Guide to Pompeii: Illustrated

Pompeii is one of the best known and probably the most important archaeological site in the world. This title presents an up-to-date, authoritative and comprehensive account of this ancient site, visited by millions each year.

Guide to Pompeii

WINNER OF THE WOLFSON HISTORY PRIZE 2008 'The world's most controversial classicist debunks our movie-style myths about the Roman town with meticulous scholarship and propulsive energy' Laura Silverman, Daily Mail The ruins of Pompeii, buried by an explosion of Vesuvius in 79 CE, offer the best evidence we have of everyday life in the Roman empire. This remarkable book rises to the challenge of making sense of those remains, as well as exploding many myths: the very date of the eruption, probably a few months later than usually thought; or the hygiene of the baths which must have been hotbeds of germs; or the legendary number of brothels, most likely only one; or the massive death count, maybe less than ten per cent of the population. An extraordinary and involving portrait of an ancient town, its life and its continuing re-discovery, by Britain's favourite classicist.

Pompeii. Illustrated Guide to the Shrine of the Rosary

The resonant ruins of Pompeii are perhaps the most direct route back to the living, breathing world of the ancient Romans. Two million visitors annually now walk the paved streets which re-emerged, miraculously preserved, from their layers of volcanic ash. Yet for all the fame and unique importance of the site, there is a surprising lack of a handy archaeological guide in English to reveal and explain its public spaces and private residences. This compact and user-friendly handbook, written by an expert in the field, helpfully fills that gap. Illustrated throughout with maps, plans, diagrams and other images, Pompeii: An Archaeological Guide offers a general introduction to the doomed city followed by an authoritative summary and survey of the buildings, artefacts and paintings themselves. The result is an unrivalled picture, derived from an intimate knowledge of Roman archaeology around the Bay of Naples, of the forum, temples, brothels, bath-houses, bakeries, gymnasia, amphitheatre, necropolis and other site buildings – including perennial favourites like the House of the Faun, named after its celebrated dancing satyr.

The Best Guide-book to the Ruins of Pompeii

Pompeii: A guide to the ancient city by Salvatore Ciro Nappo (1998).

The Complete Pompeii

The spectacular beauty of the Bay of Naples and the Amalfi Coast are explored in this handy guide, along with the ancient sites of Pompeii and Herculaneum. 1,000 full-color illustrations.

Pompeii

From its political and religious systems to slavery and attitudes toward sex, the ruins of this ancient Roman city are explored in a study that brings to light new facts about the way the people of Pompeii lived prior to meeting their devastating end in 79 CE.

Pompeii

This profusely illustrated volume, the latest instalment in Thames & Hudson's bestselling Complete series, is the most up-to-date, comprehensive and authoritative account of the most important archaeological site in the world. Nine chapters cover the rise and fall of Pompeii and all aspects of its life, including reconstructions of the daily lives of the town's inhabitants, the dramatic story of Pompeii's

destruction through the words of Roman writers and the spectacular remains of volcanic debris and damage. It is sure to become the standard account for tourist, traveller, student and scholar alike.

Pompeii

Pompeii's tragedy is our windfall: an ancient city fully preserved, its urban design and domestic styles speaking across the ages. This richly illustrated book conducts us through the captured wonders of Pompeii, evoking at every turn the life of the city as it was 2,000 years ago. When Vesuvius erupted in 79 A.D. its lava preserved not only the Pompeii of that time but a palimpsest of the city's history, visible traces of the different societies of Pompeii's past. Paul Zanker, a noted authority on Roman art and architecture, disentangles these tantalizing traces to show us the urban images that marked Pompeii's development from country town to Roman imperial city. Exploring Pompeii's public buildings, its streets and gathering places, we witness the impact of religious changes, the renovation of theaters and expansion of athletic facilities, and the influence of elite families on the city's appearance. Through these stages, Zanker adeptly conjures a sense of the political and social meanings in urban planning and public architecture. The private houses of Pompeii prove equally eloquent, their layout, decor, and architectural detail speaking volumes about the life, taste, and desires of their owners. At home or in public, at work or at ease, these Pompeians and their world come alive in Zanker's masterly rendering. A provocative and original reading of material culture, his work is an incomparable introduction to urban life in antiquity.

Pompeii

Discover Europe's tourist cities with The Gold Guides. . Easy-reading, informative text . Full-colour photographs & illustrations . Specially-created street guides and monument maps . Practical pocket size

Naples and Pompeii

SpanOriginally published in French, this 1872 edition of *The Wonders of Pompeii* includes a history of the city with chapters about the forum, theaters, streets and specific buildings. Full-page etchings illustrate the magnitude of the catastrophe. With the rediscovery of the city in 1599, scholars from all over the world have had over 400 years to scour the streets and alleys, gaining unparalleled insight into an ancient culture./span

The Fires of Vesuvius

This book is a collection of beautiful illustrations of the ancient Roman city of Pompeii, which was destroyed by the eruption of Mount Vesuvius in 79 AD. The illustrations are accompanied by descriptive text that provides historical context and insights into the daily life of the city's inhabitants. This book is an invaluable resource for anyone interested in the history and culture of ancient Rome. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the "public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Complete Pompeii

An intriguing look at contemporary views regarding the casts of victims from Mt. Vesuvius' eruption

Pompeii. Guide to the Site

The original edition of *Pompeii: A Sourcebook* was a crucial resource for students of the site. Now updated to include material from Herculaneum, the neighbouring town also buried in the eruption of Vesuvius, *Pompeii and Herculaneum: A Sourcebook* allows readers to form a richer and more diverse picture of urban life on the Bay of Naples. Focusing upon inscriptions and ancient texts, it translates and sets into context a representative sample of the huge range of source material uncovered in these towns. From the labels on wine jars to scribbled insults, and from advertisements for gladiatorial contests to love poetry, the individual chapters explore the early history of Pompeii and Herculaneum,

their destruction, leisure pursuits, politics, commerce, religion, the family and society. Information about Pompeii and Herculaneum from authors based in Rome is included, but the great majority of sources come from the cities themselves, written by their ordinary inhabitants – men and women, citizens and slaves. Incorporating the latest research and finds from the two cities and enhanced with more photographs, maps, and plans, Pompeii and Herculaneum: A Sourcebook offers an invaluable resource for anyone studying or visiting the sites.

Pompeii

"This book is published to accompany the exhibition at the British Museum from 28 March to 29 September 2013"--T.p. verso.

Pompeii

The spectacular beauty of the Bay of Naples and the Amalfi Coast are explored in this handy guide, along with the ancient sites of Pompeii and Herculaneum. 1,000 full-color illustrations.

New Practical Guide of Pompeii

Includes 150 colour photos, 36 reconstructions and drawings and a map of the excavations.

Guida oro di Pompei. Ediz. inglese

Based on the 4-volume work originally edited by the Niccolinis and published in Naples 1854-1896.

The Wonders of Pompeii

Publisher Description

Pompeii, Illustrated With Picturesque Views; Volume 1

For anyone interested in the fascinating archaeological site of Pompeii, this guidebook is an indispensable resource. Compiled in the late 19th century, *Three Hours in Pompeii* provides a detailed and practical guide to the major features of the ancient city, and is designed to be used in conjunction with Edward Bulwer Lytton's classic novel *The Last Days of Pompeii*. The guidebook includes detailed maps, historical context, and practical tips for navigating the complex site. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the "public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Pompeii's Living Statues

Pompeii is a must-see sight for many of Campania's tourists. Its tragic and dramatic end, coupled with the chance to explore the houses, temples, bathhouses and brothels of an ancient city, is for many too strong a lure to resist. Most guides of the city concentrate on the archaeology of the city. But this is a guide with a difference. Instead of simply considering each building in isolation, *'Discovering Pompeii'* uses them to tell three stories from the town's life-and death. *'Civic Pompeii'* takes the reader through the history of the city, from its Oscan beginnings to its Roman pinnacle via its public and civic buildings while *'A Walk down the Via dell Abbondanza'* is an exploration of the daily life of the town. Finally, *'Pompeii's Last Days'* explores each stage of the eruption that destroyed the town in 79AD. Detailed information about visiting the site and maps of the story routes makes *'Discovering Pompeii'* the perfect guide for exploring the town-as well as learning about its history. Illustrated throughout with black and white photographs and illustrations.

Pompeii and Herculaneum

A collection of essays exploring the different ways in which the ruined city of Pompeii has been a major source of inspiration to Western imaginations. Creative and popular, as well as scholarly approaches

are covered, including an interview with the novelist Robert Harris, and the volume is fully illustrated, with several images in full colour.

Life and Death in Pompeii and Herculaneum

Presents an overview of the ancient city, using the latest archaeological findings to examine different aspects of the religious, commercial, civic and private life of its citizens.

Naples and Pompeii

Everyday life in the town buried by Mount Vesuvius 2000 years ago. The houses and the monuments in seven guided itineraries.
