Blest Are We

From boarding out with families to boarding schools, Joan Sprague knew no father, hardly knew a mother, but felt loved wherever she lived. She had dreams like any young girl and, like any teenager, longed for the love of a handsome young man. Whether near the ocean or in the mountains, near the jungle or in the cities, her experience of people was enlightening, inspirational, and at times, disappointing. As Joan searched for God's plan for her life, she tolerated physical pain, bore emotional suffering, accepted disappointment, assumed obligations, discovered love. Family and friends, both near and far, remained her stable go-to. Each time she came to a fork in the road of her life, her staple remained love--love of God-Jesus, love of family, love of friends. She felt so blessed that she had so very much, even amid pain, indecision, and sorrow. Joan was a pretty teenager with beautiful auburn hair. As she grew into womanhood, she was very attractive but didn't know it (she had to be told.) She

loved movies, the beach, baseball. She especially loved music, dancing, singing, and performing. As a devout Catholic, she was edified by the nuns and priests who taught her. After one year in college, she took, as she believed was God's plan for her, the road less traveled nowadays and entered the sisterhood. From Boston to Brazil, she loved her teaching profession and her students of different ages and various cultures... Then she met Padre Xavier, man of God, a man of the cloth. What lay ahead for this young woman who had vowed her life to God? She still felt God's spirit awakening her, pushing her, breathing his life into her soul, yet what was his message now? Could she go on this way, having these feelings each time Xavier was in the room? Prayer, yes, of course. The will of God became her mantra, but could she discern what it was? Eventually, she did.

Blessed

Opinion has been much divided concerning the design, scope, and application of the Sermon on the Mount. Most commentators have seen in it an exposition of Christian ethics. Men such as the late Count Tolstoi have regarded it as the setting forth of a "golden rule" for all men to live by. Others have dwelt upon its dispensational bearings, insisting that it belongs not to the saints of the present dispensation but to believers within a future millennium. Two inspired statements, however, reveal its true scope. In Matthew 5:1, 2, we learn that Christ was here teaching His disciples. From Matthew 7:28, 29, it is clear that He was also addressing a great multitude of the people. Thus it is evident that this address of our Lord contains instruction both for believers and unbelievers alike.

Blessed

Based on a viral video comes the story of one boy's positive energy and how a sunny outlook can turn everything around. It's a new day and Ayaan has woken up on the wrong side of the bed, where nothing feels quite right. What if he doesn't know the answer at school? What if he messes up? But as he sets out that morning, all it takes is a few reminders from his mom and some friends in the neighborhood to remind him that a new day is a good day because... HE IS SMART, HE IS BLESSED, AND HE CAN DO ANYTHING!

A compassionate, shame-free guide for your darkest days "A one-of-a-kind book . . . to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized, medicalized or over-spiritualized."—Kay Warren, cofounder of Saddleback Church What

happens when loving Jesus doesn't cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning Christians to "choose joy" and "pray more." So you beg God to take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your world, you're left wondering if God has abandoned you. You just want a way out. But there's hope. In *I Love Jesus, But I Want to Die*, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching honesty, Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church. Pairing her own story with scriptural insights, mental health research, and simple practices, Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, *I Love Jesus, But I Want to Die* offers a path toward a rich, hope-filled life in Christ, even when healing doesn't look like what you expect.

In Search of My Father's Love: Finding Love In the Right Place

A Blessed Olive Tree is a series of short stories that will take you on a spiritual journey. It begins by exploring the reason for our existence, and then it moves on to highlight the reasoning behind the five pillars of Islam. After touching upon "Shariah" (the religious law), you will enter the land of "Tariqa" (the mystical path) to explore love, loving, and being loved. You will then come across "Haqiqa" (the truth), and find answers to some of the queries in your mind. You will finally experience the land of "Marifa" (gnosis), and catch a glimpse of the ultimate connection with the Divine. This entire journey is covered in twenty simple short stories.

Blessed Child

This book tells us that God has a mindset to expound many peculiar things which are unheard of within most Christians communities. Do you know that very shortly, Christianity will cover the whole earth, stirring up a new movement by a sense of purity as the waters cover the sea? There will always be more of us than of them! Read and be refreshed! Do you know that the Spirit from on high is about to pour out over all nations? He is the governor of the nations. Read it and give Him no rest! Do you know that (this is a tough one) Israel's borders will be out of shape to build his borders as God promised to Abraham? Read and be ready! Do you know that unless Jerusalem is rebuilt, our Messiah is not coming? God commanded it to Jerusalem now! Read and be restored! Do you know that the gathering of the Jews (144,000) and us (Judah's extended family) are a part of this movement by the Spirit of God to place us in the land of the living, which is approaching faster? Read, pray, and be revived to be a part of this movement! Do you know that Jerusalem will have an earthquake to lift up the land higher to set up Zion for deliverance, and no evil dares touch this plan? Read and be exceedingly glad! Do you know that Israel will have approximately twenty-one years of peace, and the land will be like the Garden of Eden before Armageddon comes? Do you know that New Jerusalem will appear for our glory to welcome her husband before Jesus comes? Do you know that all churches of Rev. 2""3 will rejoice before God, none will be lost? Read and dance with joy! Finally, do you know that the mark of the beast is not our threat? Read and rejoice that your names are written in heaven! Read and see what we saw: "Suddenly, we see a panoramic view of this greatest multitude, which no man can number! The earth quivers when they worship as if none can rest because of their loud voice. Oh, what will God do when He hears the babes that are crying, 'Salvation to our God?' The windows of heaven will open up and the Word of God will proceed out of His mouth saying..." Read the book and find out for yourself.

One Woman's Beautiful Legacy Unfolds in My Stephania. The new book tells a heartwarming tale about faith, love, hope, and legacy on January 20, 2025. Winston Lacaze is set to deliver his inaugural address as the new president of the United States. Only thirty-eight, he is the youngest to ever accomplish such a feat and he has God and Stephania to thank for it. Readers can follow an amazing legacy unfold in My Stephania, a novel by Johnnie Lee Moore Jr. Many people didn't think that Winston Lacaze had a legitimate chance against his two formidable opponents. It was like David against two Goliaths. Nevertheless, he defied the odds and became the first independent candidate to be elected president of the United States. He reached out to every race, gender, religion, age, or creed. He reached out to the rich and poor. He was a man of honest integrity and faith. As he stood at the inaugural, he was overcome with emotion and gratitude when he thought of the beautiful Native American female named Stephania Frost. Every time thoughts of Stephania enveloped his mind, President Lacaze became overwhelmed with emotions. Her graceful beauty forever changed his life, and President Lacaze couldn't thank her enough. Stephania had a warm and special place in his heart, and he couldn't stop thinking about her. But Stephania was not his wife. Nor was she his mother. In fact, she wasn't even related to him.

Readers can find out more about this special woman and the wonderful legacy she left behind as her story unravels in *My Stephania*. For more information on this book, interested parties may log on to www.Xlibris.com.

A Blessed Olive Tree

This book is an autobiography of my life, my wife's life, my family and my daughter's family. It represents seventy-six years of delta life, town life, college and career life, and retirement life. Many things happened in those years where I could point out the hand of God in my life. Living on a farm, moving to town, going to college, getting married, finishing college while married, then going to graduate school was a stressful time in my life but an enjoyable time. My wife and I were connected in church during this time, and God was in command of our life. Teaching was my career choice. Three years in high school and forty-two years at Phillips Community College of the University of Arkansas. Teaching in Sunday school and training union during the years in West Helena Baptist Church was a plus for my life. My wife was the secretary to the pastors of West Helena Baptist Church for thirty-three years. Our lives were greatly touched by the Lord Jesus Christ. Except for the five years of college life and three years of high school teaching, my life has been in Phillips County Delta in Arkansas. People have changed in the county because of mechanization on the farm. The tenant workers, both black and white, moved to the city to find work or moved to larger cities or out of state to find work. A lot of people think that growing up is up to twenty-one years, but in my life, it has been a continual growth and growing with God's help.

Lo, A Great Multitude, Which No Man Can Number

When Katherine Bailey Babb discovered that her high school age Sunday School class wanted to study anything but the Bible, she realized just how ignorant they were of some of the basic background of the faith they professed. So Babb decided to create a curriculum for studying the Old Testament that would fill in the gaps in their knowledge while being fun and enjoyable. And it worked! Her field-tested approach will make the Hebrew Bible an exciting field of study for your youth.

In 1992, God had placed a vision in a grandmother's heart that if I would come to Johnson Street and teach the Bible to children His Word would supernaturally change their lives. She did not know when she asked me teach that one little boy in the first Bible Club would name the ministry Keeping Hope Alive, and it would become a non-profit Christian organization. The ministry would travel the world teaching children in orphanages and in the slums of Kenya about God's love, seeing over five-thousand children give their hearts to Jesus and touched by God's Presence. She did not know that when children start to pray that murders stop, parents get off drugs, and families are restored. The vision of one grandmother, Virginia Barbee, changed the world for Jesus. This book tells the stories of how God came and answered the prayers of the children with supernatural healings and miracles.

Bible Answers for Almost All Your Questions

Written by an L. A. County homicide detective and former atheist, *Cold-Case Christianity* examines the claims of the New Testament using the skills and strategies of a hard-to-convince criminal investigator. Christianity could be defined as a "cold case": it makes a claim about an event from the distant past for which there is little forensic evidence. In *Cold-Case Christianity*, J. Warner Wallace uses his nationally recognized skills as a homicide detective to look at the evidence and eyewitnesses behind Christian beliefs. Including gripping stories from his career and the visual techniques he developed in the courtroom, Wallace uses illustration to examine the powerful evidence that validates the claims of Christianity. A unique apologetic that speaks to readers' intense interest in detective stories, *Cold-Case Christianity* inspires readers to have confidence in Christ as it prepares them to articulate the case for Christianity.
