

No Prime Minister Reclaiming Politics From Leaders

[#leaderless democracy](#) [#citizen-led politics](#) [#decentralized governance](#) [#political leadership reform](#) [#alternative political systems](#)

Explore a visionary political framework that advocates for a future without a prime minister, empowering citizens to reclaim governance directly. This concept challenges traditional leadership structures, promoting a decentralized approach where collective action and participatory democracy define the political landscape, shifting power away from established leaders and back to the people.
