A Bucket Full of Love

A Bucket full of Love was written for children trying to cope with divorce. It is loved by educators and kids alike. Children will recognize that the love they received since birth cannot be erased by their parent's separation. A Bucket Full of Love is a book for ages four and older, providing compassionate answers. It follows the emotions of a little girl who feels sad. She lives with her dad and she hasn't seen her mom for a long time. She misses her so much that she tries to come up with reasons for how she might solve the problem. Finally she gets to share her pain with Grandma. Will Grandma's advice enable her to cope with her sadness and confusion? Author H. C. Wingert speaks from experience. A child of divorce herself, she is now the grandmother of two girls who are dealing with the separation from their mother. She says, "A Bucket Full of Love has emerged from observing the pain that the children cannot verbalize." Wingert says she too has experienced hopelessness and helplessness, and most of all the yearning for the other parent. The intent of the book, she says, "is not to put blame on anyone, but rather to help children to be able to accept what is." "In a day and age when one in two marriages are ending in divorce and 65% of those have children who must face the pain of living in a divided family environment, A Bucket Full of Love is a balm for the heart." writes OutskirtsPress.

A Garden Full of Love

What if we stopped avoiding the difficult people in our lives and committed to simply loving everybody? What happens when we give away love like we're made of it? In *Everybody, Always*, Bob Goff's joyful New York Times bestselling follow-up to *Love Does*, you'll discover the secret to living without fear, constraint, or worry. Bob teaches us that the path toward the outsized, unfettered, liberated existence we all long for is found in one simple truth: love people, even the difficult ones, without distinction and without limits. In *Everybody, Always*, Bob shows us the simple truths about life that have the power to shift our mindset forever: Jesus uses our blind spots to reveal himself to us. It's easy to love kind, lovely, humble people, but you have to tackle fear in order to love people who are difficult. What we do with our love will become the conversations we have with God. Dark and scary places are filled with beautiful people who need our unconditional love. Extravagant love has extraordinary power to change lives, including our own. Driven by Bob's trademark storytelling, this book reveals the wisdom Bob learned--often the hard way--about what it means to love without inhibition, insecurity, or restriction. From finding the right friends to discovering the upside of failure, *Everybody, Always* points the way to embodying love by doing the unexpected, the intimidating, the seemingly impossible. Whether losing his shoes while skydiving solo or befriending a Ugandan witch doctor, Bob steps into life with a no-limits embrace of others that is as infectious as it is extraordinarily ordinary. *Everybody, Always* reveals how we can do the same.

Treacherous Waters

An investigation of love in all its forms, featuring conversations with Lisa Taddeo, Esther Perel, Emily Nagoski, Kate Bowler, Alain de Botton, Stephen Grosz, Roxane Gay and others. Journalist Natasha Lunn was almost 30 when she realized that there was no map for understanding love. While she was used to watching friends fall in and out of love, the older she got the more she had to acknowledge: her friends' relationship struggles could no longer be chalked up to youth, and the more she learned about her parents, grandparents, work colleagues, and mentors the clearer it became that age had not brought any of them any closer to understanding this elusive, transformative, consuming emotion. One night during the months she found this realization settling over her, she sat up in bed and jotted three words in a notebook: conversations on love. In that moment, Lunn understood that she didn't want advice about love, she wasn't looking for the answers, or evergreen wisdom but she craved candid, wide-ranging, sometimes uncomfortable conversations about the parts of love that often don't make it into our everyday discussions of marriage, sibling relationships, friendships, or mother/daughter bonds. *Conversations on Love* started as an experiment aimed at interviewing experts about what love meant to them, in all of its messiness, and quickly blossomed into a newsletter that attracted thousands of subscribers and a prestigious range of interviewees. It turns out that Lunn wasn't the only person ready to talk more openly and expansively about love. Interweaving personal essays and revealing interviews with some of the most sought-after experts on love, journalist Natasha Lunn guides us through the paradoxical heart of three key questions about love--How do we find love? How do we sustain it? And how do we survive when we lose it?--to deliver a book that is a solace, a beacon, a call to arms, a tool-kit. The real-life love stories in these pages will leave you hopeful and validated, while the insights from experts will transform the way you think about your relationships. Above all, *Conversations on Love* will remind you what love is: fragile, sturdy, mundane, beautiful, always worth fighting for.

We change who we are to impress people who aren't looking and don't care. Yet, we are still desperately searching for a love that changes everything for us, a love that doesn't fade and doesn't fail--even when we do. That's the kind of love God shows that he has for us through the remarkable story of Hosea and Gomer. Unpacking this powerful love story from the Old Testament in a way you have never heard, pastor Micah Berteau releases us from the fears, hurts, insecurities, and anxieties of life by showing us just how extravagantly we are loved--in spite of our faults, our failures, and our sins. If you're tired of trying so hard to be worthy of someone else's love, lost in what's fake, or drawn to live in the temporary, Micah Berteau has good news for you--there is a better way to live and love. I Love You, Mummy

In this “tale of toxic friendship at its most riveting” (People), a young woman finds herself inexorably drawn to repeating the worst mistakes of her past. “Masterly, mendacious, and a total thrill ride . . . Not since a certain Mr. Ripley have I been so consumed in another’s covetous desires.”—Justin Torres, bestselling author of *We the Animals* At age thirty, Rose is fierce and smart, both self-aware and singularly blind to her power over others. After moving to New York, she is unexpectedly swallowed up by her past when she reunites with Lacie, the former best friend she betrayed in high school. Captivated once again by her old friend’s strange charisma, Rose convinces Lacie to let her move in, and the two fall into an intense, uneasy friendship. While tutoring the offspring of Manhattan’s wealthy elite, Rose works on a novel she keeps secret—because it stars Lacie and details the betrayal that almost turned deadly. But the difference between fiction and fact, past and present, begins to blur, and Rose soon finds herself increasingly drawn to Lacie’s boyfriend, exerting a sexual power she barely understands she possesses, and playing a risky game that threatens to repeat the worst moments of her and Lacie’s lives. Sharp-witted and wickedly addictive, *Everyone Knows How Much I Love You* is a uniquely dark entry into the canon of psychologically rich novels of friendship, compulsive behavior, and the dangerous reverberations of our actions, both large and small.
