DIVISION OF ASSETS & DEBTS

What is the difference between community property and separate property?

Community property is property acquired during the marriage that is not separate property.

What are the four categories of separate property?

What if I inherited \$20,000 during the marriage and used that money to buy a new car, would the car be my separate property?

What if money gifted to me was used for a down payment on a house?

What about wedding gifts?

Separate property is: 1. Property acquired before marriage; 2. Gifted property; 3. Inherited property; 4. Property acquired after separation.

Is community property and community debt always divided equally?
