The Outsiders Literature Guide

Over 50 years of an iconic classic! This international bestseller and inspiration for a beloved movie is a heroic story of friendship and belonging. No one ever said life was easy. But Ponyboy is pretty sure that he's got things figured out. He knows that he can count on his brothers, Darry and Sodapop. And he knows that he can count on his friends—true friends who would do anything for him, like Johnny and Two-Bit. But not on much else besides trouble with the Socs, a vicious gang of rich kids whose idea of a good time is beating up on “greasers” like Ponyboy. At least he knows what to expect—until the night someone takes things too far. The Outsiders is a dramatic and enduring work of fiction that laid the groundwork for the YA genre. S. E. Hinton's classic story of a boy who finds himself on the outskirts of regular society remains as powerful today as it was the day it was first published. "The Outsiders transformed young-adult fiction from a genre mostly about prom queens, football players and high school crushes to one that portrayed a darker, truer world." —The New York Times "Taut with tension, filled with drama." —The Chicago Tribune "[A] classic coming-of-age book." —Philadelphia Daily News A New York Herald Tribune Best Teenage Book A Chicago Tribune Book World Spring Book Festival Honor Book An ALA Best Book for Young Adults Winner of the Massachusetts Children's Book Award

The Outsiders

Encourage students to make connections in history while becoming familiar with this well-known novel by implementing The Outsiders: An Instructional Guide for Literature. These engaging, rigorous lessons and activities work in conjunction with the text to teach students how to analyze and comprehend rich, complex literature. Students will learn how to analyze story elements in multiple ways, practice close reading and text-based vocabulary, determine meaning through text-dependent questions, and more.

The Outsiders

Delve deep into a world of socioeconomic differences and the tragic outcome of this conflict. A variety of activities keep students on their toes and practicing reading skills. Explore the themes of prejudice and social conventions and the part they play in a community. Explain Johnny's transformation through the eyes of Ponyboy. Answer multiple choice questions about Johnny and Ponyboy's time in the church.

Match difficult vocabulary words to their meanings. Imagine interviewing Ponyboy about his actions while saving the trapped kids in the burning church. Explain how Cherry describes the duality of Bob. Imagine an alternate version of the story from the point of view of the Socs in which it was one of the Greasers who were killed in the fight. Aligned to your State Standards and written to Bloom's Taxonomy, additional crossword, word search, comprehension quiz and answer key are also included. About the Novel: *The Outsiders* is the classic coming-of-age story about two social groups in 1960s Oklahoma. The Greasers and the Socs are rival social groups, who engage in petty fights around town. Ponyboy and his friends are Greasers and get jumped by the Socs regularly. One night, after leaving a local drive-in, Ponyboy and his friend Johnny get jumped from a group of Socs who have a score to settle. Things go too far and one of the Socs gets killed. Ponyboy and Johnny now find themselves running from the police. After a week hiding out, the pair decide to return and face the consequences of their actions. Things go from bad to worse as the story faces its climax with a final rumble between the Greasers and the Socs.

The Outsiders: An Instructional Guide for Literature

Encourage students to make connections in history concerning social classes and divisions in societies while becoming familiar with this well-known novel by completing fun, challenging activities and lessons provided in this instructional guide for literature. These appealing and rigorous cross-curricular lessons and activities work in conjunction with the text to teach students how to analyze and comprehend rich, complex literature. Everything you need is packed into this guide that is the perfect tool to teach students how to analyze story elements in multiple ways, practice close reading and text-based vocabulary, determine meaning through text-dependent questions, and more. This is the perfect way to add rigor to your students' explorations of rich, complex literature.

The Outsiders - Literature Kit Gr. 9-12

Struggling readers frequently lack basic reading skills and are not equipped with the prior knowledge and reading strategies to thoroughly engage in the classroom literature experience. Give your students the background and support they need to understand and enjoy literature. With these reading guides, your students will practice reading comprehension skills, sharpen their vocabulary, and learn to identify literary elements. The eBooks range in reading level from 4 to 10. Reproducible. Contents Include: Teacher and student support materials, reproducible student activity sheets, an end-of-book test, and an answer key. Each reading guide divides the novel into six manageable units. Prepares all students for reading success through activating prior knowledge. Focuses reading with guiding "Questions to Think About". Build vocabulary with pre-reading and during-reading activities.

The Outsiders - Literature Discovery Guide

Master the material and ace any assignment with this innovative study guide series. This book is perfect for both students and teachers, as it produces true mastery of content knowledge and book details. Other study guides simply give basic details of the novel, meaning that students read over material without digesting or learning it. Other study guides take complex themes, concepts, and information and just regurgitate it to readers. This Study Guide series is different. Using the original text as a guide, you will learn to cite evidence from the text in order to complete and reflect on your reading. Designed under the guidance of an experienced and credentialed instructor, this study guide series GUIDES the learner to discovering the answers for themselves, creating a fully detailed study guide, in the user's own words. Filled with guided reading activities, students are able to fill this guidebook with their own information. If you read it, write it, and reflect on it, you will learn it! Teachers, you can also purchase a set of these books (or one book and make copies) for your entire class. It makes the perfect guided reading activity and will teach students how to internalize the reading, note taking, and learning process that advanced readers naturally perform. These make the perfect workbook to keep your class engaged and learning.

The Outsiders

Discusses the novel, *The Outsiders*, including the life of its author, S.E. Hinton, and the novel's historical background, plot, characters, themes, and literary analysis.

The Outsiders Reading Guide

Work with students at all levels to help them read novels Whole Novels is a practical, field-tested guide to implementing a student-centered literature program that promotes critical thinking and literary understanding through the study of novels with middle school students. Rather than using novels simply to teach basic literacy skills and comprehension strategies, Whole Novels approaches literature as art. The book is fully aligned with the Common Core ELA Standards and offers tips for implementing whole novels in various contexts, including suggestions for teachers interested in trying out small steps in their classrooms first. Includes a powerful method for teaching literature, writing, and critical thinking to middle school students Shows how to use the Whole Novels approach in conjunction with other programs Includes video clips of the author using the techniques in her own classroom This resource will help teachers work with students of varying abilities in reading whole novels.

Study Guide - the Outsiders

Teaching literature unit based on the popular children's story, The outsiders.

The Outsiders

The perfect companion to S.E. Hinton's "The Outsiders," this study guide contains a chapter by chapter analysis of the book, a summary of the plot, and a guide to major characters and themes. BookCap Study Guides do not contain text from the actual book, and are not meant to be purchased as alternatives to reading the book.

Focus on Reading

These leveled discussion questions about The Outsiders require students to read closely, make connections, and share their analyses. Included are leveled comprehension questions and suggested answers.

Whole Novels for the Whole Class

Novel-Ties study guides contain reproducible pages in a chapter by chapter format to accompany a work of literature of the same title.

A Guide for Using The Outsiders in the Classroom

The perfect companion to S.E. Hinton's "The Outsiders," this study guide contains a chapter by chapter analysis of the book, a summary of the plot, and a guide to major characters and themes. BookCap Study Guides do not contain text from the actual book, and are not meant to be purchased as alternatives to reading the book.

The Outsiders (Study Guide)

Excellent study guide on this famous French novel written by Albert Camus with detailed notes by a Professor of French Studies and a colleague specialising in French literature.

The Outsiders Leveled Comprehension Questions

"Mayer means to know exactly how bourgeois society increasingly took away the rights of women, homosexuals, Jews, how these people deprived of rights reacted to the provocation: with camouflage, self-hate, antitype, transmutation, tragic protest."—Peter Demetz, Der Spiegel

The Outsiders

1966. Tucsa, Oklahoma. Deux bandes rivales, les Socs – la jeunesse dorée de la ville – et les Greasers – sortes de blousons noirs aux cheveux gominés –, se livrent une guerre sans merci. Ponyboy Curtis, quatorze ans, est un Greaser. Il traîne dans les rues avec ses copains qui, comme lui, sont des loubards. Mais le meurtre d'un Soc bouleverse brutalement sa vie insouciante, le mettant hors la loi. Au fil d'événements dramatiques, le jeune garçon va devenir adulte et faire l'apprentissage de l'amour et de la mort. Devenu un best-seller, Outsiders a été adapté au cinéma par Francis Ford Coppola, avec Matt Dillondans le rôle principal.

The Outsiders

SPECIAL OFFER Get the Kindle version for just \$0.99 (Regularly priced: \$3.99) Stephen King's #1 New York Times bestseller "The Outsider" summarized in one book. **WHY BUY THIS BOOK:** Save time by reading this summary Save money by buying this summary Gain more in-depth knowledge **ABOUT THE ORIGINAL BOOK:** An eleven-year-old boy's violated corpse is found in a town park. Eyewitnesses and fingerprints point unmistakably to one of Flint City's most popular citizens. He is Terry Maitland, Little League coach, English teacher, husband, and father of two girls. Detective Ralph Anderson, whose son Maitland once coached, orders a quick and very public arrest. Maitland has an alibi, but Anderson and the district attorney soon add DNA evidence to go with the fingerprints and witnesses. Their case seems ironclad. As the investigation expands and horrifying answers begin to emerge, King's propulsive story kicks into high gear, generating strong tension and almost unbearable suspense. Terry Maitland seems like a nice guy, but is he wearing another face? When the answer comes, it will shock you as only Stephen King can. Take action and purchase this book today for only \$6.98! **SECTIONS INCLUDED:** BOOK SUMMARY SETTING FOR THE STORY STORY PLOT ANALYSIS MAIN AND SECONDARY CHARACTER LIST ANALYSIS OF KEY CHARACTERS BOOK OVERVIEW AND STORY ANALYSIS MAJOR SYMBOLS MOTIFS THEME ACRONYM GUIDE DISCUSSION QUESTIONS THOUGHT-PROVOKING QUESTIONS CONCLUSION Take action and purchase this book today for only \$6.98! **PLEASE NOTE:** This is an unofficial companion book to Stephen King's popular novel "The Outsider: A Novel" - it is meant to enhance your reading experience and it is not the original book. The Outsider

LOST LOVES AND PAINFUL TRUTHS AGAINST THE BACKDROP OF LIVERPOOL'S FALL AND RISE SHORTLISTED FOR THE PORTICO PRIZE Liverpool 1981. As the city burns during inner city riots, Paul meets two people who will change his life: Nadezhda, an elusive poet who has fallen out of fashion; and her daughter Sarah, with whom he shares an instant connection. As the summer reaches its climax his feelings for both are tested amidst secrets, lies and the unravelling of Nadezhda's past. It is an experience that will define the rest of his life. *The Outsiders* moves from early-80s Liverpool, via Nadezhda's clandestine background in war-torn Europe, through to the present day, taking in the global and local events that shape all three characters. In a powerful story of hidden histories, lost loves and painful truths ambitiously told against the backdrop of Liverpool's fall and rise, James Corbett's enthralling debut novel explores the complexities of human history and how individual perspectives of the past shape everyone's present.

The Outsiders

A collection of newspaper articles, poems, short stories and extracts from novels exploring the theme of outsiders - who have experiences that set them apart from those around them. A variety of texts make up each of the four themed sections: Fictional outsiders; Heroes and heroines; Moving places, moving lives and Feeling different. The collection includes texts by Mark Haddon, Harper Lee, Doris Lessing, Michael Morpurgo, Gervase Phinn and Benjamin Zephaniah.

Outsiders

The struggle of three brothers to stay together after their parent's death and their quest for identity among the conflicting values of their adolescent society.

Outsiders

An alienated young man attempts to find himself through an examination of modern philosophy.

Summary and Analysis of the Outsider by Stephen King

In May 1956, aged just 24, Colin Wilson achieved success and overnight fame with his philosophical study of alienation and transcendence in modern literature and thought, *The Outsider*. Fifty-four years on, and never out of print in English, the book is still widely read and discussed, having been translated

into over thirty languages. In a remarkably prolific career, Wilson, a true polymath, has since written over 170 titles: novels, plays and non-fiction on a variety of subjects. This volume brings together twenty essays by scholars of Colin Wilson's work worldwide and is published in his honour to mark the author's 80th birthday. Each contributor has provided an essay on their favourite Wilson book (or the one they consider to be the most significant). The result is a varied and stimulating assessment of Wilson's writings on philosophy, psychology, literature, criminology and the occult with critical appraisals of four of his most thought-provoking novels. Altogether a fitting tribute to a writer

The Outsiders

The original CliffsNotes study guides offer expert commentary on major themes, plots, characters, literary devices, and historical background. The latest generation of titles in this series also feature glossaries and visual elements that complement the classic, familiar format. In CliffsNotes on The Outsiders, you'll dig into a novel of the 1960s that is a story about teenagers written by a teenager. Ponyboy Curtis, a 14-year-old boy, struggles with right and wrong in a society within which he feels he is an outsider. He and his brothers, lower-class "greasers," fight the "Socs," the rich kids, for 14 days. Social issues gaining notice in the '60s—teen pregnancy, underage drinking, and violence—still find relevance among S. E. Hinton's readers today. This concise supplement to The Outsiders helps you understand the overall structure of the novel, actions and motivations of the characters, and the social and cultural perspectives of the author. Features that help you study include Chapter-by-chapter summaries and commentaries Personal background of the author A character map that graphically illustrates the relationships among the characters Critical essays on the movie versus the book and how society has changed since the 1960s A review section that tests your knowledge Classic literature or modern-day treasure—you'll understand it all with expert information and insight from CliffsNotes study guides.

The Outsiders

Another classic from the author of the internationally bestselling The Outsiders Continue celebrating 50 years of The Outsiders by reading this companion novel. That Was Then, This is Now is S. E. Hinton's moving portrait of the bond between best friends Bryon and Mark and the tensions that develop between them as they begin to grow up and grow apart. "A mature, disciplined novel which excites a response in the reader . . . Hard to forget."—The New York Times

Outsiders

Eight-year-old Margaret Pokiak has set her sights on learning to read, even though it means leaving her village in the high Arctic. Faced with unceasing pressure, her father finally agrees to let her make the five-day journey to attend school, but he warns Margaret of the terrors of residential schools. At school Margaret soon encounters the Raven, a black-cloaked nun with a hooked nose and bony fingers that resemble claws. She immediately dislikes the strong-willed young Margaret. Intending to humiliate her, the heartless Raven gives gray stockings to all the girls — all except Margaret, who gets red ones. In an instant Margaret is the laughingstock of the entire school. In the face of such cruelty, Margaret refuses to be intimidated and bravely gets rid of the stockings. Although a sympathetic nun stands up for Margaret, in the end it is this brave young girl who gives the Raven a lesson in the power of human dignity. Complemented by archival photos from Margaret Pokiak-Fenton's collection and striking artworks from Liz Amini-Holmes, this inspiring first-person account of a plucky girl's determination to confront her tormentor will linger with young readers.

The Outsiders

"A powerful story" of a boy leaving the city streets for a summer at a horse farm—and discovering the possibility of a different life(Kirkus Reviews). An ALA Best Book for Young Adults An ALA Quick Pick With an absent mother and a domineering stepfather, Travis uses his tough-guy exterior to hide his true passion: writing. After a violent confrontation with his stepfather, Travis is sent to live on his uncle's horse ranch—exile to a born-and-bred city kid. Angry and yearning for a connection, Travis befriends Casey, the horse-riding instructor at the ranch, and the untamable horse in her stable: the Star Runner. When a friend from the city visits with stories of other kids from the neighborhood facing jail time, Travis is more determined than ever that he needs to escape the life of juvenile delinquency he seems destined for. When the offer of a book deal comes through, Travis is hopeful that this is his chance to escape—if only his stepfather will stop standing in the way of his dreams. In this novel, the acclaimed

author of *The Outsiders* “portrays her characters with sympathy and yet commendably refuses to gloss over rough edges or gritty truths” (Publishers Weekly). “Hinton continues to grow more reflective in her books, but her great understanding, not of what teenagers are but of what they can hope to be, is undiminished.”—Kirkus Reviews

The Outsider

From the author of *The Outsiders*: This novel about two brothers in a tough world “packs a punch that will leave readers of any age reeling” (School Library Journal). An ALA Best Book for Young Adults A School Library Journal Best Book of the Year Rusty-James wants to be just like his big brother Motorcycle Boy—tough enough to be respected by everyone in the neighborhood. But Motorcycle Boy is also smart, so smart that Rusty-James relies on him to bail him out of trouble. The brothers are inseparable, and Motorcycle Boy will always be there to watch his back, so there's nothing to worry about, right? Or so Rusty-James believes, until his world falls apart and Motorcycle Boy isn't there to pick up the pieces. An edgy, emotional portrait of a troubled kid trying to navigate the chaotic world around him, *Rumble Fish* was made into a film by Francis Ford Coppola and has become a modern classic praised by School Library Journal as “stylistically superb” and beloved by multiple generations of readers. “Hinton knows how to plunge us right into [Rusty-James's] dead-end mentality—his inability to verbalize much of anything, to come to grips with his anger about his alcoholic father and the mother who deserted him, even his distance from his own feelings.”—Kirkus Reviews
