As an Edge between What We Had Previously Thought Was Us and We Thought Was Other than Us Becomes One and that's the Nice Wearing down of Boundaries and this Is What You Think You See When You See People Sort Of at the Peak of Their Second Mountain It's Not that Their Desires Have Been Satisfied but They'Re all Desire It's Not I Want It's Just Pure Wants They Found Something That's Truly Meaningful to Them and Truly Important to Them and the Self Has Been Left Behind and They Just Longed To Be More and More Serving that Thing One of My Heroes Is Saint Agustin Who Lived 1 , 500

You Are with Me but I Was Not with You They Held Me Back from Far from You those Things Which Would Have no Being Were They Not in You You Called Shouted Broke through My Deafness You Flared Blazed Banished My Blindness You Lavish the Fragrance I Gasp and Now I Pant for You I Tasted You and Now I Hunger and Thirst You Touched Me and I Burn for Your Peace I Think that's What You See in People When They'Re at the Top of the Second Mountain Something They Love Has Lavished Them with It's Fragrance and They Gasp some Commitment They'Ve Made Makes Them Hunger To Fulfill It

Does **the 2nd**, Amendment give people **the**, right to ...

This interpretation of the constitution is an excuse for not passing gun reform

The constitution treats insurrection as a serious and dangerous offense

Forming a militia and attacking the government is unconstitutional and qualifies as treason

The constitution doesn't even guarantee non-violent civil disobedience

Insurrectionists are not "hostages"

The 2nd Amendment is not unlimited

Q&A start

Our lone-wolf shooters are anything but a well-regulated militia

Why did conservatives change their tune in the last 15 years?

They say gun violence is due to "too many doors"

The say gun violence is due to a mental health crisis, but then do nothing about it

What is the upside to the NRA taking extreme stances against reform?
