

Ot Goals For Dressing Ataxia

[#occupational therapy ataxia](#) [#dressing difficulties ataxia](#) [#ataxia rehabilitation goals](#) [#adaptive dressing techniques](#) [#daily living skills ataxia](#)

Occupational therapy establishes crucial goals to help individuals with ataxia overcome challenges in dressing, focusing on improving coordination, fine motor skills, and overall independence. These tailored strategies and interventions aim to enhance daily living activities, making the process of getting dressed safer and more efficient for those living with neurological conditions affecting movement.
