Songs from Heaven (The Worship Series)

Every worshipper's heart holds a song for which God eagerly listens. Are you uncertain how to turn your heart of worship into a melody? In Songs from Heaven, worship leader and renowned songwriter Tommy Walker reveals the inspirational and instructional process of creating worship songs that bring honor and glory to God. For seasoned songwriters and worshippers who simply have a song in their hearts, the creative process behind writing and singing will be unveiled. Discover devotional thoughts that will help you find intimacy with God and the practical techniques for putting that intimacy into words, melody, and eventually a song.

The 6 Marks of Progressive Christian Worship Music

Something about the lyrics of many of the hit contemporary Christian worship songs is at best problematic for many clergy persons in mainline denominations. Sometimes the songs are downright offensive theologically to the pastor. Often the problem is rooted in a theological nuance or doctrine that the pastor does not embrace. Sometimes these contemporary worship songs use too many Christian buzz words or clichés or phrases that the pastor deliberately avoids in every other aspect of the liturgy. Often the problem is that the new songs show no sensitivity at all to things like inclusive language or the theological challenges of doctrines like penal substitutionary atonement. Sometimes the pastors feel that most of these new songs lack substance, that they're too sugary, too individualistic, and too other-worldly. Sometimes there's an emotional tone to this contemporary worship music that might work well in another kind of church but which just doesn't feel authentic in a traditional or mainline congregation. Now I would imagine that at least some of you began to glaze over a bit as you attempted to read those last few paragraphs. Or maybe you didn't fully understand some of the terms I just used. If so, don't worry—that's why I wrote this book! If you have no idea what things like penal substitutionary atonement or inclusive language are about, this book will help you understand what these terms mean and why it's important to your pastors for you to know your way around these issues and concepts a bit as you seek new songs to bring into the worship life of your congregation. And I promise—I'll do my best to use down-to-earth language that you'll be able to easily understand without a seminary education!

Make Love, Make War

Worship elevates us into God's presence, renews our spirits, and expresses our deepest love for our Savior. Yet worship can also be a call to arms, a battle cry, a salvo in an ancient spiritual struggle. Acclaimed songwriter Brian Doerkson believes that God is calling us to both love and to battle. To spread peace and wage spiritual warfare. We do this through how we live, how we serve Him, and how we protect and fight for what matters most. For Brian, music was his answer to this provocative call. Now Brian shares the stories and inspirations behind some of today's most acclaimed songs of worship, including "Come, Now is the Time to Worship," "Hallelujah (Your Love is Amazing)," and "With All My Affection." Brian shares rich truths and insights that informed twelve of his greatest songs, and offers special tips for aspiring songwriters. Readers will be encouraged to wage spiritual war and share His love through a life of radical worship.

God Gave Rock and Roll to You

By combining musical styles young people loved with the wholesomeness their parents wanted, Contemporary Christian Music (CCM) became a multimillion-dollar industry. In this book, author Leah Payne traces the history of contemporary Christian music in America and, in the process, demonstrates how the industry, its artists, and its fans shaped--and continue to shape--conservative, (mostly) white, Protestant evangelicalism.
