imagine waking up every day

is the first step toward liberating yourself

from the suffocating grip of other people's opinions

this is a recipe for mediocrity

and a demonstration of confidence in your own judgement

self love is a foundational pillar of personal growth

and mental resilience

your own goals and values

and establish your own definition of success

success is not a one size fits all concept

or building meaningful relationships

remember your success story is uniquely yours to write

uncertainty about our own abilities to make decisions

recognize that you are the best judge of your own life

stop seeking external validation

is a transformative journey towards self empowerment

the shackles of seeking validation from strangers
