Lever

The Lever: A Novel, has been regarded as significant work throughout human history, and in order to ensure that this work is never lost, we have taken steps to ensure its preservation by republishing this book in a contemporary format for both current and future generations. This entire book has been retyped, redesigned, and reformatted. Since these books are not made from scanned copies, the text is readable and clear.

The Lever

This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

The Lever

This novel by Charles James Lever tells the story of Glencore, a gentleman who tries to escape his past but finds himself drawn back into the intrigues and scandals of his former life. With a cast of memorable characters and a plot full of twists and turns, this book is a classic of 19th-century literature. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the "public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as

The Novels of Charles Lever

The Knight of Gwynne is one of Charles James Lever's most celebrated novels. Set in 19th century Ireland, the novel follows the fortunes of the Gwynne family and their struggles against political and societal upheaval. Lever's wit and sharp observations make this a great read for anyone interested in historical fiction or Irish literature. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the "public domain in the United States of America, and possibly other nations. The Novels of Charles Lever

Children will love seeing the images pop up in this fun question-and-answer board book. Every page asks a simple question, and a special lever reveals the answer in a pop-up picture.

The Novels of Charles Lever

This book explores the Janus-faced features of privacy, and looks at their implications for the control of personal information, for sexual and reproductive freedom, and for democratic politics. It asks what, if anything, is wrong with asking women to get licenses in order to have children, given that pregnancy and childbirth can seriously damage your health. It considers whether employers should be able to monitor the friendships and financial affairs of employees, and whether we are entitled to know whenever someone rich, famous or powerful has cancer, or an adulterous affair. It considers whether we are entitled to privacy in public and, if so, what this might mean for the use of CCTV cameras, the treatment of the homeless and the provision of public facilities such as parks, libraries and lavatories. Above all, the book seeks to understand whether and, if so, why privacy is valuable in a democratic society, and what implications privacy has for the ways we see and treat each other. The ideas about privacy we have inherited from the past are marked by beliefs about what is desirable, realistic and possible which predate democratic government and, in some cases, predate constitutional government as well. Hence, this book argues, although privacy is an important democratic value, we can only realise that value if we use democratic ideas about the freedom, equality, security and rights of individuals to guide our understanding of privacy.

LEVER A NOVEL

Nicholas Allander is trying to pay off debt, impress his girlfriend, cast off his introversion and accept the world's imperfections without abandoning his heart. All the while he clings to his bicycle, a machine whose workings he grasps.

The Novels of Charles Lever

This is a reproduction of the original artefact. Generally these books are created from careful scans of the original. This allows us to preserve the book accurately and present it in the way the author intended. Since the original versions are generally quite old, there may occasionally be certain imperfections within these reproductions. We're happy to make these classics available again for future generations to enjoy!
