New 2015 edition fully updated for new Study Manual and including analysis of 2014 exam papers. Includes questions on the Financial Management Ethics topic which became examinable from March 2014 onwards. Short form question bank providing over 350 practice questions for the Professional Level Financial Management exam. Designed to complement past paper practice by splitting topics and concepts into smaller and more manageable chunks which you can revise many times before the exam, helping the knowledge to sink in. Helps to build your confidence and avoid becoming overwhelmed by the large number of learning points in full exam standard questions. Instead, our Q&A tests one thing at once and therefore allows you to learn an issue properly before moving on. Questions are organised into 10 chapters, covering all aspects of the syllabus. Analysis of distribution of past paper marks over the 2009 to 2014 period to help you focus your revision on key areas. Questions are split into Narrative and Numerical chapters, allowing you to drill the easy narrative areas on their own - narrative questions account for 30-35% of a typical Financial Management paper. The Q&A will therefore help

you to avoid any overemphasis on studying numerical topics which is typical of many failing candidates. Detailed questions on investment appraisal, capital markets and WACC, hedging and other areas. Full explanation of hedging approaches and calculations. All questions are designed to split topics into smaller parts, allowing you to study one thing at once and gradually build up knowledge.
