Garuda & Winged Horses

"We shall die to awaken the nation" – Bagha Jatin Jatindranath Mukherjee, famously known as BAGHA JATIN, was born at a time when Indian nationalism was starting to spread its wings through the nation. An advocate of armed revolution against the British in India, he was a man with extraordinary courage. From working within the folds of the British government for inside information, to being the mastermind behind importing weapons to aid the revolution; from organising bomb making workshops, to training the youth in physical strength – Jatin was a man of many talents. While his ideas impressed his fellow comrades, his valour and physical strength struck fear and awe among the British soldiers. His vision to bring together leaders like Aurobindo Ghosh and Rash Behari Bose, among others, homogenised the Indian freedom struggle. Their ultimate goal was to revolutionise the common masses and Indian soldiers in the British army to fight for India's freedom. He heroically fought a frontal battle with the British soldiers, laying down his life in service of mother India. This book is a tribute to the revolutionary who changed the face of the Indian freedom struggle and terrified the British.

Bagha Jatin

History of Northeastern India.

Indian Books in Print

An attempt to preserve traditional fairytales that were once an oral legacy of every child in India. This book counts among the recent attempts to recover this disappearing heritage. It contains translations of six Bengali tales for children, selected from Dakshinaranjan Mitra Majumdar's Thakurmar Jhuli, some of which have appeared in very corrupt forms in comic books. The present translation seeks to capture the spirit of the original without losing any of its readability.

Book Review Index

Sikkim is an enigma for most, its history and its 1975 merger with India shrouded in mystery. This book fills the lacunae on both fronts, combining insights into the erstwhile royal kingdom's unique history with the intriguing story of how it became India's twenty-second state. It examines the often-fraught relationship between its original inhabitants, the Lepchas, and the Bhutias (people of Tibetan origin) who established institutions of religion and governance - Lamaist Buddhism and the Namgyal dynasty respectively. Aspects of the Indian relationship with Tibet form part of this narrative, in particular due to the British involvement in the Himalayan region as a consequence of the 'Great Game' and great power rivalry with the Russian empire. For India today, Sikkim remains significant from a strategic point of view, given its proximity to the border with Tibet, now China, and the presence of the vital Siliguri Corridor that connects India's northeast with the rest of the country.

North-East India, a Bibliography

The classic guide to enlightened living that first presented the Buddhist path of the warrior to Western readers—with a new foreword and cover presentation. This timeless classic presents a vision of basic human wisdom that synchronizes the mind and body—what Chögyam Trungpa called the sacred path of the warrior. This discipline embodies characteristics that many cultures, regions, and spiritual traditions throughout time have found valuable. The sacred warrior conquers the world not through violence or aggression but through gentleness, courage, and self-knowledge, discovering the basic goodness of human life and radiating that goodness out into the world for the peace and sanity of others. That's what the Shambhala teachings are all about, and this is the book that has been presenting them to a wide and appreciative audience for more than thirty years. This book is part of the Shambhala Pocket Library series. The Shambhala Pocket Library is a collection of short, portable teachings from notable figures across religious traditions and classic texts. The covers in this series are rendered by Colorado artist Robert Spellman. The books in this collection distill the wisdom and heart of the work Shambhala Publications has published over 50 years into a compact format that is collectible, reader-friendly, and applicable to everyday life.

India Today International

Sikkim has been a region of anthropological interest since the 1930s when Geoffrey Gorer and John Morris did their fieldwork among the Lepchas of Dzongu, north Sikkim. While it was mentioned in various writings of travellers and administrators during the British period, there is a dearth of literature even today on the rich heritage of Sikkim. This collection of twenty-five essays presented first at the international conference on Cultural Heritage of Sikkim, organized by the Department of Anthropology, Sikkim University, Gangtok goes a long way in breaching this gap. The book will be of immense interest to scholars and students of Anthropology, Sociology and Cultural Studies and will lead to new research on the people and the places of Sikkim and India's North-East. Please note: This title is co-published with Manohar Publishers, New Delhi. Taylor & Francis does not sell or distribute the Hardback in India, Pakistan, Nepal, Bhutan, Bangladesh and Sri Lanka

The Winged Horse

This Is A New Release Of The Original 1894 Edition.

Sikkim

In recent years, the Dallas Museum of Art has expanded its collection of South Asian art from a small number of Indian temple sculptures to nearly 500 works, including Indian Hindu and Buddhist sculptures, Himalayan Buddhist bronze sculptures and ritual objects, artwork from Southeast Asia, and decorative arts from India's Mughal period. Artworks in the collection have origins from the former Ottoman empire to Java, and architectural pieces suggest the grandeur of buildings in the Indian tradition. This volume details the cultural and artistic significance of more than 140 featured works, which range from Tibetan thangkas and Indian miniature paintings to stone sculptures and bronzes. Relating these works to one another through interconnecting narratives and cross-references, scholars and curators provide a broad cultural history of the region. Distributed for the Dallas Museum of Art

The Cultural Heritage of Sikkim

Enjoy this special edition hardback of one of the greatest pieces of travel and nature writing ever written. Go with Peter Matthiessen all the way to Dolpo, a Tibetan plateau in the high Himalayas. This is the account of a journey to the dazzling Tibetan plateau of Dolpo in the high Himalayas. In 1973 Matthiessen made the 250-mile trek to Dolpo, as part of an expedition to study wild blue sheep. It was an arduous, sometimes dangerous, physical endeavour: exertion, blisters, blizzards, endless negotiations with sherpas, quaking cold. But it was also a 'journey of the heart' - amongst the beauty and indifference of the mountains Matthiessen was searching for solace. He was also searching for a glimpse of a snow leopard, a creature so rarely spotted as to be almost mythical. WITH AN INTRODUCTION BY RICHARD MABEY 'A beautiful book, and worthy of the mountains he is among' Paul Theroux 'A delight' i Paper

Lamaism in Sikkim

Ajay believes in living for himself; Bhavna teaches him to live for others. Ajay is a planner for life; Bhavna makes him live in every moment. You are the Best Wife is a story of two people with contradictory ideologies who fall in love. It changes them for good. It changes the way they look at the world and the way the world looks at them. Until destiny reveals its plans. This is a true inspiring story of the author and his struggle with life, after his beloved wife left him halfway through their journey. But her last words, 'you are the best husband' gave him the strength to live on, and fulfil his promise of love. Told with frankness and doses of humor, this heartwarming tale of a boy and a girl who never gave up on their love in face of adversities, ends on a bittersweet and poignant note as Ajay comes to terms with the biggest lesson life has to offer.

Beast and Man in India

No river has kindled Man's imagination like the Ganges. From its icy origins high in the Himalayas, this sacred river flows through the holy cities and the great plains of northern India to the Bay of Bengal. In a country where the red heat of summer inspires prayer for the coming monsoon, the life-giving waters of the Ganges have assumed legendary powers in the form of the Hindu goddess Ganga, the source of creation and abundance. Pilgrims flock to her shores to cleanse and purify themselves, to cure ailments, and to die that much closer to paradise. Steven Darian writes of the human experience and the legendary myths that surround the Ganges. While collecting material for this book, Dr. Darian lived by the Ganges, explored her shores, and was a pilgrim to the Ganga Sagar festival at Sagar Island off Calcutta where the sacred river and the ocean merge.

Among the Tibetans

"A magnificent achievement. In its power to touch the heart, to awaken consciousness, [The Tibetan Book of Living and Dying] is an inestimable gift." —San Francisco Chronicle A newly revised and updated edition of the internationally bestselling spiritual classic, The Tibetan Book of Living and Dying, written by Sogyal Rinpoche, is the ultimate introduction to Tibetan Buddhist wisdom. An enlightening, inspiring, and comforting manual for life and death that the New York Times calls, "The Tibetan equivalent of [Dante's] The Divine Comedy," this is the essential work that moved Huston Smith, author of The World's Religions, to proclaim, "I have encountered no book on the interplay of life and death that is more comprehensive, practical, and wise."

The Arts of India, Southeast Asia, and the Himalayas at the Dallas Museum of Art

It was years back when Aryan found himself drawn towards the girl with a golden heart and a contagious smile. Chahat couldn't help but fall for this handsome and passionate guy either. They didn't even realise how, but they ended up meaning the world to each other, promising to be each other's forever. But the present seems like a nightmare. Today, Aryan has seen Chahat after five long years. Today, he stands alone, looking for answers of thousands of questions on why Chahat had suddenly disappeared, with not even a slightest clue behind. With confused minds, teary eyes and tired hearts, will Chahat and Aryan stay loyal to their promises? Will Chahat come back to Aryan's – Please be Mine Forever?

Birds of the Indian Hills

Based on the author's previous publication *The Encyclopedia of Tibetan Symbols and Motifs*, this handbook contains an array of symbols and motifs, accompanied by succinct explanations. It provides treatment of the essential Tibetan religious figures, themes and motifs, both secular and religious.

The Snow Leopard

Orgyan Chokyi (1675-1729) spent her life in Dolpo, the highest inhabited region of the Nepal Himalayas. Illiterate and expressly forbidden by her master to write her own life story, Orgyan Chokyi received divine inspiration to compose one of the most forthright and engaging spiritual autobiographies of the Tibetan literary tradition. Her life story is the oldest of only four Tibetan autobiographies authored by women. It is also a rare example of writing by a pre-modern Buddhist woman, and thus holds a unique place in Buddhist literature as a whole. Translator Kurtis Schaeffer prefaces the text with an illuminating study of the life and times of Orgyan Chokyi and an extended analysis of the hermitess's view of the relation between gender, suffering, and liberation. Based almost entirely on primary Tibetan documents never before translated, this fascinating book will be of interest to those studying Buddhism, gender and religion, and the culture of the Tibetan world.

You are the Best Wife

Did the ancients have the technology of flight? In this incredible volume on ancient India, authentic Indian texts such as the Ramayana and the Mahabharata, are used to prove that ancient aircraft were in use more than four thousand years ago. Included in this book is the entire Fourth Century BC manuscript *Vimaanika Shastra* by the ancient author Maharishi Bharadwaaja, translated into English by the Mysore Sanskrit professor G.R. Josyer. Also included are chapters on Atlantean technology, the incredible Rama Empire of India and the devastating wars that destroyed it. Also an entire chapter on mercury vortex propulsion and mercury gyros, the power source described in the ancient Indian texts. Not to be missed by those interested in ancient civilizations or the UFO enigma. Tons of illustrations!

The Ganges in Myth and History

Tibetan Literature addresses the immense variety of Tibet's literary heritage. An introductory essay by the editors attempts to assess the overall nature of 'literature' in Tibet and to understand some of the ways in which it may be analyzed into genres. The remainder of the book contains articles by nearly thirty scholars from America, Europe, and Asia—each of whom addresses an important genre of Tibetan literature. These articles are distributed among eight major rubrics: two on history and biography, six on canonical and quasi-canonical texts, four on philosophical literature, four on literature on the paths, four on ritual, four on literary arts, four on non-literary arts and sciences, and two on guidebooks and reference works.

The Tibetan Book of Living and Dying

We're all a little broken, and that's okay. Or is it? Rick has a medical condition that makes his life different from the rest. But unlike others around him, he sees this not as a curse, but as an opportunity to cherish life and all the bitter-sweet gifts it brings with it. Amidst frequent visits to the doctor, multiple surgeries that risk his life being, and a life that meant surveillance all the time, Rick has to fight for himself each day. But he pulls through, thanks to his family and friend Jacob, who become his pillars of strength. And then, at a time when he is least expecting it, and with someone he meets by accident – love happens. It's a new feeling for his heart and he is scared to lose it. Will Lisa really understand the goodness of his heart or just walk away? *Inside the Heart of Hope* is a story of strong will, perseverance and optimism which will make you wonder if sky is really the limit.

Please be Mine Forever

Originally published in 1997, *Religions of Tibet in Practice* is a landmark work--the first major anthology on the topic ever produced. This new edition--abridged to further facilitate course use--presents a stunning array of works that together offer an unparalleled view of the Tibetan religious landscape over the centuries. Organized thematically, the twenty-eight chapters are testimony to the vast scope of religious practice in the Tibetan world, past and present. *Religions of Tibet in Practice* remains a work of great value to scholars, students, and general readers.

The Handbook of Tibetan Buddhist Symbols

'...sober and extremely well-researched book.' - Inder Malhotra, *Business World* '...very detailed and up-to-date account.' - Richard Newman, *Times Higher Education Supplement* This book examines the economic and technological basis for India's rise to power and the political factors that shape the nature of the power it will develop into. It shows that while India has concentrated on many of the scientific and technical capabilities that serve the needs of a rising power, it has not been able to achieve a balanced process of development. This imbalance feeds sub-national political discontent and undercuts the very power that India has sought to acquire, thus delaying her rise to power.

Himalayan Hermitess

In Western religious traditions, God is conventionally conceived as a humanlike creator, lawgiver, and king, a being both accessible and actively present in history. Yet there is a concurrent and strong tradition of a God who actively hides. The two traditions have led to a tension between a God who is simultaneously accessible to humanity and yet inaccessible, a God who is both immanent and transcendent, present and absent. Western Gnostic, esoteric, and mystical thinking capitalizes on the hidden and hiding God. He becomes the hallmark of the mystics, Gnostics, sages, and artists who attempt to make accessible to humans the God who is secreted away. 'Histories of the Hidden God' explores this tradition from antiquity to today. The essays focus on three essential themes: the concealment of the hidden God; the human quest for the hidden God, and revelations of the hidden God.

Development of Tourism in Sikkim

Oops! 'I' Fell In Love is a funny Indian college love story. This modern time love story was written by Harsh Snehanshu. The story is about how love is possible between not only people of different cities but of different personalities as well. In this story, Kanav Bajaj is a new hopeful engineering student at IIT-Delhi from a small town in Indore. Since he was from a small town, the big metropolitan city was intimidating him and he struggles to fit in. He being a shy and studious boy falls in love with the unlikely Tanya, who is completely opposite in nature compared to him. She is a cheerful girl from LSR, Delhi. Snehanshu also includes a few more interesting characters such as Kanav's friends Aryan, Anuj and Sameer, who add life to the story. Will Kanav and Tanya have a beautiful love story in IIT-Delhi amidst the social, college and parental pressures or will their differences keep them apart? This is an interesting love story written in a witty style by Harsh Snehanshu. The story promises twists and turns in their relationship. Oops! 'I' Fell In Love was published by Srishti Publishers in 2009 which is now available in paperback. Key Features Author of Oops! I Fell In Love Harsh Snehanshu is a graduate of IIT-Delhi. His experience gives the story a more realistic feel. The other stories in this trilogy are Ouch! That 'Hearts' and She's Single, I'm Taken have already been released.

Vimana Aircraft of Ancient India & Atlantis

With beautiful, hand-drawn illustrations and lithographs, this is an ideal companion for not just amateur bird-watchers and wildlife enthusiasts but also seasoned ornithologists. The book is ideal for everyone who wishes to enjoy the rich and varied bird-life of India.

Tibetan Literature

Creative Tech has been one of the most successful IT companies in India during the last two decades. Only that it has started faltering of late. In a challenging and tumultuous business set-up, Marshal Scott, a newly hired American CEO, embarks on a transformation journey that starts on a high note, but soon gets entangled with many unexpected issues. The employees experience disenchantment with the demanding leadership, frequent policy changes and cultural conflicts. Satvik, a mid-level manager

sees the direct implications of these changes that lead to multiple business disruptions and exits of many of his colleagues. Will things ever be the same again? Can Creative Tech tide over the disruption wave and reclaim its glorious past? What does employment mean for individuals and the corporate in the new digital world? Will the future of work be different from what was perfected after the Industrial Revolution?

Symbols of Tibetan Buddhism

The legend of Shangri-La emerged from the Tibetan Buddhist belief in beyul, or hidden lands. Tibetan prophecies proclaim that the greatest of these mythical sanctuaries lies at the eastern edge of the Himalayas, veiled by a colossal waterfall at the heart of the forbidding Tsangpo gorge. After years of research and investigation, Buddhist scholar and world-class climber Ian Baker and his team made worldwide news by reaching the bottom of the Tsangpo gorge and finding a magnificent 108-foot-high waterfall the legendary grail of both Western explorers and Tibetan seekers. The Heart of the World recounts one of the most captivating stories of exploration and discovery in recent memory an extraordinary journey into one of the wildest and most inaccessible places on earth, a meditation on our place in nature, and a pilgrimage to the heart of Tibetan Buddhism.

Holy Himalaya

Journalist Krakauer, standing on the summit of Mt. Everest, saw nothing that "suggested that a murderous storm was bearing down." He was wrong. The storm, which claimed five lives and left countless more in guilt-ridden disarray, would also provide the impetus for this epic account of the May 1996 disaster. Unabridged. 7 CDs.

Inside the Heart of Hope

Over 700 items are featured in this bibliography which attempts to provide a comprehensive listing in chronological sequence of Tibetan-language works belonging to the typical historical genres that have evolved between the 11th century and the present. As well as dates and details of composition or publication, authorship and title, there are also references to the secondary literature in other languages.
