The Luxe is the first book in the New York Times bestselling Luxe series by Anna Godbersen. In a world of luxury and deception, where appearance matters above everything and breaking the social code means running the risk of being ostracized forever, five teenagers lead dangerously scandalous lives. This thrilling trip to the age of innocence is anything but innocent. Pretty girls in pretty dresses, partying until dawn. Irresistible boys with mischievous smiles and dangerous intentions. White lies, dark secrets, and scandalous hook-ups. This is Manhattan, 1899. Beautiful sisters Elizabeth and Diana Holland rule Manhattan's social scene. Or so it appears. When the girls discover their status among New York City's elite is far from secure, suddenly everyone—from the backstabbing socialite Penelope Hayes to the debonair bachelor Henry Schoonmaker to the spiteful maid Lina Broud—threatens Elizabeth's and Diana's golden future. With the fate of the Hollands resting on her shoulders, Elizabeth must choose between family duty and true love. But when her carriage overturns near the East River, the girl whose glittering life lit up the city's gossip pages is swallowed by the rough current. As all of New York grieves, some begin to wonder whether life at the top proved too much for this ethereal beauty, or if, perhaps, someone wanted to see Manhattan's most celebrated daughter disappear... I couldn't put The Luxe down!" —Cecily von Ziegesar, author of the #1 New York Times bestselling Gossip Girl series

Captivating and action-packed, *From Blood and Ash* is a sexy, addictive, and unexpected fantasy perfect for fans of Sarah J. Maas and Laura Thalassa. A Maiden... Chosen from birth to usher in a new era, Poppy's life has never been her own. The life of the Maiden is solitary. Never to be touched. Never to be looked upon. Never to be spoken to. Never to experience pleasure. Waiting for the day of her Ascension, she would rather be with the guards, fighting back the evil that took her family, than preparing to be found worthy by the gods. But the choice has never been hers. A Duty... The entire kingdom's future rests on Poppy's shoulders, something she's not even quite sure she wants for herself. Because a Maiden has a heart. And a soul. And longing. And when Hawke, a golden-eyed guard bound to ensure her Ascension, enters her life, destiny and duty become tangled with desire and need. He incites her anger, makes her question everything she believes in, and tempts her with the forbidden. A Kingdom... Forsaken by the gods and feared by mortals, a fallen kingdom is rising once more, determined to take back what they believe is theirs through violence and vengeance. And as the shadow of those cursed draws closer, the line between what is forbidden and what is right becomes blurred. Music, Lyrics, and Life is the songwriting class you always wish you'd taken, taught by the professor you always wish you'd had. It's a deep dive into the heart of questions asked by songwriters of all levels, from how to begin journaling to when you know that a song is finished. With humor and

empathy, acclaimed singer-songwriter Mike Errico unravels both the mystery of songwriting and the logistics of life as a songwriter. For years, this set of tools, prompts, and ideas has inspired students on campuses including Yale, Wesleyan, Berklee, Oberlin, and NYU's Clive Davis Institute of Recorded Music. Alongside his own lessons, Errico interviews the writers, producers, and A&R executives behind today's biggest hits and investigates the larger questions of creativity through lively conversations with a wide range of innovative thinkers: astrophysicist Janna Levin explains the importance of repetition, both in choruses and in the exploration of the universe; renowned painter John Currin praises the constraints of form, whether it's within a right-angled canvas or a three-minute pop song; bestselling author George Saunders unpacks the hidden benefit of writing, and revising, authentically; and much more. The result is that *Music, Lyrics, and Life* ends up revealing as much about the art of songwriting as it does about who we are, and where we may be going. This is a book for songwriters, future content creators, music lovers, and anyone who wants to understand how popular art forms are able to touch us so deeply. Mike Errico has honed these lessons over years of writing, performing, teaching, and mentoring, and no matter where you are on your songwriting journey, *Music, Lyrics, and Life* will help you build a creative world that's both intrinsic to who you are, and undeniable to whoever is listening.
