Eight Negotiating Sessions between the Finns and the Soviets

With Stalin We Have a Historiography Which Blames the British and the French for Example for Not Negotiating with Stalin Seriously Enough To Form this Anti-Hitler Coalition and You Say to Yourself Well What Kind of Negotiating Partner Could Stalin Have Been at the Time Right He's Murdering His Officer Core He's Lying through His Teeth about Everything It's a Difficult Proposition To Take Him at His Word To Take Him as a Legitimate Negotiating Partner with Whom You Might Do a Deal and He Might Live Up to the Deal and Stalin Will Say You Know I'LI Do the Deal I'LI Live Up to the Deal I'LI Make Concessions

And He Begins To See the Us as a Helpmate in Maintaining a Balance against the Rise of Japan and

East Asia this Is Something That Roosevelt Perceives from His End As Well He's Concerned about the Rise of Hitler in Europe and He's Concerned about the Japanese in Asia and the Soviet Union Is a Potential Counterweight on in both of those Theaters in Roosevelt's Mind and So Part of the Recognition of the Soviet Us Mutual Recognition the Diplomatic Relations Is the Japanese Problem As Well as Hitler Now Japan Has Taken Manchuria in 1931

The Problem Was the French Didn't Have a Military Attache in Austria and Didn't Perceive any of this all That People Saw Were the Newsreels of Hitler Acclaimed once He Got into Vienna by the Austrians and It Looked like It Was a Massive Success but a Lot of the Tanks Broke Down before They Reached Vienna and Had the Austrians Fought against the Germans It's Not Clear that the Germans Would Have Easily Taken Austria Something Similar Happened in the Case of Czechoslovakia except that in this Case Hitler Was Handed the Sudetenland Which of Course Had the Skoda Works

So Stalin Is Never Emotionally Committed to the Change in Comintern Policy Which Is Codified in 1935 as the Popular Front Right this Anti-Fascist Coalition with the Left Stalin Agrees to this Tactically but It's It's Just Not in His Bones because He Believes that the Socialists Are Dangerous because They'Re Actually Apologists for Capitalism They Want To Make Peace with Capitalism and He Believes in Addition that the Bigger Job Is Once Again To Divide the Capitalist Powers That's the Real Marxism Leninism Be a Revolutionary for Real Use Violence and Force To Achieve Revolution World War 2: 1941 And The Man Of Steel | Part 1 (WW2 Documentary) | Real Stories - World War 2: 1941 And The Man Of Steel | Part 1 (WW2 Documentary) | Real Stories by Real Stories 69,659 views 7 years ago 45 minutes - Presented by Professor David Reynolds.
