Christian Doctrines: a Compendium of Theology, Annotated

Although this classic book of Christian theology was written by a prominent Baptist theologian, all Christians may benefit from the studying the points where agreement is found on the essentials of the faith. Conversely, the Baptist distinctive doctrines are explained in a very clear and logical manner. This books was written in 1878, but speaks rationally and persuasively to students of the Bible in modern times.

Christian Doctrines

Penning by a Christian teacher who has led thousands of students through the unfamiliar terrain of systematic theology, *A Primer for Christian Doctrine* serves as a friendly guide to theology's topics, debates, and terminology. Telling you what you need to know as you begin your study of theology or doctrine, the book is an ideal companion to more comprehensive texts. After a brief introduction defending the continued need for doctrine, Jonathan Wilson clearly and concisely maps out each of the main topics of Christian belief in separate chapters. He also traces the differing emphases of theologians while suggesting reasons for their differences. Whether as a first taste of theology or as a readable summary of its present state, Wilson's *Primer for Christian Doctrine* will be an invaluable resource for students and small groups pursuing a deeper knowledge of what Christians believe.

A Primer for Christian Doctrine

A well-planned abridgement of the doctrines, organization, and ordinances of the church.

Christian Doctrines

This imperative resource addresses the need for understanding basic Christian teachings. It makes the theological content of the Bible accessible to a wide audience, in an easy-to-follow format. Fifteen key Christian doctrines are explored chapter-by-chapter, including: The Personal God, Sanctification, Christian Living: Responsibilities to Others and Nature, Jesus Christ, and more. Each of these chapters includes a detailed outline and complete citations. This is an unparalleled, affordable resource for ministers and laymen alike who want a more in-depth resource at their fingertips, and who long to be

more thoroughly grounded in their faith. Special Features: - Includes approximately 35,000 Scripture references from the popular New International Version

Christian Doctrines

This volume is accurately annotated, including * an extensive biography of the author and his life * working interactive footnotes The four books of St. Augustin On Christian Doctrine (De Doctrina Christiana, iv libri) are a compend of exegetical theology to guide the reader in the understanding and interpretation of the Sacred Scriptures, according to the analogy of faith. The first three books were written ad 397; the fourth was added 426. It is the first and best patristic work on biblical Hermeneutics, and continued for a thousand years, together with the Prefaces of Jerome, to be the chief exegetical guide. Although it is superseded as a scientific work by modern Hermeneutics and Critical Introductions to the Old and New Testaments, it is not surpassed for originality, depth and spiritual insight.

Christian Dogmatics

Dallas Seminary Professors Make Basic Theology Accessible for All Theology doesn't have to be complicated. In this book, trusted Dallas Seminary professors present a concise systematic theology that distills the essential spiritual truths in a way that makes sense to readers--students, lay people, and pastors. Here are introductions, overviews, and reviews of key tenets of orthodox protestant evangelical doctrines. The book also includes an annotated list of key applicable Bible texts, a quick-paced story of doctrine throughout church history, heresies or distortions to be aware of, and more. Exploring Christian Theology is useful for discipleship, catechism, membership training, preview or review of doctrine, or quick personal reference. It can also be used by ministry training programs, Bible colleges, or seminaries as an introductory primer to orient students in preparation for a more in-depth study of theology.

Topical Analysis of the Bible

Outline Studies in Christian Doctrine has been a primer for many thousands of Bible school students who, as missionaries, ministers and lay Christians, have carried its teaching to every part of our world. George P. Pardington, son of a Methodist minister, had the advantage of a classical education (Drew University), earning his doctorate in 1898 from New York University. Early drawn to A.B. Simpson and his "Friday meetings" in New York City, Pardington devoted most of his professional life to teaching at Simpson's Missionary Training Institute—now Nyack (New York) College. Severely handicapped as the result of a merciless beating at age 10 by his schoolteacher, Pardington did not let physical suffering suppress his victorious spirit or his keen sense of humor. He regaled his students with his wit and motivated them by the warmth of his unwavering devotion to Jesus Christ and the Scriptures. Published posthumously following the author's untimely death in 1915 at age 49, has been in continuous print for nearly three-quarters of a century. The chapters of this book, prepared personally by the author just prior to his death, distill the essence of his classroom teaching.

On Christian Doctrine (Annotated Edition)

This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. To ensure a quality reading experience, this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy-to-read typeface. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Systematic Theology

This innovative work is an introduction to Christian theology with a difference. Not only does it interpret, with clarity and energy, fundamental Christian beliefs but it also shows how and why these beliefs arose, promoting an understanding of theological reflection that encourages readers to think theologically themselves. From Irenaeus and Aquinas to Girard, from Augustine to Zizioulas and contemporary feminist thought, Divine Teaching explores the ways in which major thinkers in the Christian tradition

have shaped theology through the wide variety of their encounters with God. It makes theological study adventurous and interactive, not necessarily requiring a faith commitment from all, but allowing readers a thoughtful involvement in the subject that takes seriously the Christian vision of God as the ultimate teacher of theology. *Divine Teaching: An Introduction to Christian Theology* is an imaginative and lively analysis of the Christian way of thinking, offering vivid and informing insight into the history and practice of Christian theology.

Exploring Christian Theology : Volume 3

The SCM Core Text: *Christian Doctrine* offers an up-to-date, accessible introduction to one of the core subjects of theology. Written for second and third-year university students, it shows that Christian Doctrine is not a series of impossible claims to be clung to with blind faith. Mike Higton argues that it is, rather, a set of claims that emerge in the midst of Christian life, as Christian communities try to make enough sense of their lives and of their world to allow them to carry on. Christian communities have made sense of their own life, and the life of the wider world in which they are set, as life created by God to share in God's own life. They have seen themselves and their world as laid hold of God's life in Jesus of Nazareth, and as having the Spirit of God's own life actively at work within them. This book explores these and other central Christian doctrines, and in each case, shows how the doctrine makes sense, and how it is woven into Christian life. It will help readers to see what sense it might make to say the things that Christian doctrine says, and how that doctrine might affect the way that one looks at everything: the natural world, gossip, culture, speaking in tongues, politics, dieting, human freedom, love, High Noon, justice, computers, racism, the novels of Jane Austin, parenthood, death and fashion.

Outline Studies in Christian Doctrine

Christianity Today 2023 Award of Merit (Academic Theology) This introduction draws on the breadth of the Christian tradition to present a biblically grounded, globally informed, and conceptually precise account of the doctrine of the Trinity. It covers key themes and concepts, offering an alternative to introductory texts on the Trinity that are arranged historically/chronologically. The book incorporates majority world theology, engages important debates in contemporary biblical studies, and draws on neglected historical figures. It also contains a glossary of trinitarian terms and an annotated bibliography of major works on the doctrine of God.

Christian Doctrines

Martin Luther wrote: "Faith takes hold of Christ and has Him present, enclosing Him as a ring encloses a gem." We hold faith as we seek to know Christ better, exploring Christian doctrines and deepening our understanding of their relevance to our day-to-day lives. Faith holds us as we respond to Christ's calling, negotiate life's challenges, and join in the work of bringing in God's kingdom. This introduction to Christian theology shows how various understandings of particular doctrines play out in relation to the way we live our lives. It explores the content of core Christian doctrines and celebrates the "so what?" of each. Using theological literature and Scripture, but also current events, sociology, fiction, and movies, Rigby shows that theology is key to how we come to understand and negotiate our world. *Holding Faith* contends that some approaches to Christian doctrine are preferable to others, making persuasive arguments for creative ways of believing that can enliven our lives, and the life of the world. Theology has relevance because it can stymie or transform. How will we hold our faith? "Cynthia Rigby has written an accessible and lucid book of theological reflection for today's believers, seekers, and doubters. This is no small feat. The book succeeds in the daunting challenges of presenting Christian theology with clarity and completeness, with commitment and generosity. It is an admirable text for theology students, pastors, and all those interested in understanding more deeply their faith and life." Leanne Van Dyk, President and Professor of Theology, Columbia Theological Seminary, Decatur, GA "This is an extraordinary book. Cynthia Rigby is a Reformed theologian, a minister, and a teacher. All of these gifts are evident in *Holding Faith*, as Rigby offers an eloquent introduction to Christian theology that is academically rich, pastorally sensitive, and profoundly accessible. She does not make theology accessible by watering it down, but rather by explaining it with compelling clarity. *Holding Faith* is perfect for seminarians, pastors, church groups, and curious souls; for those who are new to Christianity and those who have been studying and living Christian faith their entire lives. It will be an enormous blessing to those who teach theology and those who preach the gospel." Shannon Craigo-Snell, Professor of Theology, Louisville Presbyterian Theological Seminary, Louisville, KY "Cynthia Rigby's is a timely, necessary, and accessible voice in theological discourse, not only for those who together comprise

Christendom but also for those who are curious enough about what Christian doctrines offer by way of challenge, critique, and comfort in our increasingly distracted, fractious world. *Holding Faith* is a prophetic, priestly, and pastoral defense of a faith tradition that historically contributed to this oppressive state of affairs - yet undoubtedly remains rife with redemptive possibility - for individuals, communities, nations, the cosmos. In its pages, Rigby provides church folks, people of other faiths, seminarians, and inquisitive "nones" with a "thoughtful place" to search out our private and corporate relationships to the God whom the doctrines signify, however imperfectly." JoAnne Marie Terrell, Associate Professor of Theology, Ethics, and the Arts, Chicago Theological Seminary "For those of us who teach theology, it's rare to find a text that is accessible to those with no previous exposure to theology while also introducing readers in deep and expansive ways to major doctrinal teachings. But Rigby has managed to accomplish both here. This is a profoundly personal and invitational approach to thinking theologically in ways that demonstrate the relevance of ancient teachings for our world today. And it is also a serious engagement with the biblical text, a vast array of historical and contemporary theological voices, poetry, literature, film, and more—this introduction to theology will empower readers to hold onto faith in new and exciting ways." Deanna A. Thompson, Professor of Religion at Hamline University, St. Paul, MN

Divine Teaching

This Is A New Release Of The Original 1902 Edition.

SCM Core Text Christian Doctrine

Called to Believe, Teach, and Confess offers an overview of the major doctrines of Christianity in a comprehensive, but accessible way. Written from a Lutheran perspective, this book is a helpful resource to those within that tradition and to others who seek a deeper theological understanding. Firmly rooted in Scripture, this book emphasizes the interrelatedness of all Christian teaching, with its central teaching being the doctrine of justification by grace through faith in Jesus Christ. This book is ideal as a text for university students and other educated Christian adults who seek to expand their knowledge of God's revelation and its application in human lives. It introduces and uses classical theological vocabulary and terminology, while offering clear definitions and application. Key terms, study questions, glossary, and sidebars help make this a valuable resource. Suggested readings from Scripture, the Lutheran Confessions and other secondary sources guide the reader into deeper study.

Trinitarian Dogmatics

This book is about the crisis brought about by doctrine's estrangement from reality--that is from actual lives, experiences, histories, and from God. By invoking "the end of doctrine," Christine Helmer opens a new discussion of doctrinal production that is engaged with the challenges and possibilities of modernity. The end of doctrine refers on the one hand to unquestioning doctrinal reception, which Helmer critiques, and on the other, represents an invitation to a new way of understanding the aim of doctrine in deeper connection to the reality that it seeks. The book's first section offers an analysis of the current situation in theology by reconstructing a trajectory of Protestant theology from the turn of the twentieth century to today. This history focuses primarily on the status of the word in theology and explains how changes in theology in the context of the political and social crisis in Europe in the 1920s and 1930s led to a distancing of the word from reality. Helmer then turns to the constructive section of the book to propose a repositioning of theology to the world and to God. Helmer's powerful work will inspire revitalized interest in both doctrine and theological inquiry itself.

Holding Faith

This scarce antiquarian book is a facsimile reprint of the original. Due to its age, it may contain imperfections such as marks, notations, marginalia and flawed pages. Because we believe this work is culturally important, we have made it available as part of our commitment for protecting, preserving, and promoting the world's literature in affordable, high quality, modern editions that are true to the original work.

The Death of Christ

You Mean to Say You Don't Know the Meaning of * Monophysitism * Hypostatic Union * Infralapsarian * Traducianism * Chiliastic * Pneumatomachian Cheer up! You don't have to have thousand-dollar vocabulary in order to grasp the priceless basics of Christianity. *Christianity 101* bridges the gap

between biblical scholarship and people who want to understand the Christian faith. This book presents eight basic doctrines of Christianity--The Bible, God, Christ, Holy Spirit, Human Beings, Redemption, The Church, and The Last Things--in clear, simple language that gives seasoned Christians a fresh understanding of the Bible and its teachings and puts new Christians on familiar terms with Christian doctrine. Gilbert Bilezikian does not shape his analysis of these doctrines in the worn-out, rationalistic categories of older systematic theologies, but in vibrant, dynamic language designed to communicate biblical truths to contemporary believers.

Called to Believe, Teach, and Confess

A set of original and authoritative accounts, by an distinguished international team of authors, of all the major areas of current research in Christian systematic theology, offering a thorough survey of the state of the discipline and of its prospects for those undertaking research and teaching in the field.

Theology and the End of Doctrine

To many people both inside the Church and outside it--what goes on in the Church is either routine or irrelevant. Consequently, what the Church has to say is not very meaningful. Why should people listen to what the Church has to preach and think about it? No one is better qualified to answer this question than Professor Emil Brunner. Dr. Brunner is a teacher of theology in the University at Zurich, Switzerland, and one of the clearest and most constructive religious thinkers of our day. Any book of his is an event because he succeeds so well in combining sound learning with persuasive and readable analysis, and because he is thoroughly acquainted with both American and Continental ways of thinking. In this book, Dr. Brunner sets the claim of the widespread intellectual relativism of contemporary culture. He seeks to show that both Catholic and secular thought misunderstand the relations between reason and revelation because revelation is always subordinated to reason. Brunner reverses the position. He goes back to the Bible and the Reformers and maintains that when reason is subordinated to revelation the preaching of the Gospel is at once true to itself and intelligible. Here is a forceful and thorough volume which helps both believers and unbelievers to understand themselves. -Publisher

A Critical History of the Christian Doctrine of Justification and Reconciliation (1872)

Leading evangelical scholar Millard Erickson offers a new edition of his bestselling doctrine text (over 100,000 copies sold), now thoroughly revised throughout. This book is an abridged, less technical version of Erickson's classic Christian Theology. Pastors and students alike will find this survey of Christian theology and doctrine to be biblical, contemporary, moderate, and fair to various positions. It is a practical and accessible resource that applies doctrine to Christian life and ministry. This book is supplemented with helpful web materials for students and professors through Baker Academic's Textbook eSources.

Christianity 101

The lives of Christian churches are shaped by doctrinal theology. That is, they are shaped by practices in which ideas about God and God's ways with the world are developed, discussed and deployed. This book explores those practices, and asks why they matter for communities seeking to follow Jesus. Taking the example of the Church of England, this book highlights the embodied, affective and located reality of all doctrinal practices – and the biases and exclusions that mar them. It argues that doctrinal theology can in principle help the church know God better, even though doctrinal theologians do not know God better than their fellow believers. It claims that it can help the church to hear in Scripture challenges to its life, including to its doctrinal theology. It suggests that doctrinal disagreement is inevitable, but that a better quality of doctrinal disagreement is possible. And, finally, it argues that, by encouraging attention to voices that have previously been ignored, doctrinal theology can foster the ongoing discovery of God's surprising work.

The Oxford Handbook of Systematic Theology

CHRISTIAN DOCTRINE has introduced thousands to the tenets of the Christian faith. This newly revised edition reflects changes in the church and society and takes into account new works in Reformed theology, gender references in the Bible, racism, pluralism, ecological developments and liberation theologies.

Revelation and Reason

Appropriately the premier volume in the Guides to Theology series, *The Trinity* provides readers with a basic knowledge of the central and most distinctive doctrine of the Christian faith -- the triune nature of God. Concise, nontechnical, and up-to-date, the book offers a detailed historical and theological description of the doctrine of the Trinity, tracing its development from the first days of Christianity through the medieval and Reformation eras and into the modern age. Special attention is given to early church controversies and to the church fathers who helped carve out the doctrine of the triune God as well as to the twentieth-century renaissance of the doctrine. The second part of the book contains a comprehensive annotated bibliography of classical and contemporary works on the doctrine of the Trinity.

Introducing Christian Doctrine

This is the extended and annotated edition including * an extensive biographical annotation about the author and his life *The Institutes of the Christian Religion* (*Institutio Christianae religionis*) is John Calvin's seminal work on Protestant systematic theology. Highly influential in the Western world and still widely read by theological students today, it was published in Latin in 1536 (at the same time as the English King Henry VIII's Dissolution of the Monasteries) and in his native French in 1541, with the definitive editions appearing in 1559 (Latin) and in 1560 (French). The book was written as an introductory textbook on the Protestant faith for those with some previous knowledge of theology and covered a broad range of theological topics from the doctrines of church and sacraments to justification by faith alone and Christian liberty. It vigorously attacked the teachings of those Calvin considered unorthodox, particularly Roman Catholicism to which Calvin says he had been "strongly devoted" before his conversion to Protestantism. *The Institutes* is a highly regarded secondary reference for the system of doctrine adopted by the Reformed churches, usually called Calvinism. (from wikipedia.com)

The Life of Christian Doctrine

John Wesley (1703-1791) is the chief architect and source of inspiration to the teaching commonly referred to as Christian perfection. Among his many publications, the book that best summarizes his teachings on holiness is *A Plain Account of Christian Perfection*, as believed and taught by the Reverend Mr. John Wesley, from the year 1725 to the year 1777. For many years this timeless classic has been reproduced in various formats. Now, for the first time, John Wesley's 'A Plain Account of Christian Perfection' is being offered in a definitive Annotated Edition by Mark K. Olson. This edition is volume one in a projected three volume series. The Annotated Edition offers the following: · The entire text has been divided into chapters and verses for detailed study and cross-referencing. · The introduction examines in detail when and why Wesley wrote *A Plain Account*. · The verse by verse commentary discusses the history and background behind the text, offering unsurpassed explanation of Wesley's doctrine of perfect love. · Five end notes address Wesley's early doctrinal development, the impact of Aldersgate on his perfection doctrine, many testimonies of attaining perfection, and other relevant material from early Methodism. · Over 150 quotations from Wesley's sermons, writings, and letters offer unlimited clarification to his views on perfection. · The insights of many Wesley scholars are included: Albert Outler, Randy Maddox, Kenneth Collins, William Greathouse, Thomas Oden, Harold Lindstrom, Stephen Gunter, H. Ray Dunning, Theodore Runyon, plus many others. · A timeline details every event in Wesley's lifetime corresponding to *A Plain Account*. · Several exhaustive indexes are included: scripture, annotation, subject, author, Wesley quotations, and two synonym indexes from Wesley's *Journal* and *A Plain Account*. · The Essential Reading Section further empowers the study of Wesley's theology of perfection. Included are: o Twenty key sermons, along with their dates and locations in Wesley's Works (both the Jackson and Bicentennial editions). · Wesley's most important writings on perfection, listing their date and location in his Works. · 250 letters relevant to his theology of perfection. The index includes their date and location in Wesley's Works, with a brief description of their contents. Two additional volumes are planned in the series. John Wesley's *Theology of Perfection* will offer specialized studies for those wanting to dig deeper into Wesley's theology of perfection. The third volume, *John Wesley's Doctrine of Christian Perfection*, will present in systematic format every facet of Wesley's views on perfection. The projected release for both volumes is 2006 and 2007. Together, these three volumes will present one of the most thorough and exhaustive studies ever done on Wesley's most beloved, yet, most controversial doctrine.

Christian Doctrine

The dogma of the Holy Trinity is the fundamental and primary Christian doctrine. It has been held by orthodox Christians that to loose or diminish this doctrine is to begin to descend a slippery slope, leading to the loss of Christianity itself. Yet at the level of the local church, there may be discerned a general feeling that the Trinity is both difficult to understand and unimportant; that to have faith in Jesus and to love one's neighbor is what Christianity is all about. Despite the recital of creeds, or the use of the trinitarian formula in 'The Grace', most Christians appear in practice not to integrate their experience and knowledge of God the Father, Son and Holy Spirit. Here eleven men from five countries combine to present a report and analysis of the way in which the doctrine of the Trinity has been, and is being, discussed in recent theology and by distinguished theologians. They all write from within a commitment to orthodoxy but they recognize that in our modern day we need to find new and attractive ways of presenting and expounding this ancient truth.

The Trinity

This scarce antiquarian book is a facsimile reprint of the original. Due to its age, it may contain imperfections such as marks, notations, marginalia and flawed pages. Because we believe this work is culturally important, we have made it available as part of our commitment for protecting, preserving, and promoting the world's literature in affordable, high quality, modern editions that are true to the original work.

The Institutes Of The Christian Religion

How do we know the Bible is God's Word? What is sin and where did it come from? How is Jesus fully God and fully man? What are spiritual gifts? When and how will Christ return? If you've asked questions like these, then "systematic theology" is no abstract term. It's an approach to finding answers every Christian needs to know. Bible Doctrine takes a highly commended upper-level textbook on systematic theology and makes it accessible to the average reader. Abridged from Wayne Grudem's award-winning Systematic Theology, Bible Doctrine covers the same essentials of the faith, giving you a firm grasp on seven key topics: The Doctrine of the Word of God The Doctrine of God The Doctrine of Man The Doctrine of Christ The Doctrine of the Application of Redemption The Doctrine of the Church The Doctrine of the Future Like Systematic Theology, this book is marked by its clarity, its strong scriptural emphasis, its thoroughness in scope and detail, and its treatment of such timely topics as spiritual warfare and the gifts of the Spirit. But you don't need to have had several years of Bible school to reap the full benefits of Bible Doctrine. It's easy to understand—and it's packed with solid, biblical answers to your most important questions.

The Christian Doctrine of Justification and Reconciliation: The Positive Development of the Doctrine; Volume 3

Christianity Today 2023 Book Award (Theology - Academic) In both biblical studies and systematic theology, modern treatments of the person of Christ have cast doubt on whether earlier Christian descriptions of God--in which God is immutable, impassible, eternal, and simple--can fit together with the revelation of God in Christ. This book explains how the Jesus revealed in Scripture comports with such descriptions of God. The author argues that the Bible's Christology coheres with and even requires the affirmation of divine attributes like immutability, impassibility, eternity, and simplicity.

A Plain Account of Christian Perfection

Dallas Seminary Professors Make Basic Theology Accessible for All Theology doesn't have to be complicated. In this book, trusted Dallas Seminary professors present a concise systematic theology that distills the essential spiritual truths in a way that makes sense to readers--students, lay people, and pastors. Here are introductions, overviews, and reviews of key tenets of orthodox protestant evangelical doctrines. The book also includes an annotated list of key applicable Bible texts, a quick-paced story of doctrine throughout church history, heresies or distortions to be aware of, and more. Exploring Christian Theology is useful for discipleship, catechism, membership training, preview or review of doctrine, or quick personal reference. It can also be used by ministry training programs, Bible colleges, or seminaries as an introductory primer to orient students in preparation for a more in-depth study of theology.

One God in Trinity

Explores the crucial issue of the authority of the past in Christian theology, focusing especially on how doctrine serves to maintain continuity within the Christian tradition.

The Christian Doctrine of Salvation (1909)

First published in 1861, this classic work of theology explores the history of the Christian doctrine of the person of Christ. Drawing on a wide range of sources, Dorner traces the evolution of this important doctrine from the early church to the present day. With its detailed analysis and careful scholarship, this book remains a valuable resource for scholars of theology and Christian history. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the "public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Bible Doctrine

A team of world-renowned scholars explores on what grounds and to what extent the New Testament shapes and prescribes Christian theology.

Jesus and the God of Classical Theism

Trieste Publishing has a massive catalogue of classic book titles. Our aim is to provide readers with the highest quality reproductions of fiction and non-fiction literature that has stood the test of time. The many thousands of books in our collection have been sourced from libraries and private collections around the world. The titles that Trieste Publishing has chosen to be part of the collection have been scanned to simulate the original. Our readers see the books the same way that their first readers did decades or a hundred or more years ago. Books from that period are often spoiled by imperfections that did not exist in the original. Imperfections could be in the form of blurred text, photographs, or missing pages. It is highly unlikely that this would occur with one of our books. Our extensive quality control ensures that the readers of Trieste Publishing's books will be delighted with their purchase. Our staff has thoroughly reviewed every page of all the books in the collection, repairing, or if necessary, rejecting titles that are not of the highest quality. This process ensures that the reader of one of Trieste Publishing's titles receives a volume that faithfully reproduces the original, and to the maximum degree possible, gives them the experience of owning the original work. We pride ourselves on not only creating a pathway to an extensive reservoir of books of the finest quality, but also providing value to every one of our readers. Generally, Trieste books are purchased singly - on demand, however they may also be purchased in bulk. Readers interested in bulk purchases are invited to contact us directly to enquire about our tailored bulk rates.

Exploring Christian Theology

Leading evangelical scholar Millard Erickson offers a new edition of his bestselling textbook, now substantially updated and revised throughout. This edition takes into account feedback from professors and students and reflects current theological conversations, with added material on the atonement, justification, and divine foreknowledge. Erickson's comprehensive introduction is biblical, contemporary, moderate, and fair to various positions, and it applies doctrine to Christian life and ministry.

The Genesis of Doctrine

History of the Development of the Doctrine of the Person of Christ; Volume 2
