Event Presentation

Presenter Introduces Uncle Bob

Uncle Bob Introduction / My Tribe

How Far is the Sun?

Introduction to Clean Code

The current Society works with Software

Volkswagen case / Introduction to the Ethics of Software Development

Why are Programmers so slow?

What is a Clean Code?

Analyzing some lines of code

Long code is not Good Code

Good Code / Refactored Function

Polite Code / Rules for writing a news paper article

Shrunk Code / The Rules of Functions

Shrunk Code / Drawing a Function

When and why was Java invented?

Prose Code / Arguments

Avoid Switch Statements / Problems and Evolution of some programming languages

The Uncle Bob's wife message (funny moment)

Output Arguments No Side Effects / Garbage Collection

No Side Effects / Using Lambda

No Side Effects / Command and Query Separation

No Side Effects / Prefer Exceptions to returning error codes

DRI Principle (Don't Repeat Yourself)

Structured Programming / Edsger Dijkstra Vision vs Actual Vision of the programming
