My Zinc Bed

David Hare's play, *My Zinc Bed*, continues the run of work in which he has sought to describe the atmosphere of contemporary Britain. A successful entrepreneur, Victor Quinn, employs a young poet, Paul Peplow, to decorate the legend of his fast-growing Internet business. Nothing prepares either man for an outcome which makes for a compelling story of romance and addiction.

My Zinc Bed Programme

This is a new collection of some of David Hare's finest work, including *Skylight* (Winner of the Laurence Olivier Award for Best New Play, 1996), *Amy's View*, *The Judas Kiss* and *My Zinc Bed*.

David Hare Plays 3

A darkly comic look at love and addiction by the author of *Amy's View* When struggling poet, reformed alcoholic, and devout Alcoholics Anonymous adherent Paul Peplow interviews the wildly successful, reclusive, and notoriously prickly entrepreneur Victor Quinn, he is in no way prepared for what is to follow. Victor is not only familiar with Paul's obscurely published work but can quote from it liberally; he is also somehow aware of Paul's battle with alcoholism and, without solicitation, Victor challenges Paul with his own confrontational thoughts on addiction, the true meaning of recovery, and what he sees as AA's hidden agenda. Victor then concludes their bizarre encounter by offering Paul a job decorating the legend of his fast-growing Internet business. Yet as surreal as all this is, Paul is even less prepared to deal with Victor's seductive wife, Elsa, also a former alcoholic, but one who continues to drink and tempts Paul in ways that rattle him to his very core. Bound to incite discussion and controversy, *My Zinc Bed* is among David Hare's finest and most insightful plays -- a compelling work which boldly explores the extent to which one person can control the lives of those around him.

The Politics and Poetics of Contemporary English Tragedy is a detailed study of the idea of the tragic in the political plays of David Hare, Howard Barker, Edward Bond, Caryl Churchill, Mark Ravenhill, Sarah Kane, and Jez Butterworth. Through an in-depth analysis of over sixty of their works, Sean Carney argues that their dramatic exploration of tragic experience is an integral part of their ongoing politics. This approach allows for a comprehensive rather than selective study of both the politics and poetics of their work. Carney's attention to the tragic enables him to find a common discourse among the canonical English playwrights of an older generation and representatives of the nineties generation, challenging the idea that there is a sharp generational break between these groups. Finally, Carney demonstrates that tragic experience is often denied by the social discourse of Englishness, and that these playwrights make a crucial critical intervention by dramatizing the tragic.

"He had that rarest of all things, common sense." And in the case of Oscar Wilde he also had a gift for delivering this common sense in sometimes pithy but always memorable statements. One of the world's most unforgettable authors, Oscar Wilde had a comment for any and every occasion, many of which are quoted here. From art and actors to vice and virtue, this volume organizes 3109 Oscar Wilde quotations by subject matter, effectively providing a new way to enjoy Wilde's considerable literary legacy. Quotations are taken from Wilde's works, including *The Importance of Being Earnest* and *The Picture of Dorian Gray*, his correspondence, magazine articles and newspaper editorials. Some, which are otherwise not immediately verifiable, are garnered from reliable secondary sources. Sixty-seven chapters deal with topics as varied as death, domesticity, friends and enemies, with the source of each quote duly noted. The work, a fascinating read of Wilde's acute observations, is indexed.

The Politics and Poetics of Contemporary English Tragedy

HEMINGWAY FIRST NOVEL PRIZE Critical Comment: D.T. Max, New York Times Book Review: Exceptional, smart and playful, a novel of quiet seductions. An imagined correspondence between Wilde and the author that turns into a drama of cross-century friendship. Merlin Holland; author, grandson of Oscar Wilde: A charming read. Im sure Grandfather would have seen the fun of it. Hillary Hemingway; Director, Hemingway Literary Festival: What a delight to discover this unique voice. The novel is already the buzz of New York. Jill Jackson, Syndicated columnist, King Features: A brilliant correspondence, beautifully written and researched. Very funny stuff. Ellis Hanson, Author, *Decadence & Catholicism*: A style so conversational and amusing, it felt like Holloway was sitting at my dinner table. Postmodern parallels with Wilde about theatre is transmogrified into TV commercials, rentboys into go-go types in a hustler bar, Reading Gaol into a psycho-prison for sexual outcasts. They make for interesting echoes and dissonances between decadence and post-modernism, aestheticism and camp, innuendo and outness, sex as gross indecency and sex as medical problem. Giovanna Franci, Professor of English, University of Bologna, Italy: What a wonderful concept! Beautifully realized! I couldnt put it down. LINER NOTES: In February of 1993, enroute from Capetown, South Africa to Los Angeles, during a lay-over at Londons Cadogan Hotel, C. Robert Holloway is convinced he witnessed the arrest of Oscar Wilde from the very room hes occupying. After badgering a reluctant night-manager, he learns that his room is indeed the same suite from which Wilde was ignominiously hauled away to Bow Street Police Station in April of 1895. Emboldened by a split of honor-bar rose and a chocolate rush, he drafts a letter to Wilde, at once part apology - part adulation - part exorcism and no small part jet-lagged foolishness. Next morning, he deposits it in a Piccadilly post-box, and shortly departs for California, never giving it a second thought. Two weeks later a thick envelope tumbles from Holloways mail-box in West Hollywood. Filling several pages, the flamboyant hand bears a strong resemblance to Wildes. Its authors observations on Holloways lineage and threadbare education are accurate enough to unnerve him, albeit momentarily. Thus begins an audacious, outrageous, occasionally trenchant, often hilarious

correspondence between a little-known TV production designer and the most famous gay man in the Western world.

The Unauthorized Letters of Oscar Wilde

"Beauty, Blissfulness & Tragedy: The Life of Oscar Wilde" is a biography of the famous Irish writer, poet and dramatist, written by his friend Frank Harris. After writing in different forms throughout the 1880s, Wilde became one of London's most popular playwrights in the early 1890s. Today he is remembered for his epigrams, his novel The Picture of Dorian Gray, his plays and poetry, and the circumstances of his imprisonment and early death. Wilde is a central figure in aesthetic writing. His controversial, open lifestyle was the reason he was charged and eventually convicted for the crime of sodomy.

Oscar Wilde and his Wildest Quotes

A witty, erudite primer to the world's most notorious drink. La Fée Verte (or "The Green Fairy") has intoxicated artists, poets, and writers ever since the late eighteenth century. Stories abound of absinthe's drug-like sensations of mood lift and inspiration due to the presence of wormwood, its infamous "special" ingredient, which ultimately leads to delirium, homicidal mania, and death. Opening with the sensational 1905 Absinthe Murders, Phil Baker offers a cultural history of absinthe, from its modest origins as an herbal tonic through its luxuriantly morbid heyday in the late nineteenth century. Chronicling a fascinatingly lurid cast of historical characters who often died young, the absinthe scrapbook includes Paul Verlaine, Arthur Rimbaud, Charles Baudelaire, Oscar Wilde, Ernest Dowson, Aleister Crowley, Arthur Machen, August Strindberg, Alfred Jarry, Vincent van Gogh, Henri de Toulouse-Lautrec, Alphonse Allais, Ernest Hemingway, and Pablo Picasso. Along with discussing the rituals and modus operandi of absinthe drinking, Baker reveals the recently discovered pharmacology of how real absinthe actually works on the nervous system, and he tests the various real and

fake absinthe products that are available overseas. "Formidably researched, beautifully written, and abundant with telling detail and pitch-black humor." —The Daily Telegraph

OSCAR WILDE Ultimate Collection: 250+ Titles in One Edition

So much about the society that is now emerging in the twenty-first century bears an astonishing resemblance to the most prominent features of what we call the classical world - its institutions, its priorities, its entertainment, its physics, its sexual morality, its food, its politics, even its religion. The ways in which we live our rich and varied lives correspond - almost eerily so - to the ways in which the Greeks and Romans lived theirs. Whether we are eating and drinking, bathing or exercising or making love, pondering, admiring or enquiring, our habits of thought and action, our diversions and concentrations recreate theirs. It is as though the 1500 years after the fall of Rome had been time out from traditional ways of being human. This eye-opening book makes us look afresh at who we are and how we got here. Full Circle is not only wonderfully witty and brilliantly astute, but also profound and often disquieting. Ferdinand Mount effortlessly peels back 2000 years of history to show how much we are like the ancients, how in ways both trivial and crucial we are them and they are us.

Delphi Complete Works of Oscar Wilde (Illustrated)

This book examines the historical, cultural, and aesthetic relationships between theater and film. As we enter the 21st century, almost all artists, students, and critics working in theater will have had earlier and greater exposure to film than to theater. In fact, film has become central to the way in which we perceive and formulate stories, images, ideas, and sounds. At the same time, film and video occupy an increasingly significant place in theater study, both for the adaptation of plays and for the documentation and preservation of theatrical performances. Yet far too often theater and film artists, as

well as educators, make the jump from one medium to the other without being fully aware of the ways in which the qualities of each medium affect content and artistic expression. This book is intended to fill such a gap by providing a theoretical and practical foundation for understanding the effect that film and drama have had, and continue to have, on each other's development. Moreover, this study provides a history of the relationship between drama and cinema, starting with the pre-cinematic, late 19th-century impulse towards capturing spectacular action on the stage and examining the artistic and commercial interaction between movies and plays, both in popular and experimental work, throughout the 20th century. Important subjects treated in this book include stage versus screen acting, the adaptation process itself, the theatrical as well as the cinematic avant-garde, and the 'portability' or adaptability of dramatic character.

Working in Organisations

Some may read this book and find it straightforward and easy to comprehend, others may read this book with much incredulity and disbelief. This book, "My Little Garden of Eden" was written to enlighten my brothers and sisters in Jesus Christ, you're my family and friends; we are all sons and daughters of the Most High; this book is for you. It is better to believe and have faith in something, rather than not believe and have faith in nothing. In writing this book, My Little Garden of Eden, Junior Mendez ingeniously distinguishes between his human nature and the nature of his spirit. This book is a twofold autobiography of the spirit man and the fleshly man, one walked by faith and the other walked by sight. The internal spirit nature seeks after love, peace, and service to others, while human nature lust after beauty, pleasure, and material wealth. Through faith and his intellectual awareness of a higher power, Junior Mendez became convinced that the spiritual mind is far superior to the carnal mind. The mind is spiritual, divine and freewill, the mind is susceptible to the influence of spiritual forces. The brain regulates the biological functions of the body, it process complicated emotions, feelings, images and a multiplicity of information simultaneously. The mind consieve thoughts and immaginations to vision and reason within our faith after hearing or reading the Word of the Sacred Scriptures. Faith brings hopes and dreams of a brighter future. Eeach of us shall experience the end of life in the flesh, but through faith my spirit shall be a child in the kingdom of God. Unlike the brain, the mind is unseen, it cannot be touch or seen by human. Spiritual forces of the natural and supernatural world discreetly influence the conscious and subconscious mind.

Encyclopedia of Television Film Directors

Grandpa's Soup tells a story for the pleasure, information, and entertainment of the reader. It is a narrative of the author's memories of growing up in a tiny island village in the Niger Delta region of Nigeria in Africa. It was inspired by memories of his grandpa, who passed away while he was still very much in the formative years of his life. They are memories that he considers worth sharing because of the lasting impact they have had on his adult life. The author hopes that the book affords the reader a peek into Kalabari-Ijaw ethnography and culture while not losing its very essence, which is motivational—a motivation engendered by the seemingly innocuous acts of a grandfather that roundly impacted the life of his grandson. Also, he attempted to present the book in a simple prose format for easy readability by a wide range of audiences across cultures and demographics.

This book aims to explore which plays were deemed 'suitable' to be reworked for foreign or local stages; what transformations – linguistic, semiotic, theatrical – were undertaken so as to accommodate international audiences; how national literary traditions are forged, altered, and diluted by means of transnational adapting techniques; and, finally, to what extent the categorical boundaries between original plays and adaptations may be blurred on the account of such adjusting textual strategies. It brings together ten articles that scrutinise the linguistic, social, political and theatrical complexities inherent in the intercultural transference of plays. The approaches presented by the different contributors investigate modern British theatre as an instance of diachronic and synchronic transnational adaptations based upon a myriad of influences originating in, and projected upon, other national dramatic traditions. These traditions, rooted in relatively distant geographies and epochs, are traced so as to illustrate the split between the state-imposed identity and personal, subjective identity caused by cultural negotiations of the self in an age of globalism. International frontiers are thus pointed at in order to claim the need to be transcended in the process of cultural re-appropriation associated with theatre performance for international audiences.

The wilds of London

The Old Vic, one of the world's great theatres, opened in 1818 with rowdy melodrama and continued with Edmund Kean in Richard III howled down by the audience. One impresario, among the first of thirteen to go bankrupt there, fled to Milan and ran La Scala. In 1848 a chorus girl tried to murder the leading lady. In 1870 the Vic became a music hall, then a temperance tavern and, from 1912, under Lilian Baylis, both an opera house and the home of Shakespeare. By the 1930s great actors were happy to go there for a pittance - John Gielgud, Charles Laughton, Peggy Ashcroft, and Laurence Olivier. The Vic considered itself a national theatre in all but name. After the second world war the Royal Ballet and the English National Opera both sprang from the Vic, and the National Theatre, at last established in 1963 under Olivier, made its first home there. In 1980 the Vic was saved from becoming a bingo hall by a generous Toronto businessman. Since 2004 Kevin Spacey, Hollywood actor and the winner of two Oscars, has led a new company there, and toured the world.
