So if Anybody in Your Network or You Yourself Would Benefit from this Year-Long Learning Experience You're Going To Want To Click on that Link that Kristen Has Posted into the Chat Box for You It's the One That Ends in Passes and You'll Be Able To See the Options Available to You We Also Have a Phone Number That You Can Call To Speak to Us Directly that's the Plus One Number That's in the Chat Box and Just So You Know if You Do Call It that Number and You Get the Voicemail Please Do Leave a Message We Will Absolutely Get Back to You It's Just if There's a Lot of You and There's a Fever

And I Do Want To Just Quickly Launch a Poll for You You Should See It on Your Screen Now if You Could Please Just Take a Minute To Fill It Out It's a Super Quick Poll and I'm Going To Leave It Up for the Duration of the Session in Fact I'll Leave It Up 3 Minutes beyond the Session so that Everybody Has the Opportunity To Share Their Feedback with Us Okay and Now I'm Going To Go Ahead and Ask Kristin if You Can Just Pop the Link Again One More Time into the Chat Box so Folks Have It if They Haven't Open the Chat Box Yet for the Passes As Well as the Facebook Link if They Want To Join the Conversation

You Should See It on Your Screen Now if You Could Please Just Take a Minute To Fill It Out It's a Super Quick Poll and I'm Going To Leave It Up for the Duration of the Session in Fact I'll Leave It Up 3 Minutes beyond the Session so that Everybody Has the Opportunity To Share Their Feedback with Us Okay and Now I'm Going To Go Ahead and Ask Kristin if You Can Just Pop the Link Again One More Time into the Chat Box so Folks Have It if They Haven't Open the Chat Box Yet for the Passes As Well as the Facebook Link if They Want To Join the Conversation and Share Their Golden Nugget from Tonight's Session

So I Would Say What's Common What You Just Noticed Is that I Do Drill You Know I Want To Really Get to What's the What Is It that You're Not Seeing or Admitting to because that's the Thing You Know that's that Whole Jar Is Window That's Keeping You from Recognizing What It Is You Really Need To Do So My Pattern Is Let's Find Out Where We're Going So I Really You Know the Whole Contracting Setting the Agreement I Want To Know You Know What Is It that You Really Want as an End Result but but Then You Know Here You Are Here's What You Want and So You Know What's the Block Really and and if You Just the First Thing You Say Is Is Almost Always Not It because You Already Know that

You Know I Talked to You about Being Open with Your Head and Your Heart and Your Gut and Oftentimes if I Hit a Wall So all of Us Have We all Thinkers When We Come from Our Head and each of You Will Have It Secondary So I Tend To Be a Very Gut Person I'm a Risk Taker and and and I Have no Problem Stepping Forward and Doing Things so My Weakest Center Is My Heart and Oftentimes I'll Find that if I Get Really Stuck I Just Go to My Heart You Know and Say Okay Heart What Is It What Are You Picking Up and and It Might Be a Reflection or a Question and that's Often Helped Me

I Might You Know Make One Right Down One Word or Something Just So I Know I Want To Go Back to that because I Want To Let Them Process a Little Bit Maybe Afterwards I'll Write like What Was the Key Actions because I Probably Want To Come Back to that in the Next Session but You Heard Me Say that I Want To Be Present and You Can't Take Notes and Be Present Its Internal Impossible because You're Using a Different Part of Your Brain So I Want You To Trust Yourself that that Honestly You'll Go Back to Whatever Key Moments It's There if You Were Present if You Were Worried about What's about that Question that Coach Asked I Want To Ask that Question or Am I Doing the Competency Number Four Then You're Not Present

Because I Probably Want To Come Back to that in the Next Session but You Heard Me Say that I Want To Be Present and You Can't Take Notes and Be Present Its Internal Impossible because You're Using a Different Part of Your Brain So I Want You To Trust Yourself that that Honestly You'll Go Back to Whatever Key Moments It's There if You Were Present if You Were Worried about What's about

that Question that Coach Asked I Want To Ask that Question or Am I Doing the Competency Number Four Then You're Not Present You Know Review Your Competencies
