Do you have faith that you'll remain healthy? Faith that your children will be safe from violence? We all face situations that we cannot control. All we can do is trust-and have faith-that God will see us through. Rather than a complicated, theological enigma, Sheila Walsh explains that faith is a simple, life-giving gift God offers His children. And since it is a gift, He expects us to share it-to give it away. By sharing biblical and modern examples of women of faith, Sheila opens our eyes to the extravagant gift God has for each of us.

*Grammar, Meaning, and Concepts: A Discourse-Based Approach to English Grammar* is a book for language teachers and learners that focuses on the meanings of grammatical constructions within discourse, rather than on language as structure governed by rigid rules. Written by a team of authors with years of experience teaching grammar to future teachers of English, this book puts grammar in the context of real language and illustrates grammar in use through an abundance of authentic data examples. Each chapter also provides a variety of activities that focus on grammar, genre,

discourse, and meaning, which can be used as they are or can be adapted for classroom practice.
