Alex the Cowboy

The Mayor's cows have been stolen! Alex the Cowboy will hunt down the thieves... But Alex the Cowboy should hurry, it's almost bedtime! Modeling stories are funny bedtime stories, illustrated with clay modeling.

Another Kind of Cowboy

For Alex Ford, dressage is an oasis. In the stable, he can slip into his riding pants, shed the macho cowboy image, and feel like himself for a change. For Cleo O'Shea, dressage is a fresh start. She's got a new boarding school, absentee parents, and, best of all, no one to remember her past. . . . They're an unlikely pair. Cleo's looking for love, but Alex has a secret he's not ready to give up, and a flirtation with Cleo is the last thing on his mind. But you can't find romance before you know real friendship, and sometimes the last person you'd ever think of as a friend ends up being the one you need the most. Susan Juby's trademark humor brings life and laughter to this remarkable story of relationships, mixed signals, and the soul-searching that sometimes takes two.

Holding on to Alex

A re-discovered lost love - a hoped for future.

Wild Ride Cowboy (Copper Ridge, Book 9)

He's come back to Copper Ridge, Oregon to keep a promise – even if it means losing his heart...

The Cowboy's Adopted Daughter

Alex Casali cut ties with his roots long ago. Now he's a Texas cowboy. But even a Stetson can't disguise the Italian fire in his eyes. Hired to run a quilting course at the A Bar A ranch, Allie is appalled when a brooding cowboy accuses her of trespassing. Manners make a man, and strong single mom Allie wants nothing to do with arrogant Mr. Casali. But when her little daughter utters her first words in a

year to Alex, Allie begins to wonder whether there's more behind his smoldering gray eyes than she first thought.

Revenge Riders

Hawk had Indian forebears, but lived the life of a peaceful rancher. Until, that is, the bandits came. With his wife dead and his son gone, kidnapped and beyond finding, Hawk returns to the ways of his people. He goes hunting, only this time he is hunting for the hardest game of all - the evil men who have committed the attack. Along with the men who have worked for him for most of his life, Hawk finds out that a member of his wife's family has conspired against him, but who is the mysterious girl with his son? What is the connection between the kidnappers and the bandits? As Hawk digs deeper he becomes the unwilling leader of men who need to track down the bandits who have devastated their once-peaceful community. A seemingly idealistic leader has taken hostage many people for his own evil purposes and Hawk must find out why.

Wild Ride Cowboy

He's come back to Copper Ridge, Oregon to keep a promise - even if it means losing his heart... Putting down roots in Copper Ridge was never Alex Donnelly's intention. But if there's one thing the ex-military man knows, it's that life rarely unfolds as expected. If it did, his best friend and brother-in-arms would still be alive. And Alex wouldn't have inherited a ranch or responsibility for his late comrade's sister - a woman who, despite her inexperience, can bring tough-as-iron Alex to his knees. Clara Campbell didn't ask for a hero to ride in and fix her ranch and her life. All she wants is the one thing stubborn, honourable Alex is reluctant to give: a chance to explore their intense chemistry. But Clara has a few lessons to teach him too...about trusting his heart and his instincts, and letting love take him on the wildest adventure of all.

How To Hold A Cowboy

When Alex discovers his ex is the new vet in town, he knows he should stay away. And he's right. His father inflicted wounds on Madison and her family. Reminding her of that past isn't smart, and she throws her pain in his face every chance she gets. Madison makes it crystal clear...she doesn't want him back. But Alex just can't ignore those sexy curves, that sassy, oh-so-kissable mouth, and he's not above using his horses to get what he wants--more up-close and personal time with her. Driving her to distraction is easy. Convincing her to give him another chance to hold her? That's going to take everything he's got.

A Cowboy's Claim

A DIFFERENT KIND OF HERO Everyone knows Victor Vicario--he's the scarred loner who's on his way to the National Finals Rodeo in Vegas. But no one knows about the guilt that drives him. And until he achieves his goal, there's no room in his life for attachments. So when Vic is given temporary custody of his young nephew, he is torn. He can't turn his back on family, but how can he look after a kid when he's traveling the rodeo circuit? Then he runs into feisty barrel racer Tanya McGee and makes her an offer. She helps him with Alex, and he'll pay her rodeo expenses. The problem is their little "family" starts to feel all too real.

A Cowboy's Christmas List

This cowboy has made a list—checked it twice—and she's about to find out exactly how right they are for each other. Cowboy Alex Thorne was a pain in quiet Yvette Wright's side for years, but when he suddenly left Heart Falls, she missed his smart mouth and sexy smile. Now he's back with a Christmas gift she can't resist. A homemade advent calendar fashioned from an antique cabinet, each locked drawer full of teasing reasons why they belong together. It took far too long for Alex to realize why he'd relentlessly poked and teased his favourite Heart Falls veterinarian, but he's determined to make up for lost time now that he knows Yvette is the only one for him. He'll need to convince her that in spite of their differences, they're not headed into a holiday fling. Christmas magic will need to be extra shiny and bright this year for these not-quite-enemies to become lovers for a lifetime—and a united force against anyone, or anything, that would tear them apart. Should've Been a Cowboy

Addicted to her cowboy's kisses... Tyler O'Connell kissed Alex Keller goodbye and figured that was that. Tyler's career takes her all over the globe, while Alex settles in the little town of Shoshone, Wyoming. But when Tyler makes a quick visit to see family, her reunion with Alex rekindles a fire that never died. Tyler is blindsided by Alex's transformation. Who knew a Stetson, snug jeans and a pair of boots would rocket him from cute to smokin' hot? Leaving him the first time was tough. Leaving him now is unthinkable. "I'll be fine," she assured him, although at that very moment she didn't feel anything but.
