the hand that is extended and starts to grow up. This modern classic is a great choice for independent reading.

Integrating Curricula With Multiple Intelligences

Why you need a writing revolution in your classroom and how to lead it The Writing Revolution (TWR) provides a clear method of instruction that you can use no matter what subject or grade level you teach. The model, also known as The Hochman Method, has demonstrated, over and over, that it can turn weak writers into strong communicators by focusing on specific techniques that match their needs and by providing them with targeted feedback. Insurmountable as the challenges faced by many students may seem, The Writing Revolution can make a dramatic difference. And the method does more than improve writing skills. It also helps: Boost reading comprehension Improve organizational and study skills Enhance speaking abilities Develop analytical capabilities The Writing Revolution is as much a method of teaching content as it is a method of teaching writing. There's no separate writing block and no separate writing curriculum. Instead, teachers of all subjects adapt the TWR strategies and

activities to their current curriculum and weave them into their content instruction. But perhaps what's most revolutionary about the TWR method is that it takes the mystery out of learning to write well. It breaks the writing process down into manageable chunks and then has students practice the chunks they need, repeatedly, while also learning content.

Critical Theory Today is the essential introduction to contemporary critical theory. It provides clear, simple explanations and concrete examples of complex concepts, making a wide variety of commonly used critical theories accessible to novices without sacrificing any theoretical rigor or thoroughness. This new edition provides in-depth coverage of the most common approaches to literary analysis today: feminism, psychoanalysis, Marxism, reader-response theory, new criticism, structuralism and semiotics, deconstruction, new historicism, cultural criticism, lesbian/gay/queer theory, African American criticism, and postcolonial criticism. The chapters provide an extended explanation of each theory, using examples from everyday life, popular culture, and literary texts; a list of specific questions critics who use that theory ask about literary texts; an interpretation of F. Scott Fitzgerald's *The Great Gatsby* through the lens of each theory; a list of questions for further practice to guide readers in applying each theory to different literary works; and a bibliography of primary and secondary works for further reading.

Great Expectations is a novel by Charles Dickens first serialised in *All the Year Round* from 1 December 1860 to August 1861. It is regarded as one of his greatest and most sophisticated novels, and is one of his most enduringly popular, having been adapted for stage and screen over 250 times. *Great Expectations* is written in a semi-autobiographical style, and is the story of the orphan Pip, writing his life from his early days of childhood until adulthood. The story can also be considered semi-autobiographical of Dickens, like much of his work, drawing on his experiences of life and people. The action of the story takes place from Christmas Eve, 1812, when the protagonist is about seven years old, to the winter of 1840.
