Inside Charlie's Chocolate Factory

All seven Chronicles are bound together in this one magnificent volume with a personal introduction by Douglas Gresham, stepson of C. S. Lewis.

The Complete Chronicles of Narnia

A collection of the three best Charles Dickens novels: A Christmas Carol, A Tale of Two Cities, and Oliver Twist. Charles Dickens was an English writer and social critic. He created some of the world's best-known fictional characters and is regarded by many as the greatest novelist of the Victorian era. His works enjoyed unprecedented popularity during his lifetime, and by the 20th century critics and scholars had recognised him as a literary genius. His novels and short stories enjoy lasting popularity. Born in Portsmouth, Dickens left school to work in a factory when his father was incarcerated in a debtors' prison. Despite his lack of formal education, he edited a weekly journal for 20 years, wrote 15 novels, five novellas, hundreds of short stories and non-fiction articles, lectured and performed readings extensively, was an indefatigable letter writer, and campaigned vigorously for children's rights, education, and other social reforms.

The Charles Dickens Collection

(Book Jacket Status: Jacketed) The only hardcover edition of Roald Dahl's stories for adults, the "Collected Stories" amply showcases his singular gifts as a fabulist and a born storyteller. Later known for his immortal children's books, including "Charlie and the Chocolate Factory, James and the Giant Peach, "and "The BFG, "Dahl""also had a genius for adult short fiction, which he wrote throughout his life. Whether fictionalizing his dramatic exploits as a Royal Air Force pilot during World War II or concocting the ingeniously plotted fables that were dramatized on television as "Tales of the Unexpected," Dahl was brilliant at provoking in his readers the overwhelming desire to know what happens next--and at satisfying that desire in ways that feel both surprising and inevitable. Filled with devilish plot twists, his tales display a tantalizing blend of macabre humor and the absurdly grotesque. From "The Landlady," about an unusual boardinghouse that features a small but very permanent clientele, to "Pig," a brutally funny look at vegetarianism, to "Man from the South," in which a fanatical gambler does his betting with hammer, nails, and a butcher's knife, Dahl's creations amuse and shock us in equal measure, gleefully reminding us of what might lurk beneath the surface of the ordinary.

The Collected Short Stories of Roald Dahl

Expertly reviewed by literacy consultants, each story is told in a maximum of 400 words, perfect for children aged 5 and up who are just gaining in reading confidence. This collection includes hilarious tales of animal football antics, fumbling fairies, pesky pets and much more!

The second and third in THE CAMELOT INHERITANCE series have now been released: THE TIME SMUGGLERS and MERLIN'S VOW continue the story of Arthur's quest - and the story of four teenagers, some ancient knights ... and a dragon (a very tiny one), pitted against time-defying enemies. Camelot is calling. A SNAPSHOT INTO ROSIE'S LIFE When I was

about 10 -14 years old, I loved reading action & adventure stories and mysteries filled with magic. I used to haunt our local library, borrowing anything with a vaguely magical theme. It had to be well-written with a gripping story, action-filled and a page-turner. (My all-time favourite author? C.S.Lewis.) So the seeds were sown. One day I'd write books for children too! The next question: So is this book for boys or girls? The answer: For both! Boys and girls between the ages of 10-14, teens and preteens, have read and loved it; although lots of adults are enjoying it too! If you love a fast-paced fantasy, then THE CAMELOT INHERITANCE series could be right for you. I'd be absolutely delighted (and honoured) if you like it enough to leave a review. Harry Potter Children's Collection

The perfect gift for everyone aged 9 to 99. Includes paperback editions of David Walliams' first three books for children: The Boy in the Dress, Mr Stink and Billionaire Boy. The Boy in the Dress Dennis was different. Why was he different, you ask? Well, a small clue might be in the title of this book... Mr Stink "Mr Stink stank. He also stunk. And if it was correct English to say he stinked, then he stinked as well..." It all starts when Chloe makes friends with Mr Stink, the local tramp. Yes, he smells a bit. But when it looks like he might be driven out of town, Chloe decides to hide him in the garden shed. Now Chloe's got to make sure no one finds out her secret. And speaking of secrets, there just might be more to Mr Stink than meets the eye... or the nose. Billionaire Boy Joe has a lot of reasons to be happy. About a billion of them, in fact. You see, Joe's rich. Really, really rich. Joe's got his own bowling alley, his own cinema, even his own butler who is also an orangutan. He's the wealthiest twelve-year-old in the land. Yes, Joe has absolutely everything he could possibly want. But there's just one thing he really needs: a friend...
