Hello Spring

Love Comes First is Erica Jong's long-awaited return to her poetic roots! Here is Erica Jong's first book of all-new poems in more than a decade. Known and beloved for Fear of Flying and her many other books of fiction, nonfiction and poetry, Jong expounds on the most eternal, universal topic of all: love. Using brilliant imagery and intense metaphorical insights to paint vivid pictures of love, and all that comes with it--the heights of elation, the depths of sorrow--she covers every inch of the spectrum with her vibrant and insightful words. Perfect for wedding showers, lovers of all ages, and Valentine's Day, Jong's trademark trailblazing style and remarkable ability to bridge the gap between literary and popular poetry makes Love Comes First an instant classic. Discover-- or discover yet again--the brilliance of Erica Jong. Watch the trailer for this book:

Dragon Rider

This spirited picture book celebrates Native American traditions as it teaches young children to count from one to ten. The whimsical illustrations of Ten Little Rabbits, reminiscent of Beatrix Potter, glow with brilliant color and are filled with fascinating detail. Each number introduces a facet of traditional Native American culture, such as Pueblo corn dances or Navajo weaving, and the simple, rhyming text is enhanced by a brief afterword on Native American customs. Ideal for story time or bedtime, this is a book sure to leave children counting rabbits instead of sheep. Winner of the International Reading Association Children's Book Award Praise for Ten Little Rabbits "Writer Virginia Grossman and artist Sylvia Long, a Dakota Indian, have created this book with honesty and careful attention to authenticity and beauty, and the result is a high-quality combination of rhyme, culture, and artistic expression that will please children." —Booklist "A valuable replacement for the old, stereotypical ten little Indians rhyme. . . . A delightful visual treat." —TheFive Owls "A quiet, respectful survey of some Native American customs organized through the structure of a counting rhyme, populated by rabbits dressed in traditional garb. . . . Notes at the back identify each tribe represented (Plains, Pueblo, Great Lakes, Northwestern, and Southwestern peoples), and provide information about the pictures. The rabbits have an earnest charm reminiscent of Marjorie Flack's industrious family." —School Library Journal
