The Ologies Collection

A spy reveals startling secrets and carries out a breathless mission in an astonishing guide that takes the 'Ologies to a new level. The year is 1958, and British spy Spencer Blake, aka "Agent K," is on an undercover mission to expose a deadly criminal organization. As he traverses the globe with his American and Soviet cohorts — from Scotland to Berlin to Las Vegas to Cuba — he furtively records his secret techniques in a manual for new recruits. Once they've primed themselves on the essentials of spy craft, keen-eyed readers will discover that Agent K has been setting them challenges and clues to decipher all along. If they are clever enough to unravel them all, a great reward awaits!

GHOSTOLOGY.

The first title in the Dragonology Chronicles, steps into the the world of the Secret and Ancient Society of Dragonologists. Join twelve-year-old Daniel Cook and his sister Beatrice as they begin their dragonological apprenticeship under the eye of the eccentric Dr. Drake. Suddenly, a crisis interrupts their studies - can they find the fabled Dragon's Eye gem? And most importantly, can it be saved from falling into the hands of the evil Ignatius Crook? The future of all dragons rests in their hands.

Monsterology

Seven years after the events of The Shadow Dragons, John, Jack and Charles are finally able to return to their beloved Archipelago of Dreams. But even as their return is celebrated by old friends, new concerns shadow the reunion, namely the threat of Echthroi, the primordial Shadow, but, perhaps even worse, the apparent splintering of Time itself. Now, the Caretakers must fight against their most fearsome enemy ever and attempt to restore Time. They must journey through a forgotten door from the destroyed Keep of Time in order to seek out the Dragon's Apprentice. If they fail, it will mean the end of both of the worlds. But success will carry its own price - a price that may be too high even for the Caretakers to bear.

Pirateology

Just in time for Halloween! Find sundry novelties, flaps, facsimiles, and more in a haunting—or is it haunted?—volume that gives new meaning to the term ghost writer. Have you been hearing strange footsteps and knocks, whispers and rattling chains? Perhaps the early-twentieth-century author of this newly discovered tome has some secrets to share. Within the book's weathered pages you'll hear of a headless French pirate in search of his missing noggin, a vanishing pair of young trickster twins, a ghostly woman who screams for attention, and other communications from the "fun side." Readers who wish to plumb the mysteries of the paranormal will find some hands-on challenges to lift their spirits, along with tips on a range of spectral subjects, such as what to pack in a ghostologist's field kit, how to distinguish the types of ghosts, the best ways to hunt them, and spotting the unfortunate fakes and frauds. Too bad the late author never got to see her guide find its way into the world! But wait—what are those strange and scratchy asides that appear in odd places throughout the book?

Build the Dragon

Offers an outrageously humorous version of the classic fairy tale about a musician who helps the town of Hamelin with its rat problem.

Dr Drake's Comprehensive

Alienology

As featured in the first year set texts reading list in Harry Potter and the Philosopher's Stone, 'Fantastic Beasts and where to find them' is an extensive introduction to the magical beasts that exist in the magical, non-Muggle world. Some of the animals featured in the A-Z you will have already met in the existing Harry Potter books: for example Hippogriff, Flobberworm, Kappa - others you certainly won't: read on to find out exactly what a Chizpurfle is, why there are so few Erumpents, or why one should always beware of the sinister Lethifold... As Albus Dumbledore says in his introduction, this set text book by Newt Scamander has given the perfect grounding to many a Hogwarts student. It will be helpful to all Muggles out there too... On reading the book you will also find that Harry, Ron and (in one instance) Hermione - couldn't resist graffitiing the book, and adding their own personal hand-written opinions. Did you know that : there are 700 ways of committing a foul in Quidditch? The game first began to evolve on Queerditch Marsh? What Bumping is? That Puddlemere United is oldest team in the Britain and Ireland league? (founded 1163) All this information and much more could be yours once you have read this book: this is all you could ever need to know about the history, the rules - and the breaking of the rules - of the noble wizarding sport of Quidditch.

The Book of Wizard Craft

Join a Jack-in-the-box who decides it is high time the toys had wonderful Christmas presents of their own.

'Just One More Story'

A companion to the best selling PIRATEOLOGY. Learn all about the life of a pirate, their adventures and the rules they live by.

The Dragon Diary

Companion to the recent title, Mythology, in the best-selling Ology series. This is the full course in mythology from the pen of Lady Hestia Evans. Originally written for Lady Hestia's own children in the 19th century, the book has been 'updated' to be relevant to the interests of schoolchildren studying Ancient Greece today. With 25 chapters packed full of information on ancient Greek gods, monsters, heroes, and culture as a whole, plus suggestions for fun activities, this is a volume no aspiring mythologists should be without.

Bringing Up Baby Dragons

Merlin is celebrated as the archetypal wizard, an enigmatic mage whose gifts of prophecy and miracle-working have made him the greatest magician of all time. Bringing his unmatched knowledge of medieval history, myth, and magick to the legend of Merlin, Gordon Strong vividly reconstructs the famed wizard's life among kings and knights, damsels and dragons, and lost kingdoms. From serving as King Arthur's adviser to obtaining intimate knowledge of Atlantis to launching the quest for the Holy Grail, each aspect of Merlin is illuminated as never before. Piecing together fascinating connections to Druidry, Celtic and Welsh culture, and Tarot, Strong offers new depths of insight into an existence steeped in war, madness, love, lust, and above all, sorcery. Praise: "This is not a book about a dead king in a past and distant land, but an evocation of an impulse within all our psyches, which can vivify our future."—Alan Richardson, author of Aleister Crowley and Dion Fortune
