The History of Paraguay

Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

The History of Paraguay ...

History of Paraguay: from the beginning of the settlements, the colonization of the country, the war for independence, and the modern republic of Paraguay. "The beginnings of the settlements in Paraguay have been sketched in the introductory chapter on the discoveries and conquest. In 1526, Cabot, searching to find a route to the gold and silver mines of the centre of the continent, penetrated as far as the site of the present city of Asuncion. He had already, in the exploration of the Upper Paraná, skirted the southern and eastern boundary of what has since become the country of Paraguay. Ten years later the exhausted and discouraged remnants of Mendoza's great expedition sought rest and refuge among the peaceful agricultural tribes of this region. Under Domingos Irala, these six hundred surviving Spanish adventurers founded Asuncion in 1536, the first settlement of the valley of the Plate. They reduced the Indians to a mild slavery, compelling them to build houses, perform menial services, and cultivate the soil. The country was divided into great tracts called "encomiendas," which, with the Indians that inhabited them, were distributed among the settlers. Few women had been able to follow Mendoza's expedition, so the Spaniards of Asuncion took wives from among the Indians. Subsequent immigration was small, and the proportion of Spanish blood has always been inconsiderable, compared with the number of aborigines. The children of the marriages between the Spanish conquerors and Indian women were proud of their white descent. The superior strain of blood easily dominated, and the mixed Paraguayan Creoles became Spaniards to all intents and purposes. Spaniards and Creoles, however, learned the Indian language; Guarany rather than Spanish became, and has remained, the most usual method of communication..."

The History of Paraguay, with Notes of Personal Observations, and Reminiscences of Diplomacy Under Difficulties

The Paraguayan revolt of 1721-1735 was the first of several events that presaged the Hispanic American Independence movements of the early nineteenth century. Existing works on the revolt, though, are either too short, superficial, or inaccurate. The Colonial History of Paraguay is an original contribution to the scholarship on this crucial period in Paraguay's history. More than a detailed account of the revolt, the work provides an overview of Paraguay in the sixteenth and seventeenth centuries, combining politics, economics, and social analysis into an integrated whole. It is the first modern study of a little-known yet significant portion of Hispanic-American history.

The History of Paraguay;

Step into the captivating world of Paraguay with this remarkable text-only book that takes you on a journey through the heart of South America's hidden gem. In "The History of Paraguay: Hidden Histories and Vibrant Traditions," you'll embark on an extraordinary adventure through the annals of history, the depths of culture, and the allure of this often-overlooked nation. Uncover the secrets of Paraguay's ancient indigenous civilizations, from the Guaraní heartland to the arrival of Spanish conquistadors. Traverse the rich tapestry of colonial Paraguay, where the Jesuit Missions stood as utopian experiments, and witness the clash of cultures in the Guaraní Jesuit War. Explore the challenges of colonial life, the quest for independence, and the eras of dictators and dictums that shaped Paraguay's destiny. Delve into the profound impact of the Paraguayan War and the nation's journey toward reconstruction and recovery in the late 19th century. Navigate the turbulent waters of the mid-20th century and witness Paraguay's transition to democracy in 1989. Experience the nation's modern evolution, from its indigenous communities to its rich biodiversity, and savor the flavors of its traditional cuisine. Immerse yourself in the historic and cultural tapestry of Paraguay's cities, from Asunción to Ciudad del Este, Concepción to Villarrica. And discover the hidden treasures and must-visit sights that beckon travelers to this enchanting land. "The History of Paraguay" is an invitation to travel through time and space, to witness the resilience and creativity of a nation that has found its voice. It's an exploration of a land where history, culture, and nature converge, waiting for you to turn the pages and begin your adventure. Buy the book today and embark on a literary voyage that will transport you to the heart of Paraguay.

The History of Paraguay

History of Paraguay is an extraordinary book about this Republic of South America, the Paraguay. Although it was written in the XIX century, this book is fundamental to understand the roots of the Paraguayan War (1865-1870) as well as the character of South American nations. Its author, Mr. Charles Ames Washburn, was a US Minister in this country from 1861 to 1868, so he was an eyewitness to tragic events that took place in Paraguay at that time. It is a fundamental book for those who want to understand the soul of South America. This first volume covers from the discovery of Paraguay to beginning of Francisco Solano Lopez government.

The South American Republics : History of Paraguay

Excerpt from The History of Paraguay, Vol. 1 Officers of justice, in theirs; and everything paid, in appearance, to the greatest satisfaction of all parties. But the sincere joy seemed to be that of the army, and the common people. The Spaniards, whom Don Alvarez had left to follow him on rafts, did not arrive in less than a month after him. They were attacked by some Indians, who attempted, with long poles armed with hooks, to draw the rafts alone, and would, perhaps, have intended the attempt, if a Christian Cacique had not come to the aid of the travellers, with all his warriors. The Barbarians, however, wounded some but the Cacique had their wounds and took them home for some. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. HIST OF PARAGUAY W/NOTES OF PE

History of Paraguay is an extraordinary book about this Republic of South America, the Paraguay. Although it was written in the XIX century, this book is fundamental to understand the roots of the Paraguayan War (1865-1870) as well as the character of South American nations. Its author, Mr. Charles Ames Washburn, was a US Minister in this country from 1861 to 1868, so he was an eyewitness to tragic events that take place in Paraguay at that time. It is a fundamental book for those who want to

better understand the soul of South America. This second volume covers from the beginning of the war to the end of it, focusing in the drama lived by Washburn during his term in Paraguay.

The History of Paraguay

This lively compilation of testimonies, journalism, scholarship, political tracts, literature, and illustrations conveys Paraguay's rich history and cultural heritage, as well as its struggles against underdevelopment, foreign intervention, poverty, inequality, and authoritarianism.

The History of Paraguay Containing Amongst Many Other New, Curious, and Interesting Particulars of That Country, a Full and Authentic Account of the Establishments Formed There by the Jesuits, Written Originally in French, V 1 Of 2

The aim of this book is to offer a comprehensive approach to the history of the South American republics since the South American histories written before were mostly treating of special periods, and few authorities existed for post-revolution times. One of the main questions he tried to answer was why there were so many revolutions in South American countries. Constitutional traditions, inherited from Spain and Portugal, implanted a tendency toward disintegration; Spanish and Portuguese tyranny bred in the people a distrust of all rulers and governments; the war of independence brought to the front military adventurers; civil disorders were inevitable, and the search for forms of government that should be final and stable has been very painful. On the other hand, the generous impulse that prompted the movement toward independence has grown into an earnest desire for ordered liberty, which was steadily spreading among all classes, resulting in a slow evolution toward republicanism. Volume 1: Argentina: The Argentine Land The Spanish Colonial System Completion of the War of Independence The Era of Civil Wars The Modern Argentine Paraguay: Paraguay Until 1632 The Jesuit Republic and Colonial Paraguay The War Uruguay: Portuguese Aggressions and the Settlement of the Country The Revolution Independence and Civil War Brazil: Discovery Early Colonization Independence Events of 1849 to 1864 Republicanism and Emancipation Volume 2: Peru: The Inca Empire The Spanish Conquest The Wars of Independence Chile: The Spanish Conquest The Colonial Period The War of Independence The Formative Period Bolivia: The Conquest and the Mines The War of Independence Bolivia Independent Ecuador: The Spanish Conquest The War of Independence The Formation of Ecuador Modern Ecuador Venezuela: Conquest, Settlement, and Colonial Days The Revolt Modern Venezuela Colombia: Conquest and Settlement Colonial Times The War against Spain Modern Colombia Panama: The Events Leading to Independence
