The Fair Folk

From blithe fairies to sinister fey, this collection features six tales by such luminaries as Tanith Lee, Patricia A. McKillip, and a joint effort by Jane Yolen and Midori Snyder. Winner of the 2006 World Fantasy Award.

Falling Leaves

The Fair Folk – and other beings of myth and legend – live among us, protected from the eyes of mortalkind by the shrouding effects of the mystical Veil. But as the threads of the Veil begin to unravel, the realms of Faerie and of Man threaten to collide – at terrible cost to both worlds. A small band of fey (a foul-mouthed leprechaun, a mischievous gnome, a winsome nymph, and a kind-hearted ogre) are tasked to retrieve a woman – a Changeling – who has recently escaped from the land of Faerie. As this seemingly simple job spirals out of control, dark portents begin to surface. "The leaves are falling... and They will come."

The Fair Folk

Six stories from some of the most famous names in fantasy—all with one common threat—"the fair folk." From blithe fairies to sinister fey, some are fair, some are foul, all are fantastic. In "The Kelpie," by Patricia A. McKillip, a carefree circle of bohemian artists is confronted by a being more powerful than any muse. Jane Yolen and Midori Snyder weave a tale of two sisters long-exiled from their magical realm who must survive in ours, in "Except the Queen." In Tanith Lee's "UOUS," a young woman with a rotten family is granted three wishes by a handsome elf—and learns that nothing good comes free of charge. A hapless slob finds his world turned upside-down when an eager brownie moves in and proceeds to clean house, in Megan Lindholm's "Grace Notes." Kim Newman introduces an intrepid government investigator whose latest case pits him against a sinister brood of fairy folk known as "The Gypsies in the Wood." And the serenity of the Elves is tested in a wry fable of a long-suffering magical apprentice who can't catch a break, in Craig Shaw Gardner's "The Embarrassment of Elves."

Fairies:

The subject of fairies in Celtic cultures is a complex one that seems to endlessly intrigue people. What exactly are fairies? What can they do? How can we interact with them? Answering these questions becomes even harder in a world that is disconnected from the traditional folklore and flooded with modern sources that are often vastly at odds with the older beliefs. This book aims to present readers with a straightforward guide to the older fairy beliefs, covering everything from Fairyland itself to details about the beings within it. The Otherworld is full of dangers and blessings, and this guidebook will help you navigate a safe course among the Good People.

Making Fairy Folk

Another fun set of projects to enjoy this fast-growing popular craft, from the author of *Making Needle-Felted Animals*. In this new title there are 30 magical characters to make, from fairies and sprites to gnomes and wildlife. Hand-drawn illustrations and clear instructions show every stage of the projects which are suitable for all levels of expertise. Fabulously engaging photographs throughout complement the illustrations and bring each character to life.

Emily Wilde's Encyclopaedia of Faeries

NATIONAL BESTSELLER • A curmudgeonly professor journeys to a small town in the far north in this "incredibly fun journey through fae lands and dark magic" (NPR), the start of a heartwarming and enchanting new fantasy series. "A darkly gorgeous fantasy that sparkles with snow and magic."—Sangu Mandanna, author of *The Very Secret Society of Irregular Witches* **A BEST BOOK OF THE YEAR:** The New York Times Book Review, NPR, PopSugar Cambridge professor Emily Wilde is good at many things: She is the foremost expert on the study of faeries. She is a genius scholar and a meticulous researcher who is writing the world's first encyclopaedia of faerie lore. But Emily Wilde is not good at people. She could never make small talk at a party—or even get invited to one. And she prefers the company of her books, her dog, Shadow, and the Fair Folk to other people. So when she arrives in the hardscrabble village of Hrafnsvik, Emily has no intention of befriending the gruff townsfolk. Nor does she care to spend time with another new arrival: her dashing and insufferably handsome academic rival Wendell Bumbleby, who manages to charm the townsfolk, muddle Emily's research, and utterly confound and frustrate her. But as Emily gets closer and closer to uncovering the secrets of the Hidden Ones—the most elusive of all faeries—lurking in the shadowy forest outside the town, she also finds herself on the trail of another mystery: Who is Wendell Bumbleby, and what does he really want? To find the answer, she'll have to unlock the greatest mystery of all—her own heart. Book One of the Emily Wilde Series

The Fair Folk of Doon Hill

Deep in the heart of the Trossachs countryside, in Scotland, lies the village of Aberfoyle. To the south east of the village is a hill called Doon Hill. Legend has it that this is the home of the Sidhe (pronounced shee), or Faery Folk. It is said that in 1692, the minister of the parish, Reverend Robert Kirk, was spirited away by the Faery Folk as a punishment for revealing their secrets. Meet Hamish, his granny and other characters inside this book. They are gnomes, guardians of the oak trees. Their homeland; the woody knoll called Doon Hill. Their duty; to take care of sick animals and to protect the oak woodlands. Their

biggest enemy; owls! Their greatest delight; to sing and dance celebrating the forest gods. Their biggest hate; humans who call them faeries, blame them for troubles and show them no respect.

Treasury of Irish Fairy and Folk Tales

Enjoy more than 200 tales from the Emerald Isle, colourful stories of the fairy folk in all their guises, along with changelings, banshees, leprechauns, the headless dullahan, the merrow and the ever-mischievous pooka. In addition, this collection includes ghosts, witches and fairy doctors, priests and saints, encounters with the devil, titans of Ireland's historical past and popular treasure legends.

The Fairy Atlas

Magical, mysterious and sometimes mischievous, the fairy folk of the world are notoriously elusive, but this charming compendium will reveal their secrets. From Cornish pixies and Spanish goblins to the forest gnomes of the Congo, welcome to the world of the fairy folk! This captivating book features a mix of fairy 'facts' and short retellings of some of the most magical fairy tales.

Magical Folk

This book is a treasure chest of classic Gypsy Folklore, and makes fascinating reading for those interested in folklore in general, but especially for those interested in the Roma people. Francis Hindes Groom collated and prepared this collection, making only few changes and remaining true to the original stories, so to let the written story enchant us as if it were being presented in the vernacular. A percentage of the profit from the sale of this book you will be donated to charities, schools or special causes.

GYPSY FOLK TALES BOOK ONE

Fearsome Fairies taps into the enormous fascination with fairies in the nineteenth and early twentieth centuries, and includes cornerstone authors of the Weird genre such as Arthur Machen, M R James and Charlotte Riddell. You see - no, you do not, but I see - such curious faces: and the people to whom they belong flit about so oddly, often at your elbow when you least expect it, and looking close into your face, as if they were searching for someone - who may be thankful, I think, if they do not find him. There was an enormous fascination with fairies in the nineteenth and early twentieth centuries which popularised depictions of benevolent, butterfly-winged beings and glittering pantomime figures. But the fae have always had a more sinister side. Taking inspiration from folk tales and medieval legends, the works of weird tale and ghost story writers such as Arthur Machen, M. R. James, Angela Carter and Charlotte Riddell show that fairies, goblins and other supernatural entities could be something far more unsettling. Delving into a frightening realm of otherworldly creatures from banshees to changelings, this new collection of stories revives and revels in the fearsome power of the fairy folk.

Fearsome Fairies

From the Brothers Grimm to Hans Christian Andersen, this illustrated collection contains a wide range of classic fairy tale stories we know and love. As well as favourites such as Cinderella, The Snow Queen, and Jack and the Beanstalk, A First Book of Fairy Tales also includes some lesser-known gems, such as The Fisherman and his Wife and Diamonds and Toads. Written by award-winning, bestselling children's writer Mary Hoffman, these poetic retellings are given a new life, and are perfect for reading alone or aloud. They're presented alongside wonderful, world-building illustrations, giving full immersion into the world of myths and legends.

A First Book of Fairy Tales

In this study, which is first of all a folk-lore study, we pursue principally an anthropo-psychological method of interpreting the Celtic belief in fairies, though we do not hesitate now and then to call in the aid of philology; and we make good use of the evidence offered by mythologies, religions, metaphysics, and physical sciences.

The Fairy-faith in Celtic Countries

Myths, legends, and magic are woven together in a collection of enthralling Irish fairy tales from the New York Times bestselling author of the Secrets of the Immortal Nicholas Flamel series. A haunting

midnight dance that steals children away... An eerie fairy island that appears once every seven years... A magical silver horse that emerges from the depths of a dark lake... Venture into the Otherworld with eleven timeless, enchanting Irish fairy tales that uncover the haunting, hidden world of the Sidhe--the fairy-folk. A master of Irish mythology, bestselling author Michael Scott has crafted stories guaranteed to enthrall young readers who love magic, legends, and lore. And don't miss the companion collection of Irish folktales, Legends & Lore!

Magic and Myth

Slithering stoorworms, mischievous brownies, fierce kelpies and magical selkies are exquisitely brought to life for children in Theresa Breslin's enchanting tales and Kate Leiper's otherworldly illustrations.

An Illustrated Treasury of Scottish Folk and Fairy Tales

Sergiev takes readers on a magical journey through the world of fairies, describing the joy and ancient knowledge they can offer. 100 full-color illustrations.

How to Catch Fairies

In 1558 while imprisoned in a remote castle, a young girl becomes involved in a series of events that leads to an underground labyrinth peopled by the last practitioners of druidic magic.

The Perilous Gard

A shape-shifting spirit haunts a family in England during the depths of winter. A woman must locate a snowflake for a magical trickster to save her frozen true love. A witch knocks upon a young man's door to take his life on Christmas day. A small boy meets a faerie housed within a snow drop. Once upon a time stories travelled from place to place on the tongues of merchants and thieves and kings alike. Under the blanket of night they were exchanged between children, and passed on to their children, and their children after them. Details were altered from one generation to the next until thousands of tales existed where once there were few. In the spirit of these age-old stories comes *Once Upon a Winter*, a seasonal anthology of folk and fairy tales from 17 authors across the globe. It covers the Gothic, the romantic, the whimsical, the frightening and everything in-between, and features both intriguing twists on classic tales and exciting original stories. The first of four planned seasonal anthologies from Macfarlane Lantern Publishing, *Once Upon a Winter* is sure to have a story for just about everyone. Grab your copy in time for Christmas today! Inside this anthology: *The Biting Cold* by Josie Jaffrey *The Match Girl* by Rebecca F. Kenney *Santa Claus is Coming to Town* by Bharat Krishnan *A Pea Ever After* by Adie Hart *The Snow Drop* by H. L. Macfarlane *Silverfoot's Edge* by Ella Holmes *The Storm Hags* by Caroline Logan *The Boggart of Boggart Hole Clough* by Jake Curran-Pipe *Around the Hawthorne Tree* by Jenna Smithwick *The Best Girl this Side of Winter* by Laila Amado *The Snow Trolls* by S. Markem *Lord of the Forest* by Katherine Shaw *Queen of the Snows* by Joyce Reynolds-Ward *Long Meg and the Sorcerer's Stones* by M. J. Weatherall *The Frost of Mercy* by A. J. Van Belle *Wintercast* by R. A. Gerritse *You Can't See Me* by Kate Longstone

Once Upon a Winter: A Folk and Fairy Tale Anthology: A

Includes tales of fairies, changelings, ghosts, witches, saints, the devil, giants, kings, queens, and robbers.

Fairy Folk Tales of Ireland

Add an exquisite flourish of design to your beloved green space or garden by adding tiny fairy homes inter-woven with nature. *Fairy Houses* gives you the instruction and inspiration you need to start! Have you ever seen a real fairy house? Not the ceramic ones at cavernous home improvement stores, but a real fairy house made from natural elements? Well, now you can build your own miniature magical abode - the perfect addition to your garden. Step-by-step instructions for constructing exquisite fairy houses are revealed in *Fairy Houses*, explained by master fairy house architect Sally Smith. Smith has been creating one-of-a-kind DIY fairy houses out of natural artifacts for years, now she passes her miniature construction knowledge to you. Imagine, a fairy garden with homes that have butterfly wings as stained-glass windows, twigs for window frames, birch bark for walls, dried mushrooms for shingles; it's all possible with a little instruction and inspiration from *Fairy Houses*. Begin by flipping through an inspiration gallery, find which elements appeal to you, and how they fit together. From there, you'll learn

about building materials (found and natural), on-site fairy house construction, and how to light a fairy house.

Fairy Houses

One characteristic of the Celtic folk-lore I have endeavoured to represent in my selection, because it is nearly unique at the present day in Europe. Nowhere else is there so large and consistent a body of oral tradition about the national and mythical heroes as amongst the Gaels. Only the byline, or hero-songs of Russia, equal in extent the amount of knowledge about the heroes of the past that still exists among the Gaelic-speaking peasantry of Scotland and Ireland. I have endeavored to include in this volume the best and most typical stories told by the chief masters of the Celtic folk-tale, Campbell, Kennedy, Hyde, and Curtin, and to these I have added the best tales scattered elsewhere. By this means I hope I have put together a volume, containing both the best, and the best known folk-tales of the Celts.

Celtic Fairy Tales

John Hood's new novel *Mountain Folk* uses elements of folklore and epic fantasy to tell the story of America's founding in a fresh and exciting way. Goran is one of the rare fairies who can live without magical protection in the Blur, the human world where the days pass twenty times faster than in fairy realms. Goran's secret missions for the Rangers Guild take him across the British colonies of North America - from far-flung mountains and rushing rivers to frontier farms and bustling towns. Along the way, Goran encounters Daniel Boone, George Washington, an improbably tall dwarf, a mysterious water maiden, and a series of terrifying monsters from European and Native American legend. But when Goran is ordered to help the other fairy nations of the New World crush the American Revolution, he must choose between a solemn duty to his own people and fierce loyalty to his human friends and the principles they hold dear."

Mountain Folk

There are, roughly speaking, two distinct types of Scottish Fairy Tales. There are what may be called "Celtic Stories," which were handed down for centuries by word of mouth by professional story-tellers, who went about from clachan to clachan in the "Highlands and Islands," earning a night's shelter by giving a night's entertainment, and which have now been collected and classified for us by Campbell of Isla and others. These stories, which are also common to the North of Ireland, are wild and fantastic, and very often somewhat monotonous, and their themes are strangely alike. They almost always tell of some hero or heroine who sets out on some dangerous quest, and who is met by giants, generally three in number, who appear one after the other; with whom they hold quaint dialogues, and whom eventually they slay. Most of them are fairly long, and although they have a peculiar fascination of their own, they are quite distinct from the ordinary Fairy Tale. These latter, in Scotland, have also a character of their own, for there is no country where the existence of Spirits and Goblins has been so implicitly believed in up to a comparatively recent date. As a proof of this we can go to Hogg's tale of "The Wool-gatherer," and see how the countryman, Barnaby, voices the belief of his day. "Ye had need to tak care how ye dispute the existence of fairies, brownies, and apparitions! Ye may as weel dispute the Gospel of Saint Matthew." Perhaps it was the bleak and stern character of their climate, and the austerity of their religious beliefs which made our Scottish forefathers think of the spirits in whom they so firmly believed, as being, for the most part, mischievous and malevolent. Their Bogies, their Witches, their Kelpies, even their Fairy Queen herself, were supposed to be in league with the Evil One, and to be compelled, as Thomas of Ercildoune was near finding out to his cost, to pay a "Tiend to Hell" every seven years; so it was not to be wondered at, that these uncanny beings were dreaded and feared. But along with this dark and gloomy view, we find touches of delicate playfulness and brightness. The Fairy Queen might be in league with Satan, but her subjects were not all bound by the same law, and many charming tales are told of the "sith" or silent folk, who were always spoken of with respect, in case they might be within earshot, who made their dwellings under some rocky knowe, and who came out and danced on the dewy sward at midnight.

The Scottish Fairy Book

Three thousand years ago, a war began between the immortals and the mortals. It's a war that continues to this day... Before history began, a legendary queen battled a foreign army, braved the death of her husband, and faced betrayal at the hand of someone she trusted. This is the story of Eire, Queen of the Faeries, the Immortal One, and the leader of the Tuatha de Danann. To this day, her homeland,

Ireland, bears her name, and this is the story of the war that drove the Immortal Ones into exile. It's also the tale of how she found help from an unexpected place, leading her to a love like she had never known before. Fairytale Christmas is a story that spans thousands of years. It's also the beginning of all of our fairytales and legends; it's where mortals and immortals survive because they love one another, proving that love is the greatest gift of all. This is the first installment in the Saga of the Fair Folk, a journey that lasts until the end of time.

Fairytale Christmas

A skilled painter must stand up to the ancient power of the faerie courts--even as she falls in love with a faerie prince--in this gorgeous debut novel. 6 x 9.

An Enchantment of Ravens

Now, for the first time, a book reclaims the lost, rich heritage of working with faery folk that our pagan ancestors took as a matter of course. Learn to work with and worship with faeries in a mutually beneficial way. Practice rituals and spells in which faeries can participate, and discover tips to help facilitate faery contact. Photos and illustrations.

A Witch's Guide to Faery Folk

Trieste Publishing has a massive catalogue of classic book titles. Our aim is to provide readers with the highest quality reproductions of fiction and non-fiction literature that has stood the test of time. The many thousands of books in our collection have been sourced from libraries and private collections around the world. The titles that Trieste Publishing has chosen to be part of the collection have been scanned to simulate the original. Our readers see the books the same way that their first readers did decades or a hundred or more years ago. Books from that period are often spoiled by imperfections that did not exist in the original. Imperfections could be in the form of blurred text, photographs, or missing pages. It is highly unlikely that this would occur with one of our books. Our extensive quality control ensures that the readers of Trieste Publishing's books will be delighted with their purchase. Our staff has thoroughly reviewed every page of all the books in the collection, repairing, or if necessary, rejecting titles that are not of the highest quality. This process ensures that the reader of one of Trieste Publishing's titles receives a volume that faithfully reproduces the original, and to the maximum degree possible, gives them the experience of owning the original work. We pride ourselves on not only creating a pathway to an extensive reservoir of books of the finest quality, but also providing value to every one of our readers. Generally, Trieste books are purchased singly - on demand, however they may also be purchased in bulk. Readers interested in bulk purchases are invited to contact us directly to enquire about our tailored bulk rates.

The Fairy-Folk of Blue Hill

This anthology explores the multitude of evidence for recognisable fairy tales drawn from sources in the much older cultures of the ancient world, appearing much earlier than the 17th century where awareness of most fairy tales tends to begin. It presents versions of Cinderella, The Emperor's New Clothes, Snow White, The Frog Prince and a host of others where the similarities to familiar 'modern' versions far outweigh the differences. Here we find Cinderella as a courtesan, Snow White coming to a tragic end or an innocent heroine murdering her sisters. We find an emperor's new clothes where the flatterers compare him to Alexander the Great, or a pair of adulterers caught in a magic trap. Tantalising fragments suggest that there is more to be discovered: we can point to a Sleeping Beauty where the girl takes on the green colouring of the surrounding wood, or we encounter a Rumpelstiltskin connected to a mystery cult. The overall picture suggests a much richer texture of popular tale as a fascinating new legacy of antiquity. This volume breaks down the traditional barriers between Classical Mythology and the fairy tale, and will be an invaluable resource for anyone working on the history of fairy tales and folklore.

Ancient Fairy and Folk Tales

Continue the quest of this riveting and spellbinding heroic tale of swords and sorcery in part seven of the 'Fair Folk' Chronicles. This extraordinary legend resumes as King Arthur is forced into battle with his half sister Morgan Le Fay. Using the sacred 'Ring of Avalon' and Wise Merlin's stolen oak staff she conjures her vast army of new Black Guard from the earth and the un-dead. Sir Mordred is lost unto

the dark forces of Lord Pwyll of the 'Underworld' and the Shadow One's hatred for King Arthur couldn't be fiercer. How will the High King defeat this immeasurable enemy and more to the point how is it that the 'Fair Folk' have allowed this to happen? Will Wise Merlin the Enchanter have the power against the strong sorcery of the demon Lord Pwyll, will his magic be enough? With their constant gaze from the Crystal Castle of Avalon the 'Fair Folk' watch and observe the World of Men. They see all from the cauldron of the Queen of Norgales, but yet the High Necromancer Math Mathonwy seems to be holding back, when will he use his sorcery to stop Lord Pwyll and Sir Mordred's vast armies? Who is the Bird Knight that Sir Galahad the Grail Knight encountered and the Earth Elemental Seraphe? These two 'Fair Folk' are likened to 'Ancient Ones' who came before man, but they know of many more answers that man might question. Who are they really... read on... Now there is a new enemy in the house of Pendragon, one to which no man could possibly have realised. The adversary is a war of religion in the ranks of the 'Brotherhood' of knights but who instigates it? Will it be this that finally brings down the kingdom of the High King? With the loss of Excalibur, King Arthur is bereft without it. However Sir Accolon still holds it given unto him by Morgan Le Fay, but will the Powys Knight ever return it? Ever loyal to Morgan Le Fay Sir Accolon must now decide how he will play his hand and for the love of Lady Dana whose side shall he finally take up arms? This tale is bound in a cloak of the frightening supernatural and is a highly gripping legend like no other. Many tales within tales are told herein of death and glory and joy and sadness. The story of three worlds are told within, the mystical world of the 'Fair Folk' the supernatural lands of the 'Underworld' and the habitual world of men. Continue the quest in part seven... This brilliant re-telling of the timeless tales of King Arthur and his Knights is a "must read." Not only is the text vibrant and fresh, the author breathes new life into the characters and creates a world of harsh, brutal reality and enchanting, mystical sorcery. The epic novel is beautifully detailed, graphically portrayed and the writing is gritty, lyrical and erotic. - DPDOT.COM Such was my pleasure at reading this book that I was unable to place it back upon the shelf until I had partaken and consumed all that was within it. It took me out of my life to a different realm from which I was saddened to return. The magic and mystery enchanted my being, lifting me from the drudgery of day. So t'will be good to travel again whenever I need to be freed. - Chris Jackson Astounding books to read, so full of adventure and excitement! There is a lot of emotions and so much going on! The story itself is just amazing! I would thoroughly recommend it. There is a lot of sadness and tears and hope and glory. These books are a joy to read. - Tony Rowlett

Irish Folk and Fairy Tales

Fairies have been revered and feared, sometimes simultaneously, throughout recorded history. This encyclopedia of concise entries, from the A-senee-ki-waku of northeastern North America to the Zips of Central America and Mexico, includes more than 2,500 individual beings and species of fairy and nature spirits from a wide range of mythologies and religions from all over the globe.

Swords and Souls, 'Fair Folk' Chronicles, Part Seven

Sylvia Townsend Warner's final collection of short stories contains sixteen sly and enchanting stories of Elfindom.

Encyclopedia of Fairies in World Folklore and Mythology

Peace in a troubled world I hope that reading this book will give you some inspiration to do some writing yourselves. I have aimed it at people who suffer mental health issues, but I would like to think that anybody, whatever their background, will find it of some interest too. My interest of English fairy folklore and pagan Britain, I find it truly fascinating. Writing this short story have really helped me think about the kind of world and what path I would like to take in the future. A nature based religion is the way forward in my opinion. I would like to think that in the near future, all religions of the world could live in peace as one. There would be no more wars and bloodshed. We would all live in peace. We can only live in hope. Blessed be.

Kingdoms of Elfin

Myths, legends, and magic are woven together in a collection of enthralling Irish folktales from the New York Times bestselling author of the Secrets of the Immortal Nicholas Flamel series. A competition to become King of the Leprechauns... A trick designed to fool the Queen of the Fairies... A terrifying lake monster confronted by the unlikeliest of heroes... Nine Irish legends come to life in these timeless, action-packed folktales about mythological creatures and epic heroes. A master of Irish mythology,

bestselling author Michael Scott has crafted stories guaranteed to enthrall young readers who love magic, legends, and lore. And don't miss the companion collection of Irish fairy tales, Magic & Myth!

Peace in a Troubled World

The Fairy Books, or "Coloured" Fairy Books is a collection of fairy tales divided into twelve books, each associated with a different colour. Collected together by Andrew Lang they are sourced from a number of different countries and were translated by Lang's wife and other translators who also retold many of the tales. The collection has been incalculably important and, although he did not source the stories himself direct from the oral tradition he can make claim to the first English translation of many. First published in 1910, The Lilac Fairy Book is the final volume in this series.

Legends and Lore

Enter a captivating world of sparkles and spells in this vibrant illustrated book. Discover house fairies, garden fairies, water fairies. Learn about famous fairies from history and fairy foes. Once you've read this book, you'll qualify as a keeper of fairy secrets and a trusted friend of the fairy folk! Long ago, Titania, queen of the fairies, ruled that the secrets of her kingdom should never be passed to the outside world. However, some children have a sprinkling of stardust in their souls, and the fairy queen has agreed that those special little people might be granted a glimpse of her enchanted realm. Open the pages of this book, and step into a glittering world of fairy magic and mischief. From woodland sprites to garden pixies, and from water nymphs to house elves, here are the fairies that live all around us, if only we would look! Explore the mysterious world of Fairyland, take a peek inside the fairy queen's magnificent castle and learn about famous fairies from Tinker Bell and the Blue Fairy to the wicked fairy in Sleeping Beauty. Find out how shimmering spider silk gowns are all the rage in the world of fairy fashion, and learn about magical tools, from fairy wands to fairy dust.

The Lilac Fairy Book

To Live with the Fairy Folk is a guide to changing one's surroundings inside the house and in the garden to attract the elusive sprites seen frolicking and dancing in folklore of cultures as widely separated and diverse as Japan, Ireland, Spain, Denmark, and the Americas. "To be surrounded by cheerful Folk," writes Marina Stern, "is to be cheerful, buoyed up by the laughter of Nature Herself. To arrange your life, home, and especially garden in order to make the Folk welcome is to invite happiness, luck, and love." There are as many theories about the origins and identities of Fairy Folk as there are people who believe in them. They are known variously as "the Good People," "the Little People," "the Good Neighbors," "the Gentry," and "the People of Peace." The Folk are made of memory, imagination, tradition, and desire. They exist wherever people are -- they are ever present, like air. To Live with the Fairy Folk teaches the etiquette favored by the Folks. Respect for privacy, generosity, neatness, fairness, and romance are essential. Then there's the matter of where the Folk like to live -- what trees to plant and how to best care for them, tips about lighting (inside and outside), and instructions for using water, shade, sunshine, and fragrances to make a Folk-friendly habitat. Stern concludes the book with magical garden designs you can easily duplicate.

The Book Of Fantasy

Fairies
