Top 10 reasons to come back: For those undecided about a return visit... there is a list of Top 10 reasons to come back again.

MARCO POLO Reiseführer Berlin englisch

People have always been hooked on Berlin. The setting for momentous political and historical events and haven for various lifestyles and artistic movements, the city never stops reinventing itself. Despite its tumultuous past, today Berlin considers itself very much at the modern heart of Europe and is acknowledged as a trendsetter the world over. Surrounded by lakes and forests, offering plenty of recreational activities - it is also a place to find peace and tranquillity. Berlin is a metaphor for life, with all its highs and lows; at the interface between Western and Eastern Europe, the important things in life are tangible here. MARCO POLO Berlin guides you through a city of design, the city of The Wall and the metropolis that never closes. The practical, pocket-sized guide takes you on a tour through its endlessly varied museum and cultural landscape, and shows you its lively nightlife and enticing shops. The 'Where to Start' panels highlight the best places to begin sightseeing, the best places to shop, and the trendiest places to go in the evening. The Insider Tips explain how to take a ride in the U-Bahn Cabrio (open-top metro) and where to buy violet mustard, milk grappa, and garlic chocolates. The Best Of pages highlight some unique aspects of Berlin, recommend places to go for free, and have tips for rainy days and where you can relax and unwind. Panels in each chapter suggest things to do if you're on a tight budget and where to pick up some real bargains. The City Walks include exploring the past in the Hackesche Höfe (courtyards) and strolling along the line of the now vanished Wall. Excursions take you to the magnificent Prussian palace of Sanssouci and the waterside town of Köpenick with its historic centre. The Do's & Don'ts explain why it's best to steer clear of conjuring tricks, and the Travel Tips tell you why it's best instead to put your money on the WelcomeCard. MARCO POLO Berlin provides comprehensive coverage of the city. To help you find your way around there's a detailed street atlas inside, a useful public transport map in the backcover, plus a handy pull-out map.

Portugal's Rota Vicentina

This guidebook follows the Rota Vicentina, a 220km walking route along the stunning Atlantic coastline in the Alentejo and Algarve regions of Portugal. The 12-stage trek combines two well-marked routes, the Caminho Histórico (the Historical Way) and the Trilho dos Pescadores (the Fishermen's Trail), to create a hike starting in Santiago do Cacém and ending at Cabo de São Vicente. The guide also describes an alternative circular route for those who would prefer an 11-stage loop, moving inland from Odeceixe and back up to Santiago de Cacém. Whichever route is chosen, the Rota Vicentina is ideal for a two-week holiday in spring or late summer to autumn, offering walkers a remarkable range of landscapes from coastal fishing villages to wooded river valleys. The guidebook includes advice about accommodation options along the route, information about the surrounding area, and a glossary of Portuguese terms to aid with reading signs and maps. Along the Rota Vicentina are many delights for walkers. This stunning coastal region is home to a variety of rare birdlife, including white storks that nest precariously on sea stacks. Another treat is the mouth-watering Portuguese cuisine, whether the famous custard tarts or less well-known goose barnacles. With its vibrant cultural traditions and rich history displayed in Arab-era castles and 15th-century Age of Discovery sites, this route offers pleasant surprises at every stage along the Portuguese Atlantic coast.

Pocket Algarve 1 New Due Nov

Lonely Planet Pocket Algarve is your passport to the most relevant, up-to-date advice on what to see and skip, and what hidden discoveries await you. Admire the views from Silves' Castelo, visit Europe's southwesternmost point at Cabo de Sao Vicente in Sagres and wander Faro's picturesque Cidade Velha.

Espagne

Let your Marco Polo Spain and Portugal Road Atlas guide you around this wonderful part of Europe. For effortless touring around these beautiful countries look no further than this easy to use atlas. Includes high quality mapping, foldout overview map, Zoom system, scenic routes and places of interest. Scale is 1:300 000.

The North Downs Way

The North Downs Way National Trail is a 130 mile (208km) between the high downland of Farnham and the historic city of Dover on the Kent coast. The route is described in 11 day stages from west to east with an optional detour via Canterbury. Step-by-step route descriptions are fully illustrated with colour photographs and extracts from OS 1:50,000 mapping for every stage. The guidebook comes with a separate map booklet of 1:25,000 scale OS maps showing the full route of the North Downs Way. Clear step-by-step route descriptions in the guide link together with the map booklet at each stage along the Way, and the compact format is conveniently sized for slipping into a jacket pocket or the top of a rucksack. The North Downs Way is one of the easier national trails with a modest number of steep (but short) ascents and descents and long sections with no noticeable height gain or loss. Several historic sites including Neolithic burial chambers, Roman roads and Norman churches are passed and much of the route follows The Pilgrims' Way.

The Way of St Francis

This guidebook describes the Way of St Francis a 550km month-long pilgrimage trail from Florence through Assisi to Rome. Split into 28 day stages, the walk begins in Florence and finishes in the Vatican City. Stages range from 8km to 30km with plenty to see, including ancient ruins, picturesque

towns, national treasures, and stunning churches. This comprehensive guidebook fits in a jacket pocket or rucksack, and contains information on everything from accommodation and transport in Italy, to securing your credential (pilgrim identity card), budgeting, what to take, and where to do laundry. Stories of Francis of Assisi's life are also included. Although the route includes climbs and descents of up to 1200m, no special equipment is required - although your hiking boots and socks definitely need to get along. Following the steps of heroes, conquerors and saints on this pilgrim trail is manageable all year round, but is best done from April to June and mid-August to October. Route maps are given for every stage, and basic Italian phrases are included in the guidebook.
