This Long Thread

Celebrate the diverse work of people of color in the craft community and explore the personal, political, and creative potential of textile arts and crafts. In early 2019, the craft community experienced a reckoning when crafters of color began sharing personal stories about exclusion and racial injustice in their field, pointing out the inequity and lack of visible diversity within the crafting world. Author Jen Hewett, who is one of a few prominent women of color in the fiber crafts community, now

brings together this book as a direct response to the need to highlight the diverse voices of artists working in fiber arts and crafts. Weaving together interviews, first-person essays, and artist profiles, This Long Thread explores the work and contributions of people of color across the fiber arts and crafts community, representing a wide spectrum of race, age, region, cultural identity, education, and economic class. These conversations explore techniques and materials, belonging, identity, pride of place, cultural misappropriation, privilege, the value (or undervaluing) of craft, community support structures, recognition or exclusion, intergenerational dialogue, and much more. Be inspired by the work and stories of innovative people of color who are making exceptional contributions to the world of craft. The diverse range of textile artists and craftspeople featured include knitters, quilters, sewers, weavers, and more who are making inspiring and innovative work, yet who are often overlooked by mainstream media.

Learn Tunisian Crochet in the Round

This amazing book is filled with step-by-step photos and instructions to create stitch square blocks with beautiful graphic designs! The basic differences between regular Tunisian and Tunisian in the Round (TITR) are that the stitches are picked up on the forward pass and worked off on the return pass differently. · Regular Tunisian crochet uses 1 hook, 1 ball of yarn and the work is never turned. TITR uses 2 connected hooks, 2 ball of yarn and the work is turned. · Regular Tunisian the forward and return pass are worked on the right side facing and TITR the forward pass is worked on the right side and the return pass on the wrong side. The book includes an 11-Step Photo Tutorial for Tunisian in the Round, and sections that explain how to read stitch charts for TITR Plus a section outlining tools, Tunisian Stitches, and Techniques for Tunisian in the Round. 15 different stitch blocks have the same number of rounds used so blankets can be easily made larger or smaller by altering the number of blocks. Blocks include Fair Isle, Elephants, Hearts & more. Includes 2 afghans, 2 baby blankets and 2 tote bags.

Tunisian Crochet: (FREE Bonus Included) Learn to Creat 15 Amazing Crochet Shawls and Get Warm! There is a lot of draw for crochet projects these days. Perhaps this is because crochet items have to be handmade, or perhaps it is because we are all getting used to the beauty of knowing how to make things by ourselves. Then, there was the time when people and artists decided to take crochet a bit further. They went from a standard crochet to the next level of crochet, with the same handmade draw as well as the same beauty you would expect from something that has been made by hand. When you are crocheting something, you are twisting and knotting yarn to make it into an item that is beautiful to look at and pretty to feel. When you are able to make things with your

own hands, you are going to gain a whole new appreciation for the items that you make. You are going to be able to make everything entirely custom and exactly how you want it to be. If you want it bigger or smaller, wider or thinner, a different color, or anything else that you can imagine, you can do it when you are making items all on your own. Tunisian crochet is like the perfect combination between knitting and crochet. You can use a single hook to do it, as you would with crochet, but you are going to keep everything on that same hook as you would when you are knitting. It is the perfect combination for everyone.
