The secrets of Magickal Riches have been crafted by The Gallery of Magick during the past thirty years. You will discover:

Damon Brand says, 'Creating money with magick is one of the most direct and exciting ways to experience the raw power of the occult.' If you are completely new to magick, be assured that this magick is safe and effective. It will work whether you believe in it or not. If you are an experienced occultist, you will discover many new secrets for manifesting money. This exceptional work gives you all the knowledge, techniques, images and secret words that you need to unleash a flow of riches into your life.

Magickal Riches

What do you think of when you hear the term "magick"? Witches performing spells? Magic shows performed in hooded robes? Stage illusionists pulling bunnies out of their hats? Special effects from Hollywood? Some may or may not believe in? In this book, we would like to narrow it down a little further. We would say that magick is the use of ritual technology to cause change. In short, the work of the magician is to do whatever is necessary to create an altered state that results in the desired outcome.

Magickal Riches

Magick is the art and science of using ritual technology to cause change. In short, the work of a magician is to do whatever is necessary to create an altered state that results in change and in the desired outcome such as that of attracting money, riches and prosperity into your life. Let's get started!

7 Occult Money Rituals

This book contains simple rituals that bring the money you desire. No demons, no darkness; you get powerful, light magick, using angelic names and sigils. Your wants and needs are converted into reality, through the power of magick. Ritual One is a rejection of personal poverty. If you're in the depths of poverty, you begin to move away from those depths. If you're already doing OK with money, the ritual removes the fear that poverty can ever return. Ritual Two will remove your financial desperation, to help you allow and attract a new financial future. Ritual Three removes the blockages that prevent wealth from coming to you. Ritual Four is a petition for riches, and this is a master working that helps to attract money into your life over the coming year. Ritual Five is designed to attract a specific sum of money, to solve a problem or fulfil a desire. Ritual Six increases your wages, or income from business or sales. Ritual Seven increases your luck in games of chance, including lotteries, card games and any form of gambling. The magick used in this book comes from many sources. If it works, it's in the book. You'll discover the six secret names of the archangel Metatron to access wealth, four gnostic angels that break through financial barriers, a secret pathworking technique that accesses the power of ancient gods. The book explains the source of these magickal techniques, but only in brief, so you can put your focus on getting the magick to work. The methods are safe, and you don't need special equipment. All you need is an open mind and a willingness to work the magick as instructed. When you get money through magick, it's one of the best feelings in the world. This book can bring you that feeling.

Magickal Cashbook

The Magickal Cashbook takes the most powerful occult systems and streamlines them into a fast, effective method for attracting money. Whether you want emergency cash or a strong financial future, this mix of ancient symbols and modern secrets gets wealth flowing into your life. The sigil and method contain built-in magickal protection, to ensure that no harm can come to you through this working.

Wealth Magick

Damon Brand reveals the closely guarded secrets of the super-rich. This much sought-after volume is available once more. It contains a complete magickal system for attracting great wealth. The system has been developed over thirty years by a group of occultists known as The Gallery of Magick. Magick is not for everybody, and the magick in this book is certainly not suitable for the casual user, or for somebody who just wants a little extra cash. Although you do not need any particular skills or experience to benefit from this book, you do need to dedicate time, effort and mental energy to the working, as well as moving the focus of your life to wealth. If you are prepared for that level of commitment, there can be great rewards. This book is designed for those who want to focus on long term wealth creation. It is not designed for those in desperate poverty, but for those who can afford to turn their attention to wealth. Damon says, 'To be clear, and for the sake of complete honesty, I am not super-rich, but I am extremely wealthy compared to where I was a few years ago, and compared to my childhood I feel like a billionaire. I have also found that the effects of the working grew long after it was initially performed, with my wealth continuing to expand years later.' How rich you become is up to you. Wealth Magick concentrates magick into a series of workings that will enable you to attract the wealth you desire. If you want money, it's yours. As Damon Brand points out, magick is often over-complicated. He says, 'Before you know it you're trying ten different methods at once and your house is filled with candles, altars, incense and all sorts of images, crystals and magickal gadgets. The good news is that most of this can be thrown out. Everything you need is contained in Wealth Magick.' You do not have to spend years

performing endless spells or make offerings to dangerous spirits. This method has been concentrated into the purest magick. You begin attracting wealth from day one. You should note, however, that this is not a quick fix, and although the daily rituals are brief, several months of dedication are required. The magickal operations in this book are not about attracting a little extra cash. They are about creating a completely new lifestyle, based on a flow of extreme prosperity. Only go ahead if you genuinely want to focus on creating wealth and if you are willing to accept the challenges and changes that come with extreme wealth. You will discover: The number one mistake people make when trying to manifest money. A set of unique secret seals, drawn from ancient texts and combined with modern magick. The power of The Daily Practice. Seven wealth workings that can not be found anywhere else. WARNING: This book uses angels and demons to attain your desires. The entire working is made safe by three omnipotent angels who oversee the operation, but if the thought of working with demons makes you uneasy, look to my other books such as *Magickal Cashbook* and *Magickal Riches*, which have no demonic content. DISCLAIMER: Magick is not for everybody. If you are drawn to magick, you will get good results. If you are afraid of magick, you will not. The magick in Damon Brand's books has been developed by The Gallery of Magick to get results safely. There is plenty of evil in the world, but there is no evil in these books. You will not be punished by karma or chased down by demons, and there is no magickal backlash that will punish you for being rich. But if you are afraid of magick or think that magick is evil or that you are underserving of wealth, this book is not for you. If you're uncertain, you can read more about magick on the website. If you feel that magick can help you take control of your life, then welcome the power that this book offers.

Success Magick

There is no such thing as a simple ritual to make you an overnight success. This is a system of magick. It is far more than a list of rituals that solve problems. You integrate a successful pathway into your life. The great secrets of magick were delivered to a genius mathematician in the sixteenth century. After that, the magick was locked away for many years, then found again and shared in secret. Occultists are beginning to unravel these secrets to the point where they have become practical. The methods described here are based on a lifetime studying and exploring success, combined with the wisdom of the Enochian Angels. Whether you are tired of the struggle, battling against competitors, finding it difficult to start or finish a project, uncertain of what to do with your life, or straining to get where you want to be, this book presents a form of magick that can unlock your dreams. Whatever your age or experience, and no matter what you have gone through before, it is never too early or too late to find success. From this point on, you can choose the life you have always wanted. With this magick, you can compress time, improve fortune, and open opportunity in a way that cannot happen without magick. Enochian Magick reveals an underlying power in the universe that can bring you the success you desire. This book shows every step you need to take. People may tell you that you cannot use Enochian Magick, but the angels said otherwise. They said that magick should be used. We were told to use this magick to understand and experience its power. That is what you can do now. You don't need any equipment or special magickal skills. You only need a private space where you can perform the magick. Centuries ago, in a set of strange and fascinating circumstances, the angels revealed an encoded magickal system to Doctor John Dee, a friend and advisor to Queen Elizabeth I. This secret magick was nearly taken by the flames of the Great Fire of London. It survived, and has slowly been recovered, examined, explored, and experienced. Enochian Magick is no longer a historical curiosity but the essence of practical magick. Give it your attention, and it can open you up to a life of success.

Kabbalah and Sex Magic

In this provocative book, Marla Segol explores the development of the kabbalistic cosmology underlying Western sex magic. Drawing extensively on Jewish myth and ritual, Segol tells the powerful story of the relationship between the divine and the human body in late antique Jewish esotericism, in medieval kabbalah, and in New Age ritual practice. Kabbalah and Sex Magic traces the evolution of a Hebrew microcosm that models the powerful interaction of human and divine bodies at the heart of both kabbalah and some forms of Western sex magic. Focusing on Jewish esoteric and medical sources from the fifth to the twelfth century from Byzantium, Persia, Iberia, and southern France, Segol argues that in its fully developed medieval form, kabbalah operated by ritualizing a mythos of divine creation by means of sexual reproduction. She situates in cultural and historical context the emergence of Jewish cosmological models for conceptualizing both human and divine bodies and the interactions between them, arguing that all these sources position the body and its senses as the locus of culture and the means of reproducing it. Segol explores the rituals acting on these models, attending especially to their inherent erotic power, and ties these to contemporary Western sex magic, showing that such rituals have a continuing life. Asking questions about its cosmology, myths, and rituals, Segol poses even larger questions about the history of kabbalah, the changing conceptions of the human relation to the divine, and even the nature of religious innovation itself. This groundbreaking book will appeal to students and scholars of Jewish studies, religion, sexuality, and magic.

The Book of Treasure Spirits

THE BOOK OF TREASURE SPIRITS Conjurations of Goetic spirits, old gods, demons and fairies are all part of a rich heritage of the magical search for treasure trove. During the Middle Ages and Renaissance the British Monarchy gave out licenses to people seeking treasure in an effort to control such practices, and this is one reason why so many grimoires are full of conjurations and charms to help the magician find treasure. Published here for the first time, from a long-ignored mid-seventeenth century manuscript in the British Library (Sloane MS 3824), is the conjuration said to have been performed at the request of King Edward IV, with other rites to reveal treasure, to have treasure brought from the sea, and to cause thieves to bring back stolen goods. Conjurations to call any type of spirit are also included, recorded by the noted alchemist and collector Elias Ashmole, as is an extract on conjuration practices from the Heptameron, transcribed into English for practical use by a working group of magicians, before its first English publication by Robert Turner in 1655. These conjurations demonstrate the influence of earlier classic grimoires and sources, with components drawn from the Goetia, the Heptameron, and Reginald Scot's Discoverie of Witchcraft. The material includes spirit contracts for Agares, Padiel and Vassago, as well as techniques like lead plates for binding, and summoning into a glass of water, which hark back to the defixiones of Hellenistic Greece and the

demonic magic of the Biblical world. This material forms part of a corpus of conjurations all written in the same hand and style of evocation, linking Goetic spirits and treasure spirits with the archangels and planetary intelligences (in Sloane MS 3825), and demon kings and Enochian hierarchies (in Sloane MS 3821), making it a unique bridge of style and content between what are often falsely seen as diverse threads of Renaissance magic. About the Author David Rankine is an occult scholar and author of more than 20 books on the subject of magic, the western esoteric traditions, folklore and mythology. Since the 1970's he has been researching and exploring magical and spiritual practices throughout history; a journey which has taken him from ancient Sumeria, Babylonia and Egypt through Greece, Rome and Britain through the middle ages and renaissance and the modern Western Mystery Traditions. With Stephen Skinner he has produced works such as The Veritable Key of Solomon and the Goetia of Dr Rudd, both highly regarded groundbreaking works which make available previously unpublished source materials for the first time.

The magick of demons can lead to a life of success, power and extraordinary peace. Demons will demolish enemies, enrich bold ventures, satisfy material desires, and provide you with wisdom, charisma, healing and persuasive dignity. The beauty of demonic magick is that spiritual growth arises from material pleasure. If these are works of darkness, they bring great light. Demons of Magick provides you with three rituals for working with the seventy-two demons of Goetia. The first method is a way to petition for a simple result. The second method is Connective Evocation, where you sense the presence of the demon, to obtain knowledge. The magick in this book is a modernized, workable method, and will violently contradict many beloved theories and beliefs. This book may offend you, but if you are open-minded, I believe you will find a method that works for you quite readily.' You will discover: The secret Evocation Keys for attracting the demon to you.
