Monster High: The Creepy-Cool Collection of Junior Novels

When Draculaura is led to believe she's the rightful heir to the vampire throne, she and her best ghoulfriends are whisked away to Transylvania for a royal coronation to die for. But they soon discover the hunt for the queen is not over yet. The Ghouls must locate an ancient artifact known as the Vampire's Heart in order to discover the identity of the true Vampire Queen. It's a fangtastic adventure that will lead them from the Tower of Londoom, to a haunted river boat in New Goreleans and finally to the glamorous boo-vie lots of Hauntlywood. Could this be the moment when Draculaura finally receives her vampire powers and discovers screams really can come true? Based on the Monster High movie: Frights, Camera, Action! Contains eight pages of full-colour images in addition to the story. Don't miss the other books based on Monster High movies: Haunted and Freaky Fusion.

Monster High Freaky Fusion

When Spectra Vondergeist goes back to her old ghost school to find out why Monster High is being haunted, the other girls use Boogey Sand to transform into ghosts so they can follow her. There, they die-scover that spirits are low because the Principal weighs students down with ghastly rules and detention chains. It's up to the ghouls and their new ghost friends to uncover the mystery of the hauntings and the secrets of the ghost school! Based on the fangtastic Monster High movie: Haunted! Contains eight pages of full-colour images in addition to the story. Don't miss the other books based on Monster High movies: Frights, Camera, Action and Freaky Fusion.

Frights, Camera, Action!

It's fright lights, big city when the Monster High ghouls head to Boo York. Cleo de Nile is invited to attend a fancy gala celebrating the return of a magical comet and, of course, she brings along her beast friends. But their trip isn't all fun and frightseeing because Nefera, Cleo's sister, uses the comet's powers for her own spooktacularly sneaky plans. Can the monsters unwrap the mystery of the comet in time to stop Nefera? Find out in Monster High: Boo York, Boo York! This fangtsastic book is based on the first-ever Monster High movie musical, featuring eight original songs. Contains eight pages of full-colour images in addition to the story. Don't miss the other books based on Monster High movies: Haunted, Freaky Fusion and Frights, Camera, Action!

Haunted

When the ghouls discover Clawdeen Wolf's big dream of opening a salon for monsters and Normies alike, they can't wait to make it a monstrous success! And Frankie knows just the place for such a voltageous idea-her old power station. But while the ghouls are preparing their electric styles, Twyla spots Moanica D'Kay working on a shocking plan of her own. And with Frankie Stein's latest invention-a super powerful battery-in Moanica's hands, the whole Normie World could be in high-voltage danger! Can these ghoulfriends save the Normies and make Clawdeen's dream a clawsome reality? Only one thing's for sure-it's going to be electrifying! Includes an 8-page color insert! ©2017 Mattel. All Rights Reserved.

Boo York, Boo York

Cleo De Nile is so excited to visit Boo York that she's practically bursting out of her bandages! She's bringing her sweetie, Deuce Gorgon, and her beast ghoulfriends, plus a new fiend, pop sensation Catty Noir. The ghouls expect to have the times of their unlives partying at a gala celebrating an ancient Egyptian artifact, the comet crystal. Cleo doesn't know it, but her sister Nefera, is planning to trick her into making a scared promise under the light of the comet when it passes over Boo York - a promise that will change her destiny forever! And no one knows that the comet is on a collision course with the Boo World, hurtling directly toward Boo York! It's a fangtastic, claw-biting adventure that no one will ever forget...as long as they survive the night of the comet! © 2015 Mattel. All Rights Reserved.

Monster High: Electrified: The Junior Novel

A new Monster High junior novel movie tie-in! © 2016 Mattel. All Rights Reserved. Includes 8-page full-colour insert.

Monster High: Boo York, Boo York: The Junior Novel

Welcome to Monster High! You know that Monster High is the most creeperific school in the world, but do you know how it came to be? It all started with a girl named Draculaura—the daughter of Dracula—who had a dream about creating a place where monsters could belong, get along, and be themselves. To make her dream come true, Draculaura and her best ghoulfriends went on fangtastic adventures around the world to recruit monsters to attend Monster High. But all was not perfectly monstrous at Monster High when a villainous zombie set out to ruin everything Draculaura and her friends worked so hard for. Can the ghouls save the day...and save Monster High? ©2016 Mattel. All Rights Reserved.

Great Scarrier Reef

A novel of love and monsters. Sisters Esme, Katy, and Ronnie are smart, talented, and gorgeous, and better yet . . . all three are witches. They have high school wired until the arrival of two new students. The first is Norman, who is almost eight feet tall and appears to be constructed of bolts and mismatched body parts. Despite his intimidating looks, Esme finds herself strangely -- almost romantically -- drawn to both his oversized brain and oversized heart. The second new arrival is Zack, an impossibly handsome late transfer from the UK who has the girls at school instantly mesmerized. Soon even sensible Esme has forgotten Norman, and all three sisters are in a flat-out hex war to win Zack. But while the magic is flying, only Norman seems to notice that students who wander off alone with Zack end up with crushed bones and memory loss. Or worse, missing entirely. **HEARTS & OTHER BODY PARTS** is a wickedly addictive novel about love, monsters, and loyalty. And oh yeah, a Japanese corpse-eating demon cat.

Monster High: Welcome to Monster High: The Junior Novel

At 53, Jack Ackerly is sitting on top of the world. Thanks to a lifetime of hard work and strategic business deals, he's rich, retired, and set for life. Only trouble is... he can't help regretting the wild oats he never sowed. At 26, Corey Szaslow has been living the life of Jack Ackerly's fantasies: a never-ending round of bars, parties, and one-night-stands. Only trouble is.. he can't help regretting the dead-end future that's ahead of him. If only Jack and Corey could trade places! Enter a brilliant (if rather dithering) witch named Francesca, who helpfully places Jack's mind in Corey's body, and Corey's in Jack's—and each considers his problems solved. But they soon discover that inhabiting each other's bodies is a hell of a lot easier than living each other's lives. Uproariously funny, unexpectedly moving, and uncannily insightful about the arc of a gay man's life, *When You Were Me* was the culmination of Robert Rodi's exploration of gay archetypes when it was first published in 2007. It's finally back in print... and like Jack and Corey, enjoying a whole new life of its own.

Hearts & Other Body Parts

AQUAMAN hits the big screen on December 21, 2018. The all-star cast includes Jason Momoa, Amber Heard, Patrick Wilson, Nicole Kidman, Willem Dafoe, and more. *Aquaman: Undertow* is the never-before-seen prequel story of a young Arthur Curry, set in the cinematic world of Aquaman and the DC Universe—perfect for fans of the highly anticipated movie! Before he was King of Atlantis . . . Thirteen-year-old Arthur Curry has enough troubles to sink a ship. His mom left him and his dad when Arthur was only three years old. He doesn't fit in with the other students at school. To them, he's just “fish boy,” a weird, freaky kid. But Arthur has a secret. Something so secret, even he doesn't know what it is. With the help of his only friend, Claudia, Arthur will begin to learn the truth about his mother, himself, and a legendary world that may actually exist. Oh, and he learns about octopuses. Octopi. It's probably octopi, right?

When You Were Me (Robert Rodi Essentials)

Scholars have long recognized that ethnographic method is bound up with the construction of theory in ways that are difficult to teach. The reason, Allaine Cerwonka and Liisa H. Malkki argue, is that ethnographic theorization is essentially improvisatory in nature, conducted in real time and in necessarily unpredictable social situations. In a unique account of, and critical reflection on, the process of theoretical improvisation in ethnographic research, they demonstrate how both objects of analysis, and our ways of knowing and explaining them, are created and discovered in the give and take of real life,

in all its unpredictability and immediacy. *Improvising Theory* centers on the year-long correspondence between Cerwonka, then a graduate student in political science conducting research in Australia, and her anthropologist mentor, Malkki. Through regular e-mail exchanges, Malkki attempted to teach Cerwonka, then new to the discipline, the basic tools and subtle intuition needed for anthropological fieldwork. The result is a strikingly original dissection of the processual ethics and politics of method in ethnography.

Aquaman: Undertow

The story of the director behind *Harold and Maude*, *Being There*, and other quirky classics: “A superb biography of this troubled, talented man.” —Tucson Citizen Hal Ashby set the standard for subsequent independent filmmakers by crafting unique, thoughtful, and challenging films that continue to influence new generations of directors. Initially finding success as an editor, Ashby won an Academy Award for editing 1967’s *In the Heat of the Night*, and translated his skills into a career as one of the quintessential directors of 1970s. Perhaps best remembered for the enduring cult classic *Harold and Maude*, Ashby quickly became known for melding quirky comedy and intense drama with performances from A-list actors such as Jack Nicholson in *The Last Detail*, Warren Beatty and Goldie Hawn in *Shampoo*, Jon Voight and Jane Fonda in *Coming Home*, and Peter Sellers and Shirley MacLaine in *Being There*. But Ashby’s personal life was difficult. After enduring his parents’ divorce, his father’s suicide, and his own failed marriage all before the age of nineteen, he became notorious for his drug abuse, which contributed to the decline of his career near the end of his life. Ashby always operated outside Hollywood’s conventions, and though his output was tragically limited, the quality of his films continues to inspire modern directors as varied and talented as Judd Apatow and Wes Anderson, both of whom acknowledge Ashby as a primary influence. In *Being Hal Ashby: Life of a Hollywood Rebel*, the first full-length biography of the maverick filmmaker, Nick Dawson masterfully tells the turbulent story of Ashby’s life and career.

Improvising Theory

Journey to the Centre of the Earth has been consistently praised for its style and its vision of the world. It explores the prehistory of the globe, but can also be read as a psychological quest, for the journey itself is as important as arrival or discovery. Professor Lidenbrock and his nephew Axel travel across Iceland, and then down through an extinct crater towards a sunless sea where they enter a living past and are confronted with the origins of man. A classic of nineteenth-century French literature, the novel’s distinctive combination of realism and Romanticism has marked figures as diverse as Sartre and Tournier, Mark Twain and Conan Doyle. This new translation of the complete text is faithful to the lyricism, verve, and humour of the original. ABOUT THE SERIES: For over 100 years Oxford World’s Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford’s commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.

Being Hal Ashby

The third chapter book in a brand new paperback series that’s perfect for the younger fans of *Ever After High*, these stories put a spelltacular spin on classic fairytales!

Journey to the Centre of the Earth

Everyone in Green Valley, Tennessee knows that the six bearded Winston brothers have been imbued with an unfair share of charm and charisma... and are prone to mischief. *Dr. Strange Beard*, the fifth book in the Winston Brothers series, from USA TODAY bestselling author Penny Reid publishes in July 2018!

Once Upon a Twist: Rosabella and the Three Bears

****THE TIKTOK SENSATION**** Read *THE* razor-sharp satire that everyone is talking about... On the surface, our narrator has everything you could want in life. She’s young, thin, pretty, a recent Columbia graduate and lives in an apartment on the Upper East Side of Manhattan paid for, like everything else, by her inheritance. But there is a vacuum in her life and she’s got the perfect solution. She’s going to take a year under sedation to relax and hide away from the world. What could possibly go wrong?

Blackly funny, merciless and compassionate, *My Year of Rest and Relaxation*, is the perfect read for fans of *The Secret History* by Donna Tartt and *The Seven Husbands of Evelyn Hugo* by Taylor Jenkins Reid. PRAISE FOR MY YEAR OF REST AND RELAXATION: 'The book that everyone is talking about' The Times 'Diamond-hard entertainment' Guardian 'Electrifying...compelling...Moshfegh's protagonist is an unlikely revolutionary' Vanity Fair

Dr. Strange Beard

As new students, the trio must navigate the bewildering array of cute monster boys, established cliques, and monster-rific subjects like Mad Science, G-ogre-phy, and Physical Deaducation. As if that weren't hard enough, something strange and sinister seems to be happening at the school. Popular girls like Frankie Stein and Cleo de Nile are acting weird-and all signs point to everyone's new favorite teacher, Miss Sylphia Flapper. Can the new GFFs expose the fave as a fraud, or will they succumb to peer pressure?

My Year of Rest and Relaxation

A critical catalogue of how lawyers use history - as authority, as evocation of lost golden ages, as a nightmare to escape and as progress towards enlightenment.

Ghoulfriends Forever

Twilight Sparkle might be back in Equestria, but she's still thinking about her human friends at Canterlot High . . . When DJ Pon-3 overhears the Equestria Girls singing, she suggests that they start a band in time for the Spring Fling! But practising is hard when the girls have to find instruments, deal with a rival band and look after a whole herd of hamsters . . . Can they work together to get the band ready in time? When you're playing with your very best friends - music is magic!

Taming the Past

Aims to produce a new understanding of the world significance of South Asian culture in multi-racist societies. It focuses on the role that contemporary South Asian dance music has played in the formation of a new urban cultural politics.

Equestria Girls: Rainbow Rocks!

The beautiful Rowan Mayfair, queen of the coven, must flee from the darkly brutal, yet irresistible demon known as Lasher. This work tells a hypnotic story of spiritual aspirations and passion.

Dis-Orienting Rhythms

Tensions are running high as Melody teams up with Frankie in a race against time to try and stop Bekka from spilling Jackson's big secret. But Frankie has bigger plans in mind - she and Brett decide to film a documentary to further the RADs cause . . . but Bekka isn't about to let some monster steal her man! Meanwhile, Cleo freaks when her friends bolt on her Teen Vogue photo shoot to be in Frankie's documentary, and she starts giving Melody the evil eye - just what is that royal pain up to? Will Cleo stop at nothing to remain queen bee, even if it means teaming up with Bekka - a normie?!

Lasher

A sonic boom, a flash of blue light -- and another time-traveling teen turns Josh and Katie's world upside down! Will this 3000-year-old Egyptian remove the curse from a haunted house, soothe the spirit of an unsettled ghost, and solve an ancient mystery? Or will his spells backfire and ruin Halloween?

Monster High: The Ghoul Next Door

Join Sunset Shimmer, Twilight Sparkle, Pinkie Pie, Rainbow Dash, Rarity, Apple Jack, and Fluttershy as they rely on their special friendships to guide them through the highs and lows of being students at Canterlot High. © Hasbro 2017. All Rights Reserved.

Breaking the Curse

Designed to inform and inspire the next generation of plant biotechnologists *Plant Biotechnology and Genetics* explores contemporary techniques and applications of plant biotechnology, illustrating the tremendous potential this technology has to change our world by improving the food supply. As an introductory text, its focus is on basic science and processes. It guides students from plant biology and genetics to breeding to principles and applications of plant biotechnology. Next, the text examines the critical issues of patents and intellectual property and then tackles the many controversies and consumer concerns over transgenic plants. The final chapter of the book provides an expert forecast of the future of plant biotechnology. Each chapter has been written by one or more leading practitioners in the field and then carefully edited to ensure thoroughness and consistency. The chapters are organized so that each one progressively builds upon the previous chapters. Questions set forth in each chapter help students deepen their understanding and facilitate classroom discussions. Inspirational autobiographical essays, written by pioneers and eminent scientists in the field today, are interspersed throughout the text. Authors explain how they became involved in the field and offer a personal perspective on their contributions and the future of the field. The text's accompanying CD-ROM offers full-color figures that can be used in classroom presentations with other teaching aids available online. This text is recommended for junior- and senior-level courses in plant biotechnology or plant genetics and for courses devoted to special topics at both the undergraduate and graduate levels. It is also an ideal reference for practitioners.

My Little Pony: Equestria Girls: A Friendship to Remember

MACHINE OF DEATH tells thirty-four different stories about people who know how they will die. Prepare to have your tears jerked, your spine tingled, your funny bone tickled, your mind blown, your pulse quickened, or your heart warmed. Or better yet, simply prepare to be surprised. Because even when people do have perfect knowledge of the future, there's no telling exactly how things will turn out.

Plant Biotechnology and Genetics

Teeming with chatrooms, online discussion groups, and blogs, the Internet offers previously unimagined opportunities for personal expression and communication. But there's a dark side to the story. A trail of information fragments about us is forever preserved on the Internet, instantly available in a Google search. A permanent chronicle of our private lives--often of dubious reliability and sometimes totally false--will follow us wherever we go, accessible to friends, strangers, dates, employers, neighbors, relatives, and anyone else who cares to look. This engrossing book, brimming with amazing examples of gossip, slander, and rumor on the Internet, explores the profound implications of the online collision between free speech and privacy. Daniel Solove, an authority on information privacy law, offers a fascinating account of how the Internet is transforming gossip, the way we shame others, and our ability to protect our own reputations. Focusing on blogs, Internet communities, cybermobs, and other current trends, he shows that, ironically, the unconstrained flow of information on the Internet may impede opportunities for self-development and freedom. Long-standing notions of privacy need review, the author contends: unless we establish a balance between privacy and free speech, we may discover that the freedom of the Internet makes us less free.

Machine of Death

This volume contains detailed information about every musical that opened on Broadway from 2010 through the end of 2019. This book discusses the decade's major successes, notorious failures, and musicals that closed during their pre-Broadway tryouts. In addition to including every hit and flop that debuted during the decade, this book highlights revivals and personal-appearance revues.

The Future of Reputation

A mesmerising mystery story about friendship from the internationally bestselling author of *Norwegian Wood* and *1Q84* Tsukuru Tazaki had four best friends at school. By chance all of their names contained a colour. The two boys were called Akamatsu, meaning 'red pine', and Oumi, 'blue sea', while the girls' names were Shirane, 'white root', and Kurono, 'black field'. Tazaki was the only last name with no colour in it. One day Tsukuru Tazaki's friends announced that they didn't want to see him, or talk to him, ever again. Since that day Tsukuru has been floating through life, unable to form intimate connections with anyone. But then he meets Sara, who tells him that the time has come to find out what happened all those years ago.

The Complete Book of 2010s Broadway Musicals

Eight centuries from now-- long after the Big Mistake and the death of Old Earth-- humanity is again on the brink of war. Galactic war this time.

Colorless Tsukuru Tazaki and His Years of Pilgrimage

Gritty urban fantasy adventure set in an alternate noir 1930s, Book Three in the Grimnoir chronicles. Only a handful of people in the world know that mankind's magic comes from a living creature, and it is a refugee from another universe. The Power showed up here in the 1850s because it was running from something. Now it is 1933, and the Power's hiding place has been discovered by a killer. It is a predator that eats magic and leaves destroyed worlds in its wake. Earth is next. Former private eye, Jake Sullivan, knows the score. The problem is hardly anyone believes him. The world's most capable Active, Faye Vierra, could back him up, but she is hiding from the forces that think she is too dangerous to let live. So Jake has put together a ragtag crew of airship pirates and Grimnoir knights, and set out on a suicide mission to stop the predator before it is too late. At the publisher's request, this title is sold without DRM (Digital Rights Management).

Hyperion Cantos

A new, revised Third Edition is available now! The bestselling guide to understanding borderline personality disorder. After more than two decades as the essential guide to Borderline Personality Disorder (BPD), this new edition now reflects the most up- to-date research that has opened doors to the neurobiological, genetic, and developmental roots of the disorder as well as connections between BPD and substance abuse, sexual abuse, Post-Traumatic Stress Syndrome, ADHD, and eating disorders. Both pharmacological and psychotherapeutic advancements point to real hope for success in the treatment and understanding of BPD. This expanded and revised edition remains as accessible and useful as its predecessor and will reestablish this book as the go-to source for those diagnosed with BPD, their family, friends, and colleagues, as well as professionals and students in the field.

Warbound

In 1998 the author, a professional prankster, trademarked the phrase "freedom of expression" to show how the expression of ideas was being restricted. Now he uses intellectual property law as the focal point to show how economic concerns are seriously eroding creativity and free speech.

I Hate You--Don't Leave Me

"MISHA I can't help but smile at the lyrics in her letter. She misses me. In fifth grade, my teacher set us up with pen pals from a different school. Thinking I was a girl, with a name like Misha, the other teacher paired me up with her student, Ryen. My teacher, believing Ryen was a boy like me, agreed. It didn't take long for us to figure out the mistake. And in no time at all, we were arguing about everything. The best take-out pizza. Android vs. iPhone. Whether or not Eminem is the greatest rapper ever... And that was the start. For the next seven years, it was us. Her letters are always on black paper with silver writing. Sometimes there's one a week or three in a day, but I need them. She's the only one who keeps me on track, talks me down, and accepts everything I am. We only had three rules. No social media, no phone numbers, no pictures. We had a good thing going. Why ruin it? Until I run across a photo of a girl online. Name's Ryen, loves Gallo's pizza, and worships her iPhone. What are the chances? F*ck it. I need to meet her. I just don't expect to hate what I find. RYEN He hasn't written in three months. Something's wrong. Did he die? Get arrested? Knowing Misha, neither would be a stretch. Without him around, I'm going crazy. I need to know someone is listening. It's my own fault. I should've gotten his phone number or picture or something. He could be gone forever. Or right under my nose, and I wouldn't even know it. *Punk 57 is a stand alone New Adult romance. It is suitable for ages 18+."--Amazon.com
